University Statement of Academic Expectations for Students
In choosing UNCW, you have become part of our community of scholars. We recognize that the UNCW learning experience is challenging and requires hard work. It also requires a commitment to make time available to do that hard work. The university expects you to make academics your highest priority by dedicating your time and energy to training your mind and acquiring knowledge. This affirmation is published in accordance with 41 CFR Part 60 and is implemented in accordance with the following laws and their amendments: Title VII and Title IX of the Civil Rights Act of 1964; the Equal Pay Act of 1963; Executive Order 11246; the Age Discrimination in Employment Act of 1967; the Rehabilitation Act of 1973; the Americans with Disabilities Act of 1990; the Vietnam Era Veterans’ Readjustment Assistance Act of 1974; the Civil Rights Restoration Act of 1988; NC General Statutes Chapters 116 & 126; and Title II of the Genetic Information Non-Discrimination Act of 2008.

The University of North Carolina Wilmington is committed to this program and is aware that with its implementation, positive benefits will be received from the greater utilization and development of previously under-utilized human resources.

PREFACE

The UNCW Code of Student Life outlines the rights and responsibilities and expected levels of conduct of students on and off campus. The purpose of the rules herein is to prevent abuse of the rights of others and to maintain an atmosphere in the university community appropriate for an institution of higher learning. Sections in the Code cover academic concerns (grievances and standards) and student conduct and appeals.

Rules included in the Code are subject to amendment or revision. Any member of the university community may submit proposed amendments or revisions to the vice chancellor for student affairs. The vice chancellor for student affairs may also ask the Student Matters Committee, a standing advisory committee of the Faculty Senate, to make recommendations. All substantive changes are reviewed in consultation with General Counsel and the chancellor is informed accordingly.

Students at the University of North Carolina Wilmington are subject to, and enjoy the protections of, the Constitution and laws of the United States and of North Carolina, as well as the Code of the Board of Governors of the University of North Carolina and relevant policies of the Board of Governors and of the Board of Trustees of the University of North Carolina Wilmington. This UNCW Code of Student Life is interpreted by reference to these sources of law and guidance. The following sections of the Code of the Board of Governors should be noted especially:

Section 600.
Freedom and Responsibility in the University Community

(1) The University of North Carolina is dedicated to the transmission and advancement of knowledge and understanding. Academic freedom is essential to the achievement of these purposes. The university therefore supports and encourages freedom of inquiry for faculty members and students, to the end that they may responsibly pursue these goals through teaching, learning, research, discussion and publication, free from internal or external restraints that would unreasonably restrict their academic endeavors.

(2) The university and each constituent institution shall protect faculty and students in their responsible exercise of the freedom to teach, to learn and otherwise to seek and speak the truth.

(3) Faculty and students of the University of North Carolina shall share in the responsibility for maintaining an environment in which academic freedom flourishes and in which the rights of each member of the academic community are respected.

Section 608.
Students’ Rights and Responsibilities

(1) The University of North Carolina affirms that the first goal of each constituent institution is to educate the students admitted to its programs. The freedom of students to learn is an integral and necessary part of the academic freedom to which the University and its constituent institutions are dedicated. Each constituent institution shall provide, within allotted functions and available resources, opportunity for its students to derive educational benefits through developing their intellectual capabilities, encouraging their increased wisdom and understanding, and enhancing their knowledge and experience applicable to the effective discharge of civic, professional, and social responsibilities. No constituent institution shall abridge either the freedom of students engaged in the responsible pursuit of knowledge or their right to fair and impartial evaluation of their academic performance.

(2) All students shall be responsible for conducting themselves in a manner that helps to enhance an environment of learning in which the rights, dignity, worth and freedom of each member of the academic community are respected.

(3) In applying regulations in the area of student discipline, each constituent institution shall adhere to the requirements of due process as set forth in Section 502 D(3) of this Code.
Section 502 D(3).
Relation of the Chancellor to the Constituent Institutions

Subject to any policies or regulations of the Board of Governors or of the board of trustees, it shall be the duty of the chancellor to exercise full authority in the regulation of student affairs and student conduct and discipline. In the discharge of this duty, delegation of such authority may be made by the chancellor to faculty committees and to administrative or other officers of the institution or to agencies of student government, in such manner and to such extent as may by the chancellor be deemed necessary and expedient. In the discharge of the chancellor’s duty with respect to manners of student discipline, it shall be the duty of the chancellor to secure to every student the right to due process. Appeals from these disciplinary decisions are allowable only on the following grounds: 1) a violation of due process; or 2) a material deviation from Substantive and Procedural Standards adopted by the Board of Governors. Where the sanction is suspension or expulsion, an appeal may be made to the board of trustees. No appeal to the president is permitted. When the sanction is expulsion, the final campus decision is appealable to the Board of Governors.

Students have the right to enjoy a university environment free of unlawful discrimination, including sexual harassment. In all institutional relationships, the university expects its employees and students to show discretion and civility and to treat each other with equality and dignity. Discriminatory behavior, including sexual harassment of students by any university employee — faculty or staff — is a violation of both state and federal law and university policy. (See University Policy 02.200 & 02.210.)

Section 700.4.1
Policy on Minimum Substantive and Procedural Standards for Student Disciplinary Proceedings

The purpose of this policy is to establish legally supportable, fair, effective and efficient procedures for student disciplinary proceedings. The minimum standards for these proceedings are set out below. These minimum standards exceed the requirements of due process and therefore complying with requirements will also result in providing due process.

I. Elements of Policy
The two kinds of standards that must be followed are procedural standards and substantive standards.

II. Procedural
The procedural standards require notice and an opportunity for a hearing. The formality of these provisions will vary depending on the seriousness of the offense. (See Sections V and VI. below.)

III. Substantive
Substantive standards require that the decision reached be neither arbitrary nor capricious. Generally this means that there is some evidence to support the decision reached.

IV. Code of Conduct
Each constituent institution must adopt a code of student conduct that: (a) is applicable to all students; (b) defines what conduct is prohibited; and (c) specifies the types of sanctions that may be imposed for each category of prohibited conduct. Ranges of violations and ranges of sanctions are permissible. Progressive sanctions for multiple violations are also legitimate. A periodic review of the code should be undertaken to ensure it remains in compliance with applicable laws, policies and regulations.

V. Requirements for Minor Violations
A minor violation is one for which the possible sanctions are less than suspension and expulsion.
A. Procedural Requirements:
1. A constituent institution may receive and, in its discretion, investigate reports of incidents of student misconduct. A student may be accused of a violation of the code of student conduct only by a designated university official with a formal charge initiating a disciplinary proceeding. A determination to initiate a disciplinary proceeding accusing a student of a violation of the code of student conduct should be made by a designated university official within a reasonable period of time after the constituent institution receives the report.
2. If a charge is to be pursued, it is then referred to a hearing official or body. The student must be notified in writing of charge, the referral and the hearing date. The hearing should not be scheduled for at least five (5) calendar days after the student receives the notice, unless the student agrees to an earlier hearing date. A committee member or the hearing official who has a conflict with, bias about or interest in the case should recuse himself. If the committee member or the hearing official refuses to recuse himself, a designated university official shall make the recusal decision.
3. The student may waive the hearing and accept a sanction proposed by a designated university official. The sanction must be within the ranges specified in accordance with paragraph IV above. The waiver and acceptance must be in writing and signed by the student.
4. If a hearing is held, it may occur as a meeting between the hearing committee/official and the student. It will be a closed meeting. The institution shall assure that students have the capability to present their evidence and defenses at the meeting or hearing. Witness testimony and documents may be received from both the designated university official and the student, who will both be present during all of the evidentiary presentation. At the end of the hearing, the committee/official will determine whether the designated university official has shown by a preponderance of the evidence that the student committed the offense charged. This determination must be based solely on the evidence presented at the hearing or meeting. The committee/official will also determine the appropriate sanction within the ranges specified in the definitions in IV above.
5. The decision may be final or it may be a recommendation for a final decision by a designated university official. The final administrative decision must be reached within a specified amount of time, not to exceed 45 calendar days after the date of the hearing. The final administrative decision must be transmitted to the student in writing within ten (10) calendar days of the date the decision is made, and it must contain a brief summary of the evidence upon which the decision is based.
6. Appeal rights must be specified in the decision letter. At least one level of administrative appeal must be permitted and the time in which to appeal and the permitted grounds for the appeal must be articulated. Further appellate opportunities shall be governed by the Code [502 D(3)] of the University of North Carolina.

B. Substantive Requirements: In each case there must be sufficient evidence supporting the decision and the sanction.

VI. Serious Violations
A serious violation is one for which the possible sanctions include suspension or expulsion.
A. Procedural Requirements:
1. A constituent institution may receive and, in its discretion, investigate reports of incidents of student misconduct. A student may be accused of a violation of the code of student conduct only by a designated university official with a formal charge initiating a disciplinary proceeding. A determination to initiate a disciplinary proceeding accusing a student of a violation of the code of student conduct should be made by a designated university official within a reasonable period of time after the constituent institution receives the report.
2. Written notice to the student must be provided if a decision is made to issue a formal charge against the student. The notice should specify the offense(s) charged, the possible sanctions, and a brief recitation of the factual allegations supporting the charge. For all charged offenses which could result in expulsion, the notice must include this possibility
and must specify that expulsion precludes matriculation at any UNC constituent institution.

3. A formal charge is then referred to a hearing official or body. The student must be notified in writing of the referral. This notice may include a hearing date. The hearing date may not be scheduled for at least ten (10) calendar days after the student receives notice of the referral, unless the student agrees to an earlier hearing date. Reasonable extensions of time for either party to prepare for the hearing should be allowed.

4. If a hearing date is not set in the notice of the charge, written notice of the hearing date must be sent to be received by the student not less than five (5) calendar days before the proceeding is scheduled for hearing.

5. The student may waive the hearing and accept a sanction proposed by a designated university official. The sanction must be within the ranges specified in accordance with paragraph IV above. The designated university official must determine that the waiver and acceptance is voluntary and that the charge and sanction have factual support. The waiver and acceptance must be in writing and signed by the student and the designated university official.

6. Prior to the hearing, the student must be given the opportunity to review any written evidence that will be used at the hearing and to obtain a list of witnesses.

7. A committee member or hearing official who has a conflict with, bias about or an interest in a case must recuse himself. If the committee member refuses to recuse himself, a designated university official will make the recusal decision. The student must also be given the opportunity to challenge a committee member or hearing official on these grounds. The decision on the challenge must be made by the committee or official within five (5) calendar days. If necessary, a substituted committee member or hearing official will be appointed.

8. The institution shall assure that students have the capability to present their evidence and defenses at the hearings. The method for assuring this capability may vary depending on the nature of the case and on the nature of the representation of the institution or the charging party. Each institution must have a policy delineating the participation or prohibition of attorneys and non-attorney advocates. Representation or assistance by attorneys or non-attorney advocates at the hearing is neither required nor encouraged.

9. The hearing will be closed to the public, unless a constituent institution’s policy provides otherwise.

10. A transcript or other verbatim record of the hearing (but not of the deliberations) will be prepared. The institution will be responsible for the costs of this record.

11. At the hearing, a designated university official must present sufficient witness and/or documentary evidence to establish the violation. The student must be given an opportunity to question this evidence, either by direct questions or inquiries transmitted through the committee or hearing official.

12. The student must be given the opportunity to present any witness or documentary evidence that he offers, provided that the evidence is relevant to the charge or other evidence presented and does not otherwise infringe the rights of other students.

13. At the conclusion of the evidence, the committee/official will determine whether the charging official has shown by a preponderance of the evidence, or by such higher standard as the institution may adopt, that the student committed the offense charged. This determination must be based solely on the evidence presented at the hearing. The committee or official will also determine the appropriate sanction within the ranges specified in accordance with paragraph IV above.

14. The decision may be final or it may be a recommendation for a final decision by a designated university official. The final administrative decision must be reached within a specified amount of time, not to exceed forty five (45) calendar days after the hearing is completed. The final administrative decision must be transmitted in writing to the student within ten (10) calendar days of the date the decision is made and must contain a brief summary of the evidence upon which the decision is based.
15. A vice chancellor or his delegate must make the final administrative determination in all suspension cases. The delegation may be to a student committee or a student/employee committee.

16. The Chancellor or a vice chancellor must make the final administrative decision in all expulsion cases.

17. Appeal rights must be specified in the final decision letter. At least one level of institutional appeal must be permitted, and the time limits in which to appeal and the permitted grounds for appeal must be articulated.

18. Further appeals shall be governed by the Code of the University of North Carolina.

B. Substantive Requirements: In each case there must be sufficient evidence supporting the decision and the sanction.

VII. Special Cases

A. If the formal charge is also the subject of pending criminal charges, the institution must, at a minimum, allow an attorney advisor to accompany the student to the hearing.

B. Charges against multiple students involved in the same incident may be heard in a single case only if each student defendant consents to such a proceeding.

C. In cases of alleged sexual misconduct, both parties are entitled to have the same opportunities to have others present during a disciplinary proceeding.¹

D. Victims of crimes of violence must be notified of the results of the disciplinary proceeding of the alleged assailant. “Results” means the name of the student assailant, the violation charged or committed, the essential findings supporting the conclusion that the violation was committed, the sanction if any is imposed, the duration of the sanction and the date the sanction was imposed.

E. When a student with a disability is charged with an offense, the institution will assure that all requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act are met.

Effective Date: This policy applies to all offenses committed on or after August 23, 2013.

¹ The term “sexual misconduct” includes sexual assault, sexual battery, sexual coercion, rape, stalking, sexual violence and other forms of sexual misconduct. Furthermore, “both parties” refers specifically to the individual who claims to have been the victim of the sexual misconduct and the student who is alleged to have engaged in sexual misconduct.
Section 700.4.1.1
Regulation Applicable to Student Disciplinary or Conduct Procedures: Right to an Attorney or Non-Attorney Advocate for Students and Student Organizations

I. Purpose
This regulation clarifies how the constituent institutions of The University of North Carolina (hereinafter, “UNC constituent institutions”) will interpret and administer the requirements of North Carolina General Statutes Section 116-40.11 (hereinafter, “Section 116-40.11”) regarding the participation of licensed attorneys and non-attorney advocates (collectively, “Advocates”) on behalf of students and Student Organizations in campus Disciplinary or Conduct Procedures, as defined herein. Nothing in this regulation shall be construed to create a right for any student or Student Organization to be represented during a Disciplinary or Conduct Procedure at public expense.

UNC constituent institutions encourage character formation and development by asking students, as members of the University community, to uphold the highest standards of personal behavior and responsibility in all settings. Disciplinary or Conduct Procedures at UNC constituent institutions are designed to address violations of Disciplinary or Conduct Rules in a manner that prioritizes student development and education. While Disciplinary or Conduct Procedures may result in the imposition of sanctions in appropriate cases, the primary objectives of these procedures are to uphold the highest standards of honor, integrity, and personal responsibility; to encourage responsible choices concerning issues such as alcohol use, the treatment of others, and sexual behavior; and to promote student learning, safety, health, and well-being.

The emphasis upon student education and growth as the primary objectives of the Disciplinary or Conduct Procedures distinguish these campus-based processes from criminal or civil legal proceedings. Campus Disciplinary or Conduct Procedures do not result in an adjudication of whether a crime has occurred; such determinations can be made only by the criminal justice system. Consistent with these student learning and development objectives, Disciplinary or Conduct Procedures at UNC constituent institutions remain non-adversarial; reflect community values, university policies, and Board of Governors standards; and provide for the respect and consideration of all participants.

Each UNC constituent institution shall establish its own specific rules and procedures for administering Section 116-40.11 in a manner that is consistent with the provisions of Section 700.4.1 of the UNC Policy Manual (entitled “Policy on Minimum Substantive and Procedural Standards for Student Disciplinary Proceedings”) and this regulation.

II. Definitions
As used within this regulation, the following terms have the meanings provided below.

A. Academic Dishonesty – Any act that constitutes cheating, plagiarizing, or knowingly misrepresenting the source of information contained in work submitted by a student; or knowingly assisting another in cheating, plagiarizing, or a knowing misrepresentation. Examples of Academic Dishonesty include, but are not limited to: the use of another’s ideas or copying another’s work without proper citation or acknowledgment; the use of any material assistance, or collaboration that was prohibited or not authorized by an instructor in taking a test or preparing a project or assignment to be submitted to an instructor; or fabricating or falsifying information or data.¹

¹This regulation does not address any rights a student may have under federal law, regulations or policy guidance to have an Advocate or advisor present as part of any Disciplinary or Conduct Procedure at a UNC constituent institution.
B. Accused of a Violation – Occurs when a designated university official brings a formal charge against a student or Student Organization to initiate a Disciplinary or Conduct Procedure as described in paragraphs V.A. and VI.A., of Section 700.4.1 of the UNC Policy Manual.

C. Disciplinary or Conduct Rules – The code of student conduct of a UNC constituent institution described in paragraph IV., of Section 700.4.1 of the UNC Policy Manual. Disciplinary or Conduct Rules do not include the rules or codes of a UNC constituent institution governing academic integrity, including professional or ethical standards associated with a particular program of study, or Academic Dishonesty.

D. Disciplinary or Conduct Procedure(s) – A hearing or other procedure during which a designated university official, board, or panel considers information and/or documentation in order to make a determination regarding whether a student or Student Organization may have violated Disciplinary or Conduct Rules.

E. Student Honor Court – A Disciplinary or Conduct Procedure board or panel that is composed entirely of students who address whether a student or Student Organization has violated a UNC constituent institution’s Disciplinary or Conduct Rules.

F. Student Organization(s) – A student group that has been officially recognized or sponsored by a UNC constituent institution in accordance with the UNC constituent institution’s student organization recognition policies.

III. Notice, Role, and Requirements of Advocates in Disciplinary or Conduct Procedures

A. Notice to Students and Student Organizations Accused of a Violation
Any student or Student Organization Accused of a Violation of a UNC constituent institution’s Disciplinary or Conduct Rules shall be notified of the right to be represented by a licensed attorney or non-attorney advocate, if applicable. Such notice shall be transmitted in writing by the UNC constituent institution when the student or Student Organization is initially Accused of a Violation, as defined herein, or as soon as reasonably possible thereafter so that an Advocate may participate in any campus-based Disciplinary or Conduct Procedure as provided by this regulation.

B. Role of Advocates in Disciplinary or Conduct Procedures
In accordance with Section 116-40.11, students and Student Organizations at UNC constituent institutions who have been Accused of a Violation of an institution’s Disciplinary or Conduct Rules may be represented by an Advocate during any Disciplinary or Conduct Procedure, except when the violation:
1. Will be heard by a Student Honor Court; or
2. Is an allegation of Academic Dishonesty, as defined by the UNC constituent institution.

The right to have an Advocate represent a student or Student Organization applies when a student or Student Organization is initially Accused of a Violation, as defined herein. Consistent with this regulation and the rules, policies, and/or guidelines governing a UNC constituent institution’s Disciplinary or Conduct Procedures, an Advocate may fully participate in

2For example, Disciplinary or Conduct Procedures are not subject to the State or federal Rules of Evidence or the State or federal Rules of Civil Procedure, although each UNC constituent institution’s Disciplinary or Conduct Rules may specify applicable procedural rules, including rules that govern the introduction and admission of evidence or testimony, as well as rules governing any formal or informal exchange of witness lists or documents that may be used at a hearing. As a result, information that might be deemed “hearsay” or is otherwise inadmissible during a formal legal proceeding might be considered by the designated university administrator, board, or panel.

3The UNC constituent institutions may adopt their own definitions of Academic Dishonesty not inconsistent with this regulation. See also N.C.G.S. § 116-40.11(a)(2).
such procedures to the extent and in the same manner afforded to the student or Student Organization he/she represents. An attorney or other individual representing the UNC constituent institution may participate in Disciplinary or Conduct Procedures in which an Advocate represents a student or a Student Organization.

When scheduling Disciplinary or Conduct Procedures, UNC constituent institutions will make reasonable efforts to accommodate an Advocate; however, the availability of students or Student Organization members; witnesses; the designated administrator, panel members, or board members assigned to the matter; and other necessary participants as well as the expectation to promptly complete the Disciplinary or Conduct Procedure may, in the UNC constituent institution’s discretion, take priority when determining the date and time for a Disciplinary or Conduct Procedure. Additionally, an Advocate may not delay, disrupt, or otherwise interfere with a Disciplinary or Conduct Procedure.

C. Requirements to Serve as an Advocate During a UNC Constituent Institution’s Disciplinary or Conduct Procedure

In order for an Advocate to represent a student or Student Organization in a Disciplinary or Conduct Procedure, the student or Student Organization must provide the office of the UNC constituent institution that administers the Disciplinary or Conduct Procedure with the three (3) documents described below. These three (3) documents must be submitted within the timeframe established by the UNC constituent institution. If the required documents are not completed and submitted within the timeframe established by the UNC constituent institution, the institution may, in its discretion, determine an appropriate remedy, up to and including denying the participation of the Advocate in the Disciplinary or Conduct Procedure.

1. Notice of representation.

Students and Student Organizations that plan to have an Advocate represent them during a Disciplinary or Conduct Procedure must notify the office of the UNC constituent institution that administers the Disciplinary or Conduct Procedure in writing of the Advocate’s planned participation in a Disciplinary or Conduct Procedure. This notice must specify:
   (a) The identity of the Advocate;
   (b) Whether the individual is a licensed attorney or a non-attorney advocate; and
   (c) An address, telephone number, and email address where the Advocate can be reached.

2. FERPA authorization

In order for an Advocate to represent a student or Student Organization during a Disciplinary or Conduct Procedure or to speak with an official of a UNC constituent institution regarding the student or the members of a Student Organization, the student(s) must complete and submit a written authorization that meets the requirements of a valid consent as specified by the Family Educational Rights and Privacy Act (FERPA). Even if a student executes a valid FERPA consent authorizing the Advocate to receive information or documents regarding the student, the UNC constituent institution may at all times correspond directly with the student or Student Organization. It is the student’s or Student Organization’s responsibility to communicate and share information with the Advocate.

3. Certification by Advocate

Students or Student Organizations that plan to have a licensed attorney or non-attorney advocate represent them during a Disciplinary or Conduct Procedure must submit a certification form signed by the Advocate stating that the Advocate has read in their entirety and understands the following documents:
   (a) The applicable Disciplinary or Conduct Rules;
   (b) Any additional rules, policies, or guidelines that a UNC constituent institution has enacted for its Disciplinary or Conduct Procedures, consistent with this regulation; and
IV. Training on Disciplinary or Conduct Procedures
UNC constituent institutions shall develop and provide training for students, Student Organizations, and institutional staff to ensure that Disciplinary or Conduct Procedures are conducted in a manner that is consistent with the provisions of the UNC Policy Manual, this regulation, and any other rules, policies, or guidelines that the UNC constituent institution has enacted for its Disciplinary and Conduct Procedures.

V. Monitoring Disciplinary or Conduct Procedures
UNC constituent institutions shall monitor and track the number of cases affected by Section 116-40.11 and this regulation during the course of an academic year and other information as may be requested by the president or the president’s designee. Such data shall be collected annually by each UNC constituent institution, and, upon request, shall be reported to the president or the president’s designee.

4The office of the UNC constituent institution that administers the Disciplinary or Conduct Procedure can supply students with an approved authorization form that meets the elements of a valid consent in accordance with FERPA.
SECTION I
STUDENT ACADEMIC HONOR CODE
POLICY 03.100

I-1 THE UNCW STUDENT ACADEMIC HONOR CODE
The University of North Carolina Wilmington is a community of high academic standards where academic integrity is valued. UNCW students are committed to honesty and truthfulness in academic inquiry and in the pursuit of knowledge. This commitment begins when new students matriculate at UNCW, continues as they create work of the highest quality while part of the university community, and endures as a core value throughout their lives.

I-2 THE UNCW HONOR PLEDGE
All students enrolled at UNCW are subject to the UNCW Student Academic Honor Code (hereafter referred to as the Honor Code), which is intended to help every member of the UNCW community appreciate the high value placed on academic integrity and the means that will be employed to ensure its preservation. Students are expected to perpetuate a campus culture where each student does his or her own work while relying on appropriate resources for assistance. In such a climate students enjoy a special trust that they are members of a unique community where one’s thoughts and words are attributed correctly and with proper ownership, and where there is little need for systems to sanction those who cheat. As such, all UNCW students shall commit to the principles and spirit of the Honor Code by adhering to the following pledge:

“As a student at The University of North Carolina Wilmington, I am committed to honesty and truthfulness in academic inquiry and in the pursuit of knowledge. I pledge to uphold and promote the UNCW Student Academic Honor Code.”

I-3 GUIDELINES IN SUPPORT OF THE HONOR CODE
Disciplinary action will ensue when students fail to align themselves with the ideals and expectations outlined in the Honor Code. The following guidelines are designed to educate students about the types of academic dishonesty, the roles that the university community has in upholding the Honor Code, the procedures used to report and adjudicate alleged offenses, and the limitations on withdrawals and repeating courses in the event of academic dishonesty. Because the university takes a holistic approach to addressing student misconduct, both of an academic and non-academic nature, incidents involving students with prior findings of responsibility for academic dishonesty or serious non-academic misconduct (typically denoted by the status of “disciplinary probation”) will be referred to the Student Academic Honor Board.

A. ACADEMIC DISHONESTY OFFENSES
No form of academic dishonesty is tolerated in our community. Academic dishonesty is broadly defined as attaining academic goals by deception, and includes but is not limited to attempted or completed offenses as follows:

1. CHEATING
Cheating is deception implying that work in fulfillment of course or degree requirements represents a student’s own level of knowledge when it actually does not. Common examples of cheating include:

   a. Any conduct during a program, course, quiz or examination which involves the unauthorized use of written or oral information, or information obtained by any other means of communication. Students are expected to consult with their instructors for clarification on whether assignments may be conducted jointly with other students. In the absence of approval for joint work, the expectation is that students will conduct their own work and research both outside and within the classroom environment (not including authorized assistance and sanctioned university resources such as the University Learning
Center). Students must receive approval by their instructor(s) in advance for submitting a paper previously written and submitted by them for another class.

b. The unauthorized acquisition, buying, selling, trading or theft of any examination, quiz, term paper or project.

c. The unauthorized use of any electronic or mechanical device during any program, course, quiz or examination, or in connection with laboratory reports or other materials related to academic performance.

d. The unauthorized use of laboratory reports, term reports, theses, or written materials in whole or in part.

e. The unauthorized assistance or collaboration on any test, assignment, or project.

f. The unauthorized use by a student of another person’s work, or the falsification of any other person’s work, or writing another person’s work for them to submit.

g. Bribery, including but not limited to the offering, giving, receiving or soliciting of any consideration in order to obtain a grade or other treatment not otherwise earned by the student through his/her own academic performance.

h. Any form of lying or furnishing false information to a professor, administrator or staff member acting in performance of their duties (including taking an exam for another student).

2. PLAGIARISM

Plagiarism is the copying of language, phrasing, structure, or specific ideas of another and presenting any of these as one’s own work, including information found on the Internet. Common examples of plagiarism include but are not limited to:

a. Reproducing someone else’s work without quotation marks or proper attribution and submitting it as your own.

b. Paraphrasing or summarizing another’s work without attribution or acknowledgement of the source and submitting it as your own.

c. Deliberate attribution to a source from which the referenced material was not in fact derived.

d. Failing to cite a source for ideas or information.

B. RESPONSIBILITY OF THE UNIVERSITY COMMUNITY

1. GENERAL RESPONSIBILITY

It is the responsibility of every faculty member, student, administrator and staff member of the university community to uphold and maintain the highest academic standards and integrity of the university. Any member of the university community who has reasonable grounds to believe that an infraction of the Honor Code has occurred has an obligation to report the alleged violation to the faculty member teaching the class who, in turn, must report the allegation to the Office of the Dean of Students. This obligation is a core value of the Honor Code, and must be fulfilled by each and every member of the university.

2. STUDENT RESPONSIBILITY

UNCW students affirm their adherence to the Honor Code by signing an Honor Pledge after enrolling at the university; thereafter, each student must conform to the Honor Code at all times. The absence of signing the pledge does not excuse students from their obligation to read, practice and be held accountable to the rules and spirit of the Honor Code. Students are responsible for seeking clarification from faculty whether and to what degree they are permitted to collaborate on assignments; use laptops, cell phones, and other electronic media in class; and submit papers that they have submitted or intend to submit for another course. It is the student’s responsibility to receive approval in advance for conducting joint academic work (work which involves anyone other than the student him/herself) or when attempting to submit work that was previously written/conducted by the student (commonly known as “recycling” one’s work). Students who observe or suspect an Honor Code violation are to notify the instructor in whose course the alleged infraction occurred.
3. RESPONSIBILITY OF INDIVIDUAL INSTRUCTORS
Instructors should remind their students of the Honor Code during the first week of classes and include Section I of the Honor Code and the Honor Pledge in their syllabi. In addition to discussing the Honor Code with students, instructors should clarify whether and to what degree students are permitted to collaborate on assignments; use laptops, cell phones, and other electronic media in class; and submit papers that they have submitted or intend to submit for another course. While faculty are encouraged to discuss these issues with students, it is the student’s responsibility to receive approval in advance for conducting joint academic work (work which involves anyone other than the student him/herself) or when attempting to submit work that was previously written/conducted by the student (commonly known as “recycling” one’s work). While all students are bound by the Honor Code through either a signed pledge or by virtue of enrollment at UNCW, instructors have the option of including the Honor Pledge on examinations and requiring students to include a signed pledge with submitted work. Each instructor is obligated to report allegations of academic dishonesty, upon discovery, to the Office of the Dean of Students.

4. RESPONSIBILITY OF ACADEMIC AFFAIRS
The Division of Academic Affairs is responsible for advising all new university faculty and academic administrative staff regarding the Honor Code. The provost or designee shall have the right to hear an expedited student case as requested by the Office of the Dean of Students, and to review appeals for students sanctioned as a result of Honor Code Infractions.

5. RESPONSIBILITY OF THE OFFICE OF THE DEAN OF STUDENTS
The Office of the Dean of Students is responsible for overall education of the university community on the Honor Code; for advising all current university faculty, administrative staff, personnel and students of the Honor Code; and for collecting signed Honor Pledges. In consultation with the Faculty Senate, the Office of the Dean of Students will see that the Honor Code and any amendments or changes approved by the Faculty Senate and the UNCW administration are published and promulgated annually. The Office of the Dean of Students shall also receive and maintain comprehensive records of all matters relating to violations of the Honor Code; therefore, faculty must consult with the Office of the Dean of Students upon making or receiving a complaint of any Honor Code infraction.

