National FFA Collegiate Scholarships

2016 Catalog
HIGH SCHOOL SCHOLARSHIPS

IMPORTANT NOTE:
All scholarships require FFA membership unless otherwise stated in the Eligibility criteria.
ELIGIBILITY: Pursuing a degree or certification in specific areas of agriculture; chemical, electrical or mechanical engineering; human nutrition; food services; hospitality; communications; marketing; public relations or journalism.

Applicants must in an identified state and county. A list of specific majors, states and counties is available at FFA.org/scholarships or GrowAgLeaders.com. Applicants must have strong leadership skills and have participated in community service. Minimum 2.5 GPA on a 4.0 scale required.

Scholarships available for FFA members and non-members.

**NOTE: Applicants must obtain three farmer endorsements. See details at FFA.org/scholarships or GrowAgLeaders.com.**

AWARD: 352 scholarships at $1,500 each, non-renewable.

SPONSOR BIO: America’s Farmers and the Monsanto Fund support rural communities across the country with three separate and distinct programs that provide financial support for local communities, rural school districts and youth.

As part of this platform, the America’s Farmers Grow Ag Leaders provides scholarships to students pursuing educational opportunities related to careers in agriculture.

Visit [www.americasfarmers.com](http://www.americasfarmers.com) to learn more.
Ford Motor Company Fund and Ford Trucks
Built Ford Tough – FFA Scholarship Program

ELIGIBILITY: Students who are pursuing a two-year or four-year degree in any major. Applicants must apply online and then visit their local participating Ford Truck dealer for signature and dealer code. Qualified students will be considered for all FFA scholarships, but in order to be considered for the Built Ford Tough – FFA Scholarship they must have a Ford dealer signature and dealer code on the required Signature Page.

To find a participating dealer who has identified a local FFA Chapter, visit www.FFA.org. Applicants unable to find a participating dealer online may obtain a signature and dealer code from their local Ford dealer to make them eligible for one of five national scholarships.

AWARD: Up to 500 scholarships available at $1,000 each to be awarded on behalf of participating Ford Truck dealers. Five additional national scholarships at $1,000 each will be available to students who do not have a participating Ford Truck dealer in their area but did obtain a Ford dealer signature and dealer code.

In addition to scholarships, Ford Trucks will provide grants to FFA chapters in each of the six (6) NAAE regions. Qualifying chapters must have a local Ford dealer participating in the scholarship program and a minimum of three (3) applicants for the Built Ford Tough – FFA Scholarship. Visit www.naae.org for more details.

SPONSOR BIO: Ford has been building tough trucks that move and service America since 1908. 2016 marks the 68th year of FFA support by Ford Trucks, Ford Motor Company Fund and participating Ford Truck dealers.

Ford is one of the largest corporate sponsors of scholarships in the National FFA scholarship program. Since 1997, Ford has awarded more than $8,700,000 in scholarships to FFA members.

In addition to collegiate scholarships, Ford supports the chapter grants (described above), the National Association of Agricultural Educators and the National FFA Expo.
ELIGIBILITY: High-school senior or college student pursuing a two- or four-year degree in select agricultural majors, public service and administration in agriculture, welding or diesel mechanics. Applicant must attend a chapter identified by a participating John Deere dealer. Minimum 3.0 GPA on a 4.0 scale required. Applicants must have academic achievement, leadership activities and community service involvement.

AWARD: Up to 150 scholarships available at $2,000 each to be awarded on behalf of participating John Deere dealers.

SPONSOR BIO: Deere & Company is a world leader in providing advanced products and services and is committed to the success of customers whose work is linked to the land. As the face of John Deere, our dealers deliver innovative products of superior quality built on a tradition of integrity.
ELIGIBILITY: Pursuing a two- or four-year degree in any agricultural major, welding, diesel mechanics, non-ag communications, public relations or sales & marketing. Applicants must have participated in community service, demonstrated leadership skills and exhibit financial need.

AWARD: 12 scholarships at $2,000 each, non-renewable.

