General Sale Information

American Shorthorn Association Genetic Defect Disclaimer: Unless an animal is listed on the American Shorthorn Association “genetic defect status list”, the American Shorthorn Association makes no representation of any kind as to whether or not the animal has a genetic defect.

Air Travel: Commercial flights are available to Columbus, OH.

Terms And Conditions: Terms of the sale are cash. Settlement is to be made with the clerk immediately following the sale and before cattle are removed from the premises.

Directions: From Interstate 71, take 17th Ave. west to the fairgrounds gate and follow signs to the livestock arena.

Billed Accounts: All billed accounts are due within 10 days following the date of the sale. At 10 days, a two percent service charge will be added to the unpaid balance and an additional two percent will be added every 30 days thereafter unless previous arrangements have been made with the owners or sale manager.

Health: Each animal will be represented by a state approved health certificate for interstate shipment. Buyers should make themselves aware of the health requirements for their respective states.

Liability: Each animal will be at the buyer’s risk as soon as sold. Neither the owners, employees, auctioneer, sale manager or other affiliated personnel can be responsible for any accidents, but they will make every effort to provide for the safety and comfort of those attending.

Breeding Guarantee: The Standard Breeding Guarantee as endorsed by the American Shorthorn Association will be followed.

Insurance will be available for your purchases from the sale clerk.

Announcements made from the auction block take precedence over all printed material in this catalog.

Mail Bids: Mailed or telephoned bids will be handled in a most confidential manner. If you are unable to attend the sale personally, simply contact a representative of the sale far enough in advance prior to sale day. They will be able to assist you at ringside on sale day.

Update On Breeding And Calving Information: There will be added information available at the sale site that will list any additions to the catalog information as to new calves born and new breeding information that will occur after the printing of this catalog.

Schedule Of Events:
Friday, March 18, 2016
12:30 p.m. Show of Sale Cattle
Cooper Arena, North Ring
Judge: Scott Trennepohl
Social hour in barn, Shorthorn isle, following the show, served by the Ohio Shorthorn Lassies.

Saturday, March 19, 2016
10:00 a.m. Ohio Beef Expo Shorthorn Sale
“SW” Voinovich Sale Ring

- We purchased this solid, young, herd sire’s dam from White Birch Farms as the high selling bred female in the 2014 Ohio Shorthorn Fall Showcase Sale. Stock Market is long-spined, good through his hip and has plenty of rib shape and capacity. His dam, Miss Demand, is one of our easiest fleshing cows. Combining the genetics of the now deceased JSF Broker with the popular SULL Red Demand make Stock Market an opportunity to inject some breed greats into your program, while remaining focused in valuable economic traits. ranking in the top of the breed for CE, BW, and CEM, likely to be a low risk option that should blend well in a variety of genetic scenarios. TH, PHA, DS Free by parentage, however we will have genetic testing completed and available sale day.

- Here is an exciting breeding piece for some one who wants to raise good cattle, this bull will work in production and his genetics behind him only read with consistency. I know some will shy away from the fact he is out of a Shorthorn bull, but CF Solution has dominated the Shorthorn breed for the last ten years producing countless champions in the Shorthorn and ShorthornPlus ring. The Carnac cow needs no introduction, Core’s recently sold embryos in Denver commanding 2,800 x three. She is the mother of Caldwell’s steer that has won countless shows this year, the mother of Skile’s Maintainer that won Kansas City and Denver. This bull has a rugged breeding bull look with muscle and performance. Big-footed, large testicond, and all the extras to help improve our cow herd.

- Blend is the combination of two premier breeders genetics (Lakeside Farms and Bushy Park Farms). Red in color, soft made, easy fleshing, docile temperament, are a few of his standout traits. Actual birth weight of 58 lbs., makes him an ideal candidate for calving ease. Like a good bourbon his carmel red color and outstanding pedigree will make for very pleasing taste.

- TH/PHA & D5 free by pedigree.

- Registered ShorthornPlus and Maintainer.