I-4 REPORTING PROCEDURES

A. FILING COMPLAINTS
An alleged infraction of the Honor Code observed by anyone other than the course instructor shall be reported, preferably in writing, to the instructor of the course in which it occurred. Such a report shall be made within five (5) business days from the time of discovery, unless extenuating circumstances prevent reporting. Faculty who observe, discover, or are informed of infractions should report them immediately to the Office of the Dean of Students. Faculty may report infractions at any point during the term of the class or at any point preceding the end of the tenth calendar day after grades are due for the final class of enrollment for the student in question.

A suspected infraction of the Honor Code may be reported by:
   a. the student committing the infraction; or
   b. any member of the university community observing the alleged infraction; or
   c. any individual who has credible and reliable information that an infraction may have occurred.

B. CONSULTATION WITH THE OFFICE OF THE DEAN OF STUDENTS
Upon observing or discovering an alleged Honor Code infraction, or upon receiving a report of an infraction, the instructor shall consult with the Office of the Dean of Students to discuss appropriate procedures and protection of student rights, and to determine whether the case shall be heard by the faculty member, the Office of the Dean of Students or the Student Academic Honor Board. Any student with a prior finding of responsibility for an Honor Code offense or students
with a history of serious non-academic misconduct (typically consistent with the status of “disciplinary probation”) will be referred to the Student Academic Honor Board for resolution.

C. PRIOR OFFENSES
1. If the student has no prior Honor Code offenses and no history of serious non-academic misconduct, the faculty member will meet with the student to inform the student of the allegation of academic dishonesty and explain to the student their options, as follows:
   a. If the student admits the infraction, the faculty member must either propose a settlement by private resolution OR refer the case to the Office of the Dean of Students (without assigning a grade until after being informed of the final outcome of the case).
   b. If the faculty member decides on proposing a settlement by private resolution, proposed penalties should accord with the severity of the offense. Penalties can range from a failing grade on the work in question to a failing grade in the course. The chairperson of the department in which the faculty member teaches may be consulted for assistance in reaching a settlement. If the penalty proposed by the instructor is acceptable to the student, the case can be resolved by providing notification to the department chair and to the dean of the college/school in which the faculty member teaches, and must be copied to the Office of the Dean of Students for inclusion in the student’s disciplinary record.
   c. If the student does not admit the infraction, the faculty member must either:
      1. Refer the case to the Office of the Dean of Students (without assigning a grade). OR
      2. Decide not to pursue the accusation(s) due to lack of evidence, whereupon he/she shall inform the reporting party of this decision within five (5) business days and also inform the Office of the Dean of Students.

D. DISCIPLINARY CORRESPONDENCE
All disciplinary correspondence will be sent to the student's UNCW e-mail address. UNCW regards e-mail as an official method of communication with student, staff and faculty (UNCW Policy 07.100). The university reserves the right to use other reasonable means to notify students.

E. SUMMONING A STUDENT RESPONDENT FOR A CONFERENCE
Should a respondent not appear when requested by the dean of students/designee, the dean of students/designee may formally summon the respondent to appear for a meeting in connection with an alleged violation by sending him/her notification of this. This notification shall direct the respondent to appear at a specified date, time and place not less than three (3) business days later. The letter shall also describe briefly the alleged violation(s). If the respondent fails to respond to a notification and the required pre-hearing interview, the respondent forfeits the option to request whether the case is heard administratively or by the Student Academic Honor Board and the dean of students/designee will decide how to route the case. The student will be notified by email sent at least five (5) business days before a hearing before the dean of students/designee or, at the option of the dean of students, the Student Academic Honor Board.

At the hearing, a decision of responsible or not responsible will be made based on available information, with or without the respondent. If the respondent fails to attend the hearing, all allegations against the respondent shall be deemed to be denied. When appropriate, a sanction will be determined and the respondent will be notified by email.

I-5 PRE-HEARING MEETING and HEARING OPTIONS
All cases referred to the Office of the Dean of Students will result in an honor hearing. If the student has no prior Honor Code offenses, the student shall choose a hearing either before the dean of students (or designee) or before the Student Academic Honor Board. Based on the nature and scope of the alleged infraction, the dean of students (or designee) may elect not to hear a case and to forward it directly to the Student Academic Honor Board. If the student has one or more prior Honor Code infractions or a history of serious non-academic misconduct, the case shall be heard

by the Student Academic Honor Board. During a pre-hearing interview, the Office of the Dean of Students will provide each student respondent the opportunity to accept responsibility for the alleged offense and to accept a penalty appropriate for the offense without proceeding to the Student Academic Honor Board. If the student accepts the sanction, authority to determine the course grade resides with the instructor; however, an assigned grade of “F” for the course is generally appropriate for an Honor Code offense. If the student disagrees with the sanction, the case shall be heard by the Student Academic Honor Board.

If the respondent is found responsible and sanctions are imposed, the respondent is responsible for completing sanctions regardless of their participation in the hearing process. Failure to complete assigned sanctions may result in further conduct action.

A. STANDARD OF PROOF
The standard of proof for all allegations of the academic honor code will be preponderance of evidence. This means that there is greater than a 50% chance, based on all reasonable evidence, that the respondent is responsible for the alleged violation.

B. STUDENT RESPONSIBILITIES & RIGHTS

STUDENT RESPONSIBILITIES
Participants in the Student Academic Honor Code process have the following responsibilities:
1. To know and adhere to the UNCW Student Academic Honor Code.
2. To be honest and complete in all information they provide in the process.
3. To attend all meetings or hearings in a timely manner.
4. For respondents to complete any imposed sanctions on time and consistent with the decision in their case.
5. To participate in a manner that is civil and respectful.

STUDENT RIGHTS
All students are entitled to the following rights prior to a student academic honor board hearing:
1. To a pre-hearing meeting with a university hearing officer where rights, responsibilities and procedures are explained.
2. To written notice of the charge(s). In the event that additional charges are brought, additional written notice must be forwarded to the respondent. Notices are sent via e-mail to the student’s UNCW e-mail address.
3. To review all available information, documents, and a list of witnesses that may testify against him/her. This is a continuing obligation of the complaining party and the dean of students/designee.
4. To choose an Administrative or Student Academic Honor Board hearing. (The dean of students/designee may elect not to hear the case. The case would then be heard by the Student Academic Honor Board.)
5. To appear in person, hear all testimony and present any relevant information on their behalf, call witnesses and ask questions of any witnesses at the hearing.
6. To elect not to appear at the hearing, in which case the hearing shall be conducted in absentia (in the respondent's absence). A respondent who elects not to appear at a hearing may not be represented by a university or non-university advisor.
7. To know the identity of witnesses testifying against them.
8. To a closed hearing. A closed hearing is closed to the general public.
9. To a university or non-university advisor.
10. To refuse to answer any questions or make a statement – however, the hearing body shall make its decision solely on the basis of information introduced at the hearing.
11. To have all statements, information or comments given during the hearing held in the strictest of confidence by the hearing body before, during and after deliberation.
12. To have the hearing conducted as outlined in the UNCW Student Academic Honor Code.
13. To have one level of institutional appeal as outlined in the UNC Policy Manual 700.4.1.
C. UNIVERSITY and NON-UNIVERSITY ADVISORS
A university or non-university advisor is permissible in an Administrative and Student Academic Honor Board hearing. Upon the request of the respondent, the Office of the Dean of Students will appoint a university advisor to help a student prepare for a hearing. The advisor may not speak on the respondent’s behalf at the hearing. The university/non-university advisor’s role is to:
   a. advise the respondent concerning the preparation and presentation of his/her case.
   b. accompany the respondent to all conduct proceedings as requested by the respondent.
   c. have access to all materials relating to the case as provided by the respondent.

A respondent who elects not to appear at a hearing may not be represented by an advisor at the hearing.

I-7 ADMINISTRATIVE HEARING PROCEDURE
1. If a student requests an administrative hearing before the dean of students/designee, the dean of students/designee will forward the student written notice of the date, time and place of the hearing to the respondent at least five (5) business days prior to the hearing. The respondent may waive all or part of the five (5) business days written notice requirement. All waivers shall be executed in writing.
2. Prior to a hearing in cases which may involve suspension or expulsion the respondent is entitled to the following:
   a. A written notice of the charge including possible sanctions will be sent via email.
   b. Review of all available information, documents and exhibits.
   c. A list of witnesses that may testify against him/her.
   d. An outline of student rights.
   e. A formal hearing date scheduled no less than ten (10) business days after the respondent receives notice of the referral, unless the respondent waives the limit and agrees to an earlier hearing date. Waivers are voluntary and must be in writing and signed by the respondent and the dean/designee.
   f. In cases that may result in expulsion, the written notice will specify that expulsion precludes matriculation at any UNC constituent institution.
3. Reasonable extensions of time for either party to prepare for the hearing may be allowed.
4. The dean of students/designee shall:
   a. set the date, time and place for the hearing.
   b. summon university witnesses and prepare evidence for each hearing.
   c. notify the respondent in writing via e-mail of the following:
      i. the date, time and place for the hearing - the letter shall specify a hearing date not less than five (5) business days after the official notice is sent.
      ii. the names of witnesses who may testify against the respondent.
      iii. the charges against him/her.
      iv. the dean of students/designee may question a student testifying in the respondent’s behalf or question the respondent if he/she testifies in his/her own behalf.
      v. if the student charged is a minor (under 18 years of age), a copy of the letter may be sent to his/her parent or guardian.
      vi. if a student chooses to present witness testimony at an administrative hearing it is the student’s responsibility to notify their witness(es) of the day, time and location of the hearing.
5. Additionally, a list of witnesses and copies of any documentary evidence must be presented to the Office of the Dean of Students at least two business days prior to the hearing.
6. If a respondent fails, without good cause, to comply with the letter sent under this section, the dean of students/designee may proceed with the hearing in the respondent’s absence, as has been outlined.
7. A final administrative decision will normally be determined immediately, but must be determined within ten (10) business days after the date of the hearing. The decision of hearing form will be presented to the respondent in writing within five (5) business days of the decision.
**I-8 STUDENT ACADEMIC HONOR BOARD**

The Student Academic Honor Board (“Board”) is activated when a student requests a hearing before the Board or if a case is referred automatically by the dean of students/designee. The associate vice chancellor for student affairs or designee serves as the advisor to the Board.

When hearing a case involving an undergraduate student, the Board shall be comprised of four (4) undergraduates and two (2) faculty members. One of the two faculty members must come from a different UNCW college or school than that in which the infraction occurred, as referred by the academic dean and appointed by the Office of the Dean of Students. A fully comprised board constitutes a quorum.

When hearing a case involving a graduate student, the Board shall be comprised of four (4) graduate students from the current Graduate Student Association or assigned by the Graduate School, one (1) faculty member from the Campus Conduct Board, and one (1) additional faculty member appointed by the Dean of the Graduate School. A fully comprised board constitutes a quorum.

The dean of students or designee will select and train Board members and those that will serve as chairs.

No member of the hearing body who has a personal interest in the particular case may sit in judgment during the proceeding. If a member refuses to recuse him/herself due to a conflict of interest, the dean of students/designee will make the excusal decision. The respondent will also be given the opportunity to challenge a committee member or official on these grounds.

In such cases in which a member cannot serve due to a conflict of interest, a temporary member may be appointed by the vice chancellor or designee to serve for the duration of the hearing.

**A. JURISDICTION OF THE STUDENT ACADEMIC HONOR BOARD**

The Board may have, at the request of a respondent or the dean of students/designee, original jurisdiction in student academic honor code cases.

**B. PRELIMINARY INFORMATION FOR STUDENT ACADEMIC HONOR BOARD HEARING**

1. If a student requests a Board hearing, the dean/designee will forward written notice of the date, time and place of the hearing to the respondent at least five (5) business days prior to the hearing. The respondent may waive all or part of the five (5) business days written notice requirement. All waivers shall be executed in writing.

      iii. In cases that may result in expulsion, the written notice will specify that expulsion precludes matriculation at any UNC constituent institution.
      iv. Written notice will be sent via e-mail.

   may be sent to his/her parent or guardian.
   viii. A respondent may request in writing that an earlier date be set, if feasible.
   Reasonable extensions of time for either party to prepare for the hearing

Dean of Students at least two (2) business days prior to the hearing.

If a respondent fails, without good cause, to comply with the letter sent under this section, the
dean of students/designee may proceed with the hearing in the respondent’s absence, as has been
outlined.

C. STUDENT ACADEMIC HONOR BOARD HEARING PROCEDURES
The Student Academic Honor Board shall proceed generally as follows during the hearing:

1. Board chairperson states the hearing is closed to the public.
2. The chairperson of informs the respondent of his/her rights as listed in Section I-5-B, and
   asks the respondent whether he/she agrees or disagrees to the charge(s).

   statements.
8. The Board deliberates in a closed session and decides the issue of responsible or not
   responsible for each charge.
9. If the Board finds the respondent not responsible for all charges, the hearing is concluded.
10. If the Board finds the respondent responsible, the dean of students/designee will indicate
    whether the student has any prior findings of responsibility for academic or non-academic
    conduct violations.
11. If the Board finds the respondent responsible for one or more charges, the dean of
    students/designee and respondent may present evidence and argument on an appropriate
    sanction.
12. The Board deliberates in a closed session and determines an appropriate sanction.
13. The Board renders a written decision as to whether they find the respondent responsible
    or not responsible for the charge(s). The decision states the sanction, if any, and
    procedures for appeal. The respondent and dean of students/designee shall each be given
    a copy of the decision. A final Board decision will normally be determined immediately
    but must be determined within ten (10) business days after the date of the hearing. The
    final decision, containing a brief summary of the evidence, will be presented to the
respondent in writing. This will generally occur immediately following the hearing, however may take up to five (5) business days.

14. The student conduct file is confidential and consists of:
   a. the original referral.
   b. all correspondence directed to the respondent.
   c. all material presented to, or considered by the Board.
   d. the official decision of hearing.
   e. appeal documentation submitted, if any.

Student Academic Honor Board records are maintained in the Office of the Dean of Students and are confidential. They may be released only with the consent of the student involved or as outlined in Family Educational Rights and Privacy Act. A written record of the proceedings and action taken will be filed in the Office of the Dean of Students.

I-9 APPEAL PROCEDURES

The respondent may request an appeal within two (2) business days after notification of the original decision. Notification is defined as the date the decision is given to the respondent in person, or the date stamp of the email sent to the respondent. Such petition shall be submitted to the Office of the Dean of Students and explain in detail the reason(s) for the student’s appeal. Original sanctions are normally put into effect only after an appellate decision has been made or the timeline for appeal has expired.

The provost/designee shall serve as the designated appeal officer for all Student Academic Honor Board cases.

The function of the provost/designee in hearing an appeal is that of reviewing the action of the Student Academic Honor Board to determine if:
   a. an alleged violation of the rights guaranteed the respondent has occurred;
   b. the sanction is too severe for the violation; or
   c. new evidence has developed which has bearing on the outcome.

Upon receiving a petition, the provost/designee shall obtain the record of the Student Academic Honor Board/administrative hearing officer. The record shall include relevant documents, the decision of hearing including a case summary and rationale for supporting the decision. With this information, the provost/designee shall decide whether an Appellate Review is warranted. This decision is based on one or more of the three options for an appeal outlined above. The respondent will be notified in writing of the decision within ten (10) business days after receipt of the petition. Reasonable extensions of time are permissible.

If the provost/designee determines that an Appellate Review shall be granted, that Review shall be held within ten (10) business days of such determination and notification shall be given in writing at least three (3) business days prior to the date set for the Review, specifying time and place of the Review and informing the respondent of his/her rights as outlined herein.

The provost/designee will review all written correspondence associated with the case, may request additional documents and information from the student hearing chair who presided over the student board that heard the case, and may invite the respondent, the chair, and such other persons as deemed appropriate to appear to make statements and respond to questions.

The provost/designee has the authority to approve, reject or modify the decision in question or to remand the case back to the Board. For cases that do not result in suspension or expulsion, the decision of the provost/designee is final.

Consistent with Section 502 D(3) of the UNC Policy Manual, where the sanction is suspension or expulsion, an appeal may be made to the Board of Trustees for an individual student conduct case
(not campus organizations), provided the appeal is based on 1) violation of due process; or 2) a material deviation from Substantive and Procedural Standards adopted by the Board of Governors.

For suspension level cases, the appeal to the Board of Trustees is final; for expulsion level cases, a final appeal may be filed with the Board of Governors.

I-10 EXPEDITED REVIEW
The provost or designee, at his/her sole discretion, shall have the right to order an expedited review of the student’s case. In such circumstances, the provost or designee shall sit as a hearing officer in lieu of the Board or the dean of students. This expedited hearing procedure shall be used only in emergency circumstances as identified by the provost or designee at his/her sole discretion. The decision of the provost/designee in such expedited proceedings is final unless the outcome is suspension or expulsion. Consistent with Section 502 D(3) of the UNC Policy Manual, where the sanction is suspension or expulsion, an appeal may be made to the Board of Trustees for an individual conduct case, provided the appeal is based on 1) violation of due process; or 2) a material deviation from Substantive and Procedural Standards adopted by the Board of Governors. For suspension level cases, the appeal to the Board of Trustees is final; for expulsion level cases, a final appeal may be filed with the Board of Governors.

I-11 AUTHORIZED DISCIPLINARY SANCTIONS
The outcome of a Board hearing is either a “responsible” or “not responsible” decision. If the student is found “responsible” for the charge, penalties shall be imposed according to the severity of the offense and made in consideration of whether it is the student’s first offense. The sanction of disciplinary probation is typical for a first Honor Code offense, although the sanction of suspension may be assigned. The appropriate sanction for any student proven to be a repeat offender is suspension from UNCW. Authority to determine the course grade resides with the instructor; however, an assigned grade of “F” for the course is generally appropriate for an Honor Code offense. The assigned grade of “F” to a graduate student will result in ineligibility to continue in the Graduate School.

If the Board or Office of the Dean of Students finds the student not responsible for the charge, the instructor will ensure fair treatment of the student.

A. LEVELS OF UNIVERSITY DISCIPLINARY SANCTIONS
Written Warning – is a status of warning through the end of the next full semester, which terminates automatically when the imposed period expires.

Disciplinary Probation – is a status of probation for up to one calendar year, which terminates automatically when the imposed period expires. A student who is placed on disciplinary probation is considered not to be in good standing with the university.

As part of disciplinary probation, the student may have restrictions placed on specific student privileges, as determined by the hearing body or administrative hearing officer, not to exceed the duration of the probationary period. In the event of a further violation of this Code or other applicable rules while on disciplinary probation, the university will seek the penalty of suspension or expulsion.

Suspension - Suspension is withdrawal of enrollment privileges and cancellation of registration, at a minimum, through the end of the next full semester, and carries with it conditions which must be met for re-enrollment. All suspended or expelled students must meet with the dean of students or designee to make clear the terms of their suspension or expulsion from the university. Re-enrollment after a suspension period requires that the student apply to the dean of students at the close of the imposed period, and the dean will determine whether the student has met the conditions imposed and is otherwise eligible for re-enrollment. A denial may be appealed to the Committee on Extraordinary Disciplinary Emergencies.
During the term of suspension, the student may not come onto campus. Failure to abide by this condition may result in arrest for criminal trespassing.

A student who is suspended after the deadline for withdrawal with a “W” shall be assigned a grade of “WF” or “W” by each instructor based upon the academic performance prior to the suspension.

A sanction of suspension requires that the student’s name be added to the UNC Suspension/Expulsion Database.

Expulsion – is the permanent dismissal of a student from the university, and it precludes matriculation at any UNC constituent institution, unless and until the chancellor who imposed or approved the sanction or his/her successor concludes on the basis of the former student’s petition and any supportive documentation that the individual should be given a new opportunity to pursue higher education within the UNC system. The student will be trespassed from university property for as long as the individual is considered a risk to others or to university property. Expulsion will result in a permanent transcript notation.

The chancellor or vice chancellor for student affairs may impose the sanction of expulsion. A sanction of expulsion requires that the student’s name be added to the UNC Suspension/Expulsion Database.

I-12 DISCIPLINARY RECORDS
The hearing record, notice of appeal and each petition for review are confidential and may not be disclosed in whole or part except as provided in Section III-4. This disciplinary record shall be separate from the student’s academic record but shall be considered a part of the student’s educational record and maintained in the Office of the Dean of Students.

A student who is suspended or expelled will have a “hold” placed on their registration file by the dean of students/designee. The “hold” will be removed when the term of suspension expires and/or conditions for re-enrollment have been met.

A notation of suspension or expulsion will be placed on the transcript as “Honor Code Suspension” for Honor Code withdrawals. The student’s name will also be permanently added to UNC suspension/expulsion database.

Records for cases not resulting in suspension or expulsion will be destroyed one year after graduation.

I-13 SPECIAL PROVISIONS
STUDENTS WITH DISABILITIES
When a student with a documented disability is charged with an offense, and informs the Office of the Dean of Students of such status, the university will assure that all requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act are met.

WITHDRAWALS
Once a student is alleged to have violated the Student Academic Honor Code, the student will be prohibited from withdrawing from the course. Should a student withdraw from the class, the grade of “W” will be considered temporary pending the final resolution of the case, which may lead to the designation of a grade in place of the “W”.

REPEATS
A failing grade posted as a penalty for an admitted or adjudicated Honor Code offense shall not be replaced if the course is repeated. Both the penalty grade and the new grade shall appear on the student’s transcript and count in the student’s grade point average.
SECTION II
STUDENT CONDUCT AND APPEALS
II-1 STUDENT STANDARDS OF CONDUCT
Students share in the responsibility for maintaining an environment in which the rights of each member of the UNCW community are respected. When asked to report to any university office, a student is expected to appear at the time specified or to arrange another appointment. The university conduct system is a cumulative process; consequently, any student found responsible for violating the UNCW Code of Student Life may expect a more significant sanction in relation to the severity of the offense(s) and/or in relation to being found responsible on multiple occasions. All students and their guests shall be responsible for conducting themselves in a manner that helps to enhance an environment of learning in which the rights, dignity, and freedom of all others are respected.

In accordance with the Family Educational Rights and Privacy Act (FERPA), upon full participation in university orientation, an individual is considered a UNCW student in attendance and shall maintain that status unless an official university withdrawal is submitted. Students with pending academic or non-academic charges will not be allowed to formally withdraw from the university until the disciplinary process has been completed.

The University embraces and strives to uphold the freedoms of expression and speech guaranteed by the First Amendment of the U.S. Constitution and the North Carolina Constitution. The University has the right under appropriate circumstances to regulate time, place, and manner of exercising these and other constitutionally protected rights. Violations of campus or University policies, rules or regulations, or federal, state, or local law may result in violation of the UNCW Code of Student Life and imposition of student discipline.

All individuals who participate in a university conduct process are expected to honest and forthcoming during their presentation of information and while answering any questions. If it is discovered that a student has not been completely honest during their testimony, the student may be charged with a violation of the UNCW Code of Student Life.

Additionally, harassment or intimidation of any individual before, during, or after a university conduct process will not be tolerated. Any student who exhibits such behavior before, during, or after a university conduct process may be charged with a violation of the UNCW Code of Student Life. Any non-student who exhibits such behavior will be removed from the area where the proceedings are being conducted.

A. OFF-CAMPUS RELATIONSHIP STATEMENT
The mission of the university is teaching, research and service. Inherent in this mission is the responsibility of the university to educate its students to be responsible, civic-minded citizens. As a university, we value our relationship with the surrounding community and realize we have a tremendous social, cultural and economic impact on the greater Wilmington community.

Policy setting and enforcement are ways of educating students. In fulfilling our responsibilities to hold students accountable and provide a safe community, the university is guided by state and federal law. Our students are citizens subject to the rights as well as the responsibilities of community living.

If individual students are identified and cited by staff, faculty or other students for violating state or federal law and/or university policies on campus, they are subject to the conduct process described herein and/or appropriate legal action.

2 This section adopted April 2010 as required by UNC General Administration, Policy 700.4.2; 2-12-10.
If individual students are identified and reported by community members for breaking the law, the university supports appropriate law enforcement officials taking necessary judicial action. If these students are reported to university officials, the university will intervene on an informal basis. “Informal” intervention will involve individual student(s) or student organization leader(s) being referred to the dean of students or designee for discussion of the incident.

Off-campus behavior which impacts the mission or the safety of the university community may be subject to formal university disciplinary action.

II-2 INITIATION OF DISCIPLINARY PROCEEDINGS AND ADMINISTRATIVE DISPOSITION

Under the direction of the chancellor, the vice chancellor for student affairs has primary responsibility and authority for the administration of student conduct. Further delegation of this authority may be made by the vice chancellor for student affairs to the Office of the Dean of Students and to residence hall staff and/or other disciplinary bodies, such as Student Organizations Committee, Sport Club Council, Graduate Student Association, Panhellenic Council, National Pan-Hellenic Council and Interfraternity Council.

A. DISCIPLINARY CORRESPONDENCE

All disciplinary correspondence will be sent to the student's UNCW e-mail address, read receipt requested. The University of North Carolina Wilmington regards e-mail as an official method of communication with student, staff and faculty (UNCW Policy 07.100). The university reserves the right to use other reasonable means to notify students.

B. FILING COMPLAINTS

Any academic or administrative official, faculty or staff member or student may file a written complaint with the Office of the Dean of Students against any student for misconduct. The complaint must include factual information supporting the allegation. Anonymous charges will not be permitted. While action on a complaint of violating a university regulation is pending, the status of the student shall not be altered except for reasons outlined in Section II-2-L.

C. STANDARD OF PROOF

The standard of proof for all student conduct cases will be preponderance of evidence which means that there is greater than a 50% chance, based on all reasonable evidence, that the respondent is responsible for the alleged violation.

D. PRELIMINARY INVESTIGATION

When the dean of students/designee receives information that a student has allegedly violated university regulations or local, state or federal law, the dean/designee shall investigate the alleged violation. After completing a preliminary investigation, normally a determination of whether or not to pursue the charge will be made within 30 calendar days. Reasonable extensions of this time are permissible. The dean/designee may:

3. Find no basis for the complaint and dismiss the allegation as unfounded, or
4. Summon the student for a conference and then either dismiss the allegation, or
5. Proceed administratively by informing the student of the following options for resolution of the disciplinary charges:
   a. Disagree to the charge(s) and have a hearing before Campus Conduct Board (CCB) where a determination of responsibility will be made. If the student is held responsible by CCB, an appropriate sanction will be determined.
   b. Disagree to the charge(s) and request an administrative hearing before the dean of students/designee where determination of responsibility will be made. The dean/designee may elect not to hear the case. The case would then be heard by CCB. If the student is held responsible by the administrative hearing officer, an appropriate sanction will be determined.
   c. Agree to the charge(s) and elect for CCB to determine an appropriate sanction.
   d. Agree to the charge(s) and elect for an administrative hearing before the dean of students/designee to determine an appropriate sanction. The dean/designee may elect not to hear the case. The case would then be heard by CCB.

E. SUMMONING A STUDENT RESPONDENT FOR A CONFERENCE

Should a respondent not appear when requested by the dean of students/designee, the dean of students/designee may formally summon the respondent to appear for a meeting in connection with an alleged violation by sending him/her notification of this (pursuant to Section II-2-A).
This notification shall direct the respondent to appear at a specified date, time and place not less than three (3) business days later. The letter shall also describe briefly the alleged violation(s).

If the respondent fails to respond to a notification and the required pre-hearing meeting, he/she also forfeits the option to request whether the case is heard administratively or by the Campus Conduct Board. He/she will be notified by email sent five (5) business days prior to a hearing before the dean of students/designee or, at the option of the dean of students, the Campus Conduct Board.

At the hearing, a decision of responsible or not responsible will be made based on available information, with or without the respondent. If the respondent fails to attend the hearing, all allegations against the respondent shall be deemed to be denied. When appropriate, a sanction will be determined and the respondent will be notified by email.

F. STUDENT RESPONSIBILITIES
Participants in the student conduct process have the following responsibilities:
1. To know and adhere to the UNCW Code of Student Life.
2. To be honest and complete in all information they provide in the process.

1. To a pre-hearing meeting with a university hearing officer where rights, responsibilities and procedures are explained.
2. To written notice of the charge(s). In the event that additional charges are brought, additional written notice must be forwarded to the respondent.
3. To review all available information, documents, and a list of witnesses that may testify against him/her. This is a continuing obligation of the complaining party and the dean of students/designee.
4. To choose an Administrative or Campus Conduct Board hearing. (The dean of students/designee may elect not to hear the case. The case would then be heard by the Campus Conduct Board or the Committee on Extraordinary Disciplinary Emergencies.)
5. To appear in person, hear all testimony and present any relevant information on their behalf, call witnesses and ask questions of any witnesses at the hearing.
6. To elect not to appear at the hearing, in which case the hearing shall be conducted in absentia (in the respondent's absence). A respondent who elects not to appear at a hearing may not be represented by a university advisor, licensed attorney or non-attorney advocate at the hearing.
7. To know the identity of witnesses testifying against them.
8. To a closed hearing. A closed hearing is closed to the general public. The only individuals allowed in the hearing are the respondent, the hearing body, the presenter, the advisor to the board, relevant witnesses and the respondent’s advocate or advisor.
9. To a university advisor, licensed attorney or non-attorney advocate. In cases involving sexual misconduct, both the complainant and the respondent have the right to an advocate or advisor as well as a support person during the hearing. While the non-attorney advocate or attorney may participate to the same extent as the respondent or complainant, the support person(s) may not actively participate in the hearing.
10. To refuse to answer any questions or make a statement – however, the hearing body shall make its decision solely on the basis of information introduced at the hearing. To have all statements, information or comments given during the hearing held in the strictest of confidence by the hearing body before, during and after deliberation.
11. To have the hearing conducted as outlined in the UNCW Code of Student Life.
12. To have one level of institutional appeal.
H. UNIVERSITY ADVISORS
A university advisor is permissible in an Administrative, Campus Conduct Board, Committee on Extraordinary Disciplinary Emergencies and Student Academic Honor Board hearing. Upon the request of the respondent, the Office of the Dean of Students will appoint a university advisor to help a student prepare for a hearing. The advisor may not speak on the respondent’s behalf at the hearing. The advisor’s role is to:

a. advise the respondent concerning the preparation and presentation of his/her case.
   b. accompany the respondent to all conduct proceedings as requested by the respondent.
   c. have access to all materials relating to the case as provided by the respondent.

A respondent who elects not to appear at a hearing may not be represented by a university advisor at the hearing.

In cases involving sexual misconduct, both the complainant and the respondent have the right to an advocate or advisor as well as a support person with them during the hearing. The support person(s) may not actively participate in the hearing. For a more complete explanation of rights associated with student sexual misconduct cases, see the Gender Based/Sexual Misconduct Policy.