SPONSOR BIO: AGCO is a global leader in the design, manufacture and distribution of agricultural equipment. AGCO supports more productive farming through a full line of tractors, combines, hay tools, sprayers, forage equipment, grain storage and protein production systems, seeding and tillage implements and replacement parts. AGCO products are sold through five core machinery brands, Challenger®, Fendt®, GSI®, Massey Ferguson® and Valtra®, and are distributed globally through a combination of approximately 3,100 independent dealers and distributors in more than 140 countries. Founded in 1990, AGCO is headquartered in Duluth, GA, USA. In 2014, AGCO had net sales of $9.7 billion. For more information, visit www.AGCOcorp.com

ELIGIBILITY: Pursuing a two- or four-year degree or specialized training certification in any agricultural major, welding, diesel mechanics or non-ag sales & marketing. Applicants must be from an eligible chapter as identified by dealer. List of participating dealers available at AGCO Dealers.

AWARD: 115 scholarships at $1,000 each, non-renewable.

SPONSOR BIO: AGCO is a global leader in the design, manufacture and distribution of agricultural equipment. AGCO supports more productive farming through a full line of tractors, combines, hay tools, sprayers, forage equipment, grain storage and protein production systems, seeding and tillage implements and replacement parts. AGCO products are sold through five core machinery brands, Challenger®, Fendt®, GSI®, Massey Ferguson® and Valtra®, and are distributed globally through a combination of approximately 3,100 independent dealers and distributors in more than 140 countries. Founded in 1990, AGCO is headquartered in Duluth, GA, USA. In 2014, AGCO had net sales of $9.7 billion. For more information, visit www.AGCOcorp.com

ELIGIBILITY: Pursuing a two- or four-year degree in agronomy, crop science, general agriculture, agricultural communications, education, journalism, extension, public relations, business management, economics, finance, sales and marketing, engineering, mechanization or agriculture power and equipment. Applicants must exhibit financial need and have participated in community service.

AWARD: Six scholarships at $2,000 each, non-renewable.

SPONSOR BIO: AGCO Finance has been offering comprehensive financing programs based on innovative financial products to meet the individual needs of our customers since the 1950s. Whether a customer chooses to purchase, lease or rent equipment, AGCO Finance can provide a competitive solution. Working with AGCO Finance, professional farmers around the world can acquire the right equipment to help them grow their business and also improve their management of cash flow and credit lines.

ELIGIBILITY: Pursuing a two- or four-year degree or specialized training certification in any agricultural major, welding or diesel mechanics. Applicants must exhibit financial need, strong leadership skills, have participated in community service and reside near Jackson, Minnesota.

AWARD: One scholarship at $1,000, non-renewable.

SPONSOR BIO: AGCO Corporation is a global designer, manufacturer and distributor of agricultural equipment and replacement parts headquartered in Duluth, Ga. The company’s global equipment brands include Challenger, Fendt, Valtra and Massey Ferguson. Intivity Center℠, the official visitor center for AGCO’s Jackson, Minnesota facility, is a destination for agricultural equipment enthusiasts of all ages. For more information, visit www.AGCOcorp.com
**Alpha Gamma Rho Educational Foundation**

ELIGIBILITY: Pursuing a four-year degree in any area of agriculture. Scholarship available to males who will be attending a university with an Alpha Gamma Rho chapter. Must exhibit strong leadership skills. Visit www.agrs.org for a list of universities with AGR chapters.

AWARD: One scholarship at $1,000, non-renewable.

SPONSOR BIO: Alpha Gamma Rho (AGR) is the Fraternity sharing a common bond within a dynamic, global agriculture committed to fostering the highest values and providing each and every brother with superior lifelong personal development and professional success. AGR is consistently performing as a professional, integrity driven, world-class organization committed to the highest of standards and we look to inspire a pursuit of academic excellence, as well as engage all brothers in professional development promoting lifelong career success. Alpha Gamma Rho: Nurture. Grow. Give. Repeat.

**American Veterinary Medical Association**

ELIGIBILITY: Pursuing a four-year degree in animal nutrition; animal, dairy, equine or poultry science; animal breeding and genetics; biological sciences or pre-vet/vet sciences, with preference to applicants planning a career in veterinary medicine in the area of food supply or public health.

AWARD: Three scholarships at $1,000 each, non-renewable

SPONSOR BIO: The AVMA (www.avma.org), founded in 1863, is the oldest and largest nonprofit veterinary medical organization in the world. More than 75,000 member veterinarians are dedicated to advancing the science and art of veterinary medicine, including its relationship to public health and agriculture. Visit our website for information about veterinary education, animal care, veterinary careers and association issues, policies and activities.

