TEST REQUIREMENT FOR CERTIFICATION IN NEW JERSEY

INTRODUCTION

Applicants for New Jersey licensure in subject teaching fields and elementary education must pass the appropriate PRAXIS II Subject Assessment/Specialty Area test(s). The tests are required for all applicants including those applicants who are certificated in other states. Certain teaching fields are exempt as noted on the next page.

Any candidate applying for a certificate of eligibility (CE) on or after September 1, 2015 must meet the basic skills requirement. A candidate may meet the requirement by passing a Commissioner-approved test of basic skills (Praxis Core Academic Skills for Educators: Reading, Writing and Math), or scoring in the top one-third percentile on the SAT, ACT, or GRE for the year the test was taken. The top one-third percentile score for each test, for each year the data is available on the Department's website at http://www.nj.gov/education/educators/rpr/preparation/BasicSkillsExemptionCutScores.pdf.

Applicants for the Speech-language Specialist certificate must pass the Speech-language Pathology Specialty Area test. Effective September 1, 2006 only official score reports will be accepted from Educational Testing Service for the Speech-Language Pathology test. Coding the Department of Education (R7666) and your Social Security number precludes delay in certificate issuance.

Applicants for the Principal certificates must pass the School Leadership Series: School Leaders Licensure Assessment test (SLLA). Applicants for the School Administrator certificates must pass the School Leadership Series: School Superintendent Assessment test (SSA). These tests are part of the School Leadership Series.

It is your responsibility to register for the correct test(s). Carefully check test requirements and test code number listed on the next page to assure registration for the correct test.

PASSING SCORE

Applicants must achieve the current required passing score(s) for certificate issuance. Passing scores are subject to change. It is recommended that undergraduates complete the Praxis test(s) during their junior and senior year.