I. LICENSED ATTORNEY & NON-ATTORNEY ADVOCATES
Students who have been accused of a violation of the Code of Student Life (respondents) may be represented by a licensed attorney or non-attorney advocate during any conduct hearing except when:

a. The allegation is academic dishonesty.

A respondent who elects not to appear at a hearing may not be represented by a licensed attorney or non-attorney advocate at the hearing.

When scheduling a conduct hearing, the Office of the Dean of Students will make reasonable efforts to accommodate a licensed attorney or non-attorney advocate; however, the availability of students, witnesses, the designated administrator, board members and other necessary participants may take priority when determining the date and time of the hearing.

A student who chooses a licensed attorney or non-attorney advocate will be responsible for any expenses that may be incurred.

A. Requirements to Serve As A Licensed Attorney or Non-Attorney Advocate
In order for a licensed attorney or non-attorney advocate to represent a student in a conduct hearing, the student must provide the Office of the Dean of Students with the three (3) documents described below. These three (3) documents must be submitted within five (5) business days following the pre-hearing.

   a. The identity of the licensed attorney or non-attorney advocate;
   b. Whether the individual is a licensed attorney or non-attorney advocate;
   c. An address, telephone number and e-mail address where the licensed attorney or non-attorney advocate can be reached.

2. FERPA Authorization
   In order for a licensed attorney or a non-attorney advocate to represent a student during a conduct hearing or to speak with an administrator in the Office of the Dean of Students regarding the student, the student must complete and submit a written authorization that
meets the requirements of a valid consent as specified by the Family Educational Rights and Privacy Act (FERPA). Even if a student submits a valid FERPA consent authorizing the licensed attorney or non-attorney advocate to receive information or documents regarding the student, the Office of the Dean of Students may at all times correspond directly with the student. It is the student’s responsibility to communicate and share information with a licensed attorney or non-attorney advocate.

3. Certification by Licensed Attorney or Non-Attorney Advocate
Students that plan to have a licensed attorney or non-attorney advocate represent them during a conduct hearing must submit a certification form signed by the licensed attorney or non-attorney advocate stating that the licensed attorney or non-attorney advocate has read in their entirety and understood the following documents:

a. UNCW Code of Student Life, and
b. Section 700.4.1 of the UNC Policy Manual.

B. Participation of Licensed Attorneys or Non-Attorney Advocates in Disciplinary Procedures
Consistent with the rules, policies or guidelines governing the university’s conduct hearing, licensed attorneys or non-attorney advocates may fully participate in conduct hearings only to the extent afforded to the student they represent. Additionally, licensed attorneys and non-attorney advocates may not delay, disrupt or otherwise interfere with a conduct hearing.

An attorney or other individual representing the university may participate in conduct hearing in which a licensed attorney or non-attorney advocate represents a student or student organization.

J. ADMINISTRATIVE HEARING PROCEDURE
1. If a student requests an administrative hearing before the dean of students/designee, the administrator will provide the student written notice of the date, time and place of the hearing to the respondent at least five (5) business days prior to the hearing. The respondent may waive all or part of the five (5) business days written notice requirement. All waivers shall be executed in writing.

2. Prior to a hearing in cases which may involve suspension or expulsion the respondent is entitled to the following:
   a. A written notice of the charge including possible sanctions.
   b. Review of all available information, documents and exhibits.
   c. A list of witnesses that may testify against him/her.
   d. An outline of student rights.
   e. A formal hearing date scheduled no less than ten (10) business days after the respondent receives notice of the referral, unless the respondent waives the limit and agrees to an earlier hearing date. Waivers are voluntary and must be in writing and signed by the respondent and the dean/designee.
   f. In cases that may result in expulsion, the written notice will specify that expulsion precludes matriculation at any UNC constituent institution.
   g. Written notice will be sent via e-mail.
3. Reasonable extensions of time for either party to prepare for the hearing may be allowed.
4. The dean of students/designee shall:
   a. set the date, time and place for the hearing.
   b. summon university witnesses and prepare evidence for each hearing.
   c. notify the respondent in writing of the following:

5. if the student charged is a minor (under 18 years of age), a copy of the letter may be sent to his/her parent or guardian.

5. If a student chooses to present witness testimony at an administrative hearing it is the student’s responsibility to notify their witness(es) of the day, time and location of the hearing. Additionally, a list of witnesses and copies of any documentary evidence must be presented to the Office of the Dean of Students at least two (2) business days prior to the hearing.
6. If a respondent fails, without good cause, to comply with the letter sent under this section, the dean of students/designee may proceed with the hearing in the respondent’s absence, as has been outlined.
7. A final administrative decision will normally be determined immediately, but must be determined within ten (10) business days after the date of the hearing. The decision of hearing form will be presented to the respondent in writing within five (5) business days of the decision.
8. If a student chooses a hearing before CCB and is cited for an additional violation(s) in the interim, the student then forfeits the right to a CCB hearing and an administrative hearing will be conducted on all charges.
9. During times in which CCB is not in session, such as an examination or break period, all cases may be heard administratively with an appeal to the vice chancellor for student affairs/designee. The decision of the vice chancellor is final unless the outcome is suspension or expulsion.
10. Consistent with Section 502D(3) of the UNC Policy Manual, where the sanction is suspension or expulsion, an appeal may be made to the Board of Trustees for an individual student conduct case (not campus organizations), provided the appeal is based on 1) violation of due process; or 2) a material deviation from Substantive and Procedural Standards adopted by the Board of Governors. For suspension level cases, the appeal to the Board of Trustees is final; for expulsion level cases, a final appeal may be filed with the Board of Governors.

K. ADMINISTRATIVE HEARING APPEAL PROCEDURE
The respondent may request an appeal to the dean of students/designee or Campus Conduct Board (designated appellate officer) within two (2) business days after notification of the original decision. Notification is defined as the date the decision is given to the respondent in person, or the date stamp of the email sent to the respondent. Such petition shall be submitted to the Office of the Dean of Students and explain in detail the reason(s) for the student’s appeal. Original sanctions (with the exception of summary suspension) are normally put into effect only after an appellate decision has been made or the timeline for appeal has expired.

For non-suspension level cases, the dean of students/designee shall serve as the designated appellate officer for Campus Conduct Board cases and the provost/designee shall serve as the designated appeal officer for Student Academic Honor Board cases. The decision of the dean of students/designee or provost/designee is final.

For suspension level cases, the vice chancellor for student affairs/designee shall serve as the designated appellate officer for Campus Conduct Board cases and the provost/designee shall serve as the designated appellate officer for Student Academic Honor Board cases.

1. Procedure
   a. The function of the designated hearing officer in reviewing an appeal is that of checking the action of the administrative hearing officer to determine if:
      1) an alleged violation of the rights guaranteed the respondent has occurred;
      2) the sanction is too severe for the violation; or
      3) new evidence has developed which has bearing on the outcome.
   b. Upon receiving a petition, the designated appellate officer shall obtain the record of the administrative hearing officer. Such record shall include relevant documents and a
written statement by the hearing officer. Such statement in the case of administrative action shall summarize the case and the reasons supporting the disciplinary decision.

c. With this information, the designated appellate officer shall decide whether an Appellate Review is warranted. This decision is based on one or more of the three options for an appeal outlined in Part K-1-a above. The respondent will be notified in writing of a decision regarding whether the appeal will be heard within ten (10) business days after receipt of the petition. Reasonable extensions of time are permissible.

d. If the designated appellate officer determines that an Appellate Review is granted, the Review shall be held within (5) business days of such determination.

e. The designated appellate officer will review all written correspondence associated with the case, may request additional documents and information from the hearing officer who heard the case, and may invite the respondent, the original administrative hearing officer, and such other persons as deemed appropriate to appear to make statements and respond to questions.

f. After the Appellate Review is concluded, the designated appellate officer will make a final decision which will be communicated to the student respondent within two (2) business days.

g. The designated appellate officer has the authority to approve, reject or modify the decision in question consistent with this Code.

h. Consistent with Section 502D(3) of the UNC Policy Manual, where the sanction is suspension or expulsion, an appeal may be made to the Board of Trustees for an individual student conduct case (not campus organizations), provided the appeal is based on 1) violation of due process; or 2) a material deviation from Substantive and Procedural Standards adopted by the Board of Governors. For suspension level cases, the appeal to the Board of Trustees is final; for expulsion level cases, a final appeal may be filed with the Board of Governors.

L. ADMINISTRATIVE MEASURES
SUMMARY SUSPENSION

1. Summary suspension is an action requiring that a student immediately leave the campus and university property. It may be imposed upon a student by the vice chancellor for student affairs or designee when there is reasonable cause to believe, based on available facts, that the student is an immediate threat to the safety of him/herself, other members of the university community or university property or is disruptive without relief to the university community.

2. Any student who is suspended on a summary basis and returns to the campus and university property during the suspension shall be subject to further disciplinary action and may be arrested for criminal trespass. Permission to be on campus for a specific purpose (e.g., to take an exam, to consult with the dean of students or to participate in the disciplinary procedures against him/her) may be granted by the dean of students or his/her designee and requires 24 hour advance notice.

3. When a student is suspended on a summary basis, he or she is given notice containing the reasons for suspension, the duration and any conditions that apply and the website for the UNCW Code of Student Life. A student notified of such summary suspension may, within ten (10) business days of the written notice of suspension, request through the dean of students/designee a hearing before CCB/Committee on Extraordinary Disciplinary Emergencies (CEDE) to determine the responsibility or non-responsibility of the student charged and the appropriate sanction and whether the conditions of the summary suspension should continue. A regular hearing, where normal procedures apply, before CCB or the Committee on Extraordinary Disciplinary Emergencies, shall normally be conducted within five (5) business days of the student's request for a hearing.

PARENTAL NOTIFICATION

Parents or guardians of students under the age of 21, who are placed on disciplinary probation for a violation of an alcohol or drug offense, will be notified through written correspondence by the Office of the Dean of Students. The purpose of the notification is to encourage parents to discuss the situation with the student, define the terms and conditions of disciplinary probation and
encourage parents to work with the university in addressing behaviors which fall below the university’s conduct standards.

STUDENTS WITH DISABILITIES
When a student with a documented disability is charged with an offense, and informs the Office of the Dean of Students of such status, the university will assure that all requirements of Section 504 of the Rehabilitation Act and the Americans with Disabilities Act are met.

ADMINISTRATIVE ORDER OF NO CONTACT
When, based on campus or external incident/police reports, the university is made aware that two or more students may pose a nuisance to the peace of the community by harassing or threatening one another, as evidenced by concerns reported by other students or the faculty or administration, and independent of any protective orders placed by a judge or magistrate, the Office of the Dean of Students may impose a mutual “Order of No Contact” between two or more students. Students issued an “Order of No Contact” may by no means communicate with, directly or indirectly, a student listed by the university. Failure to comply with a university “Order of No Contact” will result in disciplinary action taken by the university.

II-3 CAMPUS CONDUCT BOARD
A. CAMPUS CONDUCT BOARD
1. The CCB is activated when a student requests a hearing before CCB or if a case is referred automatically by the dean of students/designee. The associate vice chancellor for student affairs or designee serves as the advisor to CCB. The members are:
   a. five students recommended by the Student Government Association and appointed by the chancellor.
   b. Two faculty members recommended by the chairperson of Faculty Senate and appointed by the Chancellor.
2. The dean of students or designee will select and train CCB members to serve as chairs.
3. Quorum shall consist of five members – four students and one faculty member. During summer sessions a quorum shall consist of four members – three students and one faculty member.
4. Selection
   a. Students recommended by Student Government Association and chancellor for appointments to CCB are selected through a campus wide application process.
   b. CCB members will be appointed annually. Members serve a one-year term and may be reappointed annually by the Student Government Association and will also require a re-application.
   c. Vacancies occurring during the course of the year will be filled by the vice chancellor for student affairs.
   d. Members of CCB become active members only after they have been trained by the Office of the Dean of Students.
   e. CCB members may be excused from their role on the board if they fail to maintain the required GPA, exhibit inappropriate behavior in or out of the hearings, or otherwise fall out of good standing with the university.
5. Jurisdiction of CCB
   a. CCB may have, at the request of a respondent or the dean of students/designee, original jurisdiction in conduct cases.
   b. CCB has appellate power to review decisions of administrative hearing officers and the dean of students/designee with the authority to accept or lessen, but not increase, the sanction imposed. CCB may refer a case to the original hearing officer for a rehearing.
   c. CCB will serve as the original hearing body for cases involving student organizations, sport clubs and fraternity and sorority life, with additional designees from the appropriate advisory council (see Sections V-7 and V-8).
**B. PROCEDURAL STANDARDS FOR CCB CASES**

1. The decision shall be based solely upon such matters and must be supported by the evidence, which will be introduced at the hearing. Any student charged with an infraction under this Code shall be presumed not responsible until proven responsible by a preponderance of evidence.

2. All evidence will be admitted except that which is irrelevant or repetitious or which is obtained in violation of the search-and-entry provisions appearing in Section IV-H-1 and H-2.

3. CCB records are maintained in the Office of the Dean of Students and are confidential. They may be released only with the consent of the student involved. A written record of the proceedings and action taken will be filed with CCB.

4. No member of the hearing body who has a personal interest in the particular case may sit in judgment during the proceeding. If a member refuses to recuse him/herself due to a conflict of interest, the dean of students/designee will make the excusal decision. The respondent will also be given the opportunity to challenge a committee member or official on these grounds. In such cases in which a member cannot serve due to a conflict of interest, a temporary member may be appointed by the vice chancellor or designee to serve for the duration of the hearing.

**C. CAMPUS CONDUCT BOARD HEARING PROCEDURE**

1. Prior to a hearing, the respondent is entitled to the rights outlined in II-2-G.

2. If a student requests a Campus Conduct Board hearing, the dean/designee will forward written notice of the date, time and place of the hearing to the respondent at least five (5) business days prior to the hearing. The respondent may waive all or part of the five (5) business days written notice requirement. All waivers shall be executed in writing.

3. Prior to a hearing in cases which may involve suspension or expulsion, the respondent is entitled to the following:
   a. A written notice of the charge including possible sanctions.
   b. Review of all available information, documents, exhibits.
   c. A list of witnesses that may testify against him/her.
   d. An outline of student rights.
   e. A formal hearing date scheduled no less than ten (10) business days after the respondent receives notice of the referral, unless the respondent waives the limit and agrees to an earlier hearing date. Waivers are voluntary and must be in writing and signed by the respondent and the dean/designee.
   f. In cases that may result in expulsion, the written notice will specify that expulsion precludes matriculation at any UNC constituent institution.
   g. Written notice will be sent via e-mail pursuant to Section II-2-A.

4. Reasonable extensions of time for either party to prepare for the hearing may be allowed.

5. The dean of students/designee shall:
   a. set the date, time and place for the hearing.
   b. summon university witnesses and prepare evidence for each hearing.
   c. notify the respondent in writing (pursuant to Section II-2-A) of the following:
      1. the date, time and place for the hearing - the letter shall specify a hearing date not less than five (5) business days after the official notice is sent.
      2. the name of the person appointed to serve as chairperson of CCB.
      3. the names of witnesses who may testify against the respondent.
      4. the charges against him/her.
      5. the dean of students/designee may question a student testifying in the respondent’s behalf or question the respondent if he/she testifies in his/her own behalf.
      6. if the student charged is a minor (under 18 years of age), a copy of the letter may be sent to his/her parent or guardian.

6. A respondent may request in writing that an earlier date be set, if feasible. Reasonable extensions of time for either party to prepare for the hearing may be allowed. CCB, with good cause, may postpone or continue the hearing and notify all interested persons of the new hearing date, time and place.
7. If a student chooses to present witness testimony at a CCB hearing it is the student’s responsibility to notify their witness(es) of the date, time and location of the hearing. Additionally, a list of witnesses and copies of any documentary evidence must be presented to the Office of the Dean of Students at least two (2) business days prior to the hearing.

8. If a respondent fails, without good cause, to comply with the letter sent under this section, the dean of students/designee may proceed with the hearing in the respondent’s absence, as has been outlined.

9. If a student chooses a hearing before CCB and is cited for an additional violation(s) in the interim, the student then forfeits the right to a CCB hearing and an administrative hearing will be conducted on all charges.

10. CCB shall proceed generally as follows during the hearing:
   a. CCB chairperson states the hearing is closed to the public.
   b. The chairperson of CCB informs the respondent of his/her rights and asks the respondent whether he/she agrees or disagrees to the charge(s) before CCB.
   c. The dean of students/designee presents the university's case and may call witnesses.
   d. The respondent and the CCB may question the university and/or each witness called.
   e. The respondent presents his/her case and may call any witnesses they have present.
   f. The university and the CCB may question the respondent and/or each witness called.
   g. The dean of students/designee and the respondent present rebuttal evidence and final statements. Both the dean of students/designee and the respondent may make closing statements.
   h. CCB deliberates in a closed session and decides the issue of responsible or not responsible for each charge.
   i. If the CCB finds the respondent not responsible for all charges, the hearing is concluded.
   j. If CCB finds the respondent responsible for one or more charges, the dean of students/designee and respondent may present evidence and argument on an appropriate sanction.
   k. If CCB finds the respondent responsible, the dean of students/designee will indicate whether the student has any prior findings of responsibility for academic or non-academic conduct violations.
   l. CCB deliberates in a closed session and determines an appropriate sanction.
   m. CCB renders a written decision as to whether they find the respondent responsible or not responsible for the charge(s). The decision states the sanction, if any, and procedures for appeal. The respondent and dean of students/designee shall each be given a copy of the decision. A final Board decision will normally be determined immediately but must be determined within ten (10) business days after the date of the hearing. The final decision, containing a brief summary of the evidence, will be presented to the respondent in writing. This will generally occur immediately following the hearing, however may take up to five (5) business days.

11. The student conduct file is confidential and consists of:
   a. the original referral.
   b. all correspondence directed to the respondent.
   c. all material presented to, or considered by, CCB.
   d. the official decision of hearing.
   e. appeal documentation submitted, if any.

D. CCB APPEAL PROCEDURE
The respondent may request an appeal to the dean of students/designee or the vice chancellor for student affairs (designated appellate officer) within two (2) business days after notification of the original decision. Notification is defined as the date the decision is given to the respondent in person, or the date stamp of the email sent to the respondent (see Section II-2-A). Such petition shall be submitted to the Office of the Dean of Students and explain in detail the reason(s) for the student’s appeal. Original sanctions (with the exception of summary suspension) are normally put into effect only after an appellate decision has been made or the timeline for appeal has expired.
For non-suspension level cases, the dean of students/designee shall serve as the designated appellate officer for Campus Conduct Board cases and the provost/designee shall serve as the designated appeal officer for Student Academic Honor Board cases. The decision of the dean of students/designee or provost/designee is final.

For suspension level cases, the vice chancellor for student affairs/designee shall serve as the designated appellate officer for Campus Conduct Board cases and the provost/designee shall serve as the designated appellate officer for Student Academic Honor Board cases.

1. Procedure
   a. The function of the designated appellate officer in hearing an appeal is that of reviewing the action of CCB/SAHB to determine if:
      1) an alleged violation of the rights guaranteed the respondent has occurred;
      2) the sanction is too severe for the violation; or
      3) new evidence has developed which has bearing on the outcome.
   b. Upon receiving a petition, the designated appellate officer shall obtain the record of CCB/SAHB. The record shall include relevant documents, the decision of hearing including a case summary and rationale for supporting the decision.
   c. With this information, the designated appellate officer shall decide whether an Appellate Review is warranted. This decision is based on one or more of the three options for an appeal outlined above. The respondent will be notified in writing of the decision within five (5) business days after receipt of the petition.
   d. If the designated appellate officer determines that an Appellate Review shall be granted, that Review shall be held within ten (10) business days of such determination and notification shall be given in writing at least three (3) business days prior to the date set for the Review, specifying time and place of the Review and informing the respondent of his/her rights (as outlined in Section II-2-G).
   e. The designated appellate officer will review all written correspondence associated with the case, may request additional documents and information from the student hearing chair who presided over the student board that heard the case, and may invite the respondent, the chair, and such other persons as deemed appropriate to appear to make statements and respond to questions.
   f. The designated appellate officer has the authority to approve, reject or modify the decision in question or to remand the case back to the same Campus Conduct Board/Student Academic Honor Board.
   g. Where the sanction is suspension or expulsion, an appeal may be made to the Board of Trustees for an individual student conduct case (not student organizations), provided the appeal is based on 1) violation of due process; or 2) a material deviation from Substantive and Procedural Standards adopted by the Board of Governors. For suspension level cases, the appeal to the Board of Trustees is final; for expulsion level cases, a final appeal may be filed with the Board of Governors.3

II-4 AUTHORIZED DISCIPLINARY SANCTIONS
A. LEVELS OF UNIVERSITY DISCIPLINARY SANCTIONS
Written Warning – is a status of warning at least through the end of the next full semester, which terminates automatically when the imposed period expires.

Disciplinary Probation – is a status of probation for no less than one year up to the remainder of a student’s enrollment. If found responsible for a violation while on disciplinary probation, a student may face more severe sanctions up to and including suspension or expulsion. A student who is placed on disciplinary probation is considered not to be in good standing with the university and may be prohibited from participating in certain student leadership opportunities.

3 Consistent with Section 502 D(3) of the UNC Policy Manual.
As part of disciplinary probation, the student may also have restrictions placed on specific privileges, as determined by the hearing body or administrative hearing officer, not to exceed the duration of the probationary period. In the event of a further violation of this Code or other applicable rules while on disciplinary probation, the university will seek the penalty of suspension or expulsion.

**Suspension** - Suspension is withdrawal of enrollment privileges and cancellation of registration, at a minimum, through the end of the next full semester, and carries with it conditions which must be met for re-enrollment.

Re-enrollment after a suspension period requires that the student apply to the dean of students at the close of the imposed period, and the dean will determine whether the student has met the conditions imposed and is otherwise eligible for re-enrollment. A denial may be appealed to the Committee on Extraordinary Disciplinary Emergencies.

During the term of suspension, the student may not come onto campus. Failure to abide by this condition may result in arrest for criminal trespassing.

A student who is suspended after the deadline for withdrawal with a “W” shall be assigned a grade of “WF” or “W” by each instructor based upon the academic performance prior to the suspension.

A sanction of suspension requires that the student’s name be added to the UNC Suspension/Expulsion Database.

**Expulsion** – is the permanent dismissal of a student from the university, and it precludes matriculation at any UNC constituent institution, unless and until the chancellor who imposed or approved the sanction or his/her successor concludes on the basis of the former student’s petition and any supportive documentation that the individual should be given a new opportunity to pursue higher education within the UNC system. The student will be trespassed from university property for as long as the individual is considered a risk to others or to university property. Expulsion will result in a permanent transcript notation.

The chancellor or vice chancellor for student affairs may impose the sanction of expulsion.

A sanction of expulsion requires that the student’s name be added to the UNC Suspension/Expulsion Database.

**Other Sanctions** – For students living on campus, the Office of the Dean of Students will consult with Housing and Residence Life staff in order to address a student’s comprehensive conduct in residence, and may enforce the Housing Contract which provides the university the right to a) move a student to another residence hall; b) cancel a student’s housing contract; or c) refuse to renew a housing contract. Prior to removing a student from residence, the student is entitled to the full disciplinary process described in the **UNCW Code of Student Life**. Any student who is removed from on-campus housing shall not be entitled to a refund of room fees.

For certain offenses, students may be restricted from visiting in or around campus residential facilities.

**B. RESTITUTION**

CCB or the hearing body, as part of the disciplinary process, may impose specific conditions (e.g., requirement of student to reimburse for damage to or destruction or misappropriation of university property or property of any person, and restitution in the form of appropriate service to be performed). Reimbursement may take the form of appropriate service for repair or otherwise compensate for damages. As part of the conditions established by CCB or the administrative hearing officer, a student may be denied access to a residence life area or evicted from university housing.
C. MONETARY FEES
As a part of the disciplinary process, students will be assessed fees for classes offered through CROSSROADS: Challenging Decisions ($100), BASICS – Alcohol ($150), and BASICS-Marijuana ($150). Fees will be used to fund substance abuse education programs. In addition, a student may be referred to CROSSROADS: Substance Abuse Prevention and Education Program and/or for a substance assessment at the Counseling Center or at an off campus agency if the hearing body finds alcohol or other drugs to be a contributing factor in the student’s case. A student who fails to appear for an on-campus substance assessment will be required to complete the assessment off campus at his/her personal expense. A $50 fee will be assessed to students who fail to appear for a Challenging Decisions Alcohol or Marijuana class or other required classes at CROSSROADS.

II-5 DISCIPLINARY RECORDS
A. A hearing record, notice of appeal and each petition for review are confidential and may not be disclosed in whole or part except for certain alcohol and drug offenses (see Section III-4 for detail). This disciplinary record shall be separate from the student’s academic record but shall be considered a part of the student’s educational record and maintained in the Office of the Dean of Students.
B. Pursuant to the Family Educational Rights and Privacy Act of 1974 (FERPA), the university may disclose the final results of disciplinary proceedings in which a student is found to have committed a violent crime or non-forcible sex offense. Disclosure is limited to the name of the violator, the type of violation and the sanction. Disclosure to victims may be made regardless of whether the alleged violator was found responsible. Disclosure to third parties may be made only if the alleged violator is found responsible.
C. A student who is suspended or expelled will have a “hold” placed on their registration file by the dean of students/designee. The “hold” will be removed when the term of suspension expires and/or conditions for re-enrollment have been met.
D. A notation of suspension or expulsion will be placed on the transcript as a “disciplinary suspension” for conduct withdraws and “Honor Code suspension” for Honor Code withdraws. The student’s name will also be permanently added to the North Carolina educational suspension/expulsion database.
E. Records for cases not resulting in suspension or expulsion will be destroyed one year after graduation.

II-6 COMMITTEE ON EXTRAORDINARY DISCIPLINARY EMERGENCIES
Notwithstanding any other provisions of the UNCW Code of Student Life, and in fulfillment of the obligation of the university and of the chancellor to maintain campus security and to protect the safety and welfare of students, employees and visitors to the university, the Committee on Extraordinary Disciplinary Emergencies is established in accordance with the provisions of Sections 116-11(2) and 116-34(a) of the North Carolina General Statutes, Sections 502D(3), 600, 608(2), and Appendix Sections XII and XV of the Code of the Board of Governors of the University of North Carolina, Chapter 700 and Section 1300.1 of the University of North Carolina Policy Manual, and Section I-5 of the UNCW Code of Student Life.

A. JURISDICTION OF THE COMMITTEE
The Committee on Extraordinary Disciplinary Emergencies is established under the delegation of the chancellor pursuant to his/her responsibility for student affairs. The Committee is established to investigate complex cases or of those cases involving students or student organizations whose behavior, on or off campus, is such that their presence at the university, in the judgment of the Committee, upon referral from the vice chancellor for student affairs or the chancellor, may pose:
1. A serious risk of disruption of the academic environment.
2. A serious risk of interference with the rights of other members of the university community.
3. A serious risk or continuing danger to university property.
4. A serious risk or continuing danger to members of the university community.
5. A student charged under the Gender-Based/Sexual Misconduct Policy.

B. OFFENSES
An example of student behavior that may come within the jurisdiction of the Committee includes, but is not limited to:
1. Students who have been arrested and charged with a serious crime of a violent nature, or of a dangerous nature, or which involved placing another person in fear of imminent injury or danger.
2. Students subject to summary suspension.
3. Students or student organizations charged with serious violations.\(^4\).
4. Students charged under the Gender Based/Sexual Misconduct Policy.

C. COMMITTEE MEMBERSHIP AND EMERGENCY PROCEDURES
The Committee shall be composed of vice chancellors or their designees and one additional designee as assigned by the Vice Chancellor for Student Affairs. One student from the Campus Conduct Board shall be assigned for non-sexual misconduct cases. A quorum of the Committee shall consist of at least five designees. If a graduate student is charged, one student from the current Graduate Student Association will be appointed to sit on the Committee. The vice chancellor for student affairs shall designate a chair to preside over the Committee.

In an emergency situation, pursuant to Section II-6-A & B or Section II-2-L of the UNCW Code of Student Life, the vice chancellor for student affairs or designee shall have the power to invoke summary suspension. After a hearing, as set forth below, the Committee may ratify the vice chancellor’s action, reverse it or take any other appropriate action. In such emergency situations, the vice chancellor for student affairs shall inform the chancellor of all actions taken either summarily or by the Committee under the authority of this policy.

D. COMMITTEE ACTION IN SPECIFIED SITUATIONS
1. Dangerous or Disruptive Student Behavior
   If, in the judgment of the vice chancellor for student affairs, the facts of any case are complex or indicate that the student’s presence in the university poses a risk or continuing danger to members of the university community, or poses a risk to university property, or poses a risk or continuing danger of disruption of the academic environment or poses a risk of interference with the rights of other members of the university community, and the immediacy of the danger or threat is so great that emergency action should be taken, the vice chancellor for student affairs shall withdraw the case from the jurisdiction of the Campus Conduct Board and refer the case to the Committee. A student summarily suspended under this section shall have the right to a subsequent hearing as set forth below. Upon completion of a hearing, the Committee may reinstate the student, continue the student’s suspension or expel the student. If the Committee expels the student, the suspension shall continue pending the chancellor’s decision upon the student’s appeal to the chancellor or upon the chancellor’s decision to review the expulsion decision.

2. Students Charged With a Crime
   In the case of a student who has been arrested and charged with a serious crime of a violent or dangerous nature or one which involved placing a person in fear of imminent injury or danger, the vice chancellor for student affairs shall review the facts and may withdraw the matter from the jurisdiction of the Campus Conduct Board and refer the case to the Committee. In those cases submitted to the Committee pursuant to this Subsection II-6-D-2, the Committee may consider whether the nature of the crime is such that, if the student were guilty, the student’s presence in the university would represent one of the factors set forth above in II-6-A. If the Committee’s determination is that if the student were guilty of the crime with which he/she is charged, and the

\(^4\) As described in Section II-1-B of the UNCW Code of Student Life.
student’s presence at the university would pose a continuing danger or serious risk as set forth above, then the Committee shall suspend the student from the university.

In evaluating the student’s behavior to determine whether it poses a serious risk or continuing danger, the Committee shall act in light of the standards set forth in the authorities cited in Section II-6.

No action under Subsection II-6-D-2, relating to criminal charges, shall involve or be construed as an adjudication of the student’s guilt or innocence of the crime charged, nor shall it be considered as evidence of the student’s responsibility or non-responsibility in any subsequent Committee or Campus Conduct Board proceeding arising out of the same fact situation.

