ACBL PRIVACY POLICY WITH REGARD TO MEMBER DIRECTORIES:

Preparation for a 2016 Unit 116 Member Directory is now underway. If you completed a registration form in the past you do not need to do one again. If you have changes or deletions, etc. you can email them to Judie Bailey (baj_42@msn.com) or put that info on the update form that will be available along with the registration forms. Please keep the following ACBL guidelines in mind as we put together this new directory – however, note that we don’t generate an annual directory – more like every 3 years.

“If your unit… has released an annual directory of members with their contact information, you may continue to do so. However, we ask that you meet the following conditions:
*Include a statement in the directory and other bridge publications that if a member wishes for his or her contact information to be excluded from the directory, he or she may contact someone to do so.
*Provide clear steps in place that allow members to withdraw their contact information from the directory.
*You must get permission from new members before they are added to any directory.
*You must get permission from members if you plan to include new fields (such as email addresses) in the directory or begin to post their information online.

… the privacy policy exists to protect use of member data for activities not related to the ACBL. Clubs, units and districts are authorized to use member information for ACBL-approved bridge activities and communications within their designated areas. These include newsletters, tournament emails, posting results, Mini-McKinney/Ace of Clubs races, etc. Should you have any questions about the policy or other uses, please reach out to ACBL at privacy@acbl.org.”

President’s Message

Happy Spring Bridge Players,

Longer daylight hours, milder weather, and sprouts poking out of the ground; these are a sure sign of Spring in Western New York. In the bridge world, we look forward to our Spring Sectional and our all new Unit Championship Week. Look elsewhere in this Buff to see full details on these and other events planned for your enjoyment.

At the beginning of the year, I sent out a challenge to all: Engage with a new player: welcome them, have a conversation and best of all ask them to play with you. We worry about the decline in the number of bridge players. So it makes great sense when a new player comes along that we make a distinct effort to send out a welcome.

This effort was in full swing at the Unit Pro-Am Game. There were sixteen tables with many new faces; kudos to those who spent the afternoon playing with a newer player.

Enjoy, be encouraging and kind. Betty Metz, Unit President

* Any new Member or player in an unpaid status for 6 months or more after Jan 1, 1999, will be required to earn 50 black pts to become a Life Master.

** A Member who had red masterpoints or a fraction thereof prior to Jan 1, 1969, is required to possess at least 50 red or gold/platinum masterpoints in any combination to become a Life Master.

*** A Member who became a Life Master prior to Jan 1, 1990 will be exempt from the pigmented point requirements for this rank. Each player who has attained the rank of Life Master as of Dec 31, 2011, will not have to fulfill the pigmented point requirements for their next rank advancement. After attaining their first rank after Jan 1, 2012, all players will be required to fulfill the pigmented point requirements for subsequent rank advancement (this also applies to the new ranks added in 2015). For example, a current Silver Life Master on Dec 31, 2011 would retain the current requirements for Gold Life Master, would not have any pigmented requirements for Ruby Life Master, but would need to fulfill the new requirements for Sapphire and Diamond Life Master.

**** This is the highest rank in the ACBL. It requires 10,000 Masterpoints and one victory in a North American Bridge Championship with no upper Masterpoint restriction or an Open Team Trials (includes CNTC) or its equivalent or a Women’s Team Trials (includes CWTC) or its equivalent or any of the following WBF events: Bermuda Bowl, Venice Cup, Rosenblum Cup, McConnell Cup, Open Pairs, Women’s Pairs, Olympiad, Women’s Team Olympiad, WBF Senior Pairs event, WBF World Swiss Teams, WBF World Mixed Teams, and WBF Senior Teams

New ranks of Ruby and Sapphire Life Master were created by the ACBL Board of Directors, effective January 1, 2016. ACBL has generated rank change transactions for all members who qualified for the new ranks.

Synopsis of the Audit Committee Report to the Unit Board - January 5, 2016

Virtually all of the Unit’s revenues come from receipts associated with Unit-sponsored events. The event chair prepares both a hospitality report and a financial report. Some expenses are paid directly from game receipts, with the remainder turned in to the Treasurer. Ultimately the Treasurer ensures that all receipts and expenses are accounted for.

In addition to game expenses, the Unit has general expenses for supplies and occasional purchases (such as the Bridge Mates). Any payment of more than $50 for an expense unaccompanied by a receipt requires a second signature on the check.

In addition to the event reports, the Board receives financial reports from the Treasurer in advance of each meeting. The Treasurer also prepares an annual report covering income and expenses by category over the fiscal year (Dec 1 to Nov 30).

The Committee found generally that, given the limited sources of receipts and the known purposes of expenses, the Unit’s funds are well handled and secure. The potential for abuse is minimal.

4 teaspoons lemon juice
1 teaspoon seasoned salt
1 teaspoon salt

Mom’s Apfelkuchen recipe
from Carol Bedell

Muerbeteig (the dough)
½ lb. unsalted butter
2 C flour (full)
1 C sugar (scant)

Combine/mix all of the above ingredients and roll into a ball. Cover and put in refrigerator. (this will be used in 3 steps)

(The dough can be made the day before)

Pre-heat oven to 350°. You will need a springform pan.

1. Soften the dough by taking it out of the refrigerator in a timely fashion. Spray entire springform pan, bottom and sides too…take enough dough to spread on the bottom of the pan (a thin layer, just enough to cover the bottom.) Bake in preheated 350°oven on middle rack for 20 minutes. Check after 15 minutes and lower temperature if too dark - should be light brown…Then cool thoroughly before adding filling.

2. Peel and quarter all apples. Place in large pot with small amount of water. Cover and bring to a boil and turn off heat. Leave on burner while preparing pan. Drain in colander; cool.

3. Back to the dough…With more dough line the sides of the pan to meet the bottom (overlap). This should not be too thick.

4. Cover the bottom with bread crumbs to absorb juice from apples. Then spoon apples onto the bottom. Sprinkle with sugar and then cinnamon over the sugar.

5. With the remaining dough make thin pats and place on top of apples beginning in the middle.

6. Finally bake 1 hour in middle of oven 350°. Check after 35 minutes, if too dark, lower temperature…Serve the same day. Delicious with homemade whipped cream.

ROASTED VEGETABLES with BRIE
from Janet Dimet (& Sharon Wilcox)

Peel and cut into one inch pieces or wedges 2-3 lbs. of DENSE vegetables (such beets, potatoes, sweet potatoes, turnips, winter squash, etc.) Put into a large bowl and add minced garlic, fresh herbs (basil), salt and pepper to taste. Pour on olive oil. Mix well, you want a glossy coating. Put on a baking sheet with sides, in a single layer, and roast at 450° for 30-45 minutes. Turnover once or twice until you can pierce with a fork.

Repeat steps 1-5 with vegetables LESS DENSE! (such as slices of carrots, Brussel sprouts, radishes, etc. except for only 10-20 minutes.

Cut an X in a round of Brie, use oven or microwave to melt.

Arrange all veggies on a tray with the melted Brie in the middle. Serve.

Note: I use lots of garlic and basil
