Reciprocity with North Dakota is at the discretion of the other state. Generally, a state will agree to reciprocity only if ND's laws are "substantially similar" to that state's laws. For example, while North Dakota does not have age and residency restrictions or require a proficiency test some states do.

Note: With North Dakota going with a Class 1 and Class 2 permit system see Notes Section at bottom of this document for map showing what states honor the ND Class 2. The ND AG also has a listing of what states honor the ND Class 2 Here.

How to Apply for a Permit

How to Obtain a Concealed Weapon Permit

2. The attorney general shall offer class 1 and class 2 licenses to carry a firearm or dangerous weapon concealed pursuant to the following requirements:

www.handgunlaw.us
a. An applicant for a class 1 license shall successfully participate in a classroom instruction that sets forth weapon safety rules and the deadly force law of North Dakota, complete an open book test based upon a manual, demonstrate familiarity with a firearm or dangerous weapon, and complete an actual shooting or certified proficiency exercise. Evidence of familiarity with a firearm or dangerous weapon to be concealed may be satisfied by one of the following:

1) Certification of familiarity with a firearm or dangerous weapon by an individual who has been certified by the attorney general, which may include a law enforcement officer, military or civilian firearms instructor, hunter safety instructor, or dangerous weapons instructor;

2) Evidence of equivalent experience with a firearm or dangerous weapon through participation in an organized shooting competition, law enforcement, military service, or dangerous weapon course of training;

3) Possession of a license from another state to carry a firearm or dangerous weapon, concealed or otherwise, which is granted by that state upon completion of a course described in paragraphs 1 and 2; or

4) Evidence that the applicant, during military service, was found to be qualified to operate a firearm or dangerous weapon.

b. An applicant for a class 2 license is required to successfully complete the open book test offered for the class 1 license.

c. Licenses issued before August 1, 2009, regardless of the age of the license holder, convert to a class 2 license upon renewal and no additional testing is required. No additional testing is required to renew a class 2 concealed weapons license. A class 1 license may be renewed upon successful completion of the class 1 requirements within one year before submission of the application for renewal. A license issued under this section before August 1, 2009, and a class 2 license may be upgraded to a class 1 license upon successful completion of the class 1 requirements and

Application. (All Paper Applications are mailed directly to BCI. You can also apply Online.)

1. Decide whether you want a Class 1 or Class 2 license. Contact a Test Administrator and schedule a date to complete the required testing for that license.

2. The test administrator can charge up to $50 for the testing, plus additional range fees (if applicable). The testing fee includes a copy of the Concealed Weapon License Manual for you to keep.

3. You will need an application form. Complete it and take it with you when you do the concealed weapon license testing, because the Test Administrator has to sign it when you finish testing. Make sure you complete every question. You will need to sign the form in TWO places. If the form is not properly completed, signed and dated, it will be returned to you.

   • YOU MUST DISCLOSE ANY offense with which you have EVER been charged, arrested or convicted, at ANY time in your adult life – EVEN if the sentence was deferred, the charges later dismissed, or the conviction later expunged from your court record. If you don’t remember the exact details, write what you can remember. Failure to make full disclosure is a “material misstatement” and WILL result in denial of your application.

4. After testing, you will need:

   • 2-color passport photographs – write your name on the back of each photo. No glasses, prescription eyewear, hats, headgear or uniforms may be worn.

   • A $60.00 cashier’s check or money order for the non-refundable application processing fee, payable to the OFFICE OF ATTORNEY GENERAL. Write your name on the cashier’s check or money order. NO personal checks, NO joint (husband/wife) payments.
• Fingerprint - check with your local law enforcement agency, law enforcement officer, detention officer or Test Administrator. There are also private companies that offer this service. There may be an additional fee for fingerprints. If fingerprints are determined to be unacceptable (ie of poor quality, their validity is in question, etc), we will notify the applicant that we need a new set.