A student who is summarily suspended from the university under this subsection shall have the right to a hearing before the committee. A request for a hearing must be submitted in writing to the vice chancellor for student affairs within ten (10) business days of the invocation of summary suspension. If criminal charges arising out of the same fact situation/incident are pending against the student at the time the hearing is to be held, the student may choose to go ahead with the institutional proceeding or may request that they be held in abeyance until the criminal case has been resolved. In either situation, pending the outcome of the hearing, the student’s suspension shall remain in effect. If the student chooses to delay institutional proceedings until after resolution of the criminal case, institutional proceedings will be resumed immediately after resolution of the criminal case. If the hearing is held before the criminal case against the student has been resolved, an expulsion may not be imposed at that time.

E. CEDE HEARING PROCEDURE
Any student who has been suspended or expelled may not participate in any university activities or responsibilities, attend classes or come onto the campus except to attend a scheduled meeting or hearing on the case. Persons who wish to schedule a meeting with such a student must first request approval from the dean of students. If the student comes onto the campus for a hearing/meeting, he/she must immediately leave the campus at the end of the meeting. Any student who is suspended or expelled and returns to the campus and university property during the suspension or subsequent to the expulsion, without the express permission of the dean of students or the vice chancellor for student affairs or designee, shall be subject to further disciplinary action and may be arrested for criminal trespass.

Summary suspension shall not be considered evidence of the student’s responsibility or non-responsibility in any hearing of the Committee nor in any subsequent Campus Conduct Board proceeding. Prior to any hearing before the Committee, the student will be informed by letter of the vice chancellor for student affairs’ summary action or intent to bring a charge before the Committee. The student shall also be notified of the date and location of the hearing. The hearing shall be set no sooner than five (5) business days from the date of the letter, and the letter shall be mailed to the student at the last known address, according to university records. The notice shall explain the charges against the student, the character of the evidence against the student and the student’s rights.5

The Committee’s decision will be based on the evidence presented. In cases brought under Section II-6-B and Section II-6-D-1, the Committee shall generally follow the procedure outlined in Section II-3-B, Section II-3-C-1 and Section II-3-C-4-6 of the UNCW Code of Student Life. In all cases, the rules of evidence shall not be strictly followed by the Committee; hearsay shall be admissible and any credible source, and documentary or testimonial shall be competent to establish the truth or falsity of the charges.

5 See Section II-2-G for detail.
Before a post-hearing action of suspension or expulsion may be imposed on a student in accordance with the Committee on Disciplinary Emergencies, the Committee must find by a preponderance of evidence that the student committed the offense in question. Before a post-hearing sanction may be imposed on a student, the Committee must find by a preponderance of the evidence that the student has, in fact, been charged with the crime in question, that the charge does not appear to be frivolous, and that, if the student committed the crime with which he/she is charged, his/her presence on the campus would pose a serious risk or continuing danger as set forth above.

Recordings or transcripts of the hearing, but not of the committee’s deliberations, shall be maintained. The vice chancellor for student affairs or designee shall be responsible for all records of Committee proceedings. Following the hearing, the student shall be notified of the Committee’s decision by a letter sent to the student at the address the student has supplied the Committee with at the hearing, or if no address has been supplied at the hearing, then to the last known address according to university records.

In accordance with the provisions of the federal Family Educational Rights and Privacy Act of 1974, as amended, the Committee may also disclose the results of the hearing to the alleged victim of the student’s actions if:

1. The alleged actions involved the use, attempted use or threatened use of physical force against the person or property of another; or
2. The alleged actions constituted a felony that, by its nature involves a substantial risk that physical force may be used against the person or property of another.

Hearing procedures for violations of the Gender-Based/Sexual Misconduct policy are described in University Policy 04.100.

F. APPEALS AND POST-HEARING PROCEDURES

The decision of the Committee shall become effective immediately upon its issuance. Reasonable steps of the same sort as set forth above in regards to notification of the student of the hearing shall be used to notify the student, as promptly as possible, of the Committee’s decision and recommendation. A student may appeal the decision of the Committee to the chancellor/designee(s) within ten (10) business days of its issuance. The appeal shall be in writing and shall set forth the grounds for appeal, the basis of the objection to the Committee’s findings and the requested relief sought. (Hereafter the chancellor/designee shall be commonly referred to as “Appellate Body”).

Upon receipt of an appeal from the student, or in the Appellate Body’s own discretion, shall consider the decision a recommendation and shall decide whether to accept, modify or reject it. In the case of an appeal, or at the Appellate Body’s request, the record of the proceedings before the Committee shall be prepared by the chairperson of the Committee/designee and shall be forwarded to the Appellate Body. The record shall include the recordings or transcripts taken during the proceedings and a copy of all documents and other writings introduced in evidence at the hearing. It shall not include any record of the Committee’s deliberations.

An appeal is considered solely by the Appellate Body and is final unless the outcome is suspension or expulsion. Consistent with Section 502 D(3) of the UNC Policy Manual, where the sanction is suspension or expulsion, an appeal may be made to the Board of Trustees for individual student conduct cases (not campus organizations), provided the appeal is based on 1) violation of due process; or 2) a material deviation from Substantive and Procedural Standards adopted by the Board of Governors. For suspension level cases, the appeal to the Board of Trustees is final; for expulsion level cases, a final appeal may be filed with the Board of Governors.

Whether the hearing is held before or after resolution of the criminal case, if the student is reinstated after the hearing but due to the length of time which has passed before the hearing could
be held, the student has missed so much class work that it will be impossible for the student to complete course work before the end of the term, the student may choose either to take a grade of “incomplete” in those courses and complete them in the normal period of time allowed for completion of “incomplete” under university regulations or may choose to withdraw from the semester in question and receive a full refund of any tuition and fees he/she has paid for the term in question minus the non-refundable enrollment deposit and any charges against his/her account (such as library fines, unpaid parking tickets, returned check charges, damages).

A former student who has been suspended by the Committee who wishes to return to the university must follow the terms established by the Committee for reinstatement, as outlined in official correspondence from the university, unless extraordinary circumstances exist. Such extraordinary circumstances may include, but are not limited to, a verdict of not guilty of the criminal charges forming the basis for the Committee’s decision of suspension. Former students who petition the university for reinstatement must also subsequently apply for readmission. The university reserves the right to require the student to compete for admission with other applicants in that year, and comply with all other admissions criteria (created May 12, 1997; revised June 2008).

SECTION III
UNCW STUDENT RECORDS & FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) POLICY
POLICY 04.150
III-1 PURPOSE
The Family Educational Rights and Privacy Act of 1974 (FERPA, also known as the “Buckley Amendment”), guarantees certain rights for students and eligible parents regarding access to, confidentiality of and correction of the student’s education records. FERPA provides that a student may inspect his or her education records. If the student finds the records to be inaccurate, misleading, or otherwise in violation of the student’s privacy rights, the student may request amendment to the record. FERPA also provides that a student’s personally identifiable information may not be released to someone else unless (1) the student has given a proper written consent for disclosure or (2) provisions of FERPA or the corresponding federal regulations permit the information to be released without the student’s consent. This policy is administered in accordance with the FERPA regulations published in 34 CFR Part 99.

III-2 DISCLOSURE OF DIRECTORY INFORMATION
A. The university may release the following directory information to the public without the student’s consent: name; class; college and major; dates of attendance; degree(s) earned; honors and awards received, including selection to the dean’s or chancellor’s list, honorary organization, or the GPA range for the selection; local address; local or contact telephone number; UNCW electronic mail address; most recent previous educational institution attended; place of birth; participation in officially recognized activities and sports; and the weight and height and date of birth of members of athletic teams.

B. Under FERPA, the student has the right to request that the disclosure of directory information be withheld. If a student wishes to have the student’s directory information withheld, they must complete a “Request to Prevent Disclosure of Directory Information” form in the Office of the Registrar.

III-3 DISCLOSURE OF PERSONALLY IDENTIFIABLE INFORMATION
A. The university may release personally identifiable information from student education records without the student’s consent to school officials who have a legitimate educational interest to access the records.
B. “Education records” mean records that are maintained by UNCW in any media (e.g. paper, electronic, digital image, film, video, audio tape) which contain information directly related to a student and are personally identifiable to a student. Education records do not include:

1. Personal records of university employees that are in the sole possession of the maker (i.e. notes of conversations), are used only as a personal memory aid, and are not accessible or revealed to any individual except a temporary substitute;
2. Records of the UNCW police department used for law enforcement purposes;
3. Student medical and counseling records maintained and used only in connection with provision of medical treatment or counseling of the student and are made available only to the individuals providing the treatment;
4. Employment records unrelated to the student’s status as a student (these records are covered under the N.C. Personnel Records Act);
5. Records created or received after an individual is no longer a student in attendance and that are not directly related to the individual’s attendance as a student (i.e. alumni records); or
6. Grades on peer-graded papers before they are collected and recorded by a faculty member.

C. “School official” means:

1. An employee, agent or officer of the university or The University of North Carolina’s General Administration in an administrative, supervisory, academic or research, or support staff position and acting in his or her official capacity, including a student assisting another school official in performing his or her tasks;
2. A person serving on university committees, boards, and/or councils, including an individual serving on a disciplinary or grievance committee;
3. Another educational institution that requests records for a particular student who seeks or intends to enroll or where the student is already enrolled provided the disclosure is for purposes related to the student’s enrollment or transfer; and
4. A person or company with whom the university has contracted (e.g. internship and clinical facilities, attorney, auditor, or collection agent) but limited to only the specific student information needed to fulfill the contract. The contracting entity is bound to follow FERPA regulations for control, maintenance, use and re-disclosure of the information provided to it.

D. “Legitimate educational interest” means a school official who is performing an authorized task or an activity that he or she is undertaking in the name of the university for which access to an educational record is necessary or appropriate to fulfill his or her professional responsibilities for the university.

E. “Student” means an individual who is or has been in attendance at UNCW for degree seeking courses, non-credit courses, life-long learning courses, and/or certificate courses. It does not include persons who have been admitted but did not attend the university. For the purposes of this policy, “attendance” starts with orientation or course registration and includes in person or by paper correspondence, videconference, satellite, Internet, or other electronic information and telecommunications technologies for students who are not physically present in the classroom and the period during which an individual is working under a UNCW work-study program.

F. In addition, the university may disclose personally identifiable information from a student’s educational records without a student’s consent to either individuals or entities permitted such access under applicable federal law and regulations, as more fully specified in 34 CFR §99.31. Such exceptions include, but are not limited to, the following situations: to parents of dependent students; to accreditation organizations or agencies; to comply with a lawfully issued subpoena or court order; to protect the health and safety of the student or others in an emergency; in litigation or for implied waivers by the student. For certain disclosures, university officials must record when, what records, and to whom they have disclosed personally identified information to third parties. In the case of emergencies, school officials must also record the articulable or significant threat that formed the basis for the disclosure.
III-4 ALCOHOL AND DRUG VIOLATIONS AND VIOLENT CRIMES
A. Unless there are extenuating circumstances, the university will not generally notify parents or legal guardians of students under the age of 21 of the first time alcohol violation. Parents and guardians will be notified if the student is determined by the university to be a danger to himself/herself, others or to property.
B. The university may notify parents and legal guardians of all second and subsequent alcohol violations. For purposes of determining what constitutes a second or subsequent violation, multiple related violations during a single incident will be treated as one offense.
C. The university may notify parents or legal guardians of students under the age of 21 of any drug violations.
D. The university may disclose the final results of campus disciplinary proceedings in which a student is charged with a violent crime or non-forcible sex offense. Disclosure to victims of the crime or offense may be made regardless of whether the student was found responsible. Disclosure to third parties may be made only if the student is found responsible. Disclosure is limited to the name of the violator, the type of violation found to have occurred, and the sanction imposed by the university.

III-5 INSPECTION AND REVIEW OF RECORDS
A. FERPA provides students with the right to inspect and review (within 45 days of request) information contained in their education records (as defined above), challenge the contents of their education records and to have a hearing if the outcome of the challenge is unsatisfactory (see below), and to submit explanatory statements for inclusion in their files if they feel the decisions of the hearing panels to be unacceptable.
B. The University Registrar has been designated by the university to coordinate the inspection and review procedures for student education records. Such records are maintained at several locations on the campus. The locations are shown in Appendix A to this policy, together with the title of the official custodian to be contacted for access to the records. A written request may be required. Students wishing to review their education records must make written requests to the administrator shown there. If the student is uncertain as to the location of a particular record, a written request should be addressed to the University Registrar listing the item or items of interest.
C. Students may have copies made of their records unless a financial “hold” has been placed on the record by an appropriate university official. Such copies will be made at no cost to the student unless the costs exceed $50.00.
D. Students may not inspect and review the following, as specified in FERPA: financial information submitted by their parents; confidential letters and recommendations associated with admissions, employment or job placement, or honors to which they have waived their rights of inspection and review; or education records containing information about more than one student, in which case the institution will permit access only to that part of the record which pertains to the inquiring student. The university is not required to permit students to inspect and review confidential letters and recommendations placed in their files prior to January 1, 1975, providing those letters were collected under established policies of confidentiality and were used only for the purposes for which they were collected.

III-6 AMENDMENT OF STUDENT RECORD
A. If a student believes that the information contained in his/her education records is inaccurate or misleading, or that it violates privacy or other rights, the student may request that the university amend the record. Such request shall be in writing addressed to the University Registrar, and shall specify the amendment sought.
B. The University Registrar or his/her designee shall, within 30 days after receiving the student’s request, and after consulting with appropriate university officials, decide whether the record will be amended in accordance with the request and inform the student. If the decision is to refuse to amend the record in accordance with the request, the registrar shall simultaneously advise the student that he/she may request a hearing to challenge the content of the education
record to ensure that the information therein is not inaccurate, misleading or otherwise in violation of the privacy or the rights of the student.

C. If the University Registrar receives a request for a hearing, he/she shall request that the chancellor appoint a panel of three university faculty or staff members to conduct the hearing. Persons appointed shall be individuals who have no direct interest in the outcome of the hearing. The chancellor shall designate the chair of the panel and shall provide the panel such assistance as deemed appropriate.

D. The chair of the hearing panel shall notify the student and the University Registrar of the date, time and place of the hearing at least five days before the hearing.

E. The student shall be afforded a full and fair opportunity to present evidence relevant to the issue whether the information in the student’s education record is inaccurate, misleading, or otherwise in violation of the student’s privacy or other rights. The student may be assisted by individuals of his/her choice at his/her own expense, including an advisor.

F. The University Registrar or persons appearing in his/her behalf shall be afforded a like opportunity.

G. The panel shall make its decision solely on the basis of the evidence presented at the hearing. The decision of the panel shall be in writing and shall include a summary of the evidence and the reasons for the decision.

H. If the opinion of the panel is that the information in the student’s record is inaccurate, misleading or otherwise in violation of the privacy or other rights of the student, the committee shall forward to the chancellor its written recommendation. The chancellor will forward a decision to the student in ten class days.

I. If the panel decides that the information is not inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student, it shall inform the student of the right to place in the education record a statement commenting on the records and setting forth the reasons for disagreeing with the agency or institution. Such statement shall thereafter be maintained as part of the education record and thereafter disclosed to any party to whom the contested record is disclosed.

J. If the student believes that the procedures determining the challenge were unfair or not in keeping with FERPA requirements, he/she may direct a written appeal to the chancellor.

K. Students who believe that the adjudications of their challenges were unfair, or not in keeping with FERPA may request in writing, assistance from the chancellor. Further, students who believe that their rights have been abridged, may file complaints with the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202, concerning the alleged failures of the university to comply with the law. For further information, students may consult the University Registrar, who has available copies of the statute and the Department of Education's regulations.

SECTION IV
UNIVERSITY OWNED RESIDENCES

IV-1 INTRODUCTION
The Office of Housing and Residence Life at the University of North Carolina Wilmington offers students safe, affordable and well-maintained residential facilities, complemented by exceptional customer service and co-curricular learning opportunities from highly trained staff. The department fosters inclusive communities for holistic student learning by promoting personal responsibility, offering a broad range of educational programming and providing leadership development opportunities. We value efficient use of resources, technological innovation, sustainable practices and continuous improvement to better serve our residential community. The Director of Housing and Residence Life invites all students to stop by to ask questions and offer suggestions about living on campus. The Office of Housing and Residence Life is located in a building directly behind Schwartz Hall. Please refer to the Guide for On-Campus Living for more detailed information on facilities. Students living on campus are responsible for the information in the Guide for On-Campus Living. The Guide for On-Campus Living is available online by visiting the Housing website (http://www.uncw.edu/housing). Returning students receive the license contract booklet when they reclaim their living space.

IV-2 RESIDENCE LIFE STAFF
Members of the staff of Housing and Residence Life include: the Director of Housing and Residence Life; two Associate Directors: Residence Life and Housing Operations; and four Assistant Directors: Residence Life, Business Operations, Facilities Operations and Technology/Communications. There are also eight professional live-in Residence Coordinators.

The office of Housing and Residence Life is a representative member of the Division of Student Affairs. Residence Coordinators, assisted by Assistant Residence Coordinators and a group of resident assistants, supervise the residential areas.

IV-3 RESIDENCE LIFE POLICIES
The primary responsibility of the Housing and Residence Life program is to maintain an atmosphere conducive to the pursuit of academic and personal goals and personal growth. Within this context, it is important to recognize the effect of the residence life setting which creates a special need for awareness of how one’s individual actions can influence the environment of the floor and thus directly affect the residential community. In light of these conditions, the following policies have been established:

A. ALCOHOLIC BEVERAGES
The Office of Housing and Residence Life encourages responsible decision making within our communities. All residents should understand that they are ultimately responsible for the actions which take place in their spaces and should take necessary steps to prevent and discourage any behaviors not congruent with the Code of Student Life and policies outlined by the Office of
Housing and Residence Life. Additionally, those who are of legal drinking age have a responsibility to hold themselves as well as peers accountable for acceptable drinking behavior(s).

The University of North Carolina Wilmington abides by North Carolina State laws and statutes. Students 21 years of age and older may possess and consume beverages within the privacy of their bedroom or private living area. Students suspected of underage possession/consumption and/or other alcohol policy violations will be referred to the Office of the Dean of Students. Below outlines the expectations of the Alcohol Policy.

General Alcohol Expectations
- Residents who are not 21 are not permitted to possess/consume alcohol
- Residents 21 years or older are allowed to possess/consume alcohol
- Non-students and off-campus students are not permitted to bring alcohol onto campus
- Alcohol is not permitted in public areas: hallways, lounges, balconies/porches, pool and other outdoor areas
- Alcohol beverages sales on the UNCW campus is prohibited
- Communal containers of alcohol are not permitted. This includes but is not limited to kegs and other large containers
- Games/activities which encourage binge drinking are not permitted. This includes but is not limited to beer/water pong, flip cup, card games, etc. Paraphernalia associated with such games/activities are also prohibited.

Expectations of responsible 21 year old alcohol consumption
- Should never purchase/provide alcohol to underage persons
- Should never be in the presence of underage consumption
- Should account for alcohol purchased/owned
- Should never exhibit behavior attributed to over consumption of alcohol. This includes but is not limited to vomiting, slurred speech, need of physical/medical assistance, inability to carry out bodily functions, etc.

Residents who are under 21 years of age are not allowed to host people with alcohol regardless of guest’s age.

The Office of Housing and Residence Life staff reserves the right to stop people from bringing alcohol into the building(s). A student and their guest may be asked to open all backpacks, bags, coolers and other containers when entering residential facilities. This procedure is a safety and security measure, which prevents unwanted or unauthorized items from being brought into the residence. All students’ cooperation with staff requests is expected and appreciated. A resident and guests may be denied entrance if they choose not to cooperate with this request.

B. DRUGS
The illegal use, possession, sale, delivery and/or manufacture of drugs (illicit or prescription) will not be tolerated and may be grounds for immediate suspension or dismissal of students, faculty members, administrators and other university employees. UNCW has an illegal drug use fee of at least $150.00. Possession of drug related paraphernalia is also not permitted. This action is subject to University Police investigation and referral to the Office of the Dean of Students.

C. VISITATION
The visitation program in the UNCW student residences creates a structure for residents to bring guests into their rooms. In full support of the educational mission of the university, students living on-campus are expected to view academic responsibilities as their primary goal. Studying, therefore, takes precedence over socializing in the student residences on weekday nights. On weekends, there is a greater amount of leisure time and social activities that are usually more prominent. The guidelines for visitation are grounded in this academic schedule and are designed to balance a student’s responsibilities with individual and group needs.
All students have the opportunity to accept or reject participation in the visitation program at a building-wide vote that takes place during the first two weeks of classes in the fall. If sufficient interest in a non-visitation area exists, specific arrangements will be made to accommodate that request. In the event that there are not enough requests to satisfy various options, no person will be forced to participate in a more liberal visitation policy than he or she wants. The changes to visitation will go into effect as prescribed and advertised by Housing and Residence Life but most often within five days of voting completion.

1. The visitation program is to function within the parameters and according to the procedures which follow. The existing programs have been developed through deliberate study by staff and student groups during the recent past. Certain underlying assumptions are reflected in the visitation program at UNCW:
   a. There is a legitimate need for, and benefit from, providing greater opportunity for contact between students.
   b. The nature of the physical facilities, particularly in the traditional residence halls, places certain limitations on the visitation program.
   c. The hours of the program accommodate, as best they can, the divergent lifestyles of students and variety of housing styles available on campus.
   d. The purpose of a student’s room is primarily for study and sleep, which take precedence over social privileges.
   e. Respect for the wishes and well-being of one’s roommate(s) is more important than someone’s desire to have guests.
   f. Cohabitation is not permitted in any university housing facility.

2. PARTICIPATION: All students have the opportunity to learn more about the visitation program at a building-wide vote that takes place during the first two weeks of classes in the fall. If sufficient interest in a non-visitation area exists, specific arrangements will be made to accommodate that request. In the event that there are not enough requests to satisfy various options, no person will be forced to participate in a more liberal visitation policy than he or she wants.

3. REGISTRATION OF GUESTS: It is the responsibility of each resident to attend to the registration of a guest. A resident may host no more than three guests at a time. Furthermore, it is the responsibility of each resident to escort the guest(s) at all times while the guest(s) remains in the building. Guests must carry a valid picture ID when visiting residential facilities. State, government, and military issued IDs are acceptable forms; library cards, debit/credit cards, etc. will not be accepted. Guests must present a valid picture ID to the desk receptionists when checking in. The guest may be required to surrender this ID depending on technology available. This identification will be returned when the guest leaves the building. False identification will be turned over to University Police for appropriate action.

   Hosts are responsible for guests’ behavior, for any damages incurred, and for the adherence to all university policies and procedures.

4. LOSS OF PRIVILEGES: Residents should understand that visitation is not a right, but rather a privilege that may be suspended at any time for violations of Office of Housing policies or Code of Student Life violations. Visitation privileges may be suspended administratively by the Office of Housing and Residence Life or by conduct review from the Office of the Dean of Students.

5. DAYS AND HOURS: There is a distinction in the guest policy at UNCW that separates residences into two groups, each having its own visitation hours and group process to decide these hours.

At the beginning of the fall semester, all residential facilities begin with visitation hours that are set at 11:00 a.m. to 11:00 p.m. on Sunday through Thursday and 11:00 a.m. to 2:00 a.m. on Friday and Saturday. Within the first two weeks of the fall semester, residence hall students will vote on the visitation option that they prefer for the full academic year. They will have two options to select from. The first option would allow for visitation hours from 11:00 a.m. to 11:00 p.m. on Sunday through Thursday and 11:00 a.m. to 2:00 a.m. on Friday and Saturday. Additionally,
students can vote to extend these hours to a maximum of 10:00 a.m. to midnight on Sunday through Thursday and 10:00 a.m. to 3:00 a.m. on Friday and Saturday. The second option would have the same stipulations for the weekdays, Sunday through Thursday nights (including extending the hours). On Friday and Saturday nights, option II would allow for open visitation. Students are expected to recognize roommate rights and follow the state’s co-habitation law. Each option has percentage requirements (based upon total residence hall occupancy) that must be met.

In all residential communities (including apartment and suite style communities), residence life staff regulate the visitation policy through 24-hour service desks and guest registration program. Additionally, resident are expected to hold themselves and peers accountable for this an all policies outlined by the Office of Housing and Residence Life and the Code of Student Life. If residents feel peers are not adhering to expectations outlined in policies, residents have a responsibility to communicate violations to the appropriate staff in a timely manner. Community Standards and other peer agreements cannot supersede HRL or university policies.

Each building may also choose to accept extended in-hall visitation privileges during the vote, which takes place in the fall semester. Extended in-hall visitation allows residents of a building free access to visit other residents within the residence hall. This is in addition to the normal visitation hours, which apply to outside guests. These hours may be extended to include up to 24 hours per day, seven days per week.

6. OVERNIGHT GUESTS: Residents may register guest overnight who are of the same sex. A guest may not be registered overnight more than three nights in a two-week period. Guests are identified and registered through the front desk of each residence hall. Overnight guests in apartment and suite communities are subject to the same expectations outlined in this section. Violations of this policy should be reported to appropriate residence life staff.

7. ESCORT POLICY: Resident students are responsible for escorting their guests within the building at all times. The resident is responsible for informing their guest(s) of all university policies and regulations. Hosts are responsible for any policy violations committed by guest. Hosts may be held accountable by the Office of Housing and Residence Life and/or referred to the Office of the Dean of Students for conduct review.

8. MINOR GUESTS: While visiting, minors must always be under the supervision of the hosting parties. Hosting parties will be held responsible for the actions of their guests. Any visiting minor (under 18 years of age) must be accompanied at all times by the resident they are visiting, must present a photo I.D. or written parental permission for the visit, and is subject to the same visitation hours as any other guest. No minor (under 18 years of age) who is not a UNCW student or accompanied by an adult family member may visit overnight in the residence halls unless he/she is staying with a sibling who is a resident of the building, or if the underage guest can present written parental consent for the visit, including a valid phone number where the parent or guardian can be reached for verification, to the front desk staff upon sign-in. The minor children or dependents of residents are not permitted to permanently live in a resident's room.

D. PETS
Because of public health regulations, pets are NOT permitted in any on-campus housing under any circumstances including brief visits or temporary stays. This applies to, but is not limited to: dogs, cats, birds, hamsters, snakes, mice and other rodents. Fish in aquariums are permitted as long as the tank does not exceed 20 gallons and is kept in sanitary condition. A Health and Safety fine of at least $50.00 is assessed to each student who possesses a pet in the student residences. Residents will be assessed for the cost of extermination in any rooms requiring pesticide for fleas caused by pets. Any pets found in violation of this policy may be removed immediately and turned over to the Wilmington Animal Control Center or the Humane Society.

E. NOISE
Residents are expected to use discretion where noise is concerned both in and around the student residences. Therefore, excessive noise is prohibited at all times. Courtesy hours are always in
effect, and students are asked to be considerate of others’ rights to study and sleep. During these hours, the environment is to be one that is conducive to studying. Loud stereos, gatherings in hallways and other disturbances will not be allowed. If stereos are played out of windows or are a problem in any area around the residence halls and apartments, owners risk the removal of the stereo from the residence hall or apartment and may be held accountable for the expense of having their equipment boxed and shipped off campus. Due to the nature of these instruments, drums and amplified sound equipment are not allowed in any on-campus housing.

Quiet hours are 8:00 p.m. to 10:00 a.m., Sunday through Thursday. On both Friday and Saturday nights, quiet hours begin at 12:00 a.m. and go until 10:00 a.m. the following morning. Noise, including talking, music and other miscellaneous sounds, must be kept at a minimum level so that they cannot be heard in others’ rooms.

If a resident has a problem with noise, the first step is for her/him to talk to the resident(s) about the situation. If the noise continues after a resident has first confronted the situation, the floor RA should be contacted. If the floor RA is not available, contact the duty RA. During final examinations each semester, 24-hour quiet hours will be enforced. Look for posted signs that provide details about quiet hours during final exams.

F. SOLICITATION
Residence halls, apartments and/or suites cannot be used to raise money for any individual or organization other than an official registered campus organization (faculty, staff or student). Anyone not connected with the residence halls, apartments or suites that does not have the proper identification and authorization, may be cited for trespassing. In order to maintain the privacy of resident students, no door-to-door solicitation is allowed. Authorization for solicitation (in lobby areas) must come from the Campus Activities & Involvement Center and the Director of Housing and Residence Life. Banners, signs or posters may not be affixed to the outside of any building without written permission from the Director of Housing and Residence Life or designee.

G. BEHAVIOR
Disciplinary proceedings as outlined in the Code will be initiated against residential students who violate the UNCW Code of Student Life and/or the Guide for On-Campus Living, for offenses including but not limited to:
1. Violation of visitation as outlined in the Code of Student Life or posted in the residence halls, apartments and suites.
2. Tampering with, destroying, defacing or removing public property within the residence life area, including furniture, doors, screens, walls, elevators, vending machines, ceiling tiles, games, etc.
3. Destroying or tampering with fire alarm systems and/or firefighting or emergency equipment.
4. Loaning or using unauthorized entrance door keys, room keys or student IDs.
5. Throwing objects from the windows of residence halls/apartments/suites.
6. Undermining the security of hall residents and property (e.g., intentionally leaving doors propped open, climbing through open windows).
7. Cooking in residence hall rooms.
8. Walking or laying on building or apartment roofs.
9. Obstructing hallways and/or entrances (e.g., bicycles parked in these areas).
10. Driving motorized vehicles on the sidewalks and/or grass in the residence life areas.
11. Providing false or misleading information to housing staff.

H. INDIVIDUAL PRIVACY IN RELATION TO STUDENT ROOMS
Privacy of the individual is of the utmost concern to the Office of Housing and Residence Life and the university; however, entry of student residence hall rooms and apartments at times is necessary.
1. ROOM ENTRY
   University officials may enter a room under the following conditions:
a. When there is sufficient reason to believe that an emergency situation exists that poses immediate danger to the occupants and/or to the facility.

b. For routine maintenance, cleaning and health/safety inspections.

c. To deal with disturbances which are in violation of university regulations and/or violating the rights of other students within the residence hall, apartment complex or suite complex.

d. When a student who is a resident gives voluntary consent. The student’s consent may be freely given and must not be based on coercion or threats by the university, and must not be occasioned by a student’s fear of reprisal for failure to give consent.
   1) The intrusion by the employee must be limited to the consent given by the student; for example, if the student consents to entry by the employee, the employee is not entitled to search the student’s belongings without obtaining further consent to do so.
   2) Any student who is a resident of the room, suite or apartment may consent to entry of the university employee and to a search of that student’s personal belongings. However, no student may consent to the search of another student’s bedroom, closets, locker, suitcases or other areas under the primary control of another student.

e. Materials found during entry as described in this section may be used in any university disciplinary proceeding if said material is found in plain sight or during the course of performing the objectives described in a, b, c and d. Materials found beyond the scope of such entry shall constitute a search as defined below and may not be admitted if found in violation of that section. Any unauthorized materials found during an entry may be impounded.