**American Family Insurance**

ELIGIBILITY: Pursuing a four-year degree in any major. One scholarship will be awarded to a member from Minnesota, Missouri and Wisconsin.

AWARD: Three scholarships at $1,000 each, non-renewable.

SPONSOR BIO: For more than 80 years, American Family Insurance has made it our business to give our customers peace of mind by making their insurance experience easy and convenient.

**Animal Health International**

ELIGIBILITY: Pursuing a four-year degree in animal or dairy science. Resident of Alabama, Arizona, Arkansas, California, Colorado, Florida, Georgia, Idaho, Iowa, Kansas, Louisiana, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Mexico, North Dakota, Oklahoma, Oregon, South Dakota, Texas, Utah, Washington or Wyoming.

AWARD: One scholarship at $1,000, non-renewable.

SPONSOR BIO: From their respective beginnings – Lextron in 1967 and Walco in 1953 – culminating in the merger of two pioneering animal health companies in 2011, Animal Health International, Inc. (www.animalhealthinternational.com) has created a premier animal health business with more than 100 years of combined knowledge, proven vision, unmatched commitment to the customer and industry expertise. As a marketer of animal health products from all the major manufacturers, Animal Health International’s vision is to be unmatched in customer commitment by exceeding the customer’s expectations and providing any needs in animal health products.
**Archer Daniels Midland Company (ADM)**

**ELIGIBILITY:** Full-time students pursuing a two- or four-year degree in all agricultural majors. Minimum 3.0 GPA on a 4.0 scale is required. Must be current FFA member. Applicant must exhibit strong leadership skills and have participated in community service. Some residency requirements may apply.

**AWARD:** 80 scholarships at $1,000 each, non-renewable. The FFA chapter of each recipient will also receive a $250 FFA grant from ADM in the form of a credit with the National FFA Organization to assist in continued education excellence.

**SPONSOR BIO:** For more than a century, the people of Archer Daniels Midland Company (NYSE: ADM) have transformed crops into products that serve the vital needs of a growing world. Today, we’re one of the world’s largest agricultural processors and food ingredient providers, with more than 33,000 employees serving customers in more than 140 countries. With a global value chain that includes more than 460 crop procurement locations, 300 ingredient manufacturing facilities, 40 innovation centers and the world’s premier crop transportation network, we connect the harvest to the home, making products for food, animal feed, chemical and energy uses. Learn more at www.adm.com.

**B.R.I.D.G.E. Endowment Scholarship**

**ELIGIBILITY:** Pursuing a two- or four-year degree in any area of agriculture. Scholarships are available for physically disabled or handicapped members. Eligible students must submit the supplemental B.R.I.D.G.E. Endowment Fund Scholarship Application. (Applicants may request the B.R.I.D.G.E. application by emailing scholarships@FFA.org.)

**AWARD:** Approximately one scholarship at $5,000. Not guaranteed.

**SPONSOR BIO:** The Dr. Scholl Foundation, Outdoor Advertising Association of America and many caring individuals set up this fund.

**Beck’s Hybrids**

**ELIGIBILITY:** Pursuing a four-year degree in any area of agriculture except social services. Must be resident of Illinois, Indiana, Iowa, Kentucky, Michigan, Missouri, Ohio, Tennessee or Wisconsin. One scholarship awarded per state. Applicant’s family must be a Beck’s Hybrids Seed customer.

**AWARD:** Nine scholarships at $2,000 each, non-renewable.

**SPONSOR BIO:** Beck’s Hybrids (www.beckshybrids.com) is the largest family-owned, retail seed company in the United States, serving farmers in Indiana, Illinois, Ohio, southern Michigan, western Kentucky, Tennessee, eastern Iowa and eastern Missouri. Beck's understands what farmers need, because we’re farmers, too. As the largest family-owned retail seed company, Beck’s has access to the best genetics and trait technologies from suppliers worldwide. In fact, Beck's strives to provide all customers with the tools they need to succeed on their farm.

**Birdsong Peanuts**

**ELIGIBILITY:** Pursuing a four-year degree in agriculture or agribusiness. Resident of Alabama, Florida or Georgia required. Applicant or applicant’s family must be peanut producers.

