SINGAPORE PAVILION
Singapore that has swiftly seized a large place in the world economy: a thriving manufacturing center turning out ships, precision machinery, and electronic components. The Singapore pavilion, METALTECH’s most significant exhibition partner will continue to provide buyers with the latest metalworking and machine tool innovations. The group will be located in three different halls: Hall 1, Hall 2 and Hall 5.
Presented by the Singapore Manufacturing Federation, be expect to meet, learn and network with companies such as Liebherr Equipment, Avenir Engineering, New Lead Engineering and many more.

KOREAN PAVILION
The Korea Association of Machinery Industry (KOAM) will be spearheading the Korea Pavilion in Hall 4. Be expect to view the latest machinery and tools from the leading manufacturers who will be presented by Daewoo Heavy Machinery, Hanom Technologies, Wido, RTI, and many more.
Returning once again to METALTECH is the Busan group in Hall 3, led by the Busan Economic Promotion Agency (BEPA), the Busan Economic Promotion Agency (BEPA), the metropolitan city is known for its expertise in industries such as automotive and shipbuilding. The exhibition from this city return this year with companies such as Hyundai Industry, Seoultural, Koestal, Daewoo E.N.C and many more who will be demonstrating their innovative technologies and services in these sectors.

TAIWAN PAVILION
Catch this year’s Taiwan pavilion at METALTECH in Hall 1 and Hall 4 and witness the array of products and services that will be on display.
Organized by the Taiwan Machine Tool and Accessory Builders’ Association (TMTA), visitors to the Taiwan pavilion will be treated to a wide variety of machinery and accessories from companies such as Hon-Tai Machine & Tool, Chien-Fu Precision, Shieh Yih Machinery, Ying Hua Technology and many more.