2. ROOM SEARCH

Searches of student-occupied premises or a student’s personal possessions shall be only as authorized by law. A student’s room is considered private; a search of residence hall rooms will be guided by the following principles:

a. University officials and/or University Police may search a room only upon obtaining a legal warrant or consent of the occupants.

b. Searches of university residence hall rooms by external law enforcement officials will be regarded as a matter between the student and law enforcement officials involved. The university’s interest will be limited to requesting that it be notified of impending searches.

I. ROOM CONDITION

Damages to student rooms are the responsibility of the occupant(s). Damage charges will be shared equally by all roommates unless residents provide written notice to the Residence Coordinator of a particular student who may responsible for the damage. In order to prevent misinterpretation, it is suggested that students inspect their rooms thoroughly when completing the Room Condition Report (RCR) upon taking occupancy of a room. This task should be taken seriously and completed in detail.

J. WEAPONS

The University of North Carolina Wilmington enforces the state law on firearms or other weapons on university property.

K. SMOKING

The University of North Carolina Wilmington is a smoke-free campus as it applies to all academic, student-support and residential buildings. This means that smoking is not permitted in buildings at any time. Further, there is a 25 ft. no-smoking zone at all residence facility entrances and windows. Violator of the smoke-free guideline will be held accountable for their actions in the student conduct system. This policy also includes e-cigs and vaporizers.

Students found in violation of this policy will be fines at least $25.00 for their first instances and at least $50.00 for each subsequent violation.
SECTION V  
STUDENT ORGANIZATIONS  
V-1 INTRODUCTION  
Students at UNCW are encouraged to organize and join associations to explore their common interests and develop knowledge and skills. Student organizations wishing to be registered with UNCW must form and operate in compliance with university policies. It is through our registered student organizations that the university is able to promote a sense of community and offer students the opportunity to pursue the practice of involvement, leadership, engagement and service.  

Although critical to the fabric of campus life, student organizations are independent organizations and are not considered to be an extension of the university. Unless the university has specifically requested that a student organization host an event (and by doing so has deemed the organization an agent of the university), the student organization will not be covered by the university’s insurance.  

A registered student organization is defined as a group of five (5) or more currently enrolled University of North Carolina Wilmington students who unite around a common interest. Student organizations may have other non-student members as part of the student organization but these non-student members may not be considered voting members. Unless more specific membership requirements are provided by the appropriate advisory council (appropriate advisory councils are Student Organizations Committee, Sport Club Council, Graduate Student Association, Panhellenic Council, National Pan-Hellenic Council and the Interfraternity Council), this section outlines university policies pertaining to the formation and operation of registered student organizations, including actions that may be taken by the university for noncompliance with these policies. In addition to the policies established in this section, organizations must also adhere to all policies set forth by their respective governing bodies.  

V-2 STUDENT ORGANIZATIONS COMMITTEE  
A. Student Organizations Committee (SOC), a standing advisory committee of the Chancellor, has the responsibility of reviewing all student organizations for registration and recommending policy and processes to the Chancellor. The committee has 14 members: five students appointed by Student Government Association for one year, renewable terms and five faculty appointed by the Chancellor for three-year terms. The Dean of Students, the Executive Director of Campus Life, the Director of Campus Activities & Involvement and the Assistant Director of Campus Activities & Involvement are all ex-officio members and serve as advisors without a vote.  

A chairperson will be elected each year by majority vote and will begin his/her term with the first meeting of the fall semester. The position of the chairperson is only open to voting members of the committee. The Assistant Director for Campus Activities & Involvement will fulfill the role of the convener and will work with the chairperson to prepare for all meetings. The chairperson shall attend and preside over all meetings. S/He shall also sign all official documents of the SOC.  

The convener shall call meetings and arrange to notify members of the committee with a minimum of four days advance notice. S/He shall also maintain all minutes and official documents and keep accurate files in the Campus Activities & Involvement Center.  

The chairperson may be removed from office by a two-thirds majority vote of the SOC for non-fulfillment of duties. In the event that the chairperson leaves or is removed before completing the term of service, a replacement will be elected by the voting members to serve to the end of the term.  

B. Responsibilities of the committee include:  
1. Reviewing, approving and revoking registration of student organizations.
2. Formulating, reviewing and approving policies governing student organizations for submission to the Chancellor for final approval.
3. Considering appeals that pertain to registration procedures.
4. The SOC has continuing authority to review the purpose and activities of any registered student organization and to classify organizations in categories according to risk associated with their activity. The SOC has continuing authority to require participants of any registered student organization and the organization itself 1) to maintain appropriate insurance coverage and to submit proof of coverage, and/or 2) to submit valid waiver(s) of liability or assumption of risk statement(s) that protect(s) the university to the greatest extent possible from the risk of liability because of the activities of the organization.

V-3 APPLYING FOR REGISTRATION AS STUDENT ORGANIZATION
A. Students planning to develop a student organization must register their intent and provide written justification for the organization’s establishment with the Campus Activities & Involvement Center (CAIC), including a draft constitution, and must have at least five (5) University of North Carolina Wilmington currently enrolled students interested in starting the organization. Groups which have filed this “Intent to Register Form” and submitted the draft constitution shall be granted provisional status and the use of university facilities for organizational or recruitment meetings. Organizations under this status are not eligible to reserve university space for events, fundraise on campus or establish an on-campus account. If the registration process is not complete within 30 day, provisional status and permission for use of university facilities and services may be terminated (see Section VII), and pending reservations may be cancelled.

B. To apply officially to SOC for registration, a group must submit a copy of its constitution to the CAIC. The CAIC staff will then work with the group on its constitution to prepare it for SOC review. The group must submit a final draft one week prior to the scheduled SOC meeting at which the constitution will be reviewed.

C. One of the following decisions will be made after a constitution is submitted to the SOC:
   1. The constitution will be approved.
   2. The constitution will be approved with suggestions for minor revisions.
   3. The constitution will be rejected because major revisions are required.

D. The final stage of the registration process is to meet with a CAIC staff member or Involvement Specialist to learn about the resources and benefits of being a student organization and set up the organization’s SeaOrg account.

E. Once an organization has been approved, the CAIC staff will provide a current copy of registration guidelines for the student organizations. Registered student organizations must then continue to re-register annually each spring.

V-4 RIGHTS/PRIVILEGES OF REGISTERED STUDENT ORGANIZATIONS
A. A registered student organization is entitled to:
   1. Be listed as a registered student organization. Only student organizations registered by SOC and in good standing with the university (meaning not on disciplinary probation) may use the name of the university or an abbreviation of it as a part of their name.
   2. Sponsor or present a public event on university property. Organizations undertaking this activity should consult with the CAIC staff for procedures and approval.
   3. Raise funds or make other permissible solicitations on university property in accordance with university policy (see Section VI-3).
   4. Reserve the use of university facilities and services (see Section VI and VII-3).
   5. Be eligible for possible funding by the UNCW Student Government Association according to Student Government Association guidelines.

7. Appoint or elect an advisor of the organization’s choice; although strongly recommended, an advisor is not required.
8. Utilize the resources and services provided in the Involvement Center.
9. Have access to technological resources provided by ITSD such as a web page, UNCW e-mail account and file sharing/storage space on the student server.

B. Policies and actions of a student organization will be determined by those persons who hold a bona fide membership in the organization.

V-5 RESPONSIBILITIES OF REGISTERED STUDENT ORGANIZATIONS
A registered student organization must:

A. Adhere to all university policies and procedures governing student organizations including:
   1. Adhere to student standards of conduct (II-2)
   2. Reserving space (VI-1)
   3. Posting publicity such as posters and banners (VI-3)

B. Have five (5) or more currently enrolled University of North Carolina Wilmington students. Student organizations may have non-student members as part of the student organization but these non-student members are not considered voting members nor may they serve in an official capacity on behalf of the organization.

C. Update organization information, including officer contact information, with the CAIC through SeaOrg, CAIC’s online student organization information database, by the date set annually (date is published in CAIC registration materials and posted on-line at www.uncw.edu/studentorgs). In addition, student organizations must register a complete list of officers and other members of the organization who are authorized to speak for or represent the organization and who are designated to (including, but not limited to) sign paperwork, reserve space, file and manage appropriations and receive for the organization official notices, directives or other information from the university. Advisors (non-students) may not be designated to act on behalf of the student organizations in the above stated areas. Authorized individuals shall be kept current and accurate throughout the year by the organization.

D. Maintain a current electronic file through SeaOrg of its SOC approved constitution which includes the stated mission of the organization. The stated mission must have a direct correlation to the purpose of the organization. In the event that the organization revises its constitution, the revised document must be submitted. This document should include a dateline to reflect when organization approval was obtained and should be supported by documentation of the changes that were made (i.e. meeting minutes, signatures of approval, etc.)

E. Send at least one representative to a Re-Registration Seminar to receive policy and resource information related to student organizations as well as training on how to effectively coordinate events on behalf of an organization.

F. If funded by SGA, use a UNCW account for deposit and use of funds. In addition, if funded through a SGA operational budget, send at least one student representative to the fall Policies and Procedures Workshop.

G. Advertise or promote events or activities in a manner that does not suggest falsely that the event or activity is sponsored by the university.

H. Plan and conduct activities furthering the purpose of the group as stated in its constitution.

I. Adhere to all national policies if nationally affiliated.

J. State that sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed by UNCW.

K. Social fraternities and sororities must be advised by the Office of Student Leadership & Engagement and must adhere to the policies outlined by said office.
L. If advised by the Coordinator Student Leadership and Engagement for Fraternities and Sororities, must register all social events with the Coordinator for Fraternity and Sorority Life by Wednesday at 5:00 p.m., if the event is scheduled for a weekend, or forty-eight (48) hours prior to the event if the event is not scheduled for a weekend.

M. If affiliated with the Sport Club Council; each member must submit a waiver and have it on file with the Competitive Sports Office prior to participation in any practice, competition or other physical activity; complete a swim test as required for all water based activities; file required float or route plans prior to activities; submit an Event Request form ten (10) business days prior to the event date and attend a home event meeting the week prior to the event; submit a Travel Request ten (10) business days prior to the date of travel to the Coordinator of Competitive Sports-Sport Clubs and attend a pre-trip meeting the week of the travel.

N. It is the policy of UNCW that registered student organizations practice an open membership policy for members of the university community without regard to age, color, disability, national origin, race, religion, military service member or veteran status or sexual orientation. Membership and participation in registered student organizations must be open to all currently registered students without regard to gender, unless exempt under Title IX (See Federal Law I).

O. Registered student organizations that select their members on the basis of commitment to a set of beliefs (e.g., religious or political beliefs) may limit membership and participation in the group to students who, upon individual inquiry, affirm that they support the group and agree with its beliefs, so long as no student is excluded from membership or participation on the basis of his or her age, race, color, national origin, disability, religious status or historic religious affiliation, military veteran or service member status, sexual orientation, or, unless exempt under Title IX, gender.

P. All fee sponsored programming must be open to the entire university community. All registered student organizations and their leaders must further comply with the UNCW Code of Student Life, University policies and applicable state, federal and local laws.

Q. Provide proof of general liability insurance to hold certain activities using university facilities, as registered student organizations are not covered by the university’s liability insurance.

V-6 ANNUAL REVIEW OF ORGANIZATIONS

A. Annually, in the spring semester, the Campus Activities & Involvement Center (CAIC) shall review the status of all organizations to determine whether they meet eligibility requirements specified previously and are conducting their affairs in accordance with SOC guidelines and policies outlined in the UNCW Code of Student Life. Specific deadlines for registration materials will be set by CAIC each spring semester (deadline date is published in CAIC registration materials and posed on-line at www.uncw.edu/studentorgs).

B. If CAIC determines that an organization has not completed the re-registration process; is ineligible for renewal of registration; is inactive, or conducts its affairs in violation of university policies and procedures; the organization shall be notified in writing of each deficiency. If the organization fails or refuses to attempt to remedy each deficiency, CAIC may place the organization in provisional status, thus limiting its privileges until all requirements are fulfilled, or deem the organization as inactive. Organizations may submit a written appeal of CAIC’s classification to the SOC within ten (10) business days of being notified.

C. A student organization which is inactive for more than four consecutive semesters may reapply for registered status by submitting an “Intent to Register Form” and draft constitution as though it were a new student organization.

D. If, upon review, the SOC discovers that a student organization has revised its constitution so that it no longer complies with university policy, the organization will be notified in writing. If the constitution is not revised within ten (10) business days, the organization’s registration status and all its privileges will be revoked. Should the student organization choose to revise its constitution after the ten (10) days, it must submit an “Intent to Register Form” and draft constitution as though it were a new student organization.
V-7 GOVERNING BODIES
The SOC has established thirteen categories of student organizations. These categories are Academic, Professional, Cultural, Graduate Student Associations, Fraternities and Sororities, Honorary, Media, Political/Activist, Religious, Performance/Visual Arts, Service, Special Interest and Sports and Recreation. In addition, there are eight established governing bodies: Student Government Association, Interfraternity Council, Panhellenic Council, National Pan-Hellenic Council, Residence Hall Association, Student Media Board, Graduate Student Association and the Sport Club Council. Governing bodies serve to represent, connect and provide services for other student organizations with similar missions and/or student populations that fall under their jurisdiction.

The Campus Conduct Board plus two (2) designees from the appropriate advisory council (appropriate advisory councils are SOC, Sport Club Council, Graduate Student Association, Interfraternity, Panhellenic Council and National Pan-Hellenic Council) would serve as the original hearing body for any conduct issues.

V-8 CONDUCT REVIEW
A. PRELIMINARY INVESTIGATION
A conduct review of any student organization may be initiated by the Office of the Dean of Students (ODOS) at the request of any registered student organization, staff member, faculty member or student, or based on a complaint about the organization or its members, or based on alleged policy violations. Grounds for conduct review include, but are not limited to, alleged violation of rules by the organization as listed in Section II-1-B. For the purpose of this review, the “respondent” refers to the student organization, and during the conduct review process the president of the organization plus one additional executive board member from the student organization will be permitted to represent the student organization. All case-related correspondence from the university will be directed to the president. Prior to disciplinary action or sanctioning, the Office of the Dean of Students shall investigate the alleged violation. After completing a preliminary investigation, the Office of the Dean of Students may:
1. Find no basis for complaint and dismiss the allegation as unfounded; or
2. Summon the president of the organization for a conference, and,
3. Either dismiss the allegations or proceed by informing the president of the following options for resolution of the disciplinary charges:
   a. Disagree with the charge(s) and have a hearing before the established Campus Conduct Board (fully student comprised with no faculty and/or staff representation) plus two (2) designees from the appropriate advisory council. If a registered student organization is held responsible by Campus Conduct Board from the appropriate advisory council, an appropriate sanction will be determined.
   b. Disagree to the charge(s) and request an administrative hearing before the Office of the Dean of Students where determination of responsibility will be made. If a student organization is held responsible by the ODOS designee, appropriate sanctions will be determined. The ODOS designee may elect not to hear the case, in which case the matter would be heard by the Campus Conduct Board. If the organization is found responsible, appropriate sanctions will be determined.
   c. Agree to the charge(s) and elect for CCB to determine appropriate sanctions.
   d. Agree to the charge(s) and elect for an administrative hearing before the ODOS designee to determine an appropriate sanction. The ODOS designee may elect not to hear the case, in which case the matter would be heard by the Campus Conduct Board. If the organization is found responsible, appropriate sanctions will be determined.

B. AUTHORIZED DISCIPLINARY SANCTIONS
The ODOS designee and the Campus Conduct Board may choose among the following disciplinary sanctions for student organizations found responsible for violating university policies:
Written Warning – is a status of warning at least through the end of the next full semester, which terminates automatically when the imposed period expires.

Disciplinary Probation – is a status of probation for no less than one year which terminates automatically when the imposed period expires provided the organization has made any additional requirements made by the sanctioning body associated with their case. If found responsible for a violation while on disciplinary probation, an organization may face more severe sanctions up to and including suspension or expulsion. An organization placed on disciplinary probation is considered not to be in good standing with the university and may be prohibited from participating in certain student leadership opportunities.

As part of disciplinary probation, an organization may have restrictions placed on specific privileges as determined by the hearing body or administrative hearing officer, not to exceed the duration of the probationary period. In the event of a further violation of university policy or other applicable rules while on disciplinary probation, the university will seek the penalty of suspension (or extended suspension or permanent revocation of recognition as an organization at UNCW for organizations already under suspension status).

Suspension: Withdrawal of student organization registration status for a specified period of time, ordinarily coinciding with conditions which must be met for re-registration. Suspension is followed by a status of probation for the first full (fall or spring) semester that the organization returns, which terminates automatically when the imposed period expires (provided the organization has met any and all conditions set by the university and has not been named subject to any additional policy infractions).

Indefinite Suspension: A withdrawal of student organization registration, at a minimum, through the end of at least the next two full semesters and ordinarily coincides with conditions which must be met for re-registration.

C. APPEAL OF ADMINISTRATIVE OR CAMPUS CONDUCT BOARD ACTION
A registered student organization offense heard administratively by the ODOS designee has the right to appeal to the Campus Conduct Board (as outlined in section II-2-K).

A registered student organization offense heard by the Campus Conduct Board has a right to appeal to the vice chancellor for student affairs/designee (as outlined in section II-3-D).

D. Re-registration after a suspension period requires that the organization apply to the Associate Vice Chancellor/Dean of Students at the close of the imposed period, and the Dean will determine whether the organization has met the conditions imposed and is otherwise eligible for re-registration. A denial may be appealed to the Vice Chancellor for Student Affairs.

E. Specific cases involving UNCW student organizations where the university determines that the actions of the group or its members may constitute a safety risk to others may result in immediate action taken by the Office of the Dean of Students. Such interim action may include temporary suspension of an organization’s status while the university investigates the matter. An organization’s right to appeal this interim action is consistent with an individual student’s right as described in Section II-1-L.3 of the UNCW Code of Student Life.

SECTION VI
USE OF UNIVERSITY FACILITIES
The university permits the orderly use of facilities by student organizations to further the educational process. Organizations desiring to use a university facility must comply with certain university policies and procedures so that institutional property may be protected and that the facility use is consistent with this designated intent. “Facility” is defined as meaning a classroom,

F. Appeal of adverse decisions for use of university facilities may be made to the Facilities Use Committee composed of designees of the vice chancellors for academic affairs, business affairs and student affairs. The Facilities Use Committee, subject to approval of the chancellor, shall have authority to revise policies and procedure regarding the use of university facilities by university groups.

VI-2 OFF LIMITS PROPERTY

   3. Approval
      All banners must be approved by staff in the Campus Activities & Involvement Center or the Office of the Dean of Students. If banners are not properly approved, they will be taken down. Student organizations must take responsibility for removing banners within 24 hours after the event or after seven (7) days of posting, whichever comes first.

Students should make it known that they are only representing their respective group and are not acting in any official capacity for the university.
G. Student organizations and affiliated groups may solicit only with the written approval of the Campus Activities & Involvement Center. A properly completed solicitation form and
compliance agreement must be submitted to the Campus Activities & Involvement Center seven (7) days before the event. Approval will be granted under the following conditions:

1. The primary purpose of such sales will be to raise money for the benefit of the campus group or for charitable causes.

2. All solicitation must be conducted by and only by members of the sponsoring group. This requires the presence of an organization member at all times. The university reserves the right to limit the type of fundraiser that organizations are permitted to conduct on campus. Fundraising is a privilege granted to university recognized groups and therefore those privileges may be limited in type or scope. For example, credit card solicitation is not permitted on campus.

3. Outside vendors are not permitted to conduct solicitation on behalf of student organizations. Solicitations must be conducted in space approved by the appropriate facilities manager: (1) Campus Life facilities and surrounding grounds, (2) Wagoner Hall, (3) mall area outside Wagoner Hall, and (4) Brooks Field. Other areas may be designated in special circumstances as determined by the dean of students.

4. Registered student organizations funded by the Student Government Association are required to provide a financial statement to the Student Government Association regarding the conduct of sales within five (5) class days of the completion of the event.

5. Activities authorized by the university administration involving the sale of goods or services including, but not limited to, activities of the University Bookstore personnel and representatives of education-supply firms, are exempt from this policy.

H. Regulations for on-campus ticket sales are as follows:

1. An organization selling tickets through the box office in the Fisher Student Center shall have all monies received from ticket sales deposited in a regular university account by Campus Life staff.

2. Student organizations funded by the Student Government Association shall file with the Student Government Association a final report reconciling sales of tickets and names of recipients of complimentary tickets with all unused tickets.

3. All activities involving university funds or services are subject to university and state audit.

4. An organization shall consult with the Campus Activities & Involvement Center regarding fund-raising events. Tickets for fund-raising events shall indicate admission price, sponsoring organization and be pre-numbered, unless they reserve specific seats for specific performances.

I. Raffle Guidelines:

It is lawful for tax-exempt organizations to conduct raffles in accordance with, but not limited to, the following regulations:

1. A raffle is a lottery in which a prize is won by a random drawing of the name or number of one or more persons purchasing chances.

2. All student organizations acting under the auspices of UNCW must claim tax-exempt status if planning to hold a raffle. In order to gain this status, each organization must write a letter to the North Carolina Department of Revenue requesting tax-exempt status. Sample letters are available in the Campus Activities & Involvement Center. Student organizations are NOT authorized to hold a raffle unless they have received a letter from the state indicating their tax-exempt status. A copy of this letter must be kept on file in the Campus Activities & Involvement Center in the student organization’s folder.

3. The student organization sponsoring a raffle must contact the Reservation & Event Services Office to begin an Event Registration Form ten (10) days prior to the event.

4. No alcoholic beverages may be raffled.

5. A student organization may sponsor only two raffles per year. The total cash prizes offered or paid by any organization or association may not exceed fifty thousand ($50,000) dollars in any calendar year.

6. No person may be compensated for conducting a raffle.

7. No less than ninety percent (90%) of the net proceeds of a raffle shall be used by the non-profit organization or association for charitable, religious, educational, civic or other
nonprofit purposes (Meaning only 10% of the proceeds can go toward other items such as raffle expenses).

This information is in accordance with NC General Statute 14-309.15. For more information, contact Campus Activities & Involvement Center in the Fisher Student Center room 2029, by phone at 962-3553, or via email at activities@uncw.edu.

B. RESERVATIONS
1. Space in the Campus Life facilities can be reserved by a registered campus organization, university department, faculty or staff member for university functions on a “first come, first served” basis. The Campus Life staff reserves the right to make substitutions in room reservations or move a group to another area subject to availability. Reservations can be made on-line at https://events.uncw.edu/virtualEmsCampus/default.aspx.
2. The Reservation & Event Services staff must be notified of a cancellation no later than two (2) business days prior to the scheduled reservation. If a student organization or department neglects to cancel a reservation, the group will receive a letter from the Campus Life administration office informing them of potential charges for future misuse policy. Personnel fees may still apply.
3. Campus Life reserves the right to bill any organization or group for damages or losses which result from the use or misuse of facilities or equipment, including charges for additional janitorial service over and above normal cleaning of the area used. Groups will be charged for time staff required outside normal operating hours of the facilities (e.g., building manager before or after hours, additional janitorial staff, etc.). Fees will also apply when technical services assistance is given.

7. Campus Life will not be responsible for any losses or injuries suffered by any person as a result of a room reservation and/or the activities of the reserving organization.

C. SMOKING AND USE OF E-CIGARETTES
The University of North Caroling Wilmington is a smoke-free campus as it applies to all academic, student support and residential buildings. This means that smoking and use of electronic or vaporized cigarettes is not permitted in Campus Life facilities at any time. Further, there is a 25 foot “no smoke zone” at all Campus Life building entrances. Violators of the smoke-free guidelines will be held accountable for their actions in the student conduct system.

Students found in violation of this policy will be fined at least $25.00 for their first instance and $50.00 for each subsequent violation.

VII-3 STUDENT ORGANIZATION SPONSORED CAMPUS DANCES
A. Closed dances are for UNCW students and one invited guest. Open dances are defined as dances that meet the University Police Department’s potential risk profile. Specifically, any dance that meets one of more of the following criteria:
1. Open to the general public
2. Has an expected attendance of 100 or more
3. Is done in conjunction with any program that addresses sensitive or volatile issues that may attract aggressive responses
4. Has experienced violent incidents in the past
5. The dance or participants present any level of potential threat to the University or its community members.

Open dances must follow this policy.

The guest must be escorted and signed in by a UNCW student. All UNCW students must show their university identification and guest must present picture identification. UNCW students are responsible for the actions of their guest. Closed dances will end by 2:00 a.m.
Organizations sponsoring closed dances must submit an event registration form 10 days prior to the event. (No other events should be scheduled in the Burney Center or the Warwick Center when a dance is scheduled).

B. The sponsoring organization must meet with the Reservation & Event Services staff and with University Police at least 10 working days prior to the date of the dance.

C. Dances will end by 2:00 a.m., but no one will be allowed to enter after 1:00 a.m. This ending time may be amended to 1:00 a.m. if the university experiences problems with ending at 2:00 a.m.

D. Advertising will be permitted off campus for student sponsored dances only if attendance guidelines are stated in each advertisement. Advertising on and off campus must state that attendees must be 18 years of age or older with proper identification or must possess a valid UNCW ID.

E. Attendees must be 18 years of age or older and have proper ID or possess a valid UNCW ID.

F. Student organizations holding dances in the Burney or Warwick Center shall be responsible for the following (for other university facilities see Section VI):
   1. At least one representative of the organization must be present when the DJ or performer(s) arrive. Setup will not begin until an organizational representative is present.
   2. All representatives of the organization who are assisting with the dance shall be present for a pre-event meeting with University Police and building manager(s) one hour prior to the start of the dance.
   3. The organization shall have seven people on duty at all times during a dance. Those seven shall be at the dance site one hour before the dance is to begin to (a) review the policies, procedures and regulations applicable to the dance; (b) review the schedule and assignments of organizational representatives at the dance and; (c) ensure that all organizational representatives are in attire identifiable to Campus Life and University Police staff on duty (recommend each person have same color shirt with identifiable insignia). Groups with less than seven organization members may augment their numbers with other students. The organization is, however, responsible for ensuring that seven people are available and working at the dance at all times. The sponsoring organization is responsible for the actions of their representatives at all times during the dance.
   4. Parking Lot K will be an option to Union Drive if a staff member is present and University Police approve this option. The two students who are typically assigned to work Union Drive will be reassigned to sell tickets at the main entrance of the Warwick Center. Two people shall be assigned to monitor the doors on the north and west sides of the center and activity in the hallways and lobby. Two people will be “roamers” who will be responsible for checking restrooms and monitoring activities in the ballroom. Representatives should alert the building manager or police of any potential or actual problems. The sponsoring organization is responsible for making guests aware of and assisting in the enforcement of Warwick Center policies.
   5. Organizations that cannot provide seven representatives or who do not have those representatives present within these guidelines may not be permitted to go ahead with the dance.
   6. If, at any time during the event, conditions or situations exist that are in conflict with these guidelines and these conditions or situations cannot be remedied, the building manager on duty, University Police and/or the sponsoring organization shall, in consultation with the other parties, have the authority to close the dance.
   7. An open dance may not be held in the Burney Center or the Warwick Center when any other event is scheduled without advance consultation with University Police.

G. Campus Life will be responsible for the following:
   1. Building managers will be present for a pre-event meeting with University Police and sponsoring organization representatives at least one hour prior to the event.
   2. Building managers shall assist sponsoring organizations by being visible and observant throughout the dance and assuring the communication of problems and concerns to University Police and sponsoring organization representatives.
3. Building managers shall interpret policy and act accordingly in the absence of a professional staff member. A professional staff member of the Campus Life department shall be on call when dances are held in these facilities.

4. Building managers will be responsible for securing the building once the event has concluded.

H. University Police will be responsible for the following:
   1. A University Police representative will be present one hour before the event to attend the pre-event meeting.
   2. Officers will block Hamilton Drive at Riegel Road and direct event traffic to Union Drive. Officers will set up metal detectors at the entrance to the Warwick Center. Officers will be assigned to assist sponsoring organization representatives at the ticket sales point on Union Drive and in the parking lot. (These procedures may be changed by University Police due to other scheduled activities.)
   3. Officers assigned to Union Drive will support the event sponsors in checking ID’s. Officers will assist persons deciding not to enter the event by directing them to areas where they can turn around and controlling traffic as necessary to allow exit. Officers will enforce violations of drug and alcohol statutes and discourage intoxicated persons from entering the event.
   4. Incidents of a verbal nature (arguing) should be addressed by sponsoring organization representatives if possible. University Police should be notified of incidents that, in the opinion of the sponsoring organization representatives, cannot be quelled without police intervention. University Police will not, however, seek out organization representatives if the incident, in their professional opinion, requires police intervention.
   5. As for, incidents of a physical nature (fighting, vandalism, etc.) it is the role of the University Police to intervene with fights and acts of violence. If acts of violence occur, the sponsoring organization representatives, building managers and professional staff representative shall position themselves away from danger but maintain communication ability with at least one police officer and follow the instructions of that officer. While police officers are trained to deal with violent actions, events may unfold quickly and escalate at a rapid rate. If officers are not able to diffuse a situation quickly or the situation escalates rapidly, event sponsors should attempt to direct patrons to nearby exits and listen for police instructions. It is important to realize that officers are equipped to respond to these situations and that certain equipment may cause discomfort not only to combatants, but also to onlookers.
   6. Officers will patrol the parking lot area directly following the event to facilitate clearing of the area.
   7. The University Police will provide three officers at no charge to the sponsoring organization for the events held on Friday evenings. The organization will be charged for two officers. Events held on Saturday night will be charged at the normal rate in effect for the number of hours worked by five officers.

I. Student organization dances held in Wagoner Hall and Madeline Suite:
   1. Wagoner Hall and Madeline Suite should be used only if the Warwick Center facilities are unavailable. Use of these facilities is subject to the approval of the Director of Auxiliary Services.
   2. For student organization sponsored dances held in Wagoner Hall and Madeline Suite, a staff advisor must be present.

J. Student organization sponsored dances held in Trask Coliseum and Hanover Hall:
   All general policies outlined above will apply to dances held in these areas though specific responsibilities of student organization members during the dance will vary depending on the facility and the particular event. Student organization representatives shall obtain these specific duties through consultation with the Assistant Director of Athletics.