**AWARD:** One scholarship at $1,000, non-renewable.
**BNSF Railway Foundation**

ELIGIBILITY: Pursuing a four-year degree at an accredited four-year college in the following areas of agriculture: business management, economics, sales and marketing or finance. One scholarship will be awarded to members from the following states: California, Illinois, Iowa, Kansas, Minnesota, Montana, Nebraska, North Dakota, South Dakota and Texas. Minimum 3.0 GPA on a 4.0 scale required.

AWARD: 10 scholarships at $5,000 each, payable at $1,250 per year for four years, provided a cumulative GPA of at least 3.0 on a 4.0 scale and full-time student status in approved major are maintained.

SPONSOR BIO: The BNSF Railway Foundation is the major channel of philanthropy for BNSF. The Foundation administers a consistent contributions program in recognition of the company’s opportunity to support and improve the general welfare and quality of life in the communities it serves.

**Brandt Consolidated Inc.**

ELIGIBILITY: Pursuing a four-year degree in any area of agriculture except social services. Must be a resident of Illinois and plan to attend the University of Illinois. Minimum 2.5 GPA on a 4.0 scale required. Applicant must have participated in community service.

AWARD: Two scholarships at $1,250, non-renewable.

SPONSOR BIO: The Brandt Retail Agronomy Division provides agronomy support, fertilizer, crop protection chemicals, seed and custom application to farmer customers in central Illinois. Founded in 1953, Brandt operates 19 retail agronomy locations. The Brandt Specialty Formulations Division manufactures and markets a wide range of specialty fertilizers, micronutrients, adjuvants and organics in the U.S. and international markets serving farmers around the world.

**The James C. Borel FFA Leaders Scholarship**

ELIGIBILITY: Pursuing a four-year degree in any area of agriculture. History of academic excellence and public service required. Minimum 3.5 GPA on a 4.0 scale required. Applicant must have served as chapter, state or national FFA officer. Preference given to student who has exhibited exemplary leadership skills in their home, school and community.

AWARD: Approximately one scholarship at $1,000. Not guaranteed.

SPONSOR BIO: Established by private donors and DuPont Crop Protection to honor and recognize James C. Borel for his active participation, support, leadership and guidance to agricultural education, DuPont Crop Protection business and the National FFA Organization. Borel is executive vice president for DuPont and served as the 2002 National FFA Foundation Sponsors’ Board Chair.

**Bunge North America**

ELIGIBILITY: Pursuing a two- or a four-year degree in select majors in agricultural production, communication, education, management, finance, sales, marketing, science, equestrian science, sustainable agriculture, engineering or public service in agriculture. Minimum 2.5 GPA on a 4.0 scale required. Applicants must exhibit strong leadership skills and reside in one of the 48 contiguous states. Recipients will be invited to visit a Bunge facility to learn more about the company and available opportunities.

AWARD: Eight scholarships at $1,000 each, non-renewable.

SPONSOR BIO: Bunge North America (www.bungenorthamerica.com), the North American operating arm of Bunge Limited (NYSE: BG), is a vertically integrated food and feed ingredient company, supplying raw and processed agricultural commodities and specialized food ingredients to a wide range of customers in the animal feed, food processor, foodservice and bakery industries. With headquarters in St. Louis, Mo., Bunge North America and its subsidiaries operate grain elevators, oilseed processing plants, edible oil refineries and packaging facilities, and corn, wheat and rice mills in the U.S., Canada and Mexico.
Dean Carlson Honorary Scholarship

ELIGIBILITY: Pursuing a four-year degree in the College of Agriculture or the College of Business at Iowa State University. Preference given to applicants from Lytton-Rockwell City FFA, Calhoun County FFA or members of counties bordering Calhoun, Iowa.

AWARD: Approximately three scholarships at $2,500 each. Not guaranteed.

SPONSOR BIO: Dean Carlson grew up on a farm in northwest Iowa. While in FFA, Dean held many offices, competed on judging teams and received his Iowa State Farmer degree. Dean graduated from Iowa State University and spent his career in the animal by-product industry in Iowa. This scholarship was endowed to provide funds so that FFA members in northwest Iowa could have the same opportunity he had in attending Iowa State University with the goal of a career in agriculture.

