Mr. Brengelman was asked what the status of the Kentucky Oaks Mall complaint regarding unlicensed activity was. Mr. Brengelman, who was filling in on behalf of Mr. West, stated that he would check with Mr. West regarding the matter.
Ms. Warner reported that the power point presentation regarding licensure and renewal had been added to the website. The FAQ’s will be sent to Mr. West for his final review. Following review they would be sent to O&P staff to be added to the website. The section regarding unlicensed individuals was removed from the FAQ.

During discussion, it was brought to the board’s attention that the endorsement form, currently on the website, was not correct. Ms. Benedict was asked to immediately remove it from the website until it could be reviewed for accuracy. Ms. Logsdon agreed to research the matter.

The Board Member Handbook was moved to discussion at the Board’s retreat in July.

**NEW BUSINESS**

Discussion with regard to the exam given by the American Medical Massage Association was discussed. Ms. Logsdon had done research with regard to that exam in order to determine whether or not the application for licensure from Dina Estrella could be approved. Following discussion, it was determined that the exam met the requirements in KRS 309.538 (5) because it was administered by the National Certification Board for Therapeutic Massage and Bodywork “or a certifying agency that has been approved by the National Commission for Certifying Agencies.” Based upon that, Ms. Logsdon made a motion to accept the exam and to approve Dina Estrella for licensure. Ms. Horsford seconded the motion. The motion carried.

Correspondence from Kentucky Higher Education Assistance Authority related to defaulted student loans for two licensees. Ms. Logsdon made a motion for the board to send a letter to them informing them of the board’s obligation by law to not renew or reissue their licenses until the board receives KHEAA notification that the licensees have made satisfactory arrangements for repayment of the loans. Mr. Hansen seconded the motion. The motion carried.

Email correspondence from NCBTMB regarding new programs was reviewed for informational purposes.

Mr. Hansen and Ms. Warner requested permission to visit schools to assist them in the process of completing the renewal application for their certificate of school in good standing. Following discussion, it was determined that it was not a good idea for them to do that. There was concern that by doing so, the school would think that they would automatically be approved.

Ms. Warner distributed application check lists for use in 2012 for all renewals of school certificates in good standing. Ms. Warner made a motion that the checklist be adopted and included in the letters reminding schools to renew. Ms. Logsdon seconded the motion. The motion carried.

Ms. Warner distributed a curriculum verification guide for schools to document clock hours for schools in good standing and in the application process. Ms. Warner made a motion that the guide be adopted. Ms. Logsdon seconded the motion. The motion carried.

Ms. Warner distributed a summary of instruction with qualifications guide for use by schools applying for certificate of good standing. Ms. Warner made a motion that the guide be adopted. Ms. Barnhill seconded the motion. The motion carried.