K. Solicitation guidelines as described in the *UNCW Code of Student Life* shall be applied to all dances where admission is charged or where money is collected in any way. The solicitation policy includes the completion of appropriate forms in the Campus Activities & Involvement Center.

L. The following general policies will be in effect for student sponsored dances:
1. Security needs for all events on the UNCW campus, including use of metal detectors, shall be determined through consultation between student event sponsors and the Chief of University Police.

2. The number of events requiring University Police per weekend (Friday - Saturday night) will be determined on an event-by-event basis through consultation between event sponsors and the Chief of University Police. (As a general rule, such events should be limited to one per weekend due to limited campus staff.)

3. Students, guests and other observers will not be permitted to gather in or around the entrance and exits of the facility, nor will they be permitted to gather in the parking lots, roads or any area adjacent to the facility. Once a student or guest enters the dance, re-entry is not allowed.

4. All facility user fees and security charges are the responsibility of the sponsoring organization. Any organization with overdue bills will not be granted use of the facilities.

5. In order to allow all groups an opportunity to hold dances in the Burney and Warwick Center Ballrooms, Campus Life Reservation & Event Services will accept only two weekend dance reservations at a time from any one club or organization for each semester (Friday/Saturday nights). After the first scheduled dance has taken place, the group can then make additional dance reservations for that semester (resulting in any club or organization having only two dance reservations on the books at any one time during the semester).

M. Violation of any of these policies may lead to disciplinary action, including, but not limited to, the barring of individual students, guests and/or organizations from participation in future activities of this nature.

HARASSMENT PREVENTION POLICY
POLICY 02.200

I. PURPOSE
The university affirms its desire to maintain a work environment for all employees and a learning and living environment for all students that is free from all forms of harassment. The university is committed to ensuring that all students, faculty, staff and administrators are treated with dignity and respect. Harassment is highly detrimental to an environment of mutual respect that must prevail if the university is to fulfill its goals. All members of the university community have an obligation to learn what behaviors constitute harassment, to be responsible for their own behavior and to cooperate in creating a climate where harassment is not tolerated. This policy shall be applied in a manner that protects the academic freedom and freedom of expression of all parties.

II. SCOPE
A. Harassment based on race, color, religion, creed, sex, national origin, age, disability, sexual orientation or veteran status is a form of discrimination in violation of federal law, state law and/or university policy, and will not be tolerated.
B. Retaliation against any person complaining of harassment or any person who is a witness to harassment is in violation of the law and this policy and is grounds for appropriate disciplinary action.
C. The university will respond promptly to all complaints of harassment and retaliation whether the behavior is communicated physically, verbally, in print, via the Internet or through other means. When necessary, the university will institute discipline against the offending individual, which may result in a range of sanctions, including, but not limited to, the following: for students -- warning, disciplinary probation or suspension; and for employees -- warning, suspension without pay or dismissal.
D. The university considers the filing of intentionally false reports of harassment as a violation of this policy and grounds for appropriate disciplinary action.
E. Disciplinary action for violations of this policy by students will be the responsibility of the Office of the Dean of Students; disciplinary actions for violations of this policy by employees will be the responsibility of the pertinent senior officer in the employee’s division after consultation with the university’s equal employment opportunity/affirmative action officer, and in accordance with applicable procedures.

III. PROHIBITED CONDUCT
A. Harassment is unwelcome conduct based on race, color, religion, creed, sex, national origin, age, disability, veteran status or sexual orientation that is either a condition of working or learning (“quid pro quo”) or creates a hostile environment.
B. Quid pro quo harassment consists of unwelcome conduct when:
   1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment, employment decisions, academic standing or receipt of a needed or legitimately requested university service or benefit; or
   2. Submission to, or rejection of, such conduct by an individual is used as basis for decisions affecting such individual in matters of employment, employment decisions, academic decisions (such as grades) or receipt of a needed or legitimately requested university service or benefit.
C. Hostile environment harassment consists of unwelcome conduct when:
D. Such conduct has the purpose or effect of unreasonably interfering with an individual’s work, academic performance or living environment; or
E. Such conduct has the purpose or effect of creating an intimidating, hostile or offensive working, learning or living environment.
F. Hostile environment harassment is determined by looking at all of the circumstances, including the frequency of the allegedly harassing conduct, and its severity. A single, serious incident may be sufficient to constitute hostile environment harassment.
G. Retaliation is conduct causing any interference, coercion, restraint or reprisal against a person complaining of harassment or participating in the resolution of a complaint of harassment.
IV. REPORTING
The university encourages reporting of all perceived incidents of harassment, regardless of who the alleged offender may be. Individuals who either believe they have become the victim of harassment or have witnessed harassment are to utilize the Harassment Resolution Procedures.

HARASSMENT RESOLUTION PROCEDURES
POLICY 02.210
I. PURPOSE
These procedures are intended to provide for the prompt and equitable resolution of harassment. These procedures apply to all university students, agents and employees, including full- and part-time students, graduate and undergraduate; and full, part-time and temporary employees, including faculty, EPA professionals and SPA employees, as well as visitors. The university recognizes that there are multiple avenues for resolving harassment concerns, from informal means and mediation to formal investigations. The university encourages individuals who believe that they are the subject of harassment to report incidents in accordance with these procedures.

II. CONFIDENTIALITY
The university shall protect the privacy and confidentiality of individuals both reporting and individuals who are alleged to have harassed to the extent allowed by law. However, once a university official has actual knowledge of allegations which may be serious enough to constitute a violation of the university’s harassment prevention policy, the university’s legal obligations require it to investigate under the formal procedures described below in Sections VII or VIII. If an individual desires complete confidentiality and does not want such an investigation, he/she should consult with individuals, who by law have special professional status, such as mental health counselors, physicians, clergy or private attorneys.

III. ADMINISTRATIVE RESPONSIBILITY
Vice chancellors, deans, directors, department chairs or supervisors who become aware of specific allegations of harassment must report the allegations promptly either to the Human Resources Director/Equal Employment Opportunity/Affirmative Action Officer (“EEO/AA officer”) or the dean of students, as appropriate based on the status of the alleged offender.

IV. RETALIATION PROHIBITED
Any act by a university employee, agent or student of reprisal, interference, restraint, discrimination, coercion or harassment against any person using these procedures shall constitute a policy violation and shall be subject to prompt and appropriate disciplinary action.

V. OTHER REMEDIES
A. The existence of these procedures does not prohibit individuals from also filing claims under Title VII (Civil Rights Act of 1964) with the Equal Employment Opportunity Commission or under Title IX (Education Amendments of 1972) with the Office of Civil Rights, U.S. Department of Education.

B. SPA employees may file a grievance under the Unlawful Workplace Harassment section of the SPA Grievance and Appeal Policy. This is the required procedure for SPA employees who desire to maintain their appeal rights through the Office of Administrative Hearings of the State Personnel Commission. To use this procedure, the SPA employee must submit a written grievance to Human Resources within thirty (30) calendar days of the alleged harassment. SPA employees who do not submit a written grievance to Human Resources within this time frame may still utilize the formal resolution procedures for resolving their concerns as stated below but will not have the option of later appealing to the Office of Administrative Hearings or using any other university appeal procedures.
VI. INFORMAL RESOLUTION
A. In deciding whether to pursue informal means, including mediation, the affected individual is encouraged to seek the assistance of the Title IX Coordinator, the ADA Coordinator or representatives in the Office of the Dean of Students, Housing and Residence Life staff, Student Health Services, the Counseling Center or Human Resources. These offices are available to assist the affected individual in crafting the message to send to the offending individual, as well as recommending other informal mechanisms and setting up mediation. Whichever office the affected individual elects to discuss his/her concerns with, the issue of confidentiality should be addressed before specific facts or identities are disclosed due to the university’s legal obligations to investigate all allegations that may constitute harassment as defined in the university’s harassment prevention policy.

B. Harassment concerns may be resolved through a variety of informal mechanisms, including, but not limited to, the following:
   1. Telling the alleged offender his or her behavior is unwelcome and must stop.
   2. Asking for an apology and a commitment that the behavior will stop.
   3. Sending a copy of the university’s harassment prevention policy to the alleged offender.
   4. Writing to the alleged offender regarding the conduct, pointing out the effects of such behavior and explaining the behavior change desired.
   5. Having the pertinent supervisor to counsel the alleged offender about appropriate behaviors and conduct expectations.
   6. Seeking to mediate the concern.

VII. FORMAL RESOLUTION: STUDENT INITIATED HARASSMENT
Complaints about students must be presented to the Office of the Dean of Students. The dean of students/designee shall investigate and take appropriate disciplinary action commensurate with the severity and/or frequency of the conduct. Discipline resulting from student harassment shall be taken in accordance with the procedures provided in the UNCW Code of Student Life.

VIII. FORMAL RESOLUTION: EMPLOYEE OR OTHER NON-STUDENT INITIATED HARASSMENT
A. A complaint must be presented within ninety (90) calendar days of the alleged harassing incident to the EEO/AA officer. If filed later than ninety calendar (90) days, the EEO/AA officer may extend the time limit based on extenuating circumstances and at his/her sole discretion. If the allegations are against the EEO/AA officer, the complainant may present the complaint to the general counsel for investigation and resolution.

B. Complainants are not required to provide a signed, written statement describing their complaint, though such documentation is strongly encouraged. If the complainant conveys the allegations verbally, the EEO/AA officer/designee shall document the complaint and have the complainant review and sign the documentation to indicate that it is accurate and complete.

C. Depending on the nature and severity of the allegations, the university may be obligated to investigate a complaint of harassment without a signed, written statement once the university has actual notice of possible harassment. Under Title IX, the university is legally obligated to take prompt and remedial measures to end harassment of a student, even if the student does not make a complaint or otherwise requests action to be taken.

D. The EEO/AA officer, or designee shall determine whether the allegations fall within the scope of the university’s harassment prevention policy. If the determination is that the policy is implicated, the EEO/AA officer or designee(s) shall investigate promptly.

E. At a minimum, the EEO/AA officer or designee shall form a fact finding team of two impartial and unbiased individuals who shall provide for an interview of the complainant and the respondent. Witnesses should also be interviewed, and any relevant documentary evidence shall be reviewed. The investigator(s) shall take notes of all individuals who are interviewed. The investigator(s) shall instruct individuals that retaliation is prohibited and is a violation of university policy and the law. The individuals shall also be instructed about the confidentiality and privacy parameters of the investigation.
F. Both the complainant and the respondent may be accompanied when interviewed by another member of the university community, so long as the individual does not interfere with the interview. This person’s role is simply as an observer. Representation by legal counsel during the interview is prohibited.

G. Upon completion of the investigation, the fact finding team shall prepare a written report of the factual findings. The EEO/AA officer shall forward the report to the pertinent senior officer in the unit where the respondent is employed. The senior officer shall make a determination of whether a policy violation has occurred.

H. In the event that a violation of the university’s harassment prevention policy is found, the pertinent senior officer shall determine the appropriate disciplinary action in consultation with the EEO/AA officer (and the Title IX Coordinator if a sexual harassment matter) and in accordance with the appropriate disciplinary procedures pertaining to the affected individual (e.g., Section 603 of the Code of the Board of Governors for imposition of serious sanctions against a faculty member, SPA Grievance Procedure or EPA Grievance Procedure). Any prior violations of the harassment prevention policy involving the respondent shall be considered in any disciplinary action.

I. The complainant and the respondent shall be informed immediately when the investigation is completed. Results of the investigation, the fact finding report and any subsequent disciplinary action shall be kept confidential to the extent allowed by the Family Educational Rights and Privacy Act (FERPA) and the North Carolina Personnel Records Act.

IX. RECORD KEEPING
A. The Human Resources Office shall retain all records of the investigation in a confidential file.
B. The EEO/AA officer and the dean of students shall provide statistics on an annual basis to the chancellor and the Title IX Coordinator of the number of incidents that have been investigated under the formal resolution procedures.

X. APPEAL PROCEDURES
A. The grounds for appeal by the complainant or the respondent may be for only these reasons:
   1. The harassment is ongoing;
   2. The remedy was not implemented;
   3. Material procedural irregularities occurred during the investigation; or
   4. New evidence has been discovered that had not been available during the investigation.
B. Dissatisfaction with the university’s conclusion from the formal resolution procedures is not grounds for an appeal. Appeals of any disciplinary action must be taken in accordance with the SPA grievance procedures, the EPA grievance procedures or Section 603 of the Code of the Board of Governors, as appropriate.
C. A written appeal statement must be filed within thirty (30) calendar days after notice that the investigation has been completed. The statement must be sent to the EEO/AA officer or to general counsel if the appeal is against the EEO/AA officer.
D. Appeal statements must include a copy of the original complaint, a summary of efforts to resolve the harassment and the grounds for the appeal.
E. The pertinent vice chancellor/designee shall review the appeal with the EEO/AA officer, general counsel (and the Title IX Coordinator if a sexual harassment matter) and make a decision. The decision must be in writing and sent to the complainant in a matter which ensures receipt. This decision constitutes a final university decision.

IMPROPER RELATIONSHIPS BETWEEN STUDENTS AND EMPLOYEES
POLICY 02.220
I. PURPOSE
This policy sets forth professional conduct standards for all employees who are involved in the instruction, supervision or evaluation of students. The university does not condone amorous relationships between students and employees. Members of the university community should
avoid such liaisons, which can harm affected students and damage the integrity of the academic enterprise. Further, sexual relationships between unmarried persons can result in criminal liability. In two types of situations, university prohibition and punishment of amorous relationships is deemed necessary: 1) when the employee is responsible for evaluating or supervising the affected student; and 2) when the student is a minor, as defined by North Carolina law.

II. PROHIBITED CONDUCT
A. It is misconduct, subject to disciplinary action, for a university employee, incident to any instructional, research, administrative or other university employment responsibility or authority, to evaluate or supervise any enrolled student of the university with whom he or she has an amorous relationship or to whom he or she is related by blood, law or marriage.
B. It is misconduct, subject to disciplinary action, for a university employee to engage in sexual activity with any enrolled student of the institution, other than his or her spouse, who is a minor below the age of 18 years.

III. DEFINITION OF TERMS
A. “Amorous relationship” exists when, without the benefit of marriage, two persons as consenting partners
   1. Have a sexual union; or
   2. Engage in a romantic partnering or courtship that may or may not have been consummated sexually.
B. “Evaluate or supervise” means:
   1. To assess, determine or influence a) one’s academic performance, progress or potential; or one’s entitlement to or eligibility for any institutionally conferred right, benefit or opportunity; or
   2. To oversee, manage or direct one’s academic or other institutionally prescribed activities.
C. “Related by blood, law or marriage” means:
   1. Parent and child
   2. Brother and sister
   3. Grandparent and grandchild
   4. Aunt and/or uncle and niece and/or nephew
   5. First cousins
   6. Stepparent and stepchild
   7. Husband and wife
   10. Guardian and ward

IV. REPORTING POLICY VIOLATIONS
A. The university encourages individuals to report alleged violations to the department chair, dean, director or vice chancellor of the division or department in which the employee involved in the relationship is employed. The dean, director or vice chancellor, in consultation with the Director of Human Resources and the Provost, shall determine whether to authorize a formal investigation of the allegations.
B. Self-reporting is encouraged to avoid potential conflicts of interests, actual conflicts of interests or the appearance of a conflict. If the potential for such a conflict arises, the employee is required to disclose the possibility of a potential conflict to his or her immediate supervisor and efforts are to be made to eliminate any potential source of the conflict.
C. The university considers the filing of a false or malicious report as a violation of this policy, and the individual who reports shall be subject to prompt and appropriate disciplinary action.

V. INVESTIGATORY PROCEDURES
A. Because of the sensitive nature of such relationships, reasonable effort should be taken to resolve a policy violation in an informal and expedited manner whenever possible.
B. If a formal investigation is authorized, the pertinent vice chancellor will identify an appropriate administrator(s). The investigating administrator(s) cannot be the direct supervisor of the employee named in the complaint. The investigating administrator(s) shall interview the employee, the affected student, the complainant and any other individual believed to have pertinent factual knowledge necessary to determine the validity of the allegations. Relevant documents should also be reviewed. All parties to an investigation must be instructed on the confidential nature of the matter, and the prohibition against retaliation for reporting policy violations and/or participating in an investigation.

C. The investigating administrator(s) shall prepare a report of findings, which shall be considered a confidential personnel record. Human Resources will serve as a consultant to the process to ensure consistency of treatment. In the case of a faculty member, the report shall be submitted to the pertinent dean and the provost, with a copy to the Director of Human Resources. In the case of a non-faculty member, the report will be submitted to the pertinent vice chancellor and the Director of Human Resources.

D. Results of the investigation, the report and any subsequent disciplinary action shall be kept confidential to the extent allowed by the Family Educational Rights and Privacy Act (FERPA) and the North Carolina Personnel Records Act. Generally, the complainant is not entitled to learn the outcome of such an investigation other than notice when the investigation has concluded. All related documentation should be forwarded as soon as possible following resolution to Human Resources for retention.

E. Reasonable efforts should be made to address the concern in as timely a manner as possible, which should be within thirty (30) calendar days of receiving the complaint. The Director of Human Resources should be advised on any investigation and/or resolution that takes longer than thirty (30) calendar days. This should be accomplished through a status report provided by the investigating administrator(s).

VI. CORRECTIVE ACTION
Any disciplinary action imposed for a violation of this policy shall be made in accordance with the disciplinary procedures applicable to the faculty or staff member’s category of employment. Sanctions may include a letter of reprimand or warning, suspension without pay or dismissal from employment. Disciplinary action shall be decided by the appropriate vice chancellor or designee in consultation with the Director of Human Resources.

SMOKING and TOBACCO PRODUCT USE POLICY
POLICY 02.330
(established May 5, 2008; effective June 1, 2008)

I. PURPOSE
The University of North Carolina Wilmington (UNCW) has a responsibility to its employees and students to provide a safe and healthful environment. Research findings show that tobacco use in general, including smoking and breathing secondhand smoke, constitutes a significant health hazard. In addition to causing direct health hazards, smoking contributes to institutional costs in other ways, including fire damage, cleaning and maintenance costs, and costs associated with employee absenteeism, health care and medical insurance.

II. SCOPE
The Smoking and Tobacco Product Use applies to all students, university employees and visitors and guests of the university. For the purposes of this policy, tobacco products are defined as all tobacco-derived or containing products, including, but not limited to, cigarettes (clove, bidis, kreteks), electronic cigarettes, cigars and cigarillos, hookah smoked products and oral tobacco (spit and spitless, smokeless, chew, snuff). This definition does not include any product that has been approved by the U.S. Food and Drug Administration for sale as a medicinal product. Smoking is defined as burning any type of tobacco product including, but not limited to, cigarettes, electronic and/or vaporized cigarettes, cigars, cigarillos, pipes and bidis.
III. POLICY
A. Tobacco product use and smoking are prohibited in all UNCW buildings.
B. Smoking is prohibited up to 25 feet outside the entrance to any campus building (measured as 25 feet from the end of each formal entrance structure) and 25 feet from air handlers. Special consideration will be given to those buildings where compliance with a 25 feet perimeter poses a danger to the individual.
C. Smoking and tobacco product use are prohibited in all UNCW vehicles.
D. The sale of tobacco products on campus is prohibited.
E. The free distribution of tobacco products on campus is prohibited.
F. Registered student organizations are prohibited from accepting event sponsorship from tobacco brand companies and from promoting tobacco products.

IV. IMPLEMENTATION AND ENFORCEMENT
A. Enforcement of this policy will depend upon the cooperation of all faculty, staff, students, visitors and guests not only to comply with this policy but also to encourage others to comply with the policy in order to provide a healthy environment in which to work, study and live.
B. Repeated or intentional non-compliance with these provisions will be managed in accordance with Student Affairs guidelines for all students and disciplinary guidelines for staff and faculty. When necessary, the university will institute disciplinary action against the offending individual, which may result in a range of sanctions, including but not limited to the following: for students – warning, written warning, disciplinary probation or suspension; and for employees – warning, suspension without pay or dismissal.
C. All non-smoking areas shall be clearly marked with appropriate signage and other physical indicators, especially related to the 25 foot perimeter policy. Any smoking waste management products should be placed outside of the 25 foot perimeter.
D. Housing and Residence Life is responsible for enforcing and implementing sanctions in campus and student residences, per item #33 in the UNCW Code of Student Life, Residence Life publication, A Guide to On-Campus Living.
E. Visitors or guests using tobacco products or smoking in areas covered by this policy will be asked to refrain from such use within 25 feet from the building or leave the premises. University law enforcement officers may be contacted to escort the person off the premises or cite the person for trespassing if the person refuses to leave the property.

V. SMOKING CESSATION SERVICES
A. Smoking cessation services for students will be provided by UNCW’s Substance Abuse Prevention and Education Program, in partnership with Health Promotion Services and the Abrons Student Health Center.
B. Information regarding smoking cessation services and education for employees is available through Human Resources and/or the State Health Plan.

ILLEGAL DRUGS
POLICY 04.110
I. PURPOSE
The fundamental purpose of the university is to maintain an environment that supports and encourages the pursuit and dissemination of knowledge. That environment is damaged by illegal drug use. Therefore, all members of the academic community, students, faculty, administrators and other university employees share the responsibility for protecting the environment by exemplifying high standards of professional and personal conduct.

II. POLICY AND PROGRAM
A. The illegal use, possession, sale, delivery and/or manufacture of drugs will not be tolerated and may be grounds for immediate suspension or dismissal of students, faculty, administrators and other university employees.
B. University policies and programs are intended to emphasize the following:
1. The incompatibility of the possession, use or sale of illegal drugs with the goals of the university.
2. The legal consequences of involvement with illegal drugs.
3. The medical implications of the use of illegal drugs.
4. The ways in which illegal drugs jeopardize an individual’s present accomplishments and future opportunities.

C. The university provides a systematic substance abuse education and prevention program designed to reach all segments of the campus community. To assist in accomplishing this mission, CROSSROADS: Substance Abuse Prevention and Education Program has developed a well-integrated, centralized program that is a focal point for campus substance abuse education, training and prevention, which monitors the effectiveness of programs for constituencies served. The Counseling Center provides substance abuse counseling and referral services for students and provides consultation to students, faculty and staff.

III. EDUCATION
The university provides a program of education designed to help all members of the university community avoid abuse of illegal drugs. Education programs:
A. Provide a system of accurate, current information exchange on the health risks and symptoms of drug use for students, faculty and staff.
B. Promote and support institutional programming that discourages substance abuse.
C. Establish collaborative relationships between community groups and agencies and the institution for education, treatment and referral.
D. Provide training programs for students, faculty and staff to enable them to detect problems related to drug use and refer persons with these problems for appropriate assistance.
E. Include information about drugs for students and family members in the student orientation programs. The use of prescription and over-the-counter drugs will be addressed.
F. Support and encourage faculty in incorporating education about drugs into the curriculum where appropriate.
G. Develop a coordinated effort across campus for drug related education, treatment and referral.

IV. COUNSELING AND REHABILITATION
A. The university provides information about drug counseling and rehabilitation services to members of the university community. Persons who voluntarily avail themselves of university services can be assured that applicable professional standards of confidentiality will be observed. Counseling and rehabilitation services include:
1. Training for professional staff and student staff on drug abuse information, intervention and referral.
2. Education programs for students who have demonstrated abusive behavior with drugs.
3. Assessment, counseling and referrals for students.
4. Consultation, information and referrals for students, staff and faculty.
B. In providing the above strategies, it is recognized that some campus constituents may prefer professional assistance external to the campus. Therefore, CROSSROADS: Substance Abuse Prevention and Education Program will collaborate with the Counseling Center in the development of appropriate referral mechanisms for these individuals. A listing of off-campus resources for assistance and referral is available for those who choose that option. In the development of this program, it is desired that faculty, students, administrators and other employees be comfortable in the manner in which they are served and have a choice in the selection of appropriate assistance. Individuals served in the Counseling Center on campus can be assured that applicable confidentiality will be maintained.

V. ENFORCEMENT AND PENALTIES
A. ENFORCEMENT
In seeking to enforce established university policy, the university will:
1. Publicize all drug policies.
2. Consistently enforce drug policies.
3. Exercise appropriate disciplinary action for drug policy violations.
B. PENALTIES
The university shall take actions necessary, consistent with state and federal law and applicable university policy to eliminate illegal drugs from the university community. University policy on illegal drugs is publicized in the university catalog, student and faculty handbooks, student orientation materials, on-line resources, letters to students and parents, residence hall meetings and faculty and employee meetings.

Students and faculty members, administrators and other employees are responsible as citizens for knowing about and complying with the provisions of the North Carolina law that makes it a crime to possess, sell, deliver or manufacture drugs designated collectively as “controlled substances” in Article V, Chapter 90 of the North Carolina General Statutes (see State Law I). Any member of the university community who violates that law is subject both to prosecution and punishment by the civil authorities and to disciplinary proceedings by UNCW. It is not “double jeopardy” for both the civil authorities and the university to proceed against and adjudicate a person for the same specified conduct. The university will initiate its own disciplinary proceedings against the student, faculty member, administrator or other employee when the alleged conduct is deemed to affect the interest of the university.

Penalties will be imposed by the university in accordance with procedural safeguards applicable to disciplinary actions against students (see UNCW Code of Student Life, Section II), faculty members (see Policies of Academic Freedom and Tenure, UNCW, Section VII), and administrators and other employees (see Procedure No. PER 6.10 and Personnel Policies for Designated Employment Exempt from State Personnel Act - EPA Administrative Positions)6.

The penalties to be imposed by the university will vary depending upon the nature and seriousness of the offense and may include a range of disciplinary actions up to and including expulsion from enrollment and discharge from employment. The university may also refer matters to law enforcement for prosecution.

A. For second or subsequent offenses involving illegal drugs, progressively more severe penalties shall be imposed.

B. Students and faculty members, administrators and other employees found to have violated applicable law of university policies concerning illegal drugs may be required to participate in drug education and counseling program, consent to regular drug testing, and accept such other conditions and restrictions, including a program of community service, as the chancellor or the chancellor’s designee deems appropriate. Refusal or failure to abide such conditions and restrictions may result in additional disciplinary action, up to and including, expulsion from enrollment and discharge from employment.

SUSPENSION PENDING FINAL DISPOSITION
When a student, faculty, administrator or university employee has been charged by the university with a violation of policies concerning illegal drugs, he/she may be suspended from enrollment and/or employment before initiation or completion of regular disciplinary proceedings if, assuming the truth of the charges, the chancellor, or in the chancellor’s absence the chancellor’s designee concludes that the person’s continued presence within the university community would constitute a clear and immediate danger to the health or welfare of other members of the university community; provided that, if such a suspension is imposed, an appropriate hearing of the charges against the suspended person shall be held in accordance with applicable campus conduct policy.

---

6 Rules of the State Personnel Commission govern the disciplinary actions that may be taken against SPA employees. Under current commission regulations discharge, rather than suspension, is the applicable penalty for SPA employees in those instances where this policy otherwise requires suspension.
VI. ASSESSMENT
The University must comply with the applicable state and federal law regarding illegal drugs including without limitation, the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989. In accordance with the latter, the university must conduct a biennial review of the effectiveness of its educational programs regarding illegal drugs and the consistency of sanction enforcement, and maintain the results of such reviews on file.

STUDENT GENDER-BASED/SEXUAL MISCONDUCT POLICY (including Dating Violence, Domestic Violence and Stalking)
POLICY 04.130 (revised August 2015)

I. INTRODUCTION
UNCW is committed to providing programs, activities and an educational environment free from sex discrimination, and expects all members of its community to act in a respectful, responsible and civil manner towards one other. The Student Gender-Based/Sexual Misconduct Policy sets forth resources available to students, describes prohibited conduct, and establishes procedures for responding to reports of gender-based/sexual misconduct (including sexual harassment, sexual assault and other unwelcome sexual and gender-based behaviors).

If you are consulting this policy because you have been the victim of abuse or assault, please also refer to http://uncw.edu/care/forVictimsWhatToDo.htm for additional information on steps to consider in the immediate aftermath of an incident, or call a confidential CARE Advocate, available 24 hours a day, at 910-512-4821.

As a recipient of Federal funds, the university is required to comply with Title IX of the Higher Education Amendments of 1972, 20 U.S. C. § 1681 et seq. (“Title IX”), which prohibits discrimination on the basis of sex in education programs or activities. Sexual misconduct, as defined in this policy, is a form of sex discrimination prohibited by Title IX. As explained in Section V of this policy, gender-based misconduct, sexual misconduct, sexual harassment, dating violence, domestic violence and stalking are all forms of misconduct prohibited by this policy. All such forms of misconduct are referred to generally as “gender-based/sexual misconduct” throughout this policy.

This policy addresses complaints of gender-based/sexual misconduct where the victim (complainant) and accused (respondent) are enrolled as students at UNCW. Complaints relating to sexual misconduct by a member of the university faculty or staff should be reported to the university’s Title IX Coordinator, University Police or the Office of Human Resources. Complaints relating to sexual misconduct by a non-university member should be reported to the law enforcement agency of the jurisdiction in which the misconduct took place. Details regarding UNCW’s policy for employee harassment may be found at http://www.uncw.edu/policies/conduct.html.

II. PURPOSE
Acts of gender-based discrimination, harassment and sexual misconduct, including dating violence, domestic violence and stalking, will not be tolerated at UNCW. In order to provide a safe campus community within which all members are valued and respected, policies and procedures for addressing gender-based/sexual misconduct have been established in accordance with Title IX requirements and are detailed herein.

This policy applies regardless of the victim’s or respondent’s sexual orientation, sex, gender identity, gender expression, age, race, nationality, class status, ability or religion.
Anyone wishing to make a complaint of gender-based/sexual misconduct by an enrolled student at UNCW should contact the university’s Title IX Coordinator, University Police, and/or the Office of the Dean of Students. UNCW provides confidential resources, support, and advice to students through UNCW CARE, the Counseling Center, and the Abrons Student Health Center. (A list of resources and relevant contact information are included on the last page of this policy.) Reports may also be made online at http://www.uncw.edu/sexualmisconduct.

Any university employee, faculty/instructor, staff, administrator or person working on behalf of an officially sanctioned university office, event or activity, including resident assistants (“responsible employees”), receiving notice of gender-based/sexual misconduct is required to file a report with the Title IX Coordinator within one (1) business day of receiving the notice, unless that notice was communicated to an official who can provide professional confidentiality (see “Confidentiality Resources” below). Clery Act crime statistic and timely warning reporting duties must also be observed (as explained in Section VI.C. below). Allegations of gender-based/sexual misconduct by a student will be promptly investigated, findings will be issued, acts of discrimination will be redressed, and appropriate remedial action will be taken.