Wilson W. Carnes Scholarship

ELIGIBILITY: Pursuing a four-year degree in agricultural communications.

AWARD: Approximately one scholarship at $300. Not guaranteed.

SPONSOR BIO: Given in recognition of Mr. Wilson Carnes, retired editor of FFA New Horizons® magazine, by his friends and co-workers to encourage FFA members to pursue an agricultural magazine publishing career.

Case IH Future Farmer Scholarships

ELIGIBILITY: Pursuing a four-year degree in select areas of agriculture including agronomy, sciences, education, finance, management, engineering, conservation and genetics. Student must live on family farm. Applicants must support the preservation of the hunting tradition, demonstrate a commitment to conservation, actively participate in hunting sports, have strong leadership skills and have work or volunteer-related experience. Must exhibit financial need and community service. Winner shall allow National Wild Turkey Federation (NWTF) to publicize winner’s name or likeness in a tasteful way for NWTF use.

AWARD: One scholarship at $5,000, non-renewable.

SPONSOR BIO: The National Wild Turkey Federation is the leader in upland wildlife habitat conservation in North America. A nonprofit conservation organization dedicated to conserving the wild turkey and preserving our hunting heritage, the NWTF and its volunteers work closely with state, federal and provincial wildlife agencies and other partners.

Through these dynamic partnerships, the NWTF and its members helped restore wild turkey populations throughout North America, spending more than $331 million to conserve nearly 16 million acres of habitat. Wild turkeys and hundreds of other species of upland wildlife, including quail, deer, grouse, pheasant and songbirds, benefit from this improved habitat. The NWTF also brings new conservationists and hunters into the fold through outdoor education events and its Women in the Outdoors, Wheeling’ Sportsmen, JAKES and Xtreme JAKES youth outreach programs. Dedicated NWTF volunteers introduce about 100,000 people to the outdoors through these programs every year. Founded in 1973, the NWTF is headquartered in Edgefield, S.C., and has local chapters in every state and Canada. According to many state and federal agencies, the restoration of the wild turkey is arguably the greatest conservation success story in North America’s wildlife history.
Kenneth and Ellen Nielsen Cooperative Scholarship

ELIGIBILITY: Pursuing a four-year degree in agriculture with a major in agronomy, crop science, animal nutrition, agricultural business/farm/livestock or ranch management, agricultural economics, agricultural journalism or international agriculture. John and Amy Rakestraw Scholarship

ELIGIBILITY: Pursuing a two- or four-year degree in agriculture with involvement in beef cattle. Must be resident of Colorado. Minimum 3.5 GPA on a 4.0 scale required.

AWARD: Two scholarships at $1,000 each, non-renewable.

SPONSOR BIO: John Rakestraw is CEO of Agra Holdings, a company engaged in cattle feedlot consulting and the sales and manufacturing of feedlot nutritional supplements. Amy is a stay-at-home mom and is involved in several volunteer activities. John had a 25-year career with the ContiGroup. He grew up in Guntown, Miss., graduating from Mississippi State University with a B.S. degree in animal science and a masters degree from Oklahoma State University. Amy grew up in Covington, Tenn., and Hattiesburg, Miss. and is a Registered Nurse. In 2003 John served as Chairman of the National FFA Foundation Sponsors’ Board.

Ram Trucks

ELIGIBILITY: Pursuing a two- or four-year degree in any major.

AWARD: One national scholarship at $3,100. Up to 93 scholarships at $1,000 each to be awarded on behalf of participating Ram Trucks dealers. View list of participating dealers at Ram Truck Dealers. Scholarships are non-renewable.

SPONSOR BIO: At RAM, we think our future leaders in agriculture deserve a helping hand as they grow – and we prove it in our 63-year-strong commitment to the upstanding people and principles of the FFA. Our commitment to growth is also reflected in our complete line up of Ram trucks and cargo vans where we continue to lead in fuel economy, towing and payload. If you are committed to helping us grow our nation’s agribusiness, we strongly encourage you to apply for a scholarship today. Visit www.ramtrucks.com for more information about our commitment to innovation, capability, efficiency and durability.

In addition to scholarships, RAM proudly supports the several National FFA award programs, the National FFA Convention opening video and National Convention and Expo.

