Compact and Reliable

Compact and Reliable Monochrome Laser Printer

This affordable, wireless monochrome laser printer is fast, compact and offers excellent print quality. Easy to use, with low running costs, the HL-1210W deals reliably with your daily print requirements.

- Fast printing at up to 20 pages per minute (A4) and less than 10 seconds until the first page is printed
- Compact, space saving design
- Affordable and easy to replace consumables
- Print from mobile devices (iPrint&Scan)
With low-priced hardware and genuine consumables, the Brother HL-1210W Wireless Monochrome Laser Printer offers approximately 1,000 prints without compromising on quality. Unlike most printers, the Brother HL-1210W features a separate toner cartridge and drum unit. This means you only need to replace one component at a time, giving you significant cost savings.