In addition to violating university policy, gender-based/sexual misconduct may also constitute criminal activity. Victims are encouraged to inform law enforcement authorities about instances of sexual misconduct. The chances of a successful criminal investigation are greatly enhanced if evidence is collected and maintained by law enforcement immediately following an assault. Victims may inform law enforcement officers without making a criminal or university complaint. Victims who make a criminal complaint may simultaneously pursue a university complaint. The University can assist victims in making a complaint to law enforcement officials.

A. JURISDICTION
The university may respond formally to alleged incidents of gender-based/sexual misconduct:
   1. that occurred on campus; or
   2. that were part of official university programs (regardless of location); or
   3. when the victim and respondent are UNCW students.

B. LIMITATION PERIOD
Students who are victims of gender-based/sexual misconduct are encouraged to file complaints as soon as possible in order to maximize the university’s ability to provide support, obtain evidence and conduct a thorough, impartial and fair investigation; however, there is no period of limitations. A complaint may be filed at any time while the respondent is enrolled as a student at UNCW, regardless of the length of time between the alleged misconduct and the decision to file a complaint. Failure to promptly report may result in the loss of relevant evidence and witness testimony and may impair the university’s ability to effectively enforce this policy and assign appropriate remedies.

C. CONFIDENTIAL RESOURCES
If a victim prefers the details of an incident to be kept confidential, they can speak to professional staff in the following offices:
   • UNCW Collaboration on Assault Response & Education (CARE)
   • UNCW Counseling Center
   • Abrons Student Health Center

Additionally, the Rape Crisis Center, Domestic Violence Shelter and Services and campus ministers will honor confidentiality. Confidential resources may need to share otherwise confidential information in a situation where an imminent danger to a victim or another individual exists in the opinion of the professional staff or administrator. In addition, all university resources are required by North Carolina law to report abuse or neglect upon a child or any disabled person and to report non-identifying statistical information as required by the Clery Act.
Public awareness events such as “Take Back the Night” or other forums at which students disclose experience with sexual violence are not considered notice to the school for the purpose of triggering an individual investigation unless the victim initiates a complaint.

Research involving human subjects (which require approval by UNCW’s Institutional Review Board for the Protection of Human Subjects) may ask subjects to provide personal information in a confidential setting. Information about an incident covered under this policy may be disclosed by a research subject as part of participation in that research. Researchers involved in the research shall not report the incident to the Title IX Coordinator.

III. ADVOCACY & SUPPORT SERVICES
No person should bear the effects of gender-based/sexual misconduct, dating violence, domestic violence and stalking alone. The safety, health and well-being of community members impacted by gender-based/sexual misconduct are of paramount concern; therefore, UNCW offers a range of services and resources to address these needs and support students affected by gender-based/sexual misconduct, dating violence, domestic violence or stalking.

Through UNCW CARE, the university’s violence prevention and intervention program, the university provides confidential consultation and victim advocacy services to students who have experienced gender-based/sexual misconduct, dating violence, domestic violence, stalking, or harassment. CARE responds to students who have been victimized, as well as those affected by someone else’s experience with abuse or assault. CARE provides supportive services, including crisis response, individual advocacy and accompaniment services, acts as an advisor in the campus conduct system, and coordinates with both on-campus and off-campus resources.

CARE’s Victim Advocates will inform and counsel victims of their rights and available resources to help empower victims to make informed decisions and choices in responding to and coping with the effects of sexual misconduct. Victims can also access victim advocacy via the Rape Crisis Center and Domestic Violence Shelter and Services. Advocates assist victims, but the choice of what actions to pursue belongs solely to the victim. A Victim Advocate from CARE is available at any time, and contact information can be found on the last page of this policy. Additional information for victims is available at www.uncw.edu/care.

Support services for students who are respondents of (charged with) sexual misconduct are available, including an advisor from the Office of the Dean of Students and the confidential resources of the Counseling Center and Abrons Student Health Center.

A student experiencing sexual misconduct or physical abuse is strongly encouraged to seek medical attention. Victims are encouraged not to bathe, douche, brush their teeth, drink, change clothing or even comb their hair before seeking medical attention. It is only natural to want to do so, but doing so may destroy physical evidence that could be needed later if charges are pursued. Even if one bathes or washes, evidence can still be collected at the hospital, preferably within 120 hours of an assault. Evidence collection is not essential for pursuing a campus conduct process, but there are still good reasons to seek medical treatment such as to address the possibility of pregnancy, detect and prevent sexually transmitted infections, and to treat any physical injuries. One may have sustained injuries that they may not realize occurred during the assault.

- Evidence collection and emergency treatment is available 24 hours a day at the local emergency rooms (see Resources below).
- The Abrons Student Health Center can provide victims with immediate care or subsequent follow-care.
- The North Carolina Rape Victims Assistant Program and Crime Victims Compensation Act cover most, if not all, medical costs related to rape.
• Law enforcement will be called to the hospital, but a victim is not obligated to talk to them.

If a victim wants to pursue criminal charges, they should contact UNCW Police at 910-962-2222, or emergency 911. UNCW Police can assist victims in identifying and contacting the appropriate law enforcement agency. Advocates from UNCW CARE are available to give victims information about the criminal prosecution process, assist victims in notifying appropriate law enforcement agencies, accompany victims to interviews and act as a resource for the victim with off-campus agencies associated with criminal prosecution.

In addition to victim advocacy services and law enforcement, the university’s support services include, but are not limited to:

• Counseling services for students who have been assaulted or who have concerns regarding gender-based/sexual misconduct, dating/domestic violence or stalking.
• Referral to off-campus agencies that provide services for students who have experienced gender-based/sexual misconduct, dating violence, domestic violence or stalking.
• Assistance to students who have been sexually assaulted or experienced other gender-based/sexual misconduct, dating violence, domestic violence or stalking in obtaining medical services.
• Procedures for campus conduct action when students who have been the victim of gender-based/sexual misconduct, dating violence, domestic violence or stalking wish to pursue formal resolution by the university, including administrative orders of no contact between parties or reassignment of campus housing.
• Assistance to students who have been sexually assaulted or experienced other gender-based/sexual misconduct, dating violence, domestic violence or stalking in pursuing criminal action against their assailants, including assistance pursuing a protective order issued by the courts.
• Year-round primary prevention and education programs, awareness events and print and video resources addressing a variety of topics related to gender-based/sexual misconduct, dating/domestic violence, or stalking. These programs include education for new students, risk reduction strategies, bystander intervention trainings and campaigns, and emerging and established evidence-based prevention efforts. These efforts are designed to stop dating/domestic violence, sexual assault, and stalking before they occur through the promotion of positive and healthy behaviors that foster healthy, mutually respectful relationships and sexuality, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.
• Training of students, faculty, and staff on relevant resources, policies and reporting obligations. Additional specialized training is given to those officials participating in the investigation and adjudication of complaints of gender-based/sexual misconduct at least annually regarding issues related to domestic violence, dating violence, sexual assault, and stalking, and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.

A. ACADEMIC ACCOMMODATIONS AND INTERIM MEASURES
Academic accommodations and other interim remedies may be requested and honored, if reasonably available, regardless of whether the victim chooses to report the crime to university police or local law enforcement or proceed with a university investigation. When necessary the university will take immediate steps to protect a victim pending the final outcome of an investigation, including academic accommodations and other interim measures. Academic accommodations and interim measures provided to students will be maintained as confidential to the extent possible.

Academic accommodations and interim measures will be made on a case by case basis and may include, but are not limited to:
• reassignment of housing assignment
• changing work schedules
• altering academic schedules
• accessing academic support (tutoring)
• obtaining an administrative order of no contact which states that students may by no means communicate with, directly or indirectly, another student listed by the university

B. AMNESTY
The university community encourages the reporting of Code of Student Life violations, especially sexual misconduct. Sometimes victims are hesitant to report to university officials because they fear that they themselves may be charged with policy violations, such as underage drinking at the time of the incident. It is in the best interests of the university community that as many victims as possible choose to report to university officials. Any individual, including the victim, a witness or a third party who makes a report will not be subject to disciplinary action by the University for their own personal consumption of alcohol or other drugs at or near the time of the incident, providing that any such violations did not harm or place the health or safety of any other person at risk.

IV. TITLE IX COORDINATOR
The Title IX Coordinator has primary responsibility for overseeing all aspects of compliance with Title IX and related regulations across the institution, including but not limited to: Recruitment, Admissions, Financial Aid, Athletics, Sex-Based Harassment, Pregnant and Parenting Students, Investigations and Adjudication procedures, Academic and Extracurricular Activities and Employment.

The Coordinator serves as the point of contact for coordinating the University’s efforts in response to all forms of gender-based or sexual equity issues and he/she ensures that the University’s response is effective, timely, thorough, and follows all legal mandates. The Title IX Coordinator’s core responsibilities related to Gender-Based Sexual Misconduct include overseeing the university’s response to Title IX reports and complaints and identifying and addressing any patterns or systemic problems revealed by such reports and complaints. The Title IX Coordinator may choose an appropriately trained designee(s) as needed.

The Title IX Coordinator is:

Dr. Terrence Curran
Associate Provost
Academic Affairs
Campus Box 5900
Alderman Hall 109A
(910) 962-3876
currant@uncw.edu

Deputy Title IX Coordinator
The role of the Deputy Title IX Coordinator is to coordinate training to students, faculty and staff on student gender based/sexual misconduct issues, facilitate initial intake of cases which may lead to additional investigations- including investigating facts relevant to the complaint- determine appropriate interim measures for a victim upon learning of a report or complaint of sexual misconduct, and ensure that the appropriate grievance process is initiated in response to the complaint. The Deputy Title IX Coordinator may choose an appropriately trained designee(s) as needed. The Deputy Title IX Coordinator is:

Dr. Brian Victor
Associate Vice Chancellor for Student Affairs
Campus Box 5985
V. DEFINITION OF TERMS

A. SEXUAL MISCONDUCT

State law defines various violent and/or non-consensual sexual acts as crimes. Additionally, UNCW has defined categories of sexual misconduct, as stated below, for which action under this policy may be imposed. Generally speaking, UNCW considers Non-Consensual Sexual Intercourse violations to be the most serious, and therefore typically imposes the most severe sanctions, including suspension or expulsion, for students who commit such offenses. However, UNCW reserves the right to impose any level of sanction, ranging from a written warning up to and including suspension or expulsion, for any act of sexual misconduct or other gender-based offenses, including intimate partner or relationship (dating/domestic) violence, non-consensual sexual contact and stalking based on the facts and circumstances of the particular grievance. Acts of sexual misconduct may be committed by any person upon any other person, regardless of the sex, gender, sexual orientation and/or gender identity of those involved. Sexual misconduct occurs when sexual acts are attempted or committed without consent and/or by force, threat, coercion, or pressure, or through the use of the victim’s mental or physical helplessness, of which the assailant was aware or should have been aware.

Violations include:

1. **Non-Consensual Sexual Intercourse** is defined as any sexual penetration or intercourse (anal, oral or vaginal), however slight, with any object, by a person upon another person that is without consent and/or by force. Sexual penetration includes vaginal or anal penetration by a penis, tongue, finger or object, or oral copulation by mouth to genital contact or genital to mouth contact.

2. **Non-Consensual Sexual Contact** is defined as any intentional sexual touching, however slight, with any object by a person upon another person that is without consent and/or by force. Sexual touching includes any bodily contact with the breasts, groin, genitals, mouth or other bodily orifice of another individual, or any other bodily contact in a sexual manner.

3. **Sexual Exploitation** refers to a situation in which a person takes non-consensual or abusive sexual advantage of another, in situations in which the conduct does not fall within the definitions of Sexual Harassment, Non-Consensual Sexual Intercourse or Non-Consensual Sexual Contact. Examples of sexual exploitation include, but are not limited to:
   a. sexual voyeurism (such as watching a person undressing, using the bathroom or engaged in sexual acts without the consent of the person observed);
   b. taking pictures or video or audio recording another in a sexual act, or in any other private activity without the consent of all involved in the activity, or exceeding the boundaries of consent (such as allowing another person to hide in a closet and observe sexual activity, or disseminating sexual pictures without the photographed person’s consent);
   c. prostituting another student;
   d. engaging in sexual activity with another person while knowingly infected with human immunodeficiency virus (HIV) or other sexually transmitted infections (STI) and without informing the other person of the infection, and further includes administering alcohol or drugs (such as “date rape” drugs) to another person without his or her knowledge or consent.

B. CONSENT

The definition of consent is central to the recognition of both sexual assault and sexual misconduct. The university defines consent as mutually voluntary permission to engage in sexual
activity demonstrated by clear actions and/or words. This decision must be made freely, consciously, knowingly and actively by all participants, as shown by the totality of the circumstances.

**Intoxication is not an excuse for failure to obtain consent.**

Silence, passivity, acquiescence, or lack of active resistance does not constitute or imply consent on its own.

Previous participation in sexual activity, however recent, does not indicate current consent to participate, and consent to one form of sexual activity does not imply consent to another form of sexual activity.

Consent can be withdrawn at any time.

**Consent has not been obtained in situations where the individual:**

1. is forced, coerced (defined as a unreasonable amount of pressure), manipulated, or has reasonable fear as the result of a threat (such as, the individual or another will be injured if the victim does not submit to the act); or
2. is incapacitated by alcohol, other drugs, sleep, etc. Because consent must be given consciously, sexual activity is prohibited with someone one knows to be, or should know to be, incapacitated. Incapacitation means the individual cannot make rational, reasonable and informed decisions; or
3. has a mental or physical disability which inhibits or precludes his/her ability to give knowing consent.

In North Carolina, a minor (meaning a person under the age of 16 years) cannot consent to sexual activity. This means that sexual contact by an adult with a person younger than 16 years old may be a crime, as well as a violation of this policy, even if the minor willingly engaged in the act.

**C. DATING VIOLENCE**

Dating violence is defined as violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The relationship between the alleged perpetrator and the victim is determined based on the following factors:

1. the length of the relationship;
2. the type of relationship; and/or
3. the frequency of interaction between the persons involved in the relationship.

**D. DOMESTIC VIOLENCE**

Domestic violence is defined as abuse or violence committed by:

1. a current or former spouse of the victim;
2. a person with whom the victim shares a child in common; and/or
3. a person who is cohabitating with or has cohabitated with the victim as a spouse.

Dating and domestic violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.

The state definition of domestic violence can be found in North Carolina General Statute §50B-1 ([http://www.ncleg.net/EnactedLegislation/Statutes/PDF/BySection/Chapter_50B/GS_50B-1.pdf](http://www.ncleg.net/EnactedLegislation/Statutes/PDF/BySection/Chapter_50B/GS_50B-1.pdf)) which is applicable to criminal prosecutions for domestic violence in North Carolina, but may differ from the definition used by the university to address policy violations.

**E. STALKING**

Stalking is defined as engaging in a course of conduct directed at a specific person that would cause a reasonable person to feel fear for his or her safety or the safety of others or suffer
substantial emotional distress. Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling. "Course of conduct" is defined as a pattern of two or more acts over a period of time, however short, that evidence a continuity of purpose. Stalking behaviors include, but are not limited to, the following behaviors if they occur when it is known or reasonably should have been known that such behavior or one’s presence is unwanted by a recipient:

1. non-consensual communication including in-person communication, telephone calls, voice messages, text messages, email messages, social networking site postings, instant messages, postings of pictures or information on Web sites, written letters, gifts, or any other communications that are undesired and/or place another person in fear;
2. following, pursuing, waiting, or showing up uninvited at a workplace, place of residence, classroom, or other locations frequented by a victim;
3. surveillance and other types of observation, whether by physical proximity or electronic means.

The state definition of stalking can be found in North Carolina General Statute §14-277.3A (http://www.ncga.state.nc.us/EnactedLegislation/Statutes/PDF/BySection/Chapter_14/GS_14-277.3A.pdf) which is applicable to criminal prosecutions for domestic violence in North Carolina, but may differ from the definition used by the university to address policy violations.

F. SEXUAL HARASSMENT
Sexual harassment is a form of sexual misconduct and is defined as any unwelcome conduct of a sexual nature. It may include, but is not limited to:

1. unwelcome sexual advances;
2. requests for sexual favors; and/or,
3. other verbal, non-verbal, or physical conduct of a sexual nature.

Sexual harassment may occur in a single incident, as well as in persistent behaviors. Both men and women are protected from sexual harassment, and sexual harassment is prohibited regardless of the sex of the harasser.

Two Types of Sexual Harassment
1. Hostile Environment
   Hostile environment sexual harassment includes any situation in which there is harassing conduct that is sufficiently severe, pervasive/persistent and patently/objectively offensive such that it alters the conditions of education or employment, from both a subjective (the victim’s) and an objective (reasonable person’s) viewpoint.

   The determination of whether an environment is “hostile” must be based on the totality of the circumstances. These circumstances may include, but are not limited to:
   a. the frequency of the conduct
   b. the nature and severity of the conduct
   c. whether the conduct was physically threatening
   d. whether the conduct was humiliating
   e. the effect of the conduct on the victim’s mental or emotional state
   f. whether the conduct was directed at more than one person
   g. whether the conduct arose in the context of other discriminatory conduct
   h. whether the conduct unreasonably interfered with the victim’s educational or work performance
   i. whether the statement is a mere utterance of an epithet which engenders offense in an employee or student, or offends by mere discourtesy or rudeness
   j. whether the speech or conduct deserves the protections of academic freedom
2. **Quid Pro Quo**

Quid pro quo sexual harassment exists when there are:

   a. unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature; and/or
   b. submission to or rejection of such conduct results in adverse educational or employment action.

G. **RETALIATION**

Retaliation is defined as any form, direct or indirect, including through third parties, of intimidation, threat, coercion or any other type of discrimination in response to an individual’s complaint or participation in investigation or conduct processes.

It is a violation to retaliate against any person making a complaint of gender-based/sexual misconduct or against any person cooperating in the investigation, including testifying as a witness. For the purposes of this policy, retaliation includes:

1. intimidation;
2. threats;
3. harassment; and/or
4. any other adverse action taken against any such victim or third party.

Retaliation toward a student who reports sexual misconduct is strictly prohibited. Any act by a respondent, other students or their agents, of reprisal, interference, restraint, discrimination, coercion or harassment against any person using these procedures shall constitute a policy violation and shall be subject to prompt, appropriate and significant disciplinary action.

Retaliation should be reported immediately to the Title IX Coordinator, CARE Advocate, University Police or the Office of the Dean of Students.

H. **INTIMIDATION**

Intimidation is defined as implied threats or acts that cause a reasonable fear of harm in another and includes, but is not limited to:

1. threatening to commit a sexual act upon another person;
2. stalking; and/or,
3. cyber-stalking.

I. **OTHER CIVIL RIGHTS OFFENSES, WHEN THE ACT IS BASED UPON GENDER/SEX**

Other offenses include, but are not limited to:

1. Threatening or causing physical harm, extreme verbal abuse or other conduct which threatens or endangers the health or safety of any person on the basis of their actual or perceived membership in a protected class.
2. Discrimination, defined as actions that deprive other members of the community of educational or employment access, benefits or opportunities on the basis of their actual or perceived membership in a protected class. Discrimination can also involve treating an individual less favorably because of his or her connection with an organization or group that is generally associated with people of a certain protected class.
3. Intimidation, defined as implied threats or acts that cause a reasonable fear of harm in another on the basis of actual or perceived membership in a protected class.
4. Hazing, defined as acts likely to cause physical or psychological harm or social ostracism to any person within the UNCW community, when related to the admission, initiation, pledging, joining, or any other group-affiliation activity (as defined further in the hazing policy) on the basis of actual or perceived membership in a protected class. Hazing is also illegal under North Carolina law and prohibited by UNCW policy.
5. Bullying, defined as repeated and/or severe aggressive behavior that is likely to intimidate or intentionally hurt, control or diminish another person, physically or mentally on the basis of actual or perceived membership in a protected class.

6. Violation of any other UNCW rules, when such violation is motivated by the actual or perceived membership of the victim on the basis of sex or gender or in a protected class, may be pursued using this policy and process.

VI. REPORTING & CONFIDENTIALITY/PRIVACY

It is important to report any student gender-based/sexual misconduct, dating violence, domestic violence, stalking or harassment as soon as possible, though no formal time limitation is imposed on reporting by the university. There are several ways to take action by filing a:

1. criminal complaint with law enforcement authorities;
2. university complaint; and/or
3. third-party report.

Gender-based/sexual misconduct may constitute both a violation of university policy and a criminal offense. The university conduct system is not a substitute for instituting criminal or civil action, so the university encourages victims (“complainants”) to report alleged gender-based/sexual misconduct promptly to university officials and to local law enforcement.

UNCW Police and CARE are available to assist complainants in making reports to law enforcement agencies based on jurisdictional boundaries.

A. FILING A REPORT

Anyone who would like to make a complaint of gender-based/sexual misconduct by a UNCW student should contact the university’s Title IX Coordinator, an advocate in the Collaboration for Assault Response and Education (CARE) Office, University Police, and/or the Office of the Dean of Students. Reports may also be made online at http://uncw.edu/sexualmisconduct.

Any responsible employee university office or employee receiving notice of gender-based/sexual misconduct is required to file a report with the Title IX Coordinator within one (1) business day of receiving the notice, unless that notice is communicated to an official who can provide professional confidentiality (see Confidential Resources herein). Clery Act crime statistic and timely warning reporting duties must also be observed.

Allegations of gender-based/sexual misconduct made by a student against a university employee should be reported to the Title IX Coordinator, University Police, Human Resources or the Office of the Dean of Students in accordance with the university’s Harassment Prevention Policy which can be found online at http://www.uncw.edu/policies/conduct.html.

If a criminal complaint is filed in addition to a complaint with the university, the university will not wait for the conclusion of any criminal investigation or proceedings before proceeding with its own investigation. The university may need to temporarily delay the fact-finding portion of the investigation while law enforcement gathers evidence. In the event of such a delay, the university will take interim measures as needed to protect the victim (“complainant”) and the university community. The university will promptly resume and complete its fact-finding portion of the investigation once it learns that law enforcement has gathered evidence for the criminal investigation.

B. CONFIDENTIALITY/PRIVACY

In compliance with applicable laws and regulations, the university will take precautions to protect the confidentiality/privacy of both parties. However, complainants should understand that under conditions of imminent harm to the community, the university is obligated by federal law to inform the community of the occurrence for the protection of all members of the community. Additionally, the university cannot control confidentiality violations by non-university members.
who may be involved as witnesses or participants in an investigation or conduct hearing nor can the university control confidentiality violations by complainants/respondents after they receive outcome notifications.

A complainant may make a request for confidentiality/privacy at any point. This type of request means that the complainant does not want her/his identity known to the respondent and witnesses, or that the complainant wishes to withdraw the report. If at any point the complainant requests privacy, the university will make all reasonable attempts to comply with this request. In a situation where a complainant requests privacy, or removes her/himself from the investigative or campus adjudicatory process, the university’s ability to investigate, respond to, or assign penalties for the allegations may be more limited.

The university is required by Title IX to weigh the complainant’s request for confidentiality/privacy with the university’s commitment to provide a reasonably safe and nondiscriminatory environment. There are situations in which the university may override the complainant’s request for confidentiality in order to meet its Title IX obligations, including but not limited to cases which:

1. involved significant violence;
2. the university has reason to believe that the perpetrator has harmed more than one individual;
3. the university has reason to believe there are multiple perpetrators;
4. the university has received prior reports of alleged misconduct at that location;
5. there is deemed to be a threat of significant danger to the university community; or
6. involves minor status.

These instances will be limited and, to the extent possible, the university will only disclose information regarding alleged incidents to individuals who are responsible for or involved in the university’s response.

If the university determines that it must disclose the complainant’s identity to an alleged perpetrator, the Title IX Coordinator will inform the complainant prior to making the disclosure and will take interim measures necessary to protect the complainant and ensure the safety of others.

A complainant who initially requests confidentiality may later retract that request and ask that a full investigation be conducted.

C. CLERY ACT OBLIGATIONS

FEDERAL STATISTICAL REPORTING OBLIGATIONS
All university employees, including the confidential resources of the Abrons Student Health Center and UNCW CARE, but not professional or pastoral counselors, are required to report non-identifying statistical information about certain crimes, including any alleged sexual misconduct, dating violence, domestic violence, or stalking, as required by state and federal law, and in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. This statistical information is used for compiling the annual UNCW Campus Crime and Security Report and by UNCW Police for purposes of advising the campus community of any potential safety risks or concerns.

FEDERAL TIMELY WARNING OBLIGATIONS
Victims of gender-based/sexual misconduct should also be aware that university administrators must issue timely warnings for incidents reported to them that pose a substantial threat of bodily harm or danger to members of the campus community. The university will make every effort to ensure that a victim’s name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the danger.
VII. THE INVESTIGATIVE PROCESS

In accordance with state and federal laws, both the respondent and complainant are permitted to have a support person (not an active participant in the process but present for emotional support) and a university advisor, licensed attorney or non-attorney advocate accompany them through the campus conduct process (state law) and through Title IX hearings (federal law). The advisor/advocate may be a licensed attorney, non-attorney advocate or university advisor selected by the student or appointed by the university. Students are permitted these options at any point through the initial intake process, formal investigation and/or hearing process. Students who wish to use a licensed attorney or non-attorney advocate must do so in compliance with procedures established by the Office of the Dean of Students, as described in Section II-2-I of the Code of Student Life.

Reports of gender-based/sexual misconduct, dating violence, domestic violence, stalking or gender-based harassment will be investigated in a thorough and timely manner as follows:

A. INITIAL INVESTIGATION (“Intake”)

Upon receipt of notice of any allegation of misconduct, the Title IX Coordinator or designee will send a letter via email to the victim verifying receipt of the complaint and informing the complainant of various support services. The complainant will be invited to meet with the Title IX Coordinator so she/he can learn about their options under this policy. This meeting may also involve a discussion of any accommodations that may be appropriate concerning the complainant’s academic, university housing and/or university employment arrangements (see Academic Accommodations and Interim Measures herein). If the complainant attends the meeting she/he will have an opportunity to identify their alleged assailant, if possible, and provide other initial details, and may elect to provide a written account of the incident. The Title IX Coordinator will gather initial information and determine whether the information, if true, would constitute a violation of this policy. At the conclusion of the intake process, the Title IX Coordinator will determine whether there is sufficient information to continue a formal investigation.

B. FORMAL INVESTIGATION

If the decision is made to proceed with a formal investigation, the process will begin by written notice being provided to both parties. The Title IX Coordinator will prepare and forward a formal complaint to trained Title IX investigators. The formal complaint will include the name of the respondent, the date, location and nature of the alleged misconduct, and a list of any potential witnesses that may need to be interviewed. The complainant may, but is not required to, also provide a thorough written narrative of the incident to aid in the initial investigation. This statement will be used in the conduct process.

If the complainant does not wish to participate in the formal investigation, actions will be taken as outlined in the “Confidentiality/Privacy” section herein. The university may issue an administrative order of no contact or take other reasonably necessary interim measures as described previously herein, in order to provide a safe and nondiscriminatory environment for all students. The university may also elect to proceed with a formal investigation in the absence of participation from the complainant.

C. TITLE IX INVESTIGATORS

Title IX Investigators are persons who have been designated by the Title IX Coordinator and who have undergone training on investigative methods and Title IX Policy. Investigators may include trained faculty, staff and university administrators. Upon consultation with the Office of General Counsel, the Title IX Coordinator may appoint an external investigator to investigate any case. Investigators are neutral fact-finders who typically conduct interviews and follow-up interviews with the complainant, the respondent and third-party witnesses. At the conclusion of the interviews the Investigators will submit an Investigative Report including but not limited to summaries of all interviews and any relevant evidence – including but not limited to photographs, electronic and forensic evidence – and a detailed written description of the events in question.
which could constitute a violation of this policy. If a hearing is conducted, the Investigators will attend the hearing to provide testimony about the results of their investigation.

A typical investigation will be completed in sixty (60) days, if not sooner. Reasonable extensions of time are permissible and both parties will be notified in writing if any extension is needed. The investigative report will be shared with the Dean of Students and the Office of General Counsel.

After reviewing the Investigative Report, the Title IX Coordinator and Dean of Students, in consultation with the Office of General Counsel, will determine if there is cause under the Code of Student Life to conduct a hearing. If a hearing is granted the formal resolution process will begin with written notice provided to the complainant and respondent, and both parties will receive a copy of the Investigative Report.

A complainant whose request for a hearing is denied may appeal that decision within five business days to the Vice Chancellor for Student Affairs, whose decision will be final.

VIII. FORMAL RESOLUTION PROCESS

If a hearing is granted the formal resolution process will begin by written notice being provided to both parties. The hearing will be conducted by the Gender-Based/Sexual Misconduct Board.

A. PRE-HEARING/INITIATION OF CHARGES

The Office of the Dean of Students will initiate conduct charges by issuing a letter to both the complainant and respondent requesting individual pre-hearing meetings with each party. A pre-hearing meeting is designed to introduce a complainant and respondent to the campus conduct process, including familiarizing him/her with student rights and responsibilities. This generally consists of meeting with a student conduct administrator in the Office of the Dean of Students.

During the pre-hearing a complainant will:
1. be apprised of his/her rights and responsibilities;
2. be apprised of all relevant evidence available at that time;
3. choose whether he/she would like an advisor, licensed attorney or non-attorney advocate for consultation during the process (as previously stated, both parties may enjoy this support starting at the intake or formal investigation stages as well).

During the pre-hearing a respondent will:
1. be apprised of his/her rights and responsibilities;
2. be apprised of all relevant evidence available at that time;
3. choose whether he/she would like an advisor, licensed attorney or non-attorney advocate for consultation during the process;
4. agree or disagree with the charge(s) against him/her.

B. ADMINISTRATIVE HEARING

A respondent has the right to accept responsibility for the charge(s) and request an immediate administrative “sanctioning” hearing. An administrative hearing is a hearing conducted by a student conduct administrator in the Office of the Dean of Students. The university also reserves the right to forward the case directly to the Gender-Based/Sexual Misconduct Board.

C. GENDER-BASED SEXUAL MISCONDUCT BOARD

The Gender-Based/Sexual Misconduct Board (“GBSM Board”) is a hearing board comprised of three (3) vice chancellors or their designees. Quorum is established by a full GBSM Board (3 members). The vice chancellor for student affairs will designate a chair of the GBSM Board who will participate as a voting member. All GBSM Board members will receive annual training in their responsibilities that draws on professional and expert resources.

In an emergency situation, pursuant to Section II-6-A & B or Section II-2-L. of the UNCW Code of Student Life, the vice chancellor for student affairs or designee shall have the power to invoke
summary suspension. After a hearing, the GBSM Board may ratify the vice chancellor’s action, reverse it or take any other appropriate action. In such emergency situations, the vice chancellor for student affairs shall inform the chancellor of all actions taken either summarily or by the Board under the authority of this policy.