• A copy of your current driver’s license or state issued photo identification card. If your driver’s license or identification card was issued in a state other than ND, you also will need to attach a copy of a valid concealed weapon license from your home state, which state must have reciprocity with ND;

5. You must submit the application form within 30 days of completing the testing. Put the completed application form, the photographs, fingerprints, a copy of your driver’s license (and a copy of your concealed weapon license from your home state, if applicable) and the cashier’s check/money order in an envelope and mail it to:

ND BCI - CWL
PO BOX 1054
BISMARCK ND 58502-1054

Each application form must be in a separate envelope – no joint (husband/wife) or bulk submissions. Applications must be submitted by mail; the BCI does not accept hand delivered application forms.

It takes up to 60 days to process a properly completed application form that has all required attachments. If your form is incomplete or missing an attachment, it will be returned. If you satisfy the criteria established by law, your license will be issued within 60 days; if not, you will receive a denial letter

To renew a Class 1 license, you must complete all required testing.

Note: The different classes of permits will allow ND to enter into more reciprocity agreements with states. From what I have learned this is why ND went to the two different classes of permits so its residents could decide if they wanted to have a Permit/License that would allow them to carry in more states. For complete Information see ND AG CWL Page

Non-Resident Permits

Non-ND residents must have a valid concealed weapon license from their home state, which state must have reciprocity with North Dakota. The home state is determined by the driver’s license.

• An application form must be filled out. The form can be obtained from Law Enforcement, Instructors or by mail from BCI. Click here for a list of ND Chiefs of Police or ND Sheriffs

  • ND Chiefs of Police PDF
  • ND Sheriffs PDF

• A written test must be taken by the applicant and administered by a person certified by the BCI.
• Following successful completion of the test, the permit applicant must submit the following to his/her local law enforcement agency: the application, two color photos (size 2” X 2””) and a Money Order or Certified Funds for $60 made payable to the ND Office of Attorney General.
• The local law enforcement agency will review the application, conduct a local background check, determine the applicant's ability to obtain the permit, and forward that information to the BCI.
• Fingerprint can be taken by Law Enforcement or Instructors and enclosed with the application.
• The BCI performs state and national background checks on each applicant. Additionally, each applicant's fingerprints are searched through the regional Automated Fingerprint Identification System.
• Upon approval by the director of the BCI, the applicant is issued a permit that is valid for a period of five years.
• Two color passport photos are required with the application form. The BCI will accept only actual passport photographs, no photocopies or computer generated copies.
• The completed application form and attachments must be delivered to law enforcement within 30 days of the testing date. Applications delivered to law enforcement more than 30 days after testing are untimely and will be denied by BCI as invalid.
• Class 1: when renewing must repeat all testing requirements.
• Class 2: when renewing only have to re-apply.

Military Stationed in North Dakota: If you are not a ND resident, attach a copy of your PCS (not TDY) orders showing that you are stationed in ND to the copy of your state driver’s license. If you later PCS out of North Dakota, your ND concealed weapon license will no longer be valid unless (a) you have since obtained a ND driver’s license; or (b) you have a valid concealed weapon license in your home state, which state has reciprocity with ND.

Note: Training must take place in ND and can’t be part of another states training requirements.

**Do “No Gun Signs” Have the Force of Law?**

“**NO**”

www.handgunlaw.us
“No Firearm” signs in North Dakota have no force of law unless they are posted on property that is specifically mentioned in State Law as being off limits to those with a Permit-License to Carry. If you are in a place not specifically mentioned in the law that is posted and they ask you to leave, you must leave. If you refuse to leave then you are breaking the law and can be charged. Even if the property is not posted and you are asked to leave you must leave. Always be aware of the possibility that responding Police Officers who may have been called without your knowledge and may not know the laws on trespass etc. could arrest you even if you are within the law.

“No Firearm” which means no Firearm in any condition or manner not to include a Concealed Weapon, can be posted and have no force unless posted on property specifically mentioned in State Law as being off limits to those with a Permit-License to Carry.

“Handgunlaw.us highly recommends that you not enter a place that is posted "No Firearms" no matter what the state laws read/mean on signage. We recommend you print out the No Guns = No Money Cards and give one to the owner of the establishment that has the signage.” As responsible gun owners and upholders of the 2nd Amendment we should also honor the rights of property owners to control their own property even if we disagree with them.”

