Koenig Solutions offers every possible Microsoft course that you can think of. Being a Microsoft authorized Gold Learning Partner, we have the requisite skill set and infrastructure that forms the vital core of holistic learning. Our certified trainers teach only the official Microsoft curriculum and make sure that students get the most value out of their time and money spent.

Koenig's association with Microsoft goes a long way back. We were honored by Microsoft in 2009 as their Citizenship Partner for the year, and in 2012, for Contribution to Microsoft Learning.

From MS Office to SharePoint, and from Windows Server to Unified Communications, we provide Microsoft Training for beginners as well as for experts who wish to further hone their domain expertise.

Some of the benefits you can enjoy by getting a Microsoft certification are:

- Core IT focus on specific skill sets pertaining to your domain
- High degree of relevance to real world industry requirements
- A common yardstick for employers to assess job applicants
- A perfect way to achieve professional goals and gain recognition