Red Barn Media Group

COLLEGIATE SCHOLARSHIPS
America’s Farmers Grow Ag Leaders Scholarships

Presented by the Monsanto Fund

ELIGIBILITY: Pursuing a degree or certification in specific areas of agriculture; chemical, electrical or mechanical engineering; human nutrition; food services; hospitality; communications; marketing; public relations or journalism.

Applicants must in an identified state and county. A list of specific majors, states and counties is available at FFA.org/scholarships or GrowAgLeaders.com. Applicants must have strong leadership skills and have participated in community service. Minimum 2.5 GPA on a 4.0 scale required.

Scholarships available for FFA members and non-members.

**NOTE:** Applicants must obtain three farmer endorsements. See details at FFA.org/scholarships or GrowAgLeaders.com.

AWARD: 352 scholarships at $1,500 each, non-renewable.

SPONSOR BIO: America’s Farmers and the Monsanto Fund support rural communities across the country with three separate and distinct programs that provide financial support for local communities, rural school districts and youth.

As part of this platform, the America’s Farmers Grow Ag Leaders provides scholarships to students pursuing educational opportunities related to careers in agriculture. Visit www.americasfarmers.com to learn more.
ELIGIBILITY: Students who are pursuing a two-year or four-year degree in any major. Applicants must apply online and then visit their local participating Ford Truck dealer for signature and dealer code. Qualified students will be considered for all FFA scholarships, but in order to be considered for the Built Ford Tough – FFA Scholarship they must have a Ford dealer signature and dealer code on the required Signature Page.

To find a participating dealer who has identified a local FFA Chapter, visit www.FFA.org. Applicants unable to find a participating dealer online may obtain a signature and dealer code from their local Ford dealer to make them eligible for one of five national scholarships.

AWARD: Up to 500 scholarships available at $1,000 each to be awarded on behalf of participating Ford Truck dealers. Five additional national scholarships at $1,000 each will be available to students who do not have a participating Ford Truck dealer in their area but did obtain a Ford dealer signature and dealer code.

In addition to scholarships, Ford Trucks will provide grants to FFA chapters in each of the six (6) NAAE regions. Qualifying chapters must have a local Ford dealer participating in the scholarship program and a minimum of three (3) applicants for the Built Ford Tough – FFA Scholarship. Visit www.naae.org for more details.

SPONSOR BIO: Ford has been building tough trucks that move and service America since 1908. 2016 marks the 68th year of FFA support by Ford Trucks, Ford Motor Company Fund and participating Ford Truck dealers.

Ford is one of the largest corporate sponsors of scholarships in the National FFA scholarship program. Since 1997, Ford has awarded more than $8,700,000 in scholarships to FFA members.

In addition to collegiate scholarships, Ford supports the chapter grants (described above), the National Association of Agricultural Educators and the National FFA Expo.
ELIGIBILITY: High-school senior or college student pursuing a two- or four-year degree in select agricultural majors, public service and administration in agriculture, welding or diesel mechanics. Applicant must attend a chapter identified by a participating John Deere dealer. Minimum 3.0 GPA on a 4.0 scale required. Applicants must have academic achievement, leadership activities and community service involvement.

AWARD: Up to 150 scholarships available at $2,000 each to be awarded on behalf of participating John Deere dealers.

SPONSOR BIO: Deere & Company is a world leader in providing advanced products and services and is committed to the success of customers whose work is linked to the land. As the face of John Deere, our dealers deliver innovative products of superior quality built on a tradition of integrity.
ELIGIBILITY: Pursuing a two- or four-year degree in any agricultural major, welding, diesel mechanics, non-ag communications, public relations or sales & marketing. Applicants must have participated in community service, demonstrated leadership skills and exhibit financial need.

National FFA Organization Scholarship Office
P.O. Box 68960
Indianapolis, IN 46268-0960

The FFA Mission
FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

The Agricultural Education Mission
Agricultural Education prepares students for successful careers and a lifetime of informed choices in the global agriculture, food, fiber and natural resources systems.

The National FFA Organization is a resource and support organization that does not select, control or supervise state association, local chapter or individual member activities. Educational materials are developed by FFA in cooperation with the U.S. Department of Education as a service to state and local agricultural education agencies.

The National FFA Organization affirms its belief in the value of all human beings and seeks diversity in its membership, leadership and staff as an equal opportunity employer.
