Guidelines and Procedures for Home School Student Participation in Jump Start Program

Anne Arundel County residents who are home schooled and are 16 years of age or older may participate in the Anne Arundel Community College Jump Start College Program with the approval of the Anne Arundel County Public School Home School office. Students must be 16 years of age as of the first day of class.

Procedures:

- Home school students must receive at least half of their instruction through an approved Home Instruction program (Type A or B) as determined and approved on the signed AACPS Home School Notification Form filed with Anne Arundel County Public Schools Home School Office.
  “This form is used by the Anne Arundel County Public Schools, in accordance with the State Board of Education regulation Title 13A, Subtitle 10, Home Instruction, Chapter 01, General Regulations. Those regulations establish procedures to determine if a student participating in a home schooling program is receiving regular, thorough instruction during the school year.”\(^1\).

- Students wishing to participate must provide a copy of a completed Anne Arundel County Public School (AACPS) ‘Home School Notification’ signed by an authorized designee of the AACPS Home School Office.

- The Jump Start Tuition Scholarship Application form must also be submitted to request consideration for a tuition scholarship.

- Students participating in the Jump Start program must comply with all Anne Arundel Community College academic policies and regulations and demonstrate eligibility or pre-requisite completion for all courses for which they wish to register.
