RALLY GUIDE 1 FOR THE 25TH SASOL RALLY
22/23 APRIL 2016

The FIA African Rally Championship calendar for 2016 has been published and the FIA has also created a “Travel Fund” to help entrants to travel to ARC rallies to increase participation in the Championship.

The senior officials of the FIA ARC 2016 have worked on a distribution of the travel fund as follows:

1. ARC registered Drivers going to, or from Ivory Coast and Madagascar – Euro 2000
2. ARC registered Drivers going to all other events – Euro 1200

These funds will be signed off by the event Stewards and then payment arranged.

Also note the 2016 FIA Regional Rally Regulations especially Articles 4.4.1 and 4.4.2, which allow South African homologated cars and also Historic Cars to enter and score points in the 2016 FIA African Rally Championship.

This document has no regulatory power and is issued as an information guide only.

1. Introduction & Welcome
   The 2016 Sasol Rally marks the 25\textsuperscript{th} year that Sasol Oil is sponsoring the rally in the beautiful surroundings of Mpumalanga, one of the provinces in the Republic of South Africa. The event is organized by the South African Motorsport Club (SAM) and we are extremely proud of this true partnership with Sasol Oil. A big welcome to all potential competitors, officials and spectators, you are all invited to be part of the best National rally on the calendar.

   The 2016 Sasol Rally also welcomes for the fifth year the African Rally Championship (ARC), competitors, service crews, spectators and our FIA Officials to our event and encourage you all to make use of all the facilities that have been provided to help to make your stay enjoyable.

   The 2016 Sasol Rally will be run in compliance with the FIA International Sporting Code and its appendices, the 2016 FIA Regional Rally Sporting Regulations, the National Sporting Regulations, 2016 FIA African Rally Championship Regulations, the provision of the South African National Sporting Regulations which comply with the FIA regulations and the Supplementary Regulations for this event.
2. Event History

The 25th running of the Sasol Rally by the SA Motorsport Club (SAM), and this year the second round of the SA National Rally Championship Series 2016, as well as part of the FIA African Rally Championship is being finalized and promise to be once again one of the biggest fuelled-up raves in the forests around Sabie, Graskop, White River and Nelspruit. The Sasol Rally is undoubtedly the most popular rally on the South African calendar for competitors as well as spectators.

Although an event of this nature must inevitably produce disruption for the local communities, there is well deserved compensation in that extra revenue generated in the towns and the regions. Widespread television coverage of the event also provides the towns with exposure throughout South Africa and Africa.