It is illegal to carry a loaded gun in any vehicle in North Dakota without a Permit/License.

62.1-01-01. General Definitions. As used in this title, unless the context otherwise requires:

9. "Plain view" means the handgun is placed in such a location or carried in such a position as to be easily discernible by the ordinary observation of a passerby. In a motor vehicle, this includes being placed on the seat, dashboard, or in a gun rack as long as the handgun is not covered or is in any other way concealed from view.

11. "Secured" means the firearm is closed into the trunk or nonpassenger part of the vehicle; placed into a closed and secure carrying device; rendered inoperative by the use of a trigger, hammer, cylinder, slide, or barrel-locking device that renders the firearm incapable of firing until the device is unlocked and removed; or so disassembled or disabled as to be rendered incapable of firing.

No person may keep or carry a loaded firearm in or on any motor vehicle in this state. Any person violating this section is guilty of a class B misdemeanor. This prohibition does not apply to:

1. Any person possessing a valid North Dakota concealed weapons license or a valid license issued by another state authorizing the person to carry a dangerous weapon concealed if that state permits a holder of a valid North Dakota concealed weapons license to carry a dangerous weapon concealed in that state without obtaining a similar license from that state, except while that person is in the field engaged in hunting or trapping activities.

16. "Unloaded" means the chamber of the firearm does not contain a loaded shell. If the firearm is a revolver, then none of the chambers in the cylinder may contain a loaded shell.

Note: ND is an open carry state but you have to have a permit to open carry.

Open Carry (Without a Valid Permit/License)

Open Carry is legal but you must have a valid permit/license to carry a concealed handgun to open carry in North Dakota. Places as listed in the “Places Off Limits” above apply to those who open carry. See the “RV/Car Carry Without a Permit” section for carrying in a vehicle.

The state preempts all firearm laws in the state and local authorities can’t have Laws/Ordinances against open carry. Remember that if you enter any property and the owner/responsible person ask you to leave you must leave. Failure to leave can result in Trespass Charges. The Minimum age for Open Carry is 18.

In some states Open Carry is forbidden in places where those with a valid permit/license can carry. This is not the last word on Open Carry in this state. Check at www.opencarry.org or go to Google and type in State Name Open Carry or Open Carry State Name for a search for open carry info in this state. Check with the State's RKBA Organization/s. Also see “Attorney General Opinions/Court Cases” Section for any written opinions/Cases on Open Carry.

Places like Friday’s or Red Lobster unless posted with “No Gun Signs.” This may or may not mean the bar or the bar area of a restaurant. But you can carry your firearm into a restaurant that serves alcohol and sit and eat without consuming. Handgunlaw.us recommends you not sit at the Bar or in the Bar www.handgunlaw.us
area of such restaurants. In some states it is illegal to be in the Bar area of such restaurants. Handgunlaw.us believes you should never consume alcohol when carrying your firearm. **Chemical Sprays/Stun Gun/Higher Capacity Magazine Laws**

**Stun Devices/Electric Weapons:**

**62.1-04-01. General definitions.** As used in this title, unless the context otherwise requires:

1. "Dangerous weapon" does not include a spray or aerosol containing CS, also known as ortho-chlorobenzalamonitrile; CN, also known as alpha-chloroacetophenone; or other irritating agent intended for use in the defense of an individual, nor does the term include a device that uses voltage for the defense of an individual, unless the device uses a projectile and voltage, then the term includes the device for an individual who is prohibited from possessing a firearm under this title. However, the term includes a device that uses a projectile and may be used to apply multiple applications of voltage during a single incident.

**Note:** TASER’s require a valid Permit/License to Carry Concealed in North Dakota. As you can see by the law above direct contact electric devices are not considered dangerous weapon and are legal for anyone to carry. I put this here as this is a change in North Dakota Law. Previously you had to have a permit/license to carry a firearm to carry any stun device or a chemical spray.
