**Exodus—First Semester Grade 7**

Bible 7 consists of two semester courses: *Exodus* and the *Life of Christ*. *Exodus* is designed to give students a basic overview of the way God miraculously delivered His people out of captivity and led them into the Promised Land. When we understand many of the Israelites’ struggles and how God’s people often turned away from His leading, it shows us how God will deal with us if we stray from trusting in His perfect plan. By studying *Exodus*, students will clearly see God’s patience and mercy as He deals with His people.

Bible 8 consists of two parts: *Book of Acts* and *Joshua and Judges*. This first-semester course is designed to give students a basic overview of the life of Peter and Paul, the beginning of the church, and the spread of the gospel to the Gentiles and eventually to the world through Paul’s missionary travels.

Through the *Book of Acts*, students may see the power of God at work in His willing servants. His servant Paul is a real person—a person with feelings just like anyone else. Yet Paul’s reactions to the trials of life and his indomitable faith in the power of Christ separated him from the nominal Christian life. His life serves as an example for all believers to follow.

### Joshua & Judges—Second Semester Grade 8

The second-semester course, *Joshua and Judges*, focuses on the nation of Israel after their triumphant exodus from Egypt. The exciting, dramatic account of the conquering of the Promised Land will remind the student of the power of God and the provision for His people. Using the seven churches of Asia Minor as an outline of church history, *Book of the Revelation* chronicles the life of the church from the apostolic church of the first century to the Laodicean church of the twentieth century. The text focuses particularly on godly men and women who allowed themselves to be used by God. This gives students a greater appreciation for their Christian heritage and provides them with good role models such as John Wycliffe, George Whitefield, David Livingstone, Fanny Crosby, and Billy Sunday. *Book of the Revelation* continues with a look at the future events revealed to John on the isle of Patmos. The prophecies of Revelation are clearly explained to help students develop a greater desire for the Lord's return and to encourage them to watch and be ready.