D. EXTERNAL ADJUDICATOR

Upon consultation with the Office of the General Counsel, the Title IX Coordinator may appoint an external adjudicator to hear any case. The external adjudicator will conduct a hearing following the procedures set forth in this policy and the Code of Student Life. Such policies and procedures may include, but are not limited to, a presentation of the Investigative Report from the investigators, testimony from parties involved, and relevant witnesses and any other relevant evidence. The external adjudicator will determine whether any section of the GBSMP has been violated and will decide upon the appropriate sanction. All due process rights, including all appropriate levels of appeal, afforded students through the traditional campus conduct process will apply for cases heard by the External Adjudicator.

E. MEDIATION

Mediation is not an appropriate route to resolution of gender-based/sexual misconduct cases and will not be used by the university to resolve gender-based/sexual misconduct complaints.

F. STANDARD OF PROOF

The standard of proof for all allegations of gender-based/sexual misconduct will be preponderance of evidence as mandated by the U.S. Department of Education’s Office for Civil Rights, which means that there is greater than a 50% chance, based on all reasonable evidence, that the respondent is responsible for the alleged violation.

G. RECORDING

All conduct hearings will be audio recorded by the Office of the Dean of Students. In some cases, a transcriber may be present to transcribe the hearing.

H. RANGE OF SANCTIONS

Sanctions range from written warning up through and including suspension or expulsion from the university.

I. OUTCOME NOTIFICATION

Both the complainant and respondent will be notified in writing of the outcome of sexual misconduct cases within a reasonable period of time after the hearing concludes (typically two business days). The outcome of a campus hearing is part of the educational record of the student respondent, and is generally protected from release under a federal law, the Family Educational Rights and Privacy Act (FERPA). However, the university observes the following FERPA-permitted disclosures in accordance with Title IX and the Clery Act:

1. Complainants in non-consensual sexual contact/intercourse, sexual exploitation, sexual harassment, dating violence, domestic violence and stalking have an absolute right to be informed of the outcome and relevant sanctions of the hearing, in writing, without condition or limitation. An explanation of appeal rights will be included in such notifications.

2. The university may release publicly the name, nature of the violation and the sanction for any student who is found in violation of a university policy that is a “crime of violence” or non-forcible sex offense including:
   a. Arson
   b. Burglary
   c. Robbery
   d. Criminal homicide
   e. Assault offenses
f. Sex offenses (including statutory rape and incest)
g. Destruction/damage/vandalism of property
h. Kidnapping/abduction

In any of the above offenses, the university will release the information about the outcome to the complainant.

J. APPEAL PROCESS

Both the complainant and the respondent have the right to appeal the outcome of cases that involve allegations of gender-based/sexual misconduct policy. An “Intent to Appeal” must be filed within two (2) business days after notification of the original decision. The “Request for Appellate Consideration Form” must be submitted within five (5) business days after notification of the original decision. Reasonable extensions of time are permissible. Such petition shall be submitted to the Office of the Dean of Students and explain in detail the reason(s) for the student’s appeal. Original sanctions (with the exception of summary suspension) are normally put into effect only after the final appellate decision has been made. The grounds for appeal in cases involving gender-based/sexual misconduct are listed below:

1. COMPLAINANT
   a. An alleged violation of the rights guaranteed the complainant has occurred; or
   b. The sanction did not represent the severity of the violation committed; or
   c. New evidence, not available during original adjudication, which may have bearing on the outcome.

2. RESPONDENT
   a. An alleged violation of the rights guaranteed the respondent has occurred; or
   b. The sanction is too severe for the violation; or
   c. New evidence, not available during original adjudication, which may have bearing on the outcome.

3. APPEAL PROCEDURES

The Gender-Based/Sexual Misconduct Appeal Panel is comprised of two (2) vice chancellors or their designees who were not on the original GBSM Board.

Upon receiving a petition, the Appeal Panel shall obtain the record of the GBSM Board/student conduct administrator. The record shall include relevant documents, the decision of the hearing including a case summary and rationale for supporting the decision. With this information, the Appeal Panel shall decide whether an Appellate Review is warranted. This decision is based on one or more of the three options for an appeal outlined above. Both the complainant and respondent will be notified in writing of the decision within five (5) business days after receipt of the petition. Reasonable extensions of time are permissible.

If the Appeal Panel determines that an Appellate Review shall be granted, that Review shall be held within five (5) business days of such determination and notification shall be given in writing at least three (3) business days prior to the date set for the Review, specifying time and place of the Review and informing the complainant and/or respondent of his/her rights as outlined herein.

The Appeal Panel will review all written correspondence associated with the case and any new evidence submitted that was not available during the original adjudication. The Appeal Panel may request additional documents and information from the GBSM Board chair who presided over the GBSM Board that heard the case, and may invite the complainant, the respondent, the chair, the investigators and such other persons as deemed appropriate to appear to make statements and respond to questions.
The Appeal Panel has the authority to approve, reject or modify the decision in question or to remand the case back to the GBSM Board. For cases that do not result in suspension or expulsion, the decision of the Appeal Panel is final.

Consistent with Section 502 D (3) of the UNC Policy Manual, where the sanction is suspension or expulsion, an appeal may be made to the Board of Trustees for an individual student conduct case (not campus organizations), provided the appeal is based on 1) violation of due process; or 2) a material deviation from Substantive and Procedural Standards adopted by the Board of Governors.

For suspension level cases, the appeal to the Board of Trustees is final; for expulsion level cases, a final appeal may be filed with the Board of Governors.

IX. STUDENT RESPONSIBILITIES & RIGHTS
A. STUDENT RESPONSIBILITIES
   1. To know and adhere to the UNCW Code of Student Life.
   2. To be honest and complete in all information they provide in the process.
   3. To attend all meetings or hearings in a timely manner.

      b. To review all available information, documents, and a list of witnesses that may testify against him/her.
      c. To appear in person, hear all testimony and present any relevant information on their behalf, call witnesses and ask questions of any witnesses at the hearing.
      d. During an administrative, GBSM Board hearing or external adjudicator hearing, both the complainant and the respondent will be permitted to question the testimony of the other. All questions will be posed to the administrator or chair of the board and if the question is relevant and proper the chair will repeat, on behalf of the questioner, the question to be answered.
      e. To elect not to appear at the hearing. A complainant who elects not to appear at a hearing may not be represented by a university advisor, licensed attorney or non-attorney advocate at the hearing.
      f. To elect to participate remotely (via video or audio conference).
      g. To a closed hearing. A closed hearing is closed to the general public.
      h. To a university advisor, licensed attorney or non-attorney advocate (see Section II-2-H and I of the Code of Student Life).
      i. To an advocate or advisor as well as a support person during the hearing. The support person(s) may not participate in the hearing. Professional victim
advocates are available to complainants through UNCW CARE and the Rape Crisis Center.

j. To remain present during the entire proceeding, excluding deliberation.
k. To not have prior sexual history with anyone other than the respondent admitted as evidence.
l. To refuse to answer any questions or make a statement; however, the hearing body shall make its decision solely on the basis of information introduced at the hearing.
m. To make a “victim impact statement” if the respondent is found in violation of the Code of Student Life.
n. To have all statements, information or comments given during the hearing held in the strictest of confidence by the hearing body before, during and after deliberation.
o. To have the hearing conducted as outlined in the UNCW Code of Student Life.
p. To be informed in writing of the outcome and any sanction(s) of the conduct hearing (usually within two business days) of the end of the hearing.
q. To have one level of institutional appeal as outlined in the UNC Policy Manual 700.4.1.

C. RESPONDENT RIGHTS

1. To an investigation and appropriate resolution of all credible complaints of gender-based/sexual misconduct made in good faith to responsible employees.

2. If a determination is made that a hearing will occur:

a. To a pre-hearing meeting with a student conduct administrator where rights, responsibilities and procedures are explained.
b. To written notice of the charge(s). In the event that additional charges are brought, additional written notice must be forwarded to the respondent. Notices are sent via e-mail pursuant to Section II-2-A of the Code of Student Life.
c. To review all available information, documents, and a list of witnesses prior to the hearing that may testify against him/her. This is a continuing obligation of the complaining party and the dean of students/designee.
d. To accept responsibility and request an immediate administrative “sanctioning” hearing (although the university reserves the right to forward the case to GBSM Board).
e. To appear in person, hear all testimony and present any relevant information on their behalf, call witnesses and ask questions of any witnesses at the hearing.
f. During the hearing, both the complainant and the respondent will be permitted to question the testimony of the other. All questions will be posed to the administrator or chair of the board and the chair will repeat, on behalf of the questioner, the question to be answered, unless, upon consultation with the General Counsel, a question is deemed irrelevant or in violation of this GBSM Policy, federal or state law, and/or Department of Education Office of Civil Rights guidance.”
g. To elect not to appear at the hearing, in which case the hearing shall be conducted in absentia (in the respondent's absence). A respondent who elects not to appear at a hearing may not be represented by a university advisor, licensed attorney or non-attorney advocate at the hearing.
h. To know the identity of witnesses testifying against them.
i. To a closed hearing. A closed hearing is closed to the general public.
j. To a university advisor, licensed attorney or non-attorney advocate (see Section II-2-H and I).
k. To an advocate or advisor as well as a support person during the hearing. The support person(s) may not participate in the hearing.
l. To refuse to answer any questions or make a statement; however, the hearing body shall make its decision solely on the basis of information introduced at the hearing.
m. To have all statements, information or comments given during the hearing held in the strictest of confidence by the hearing body before, during and after deliberation.

n. To have the hearing conducted as outlined in the *UNCW Code of Student Life*.

o. To have one level of institutional appeal as outlined in the UNC Policy Manual 700.4.1.

p. To be informed in writing of the outcome and any sanction(s) of the conduct hearing, usually within two business days of the end of the hearing.

X. **SPECIAL PROVISIONS**

A. **ATTEMPTED VIOLATIONS**
The university may investigate and take appropriate action regarding attempts to commit any of the violations listed in this policy as if those attempts had been completed.

B. **UNIVERSITY AS COMPLAINANT**
The university’s role is to investigate complaints and, when appropriate, to provide a process to find fact and assign appropriate remedies. As such, the university typically assumes the role of “presenter” during campus conduct proceedings. However, as necessary, the university reserves the right to initiate a complaint, to serve as the complainant, and to initiate conduct proceedings without a formal complaint by the victim of misconduct.

C. **FALSE REPORTS**
The university will take appropriate action toward intentional false reporting of incidents. It is a violation of the *Code of Student Life* to make an intentionally false report or any policy violation, and it may also violate state criminal statutes and civil defamation laws.

D. **ALTERNATIVE TESTIMONY OPTIONS**
For gender-based/sexual misconduct complaints, whether the victim is serving as the complainant or as a witness, alternative testimony options will be given, including but not limited to placing a privacy screen between the victim and the respondent in the hearing room, telephone conference call or allowing the victim to testify from another room via closed circuit. While these options are intended to help make the victim more comfortable, they are not intended to work to the disadvantage of the respondent.

E. **PAST SEXUAL HISTORY/CHARACTER**
In accordance with guidance from the Department of Justice, questioning about the victim’s sexual history with anyone other than the alleged perpetrator will not be permitted. The mere fact of a current or previous consensual dating or sexual relationship between the two parties does not itself imply consent or preclude a finding of sexual misconduct. Testimony about prior sexual relationship between the parties will be permitted only as it is relevant to the issue of consent.

While previous conduct violations by the respondent are not generally admissible prior to discussion of sanction recommendations, the Dean of Students/designee may supply previous complaint information to the hearing body when presenting a final statement prior to deliberation, or may consider it him/herself if s/he is hearing the complaint, if:

1. The respondent was previously found to be responsible;
2. A previous incident/complaint was substantially similar to the present allegation and/or;
3. Information indicates a pattern of behavior and substantial conformity with that pattern by the respondent.
G. IMPACT ON STUDENT ENROLLMENT
If a case is assigned for a formal investigation, the university reserves the right to place an encumbrance on the respondent’s registration and transcript, including awarding of grades for the current semester, until such time that the investigation and any associated charges are resolved.

DISABILITY ACCOMMODATIONS
POLICY 04.190
I. PURPOSE
The University of North Carolina Wilmington is committed to providing reasonable accommodations to enable qualified students with documented disabilities to accomplish their educational goals.

II. RESPONSIBILITY
Reasonable accommodations are provided based on individual need as assessed through appropriate/qualified documentation. It is the responsibility of the student who desires a reasonable accommodation to notify the Disability Resource Center and to provide appropriate/qualified documentation. Students are not required to identify themselves as disabled if they do not want to avail themselves of accommodations; however, in the absence of submitting and having documentation approved by the DRC, faculty are not otherwise required to provide accommodations.

III. COMPLAINT & APPEAL PROCEDURES
Any student who feels that he or she has been the subject of discrimination based on their disability or feels that the accommodations and services provided are inappropriate should seek resolution. The university has adopted internal procedures designed to provide prompt and equitable resolution to disability complaints.

Students with complaints concerning alleged discrimination or appropriate accommodation provision should make these complaints known to the Director of the Disability Resource Center. The Director will investigate the complaint and suggest solutions. Informal resolution is
encouraged and should be attempted prior to formal filing of a grievance. The informal procedure affords all interested persons an opportunity to respond and make modifications if necessary. If resolution is not achieved or the individuals involved are not satisfied with the resolution, the student may follow the Grievance Procedures found in this policy.

GRIEVANCE PROCEDURE

I. PURPOSE

UNCW provides these Grievance Procedures to resolve grievances of students who believe they have been discriminated against on the basis of race, sex (such as gender, marital status, and pregnancy), age, color, national origin (including ethnicity), creed, religion, disability, sexual orientation, political affiliation, veteran status or relationship to other university constituents -- except where sex, age or ability represent bona fide educational or occupational qualifications. In accordance with academic freedom in an academic setting, expression that is reasonably designed or reasonably intended to contribute to academic inquiry, education or debate on issues of public concern shall be exempt from coverage. The university has adopted these procedures to provide prompt and equitable resolution to discrimination complaints.

Students who believe they have a legitimate grievance, based on a protected class as outlined above, against another student or university employee in a matter other than those covered by the Grade Appeals Procedure or those within the jurisdiction of the University conduct system, students may seek a resolution through this procedure. If your complaint involves an academic matter, it must be filed before the last day of the next regular semester; if it is not academic related, it must be filed within thirty (30) calendar days of the date the alleged incident occurred or from the date of the consequences of the alleged incident.

These procedures are intended to encourage resolution of the student’s grievance informally and expeditiously.

II. PROCEDURAL GUIDELINES

A. Informal resolution through direct contact with the individual(s) whose action gave rise to the matter is encouraged and should be attempted prior to any formal grievance. The informal procedure affords all interested persons an opportunity to respond and make modifications if necessary.

B. If resolution is not achieved or the individuals involved are not satisfied with the resolution, the student may discuss their complaint with the dean of students, or a designated compliance officer, who will advise the student of the steps in the grievance process and receive their formal written complaint. The written complaint must contain information about the alleged discrimination including the name, address, phone number of complainant, the identity of the individual or organization whose action gave rise to the matter (respondent); the type or class of discrimination alleged; a statement describing the injury and resolution sought; and a summary of the time, place and results of the discussion that took place to attempt to clarify or resolve the question at the lowest level through direct contact with the individual(s) who gave rise to the matter (a copy of the form is included below). Alternative means of filing complaints appropriate to individuals with a documented disability will be made available. This formal complaint must be filed within 180 calendar days after the complainant becomes aware of the alleged violation.

C. If a student seeks personal redress for an alleged wrong, the student must be willing to be identified to the person charged. The reviewing officer will notify, in writing, the person charged, stating the nature of the complaint and indicating that an informal inquiry will be conducted. If the student is not willing to be identified or ceases to seek personal redress, the institution may pursue an inquiry on the institution’s behalf and in its name rather than the student’s, if it determines that such action is necessary. These latter administrative procedures are initiated by the institution to assure appropriate conduct by its employees (e.g., when the institution seeks to prevent recurrence of apparent improper conduct, even though no individual complainant wishes to pursue a personal grievance).
D. Within 30 calendar days after receipt of the formal written complaint, the dean of students or designee will conduct an investigation and offer options for a substantive resolution. The dean will provide a resolution in written form and, where appropriate, in a format accessible to the complainant. The dean of students also provides the university’s compliance officer with a detailed account of the complaint, the results of the investigation, and recommendations for resolution. All written complaints received by the dean of students and their responses will be retained for at least three years.

III. APPEAL

Either party not satisfied with the dean of student’s resolution can file a formal appeal with the vice chancellor for student affairs. The vice chancellor will then convene the student grievance panel. This panel will hear your complaint and then make its recommendation to the vice chancellor who has administrative jurisdiction over the respondent, and that vice chancellor will render the final decision.

The complainant shall be informed of the right to file a complaint with the appropriate state or federal agency. The use of the internal grievance procedure shall not be a prerequisite to other external remedies. Retaliation against a person who files a complaint of discrimination is prohibited under university policy and by state and federal law.

ALCOHOL MARKETING POLICY 05.304
Statement of Principles Regarding the Marketing of Alcoholic Beverages on the UNCW Campus

I. PURPOSE
Alcohol abuse poses a serious threat to the health and welfare of a large segment of the college student population through acts of vandalism and property damage, increased incivility, automobile and other types of accidents, lessening of academic performance, estrangement of social relations and, in some cases, bodily injury, illness and death.

Inappropriate and irresponsible marketing and promotion of alcoholic beverages on campus can contribute to the problems of alcohol misuse and abuse. The development of campus policies which protect the health and welfare of college students is an important responsibility of the UNCW community. Institutional policies, practices and regulations should form the basis of a responsible approach to proper management of alcohol on campus. Carefully monitoring and setting strong guidelines regarding alcohol marketing is a proven strategy to aid in the creation a healthier campus environment.
II. GUIDELINES
The following guidelines are to govern alcohol marketing practices on the UNCW campus:
1. Alcohol beverage marketing programs specifically targeted for students and/or held on campus should conform to the UNCW Code of Student Life and state law. They must avoid demeaning sexual or discriminatory portrayal of individuals and/or groups.
2. Promotion of alcoholic beverages should not encourage any form of alcohol abuse, nor should it place emphasis on quantity and frequency of use (i.e. “all you can drink”).
3. Alcoholic beverages (such as kegs or cases of beer) should not be provided as free awards to individual students or campus organizations.
4. No uncontrolled sampling as part of campus marketing programs should be permitted and no sampling or other promotional activities should include “drinking contests.”
5. Promotional activities should not be associated with otherwise existing campus events or programs without the prior knowledge and consent of the Office of the Dean of Students.
6. Display or availability of promotional materials should be determined by the Office of the Dean of Students in consultation with the Chancellor’s Committee on Substance Abuse.
7. Informational marketing programs should subscribe to the philosophy of responsible and legal use of the products represented.
8. Alcoholic beverages marketers will be encouraged to support campus alcohol education programs that encourage informed and responsible decisions about the use or nonuse of beer, wine or distilled spirits.
9. Alcoholic beverages advertising on campus or in institutional media, including that which promotes events as well as product advertising, should not portray drinking as an appropriate coping mechanism for personal or academic problems of students or as positively correlated with social, sexual or academic success.
10. Advertising and other promotional campus activities should not associate beverage alcohol consumption with the performance of sports or tasks that require skilled reactions such as the operation of motor vehicles or machinery.
11. Advertisement posting for any university event when alcoholic beverages are served shall note the availability of non-alcoholic beverages as predominantly as alcohol. Alcohol should not be used as an inducement to participate in a campus event.
12. Alcoholic beverages marketers are not permitted to promote their products on campus unless they agree to abide by the above marketing guidelines. The vice chancellor for student affairs, in consultation with the Chancellor’s Committee on Substance Abuse, will be responsible for implementing these guidelines.

Students or student organizations cited for a violation of UNCW alcohol policies will be subject to the provisions outlined in the UNCW Code of Student Life.

COMMUNICABLE DISEASE POLICY STATEMENT - POLICY 05.331
I. PURPOSE
Prompt recognition and identification is the first step in the control of any communicable disease, whether it is prevalent, emerging or used for bioterrorism. The University of North Carolina Wilmington acknowledges the seriousness of this public health problem and in an effort to be prepared for and control communicable diseases, which affect faculty, staff, students, visitors or employees on campus, has developed the following policy and procedures.

II. POLICY
A. UNCW’s Environmental Health and Safety, Human Resources and Student Health Services shall provide training and/or ongoing educational campaigns to persons about communicable diseases.
B. Persons with communicable diseases shall not be excluded from enrollment or employment or restricted in their access to university facilities, programs or services unless a medically based judgment, in an individual case, establishes that exclusion or restriction is necessary for the
health and safety of the individual or the health and safety of other members of the university community.

C. Students who know, or have reasonable basis for believing, that they have a communicable disease are encouraged to share that information with clinicians in the University Counseling Center or Abrons Student Health Center, so that the university can respond appropriately to their health and educational needs. Faculty and staff who know, or have reasonable basis for believing, that they have a communicable disease are encouraged to share that information with their supervisor, health care provider, Environmental Health and Safety, Human Resources and Student Health Services, as appropriate, so that the university can respond appropriately to their health and educational needs. Any such disclosure shall be treated by the recipient as strictly confidential and no further disclosure shall be made within or without the university unless such release is made pursuant to provisions of law that specifically authorize or require the release of such information or records.

D. Persons who know, or have reasonable basis for believing, that they have a communicable disease are expected to seek expert advice about their health circumstances and are obligated, ethically and legally, to conduct themselves responsibly in accordance with such knowledge for the protection of other members of the university community.

E. Persons who have or have been exposed to a communicable disease that endangers the health or others in the work place may be granted administrative leave for a specified period of time, as per the Leave for Exposure to Communication Disease Policy established by the Office of State Personnel. The policy can be reviewed online at: http://www.osp.state.nc.us/manuals/manual99/communicablediseases.pdf

III. PROCEDURAL GUIDELINES

A. The Chancellor’s Council on Health and Wellness is responsible to advise the chancellor’s office of campus initiatives for addressing communicable diseases. The council will work with other administrators, such as directors and department heads, to ensure that relevant information about communicable disease is available to all faculty, staff and students and that more detailed information and personal consultation is available upon request.

B. Printed information about communicable diseases is available in Environmental Health and Safety, Human Resources and Student Health Services (i.e. Abrons Student Health Center and Health Promotions), Student Recreation Center, Fisher University Union, academic buildings and residence halls.

C. Faculty and staff who have knowledge of highly contagious diseases (i.e. meningitis, tuberculosis, SARS, etc.) shall notify the highest level administrator who will initiate the communication cascade which may include university officials and the New Hanover County Health Department for evaluation, treatment and preventive measures.

D. The official university spokesperson on communicable disease shall be the chancellor, or designee. All inquiries from the press, from elected public officials, or the public, in general, are to be referred to the university spokesperson.

E. No persons with a communicable disease shall, on the basis of such fact, be discriminated against in employment, admission or other programs or services.

F. This policy and the training, ongoing educational campaigns and departmental communication shall be reviewed annually. Recommendations for policy changes may be forwarded to the Chancellor’s Council on Health and Wellness through the Vice Chancellor for Students Affairs and/or members of the council.

FREEDOM OF EXPRESSION BY NON-UNIVERSITY SPONSORED INDIVIDUALS OR GROUPS

I. PURPOSE
The University of North Carolina Wilmington is a community which embraces diversity. The university supports activities that encourage tolerance, understanding, respect and appreciation for different points of view. The U.S. Constitution supports freedom of expression as a fundamental right. This founding principle requires not our individual agreement with contrary opinions and positions, but our support and commitment to the protection of every individual’s right to express those opinions and positions. In pursuit of this goal, the university aspires to protect its educational mission while also protecting the first amendment right to free speech and expression. The granting of this privilege does not imply any university endorsement or support for the views expressed by the individual or group.

II. POLICY
The following policy provides standards and guidelines necessary to maintain the orderly and essential operation of the university. Any individual or group who violates the policy may lose all privileges to assemble on campus in the future.

III. PROCEDURAL STANDARDS
1. Non-university sponsored individuals and groups may be authorized to assemble and speak on campus between September first and November thirtieth, and between February first and April thirtieth, and additional dates may be unavailable due to the scheduling of certain campus events.
2. Any non-university sponsored individual or group (hereafter referred to as “speaker”) seeking the opportunity to speak on campus must register with the Office of the Dean of Students at least two business days prior to any activity.
3. The speaker will be assigned to a specific area—either in front of Wagoner Dining Hall or in the outdoor Amphitheatre—and granted permission to assemble for a duration of four hours. On the day of the authorized event, the speaker may request permission from the Associate Dean of Students to speak for up to two additional hours, for a total assembly time of no more than six hours on any particular day. Such requests will be granted, provided there is no other reservation for the space and there is no violation of the policy as described in paragraph III.(F) below.
4. The speaker will be required to have and submit upon request a copy of the registration approved by the Office of the Dean of Students.
5. The speaker will not under any circumstances be permitted to sell items or solicit funds, nor use any means of sound amplification.
6. The speaker will be allowed to continue to assemble for the full duration of time approved unless:
   1. university activity or operations are disrupted, or the speaker is impeding the flow of traffic of passersby, or
   2. university property is being damaged, or
   3. behavior on the part of the speaker, or
   4. An imminent threat is posed to the physical safety of the speaker, a visitor or a member of the university community, or
   5. The speaker incites a breach of peace.
7. Speakers who wish to distribute written information must indicate so on their registration forms and may not distribute materials in a way that interferes with the normal flow of passersby or causes litter.
8. If the UNCW Police Department and/or Office of the Dean of Students determine that a registered speaker is in violation of this policy, the speaker will be asked to leave campus and may be escorted from campus by the University Police.
GRIEVANCE PROCEDURE

I. PURPOSE
If you believe that you have a legitimate grievance against another student or university employee in a matter other than those covered by the Grade Appeals Procedure or those within the jurisdiction of the University conduct system, you may seek a resolution of that grievance through this procedure. If your complaint involves an academic matter, it must be filed before the last day of the next regular semester; if it is not academic related, it must be filed within thirty (30) days of the date the alleged incident occurred or from the date of the consequences of the alleged incident.

II. PROCEDURAL GUIDELINES
To initiate the procedure, first, discuss your complaint with the dean of students or the compliance officer who will advise you of the steps in the grievance process and, depending on the nature of your grievance, will direct you to the appropriate reviewing officer. You may make your complaint to this officer either orally or in writing, but this officer must record your complaint in a written statement identifying you, the conduct you are complaining of and the employee alleged to have engaged in it. In every case, the Compliance Officer will be given a copy of this record.

If you seek personal redress for an alleged wrong, you must be willing to be identified to the person charged. If you are willing to do so, the reviewing officer will notify, in writing, the person charged, stating the nature of the complaint and indicating that an informal inquiry will be conducted. If you are not willing to be identified or you cease to seek personal redress, the institution may pursue an inquiry on the institution’s behalf and in its name rather than yours, if it determines that such action is necessary. These latter administrative procedures are initiated by the institution to assure appropriate conduct by its employees (e.g., when the institution seeks to prevent likely recurrence of apparent improper conduct, even though no individual complainant wishes to pursue a personal grievance).

III. FORMAL COMPLAINTS
If your grievance cannot be resolved at an informal level, you may file a formal complaint with the vice chancellor who has administrative jurisdiction over the person named in your complaint. The vice chancellor will then convene the student grievance panel. This committee will hear your complaint and then make its recommendation to the vice chancellor, who will render the decision.

IV. APPEAL
If you are unsatisfied with the resolution rendered by the vice chancellor, you may appeal it to the chancellor, who will render the final decision.

HURRICANE POLICY
1. University officials closely monitor tropical depressions, tropical storms and hurricanes. Detailed tracking by the Emergency Operations Group is begun at the first announcement of a hurricane watch.
2. Upon announcement of a hurricane watch, students will be encouraged to develop plans for evacuation.
3. Classes and other university events will be cancelled by the chancellor when appropriate. The university community will be informed through radio, television, UNCW web page, UNCW Emergency Hotline 910-962-3991 or 1-888-657-5751 and other communication methods when this decision is made.
4. University officials encourage students to drive home when the hurricane and weather conditions permit safe travel. Students who are not traveling to their permanent residences are expected to notify parents and family of their plans and whereabouts.
5. In the event that a student cannot find alternate shelter for the duration of hurricane and recovery period, the student should be referred to the Office of the Dean of Students to be informed of potential options.
6. The university will systematically evacuate all nonessential personnel from the campus in an orderly manner. The university will remain closed and access prohibited to all nonessential personnel until further notice.

7. Hoggard Hall is the Emergency Operating Center. Food and provisions will be kept in the Emergency Operating Center for predetermined essential Emergency Operating Center officials only.

8. Public safety personnel, maintenance workers and their supervisors will continue to be on duty around the clock during these storms. Campus officials are in constant contact with local, county and state emergency headquarters.

9. University officials will resume operations as soon as it is determined that the university can resume its educational mission in a safe and reasonable manner.

10. The university community will be informed of the reopening of the university through radio, television, UNCW web page, UNCW Emergency Hotline (910-962-3991 or 1-888-657-5751) and other appropriate communication methods.

SKATEBOARDING AND ROLLERBLADING
1. Skateboards and rollerblades may be used as a form of transportation on campus. They may only be utilized on sidewalks and/or roadways.

2. Skateboarding and rollerblading are prohibited from all other areas of campus including, but not limited to, the following areas:
   a. All steps
   b. All flower planters
   c. All brick patios
   d. All curbs and benches
   e. Inside all buildings

3. Violator of this policy will:
   1. Be issued a campus citation for $25.
   2. Be charged restitution for any damages.
   3. Have their skateboards or rollerblades confiscated until the fine and restitution or damages are paid in full.

4. All underage, non-university individuals found in violation of this policy are required to have a parent or legal guardian present to obtain their confiscated property.

PHOTO USE POLICY
As a public university, UNC Wilmington often uses photographic and electronic images of public campus life, events, ceremonies and other activities to advance the mission of the institution.

Students, faculty, staff members and guests of the university may be identified or photographed for publication, broadcast, transmission and/or electronic display by the university. The photographs may also be made available to state, regional, national and international news agencies and media outlets. The images are not published for commercial purposes and do not violate the privacy of any individual or group.

By registering at, visiting or being employed by UNCW and being present in public settings, you authorize the use and reproduction by the university, or anyone authorized by the university, to any photographs taken while at UNCW, without compensation. All negative and positives, photographic prints and digital photo files shall constitute UNCW property, solely and completely.
