The remaining manpower structure will remain the same.

(4) One time Relaxation for filling up of posts in Special Economic Zone:

4.1 Relaxation allowed for the post of Asstt. Development Commissioner:

In terms of existing Recruitment Rules, 33.33% of the posts of Asstt. Development
Commissioners (ADCs) are required to be filling up by promotion and remaining 66.67% by
deputation. References have been received in the Department of Commerce about the difficulty
faced in filling up of the posts in the deputation quota. In the interest of smooth functioning of
zones, some of the posts of deputation quota have been filled by way of regulation or ad-hoc
promotion of feeder grade officers. Requests have been received in this department to regularise
the officials allowed promotion against deputation quota.

The matter has been examined in this department. In order to adjust the excess beyond the
promotion quota as prescribed in the RRs, as one time measure, it has been decided that upto
33.33% of the posts of ADCs of private SEZs under the jurisdiction of respective Zonal
Development Commissioners, which are cost recovery posts be added to the sanctioned strength of
ADCs to adjust the excess promotion(s) allowed against deputation quota, by the officers in the
order of seniority in the feeder grade. The arrangement would be subject to the terms and
conditions laid down vide DOPT O.M. No. 2/6/2009-Estt. (Pay-II) dated 25th February, 2009
regarding deputation of Central Government employee to ex-cadre posts. The posts would revert

promotion basis subject to the continuation of the percentage of officials on deputation basis.

proximity and work load, they may be allocated more than one SEZ.

(b) The cost of such posts may be shared among the zones being served by such