- Consigned by Fairview Farms

**OHIO BEEF EXPO SHORTHORN SALE**

---
CLF AUGUSTA PRIDE 1508 ET

- Retaining the right to one (1) flush.
- A really good dark red daughter of the famed Red Stallion and is a granddaughter of the famed GCC Augusta Pride 3127. This heifer has the potential to do some good things in the future.
- TH/PHA & DS testing will be available by sale time.
- Consigned by Cedar Lane Farm

BYLAND JENNY 5RX25

- The first daughter of Leveldale Rolex to sell. She is very deep bodied and complete having been a stand out since a calf. The Jenny cow family is strong and productive.
- CHV.
- Consigned by Byland Shorthorns

F & S EASY BUNNY 503

- I didn't need to dig deep to bring Bunny, she comes to the top easily. A granddaughter of the National Champion TM Gus, and a granddaughter of Muridale Bonanza. Really good in her own right, and should make a tremendous outcross cow.
- She will be DNA tested before the sale, but should be defect free.
- Consigned by Bill Fugate & Family

FF DL HOT CHERI

- This deep cherry colored heifer has cow power written all over her. This heifer is so clean and smooth fronted, square hipped, smooth shouldered and is as sound as you can make one. With a little more feed and time she has the potential to have a show career, but this heifer will make one of the best cows that you have in your herd, the pedigree behind her is absolutely awesome. We are extremely excited to see what this heifer can do in your program. She has a gentle attitude that could fit any first year showman.
- CHV.
- Best of the Buckeye eligible.

This is one big time show heifer prospect. A little extra length and extension coupled with a super deep bold rib make for an awesome combination. Her phenotype reads as one that will compete at the highest of levels just like her pedigree. She is sired by a Cates Farms high seller and ASA show Bull of the Year, CF Flex. Her mother is an up and coming donor here that is sired by Eldorado and out of the prolific National Champion SULL DeDe’s Solution, whose mother and grandmother both were National Champion Females.

Our Glamour Girl family falls back to our all-time favorite Shorthorn cow, SHCC Double Fantasy Girl012 - or Sweet Pea, as she’s more commonly known. Sweet Pea was a multiple-time champion back in her day, including a win at the Ohio State Fair. These Glamour Girls fit the same mold, in terms of being extra feminine and having style, balance and eye appeal. 1515C is good on the move and will prove to be a nice addition to many breeding programs.

- This baldy female has a stellar pedigree not only is she registered ShorthornPlus, she is also registered Maintainer and Foundation Simmental. The cow family delivers every year. We have five generations in our herd - breed greats in her pedigree BPSL Boom (Sooners FB), 3C Macho, WMM. If you wanted a true foundation female for your herd she has it. Deep bodied, broody made and family milks.

- Power and balance...check out this package. She’s our first offspring by SFSM Icon A1, our SimAngus Denver class winner. She brings both the look of a show heifer and all the pieces to make a cornerstone cow in any herd. To top it all off she won her division at the 2016 National Western Stock Show.

- If you like them a little more extended and later in their maturity pattern look here. Extremely long necked and feminine up front, long bodied and bold ribbed. The Ringer cattle will continue to get better every day of their lives and have been good for us from the show ring to the pasture. This heifer is bred a lot like our 2015 National Champion ShorthornPlus Bull.

• Here’s a heifer we nicknamed Miranda after the main character in the popular Disney movie, Brave, because boy does she have some wild red hair! If you’re looking for a heifer you can carve for weeks have shag to spare here she is. However, don’t let the puff fool you, there’s a whole great structure and a fantastic temperament to boot, if you’re wanting a heifer for that special kid in your life this is one that will go to town each weekend and put a smile on their face.

- Guarantee one pregnancy if implanted by a certified technician.
- The Fools cow family has been a crucial part of the Shorthorn breeds development. Fools Image has been an incredible producer for us and continues to flush large quantities of eggs, which is why we are letting some go. She is the mother of the high selling bull in Denver two years ago who sold to Sullivan Farms, and the mother of our high selling Shorthorn in our fall sale. Both of these matings are full sibs to the embryos selling. Red, low birth, and functional would be the best way to describe this female, I wish more cows in our herd looked as good as she does.
- Consigned by Boyert Show Cattle & Cornerstone Farms

This sale will be broadcast live on the internet.

**Guarantee one pregnancy if implanted by a certified technician.**

Anyone acquainted with Shorthorns knows the calve and the sought after genetics of AF Margie’s Dream Lady 05. SULL Sassy Crystal is a double bred WHR Sonny 8114 ET, granddaughter adding the T90 Rose and Cumberland cow families. Being named Grand Champion at the Pennsylvania Farm Show and the West Virginia State Fair in 2012, made her the winningest female in the east. She is a full sister to Nick Sullivan’s 2012 Junior National Grand Champion Female and maternal sister to Brandon Hagie’s 2009 Junior Reserve Grand Champion Female. Her first calve SD Miss Crystal by Mercedes Benz 131U, shown by Desirae Logsdon of Ohio, was a many time Champion ShorthornPlus Female in 2014.
