Welcome to the State Semifinals
The state semifinals are next up in the OHSAA football playoffs, where 28 teams are now one step away from playing for a state championship in Ohio Stadium December 4, 5 and 6.

In Divisions II through VII, the regional championships last Friday and Saturday included a four-overtime game, five schools winning their first regional title, one school winning its 15th, and one school winning its sixth in a row, which is the longest active streak in Ohio (see later notes). Last week the OHSAA announced how the regional champions in Divisions II through VII would be paired in this week’s state semifinals. Bracket format was three rounds in Divisions II through VII.

In Division I, the state semifinals this weekend are also the regional finals (trophies will be presented) since there are only two regions in Division I and bracket format lasts four rounds instead of three. In Division I, the ‘final four’ includes one school in for the first time, while another in for the 16th time.

All neutral sites are selected by the OHSAA. Note that “neutral site” does not mean that the stadium is located exactly halfway between the two teams. The best available site is selected based on the requirements for all 14 games in the fourth round (see later note).

Unless otherwise noted, Divisions II, III, IV and VI play at 7:30 p.m. on Fridays during the playoffs, while Divisions I, V and VII play at 7 p.m. on Saturdays.

Ticket Information
Fans are encouraged to buy their playoff tickets in advance at the participating schools, which get to keep a percentage of the revenue. For regional playoff games, tickets are $8 presale and $10 at the gate.

In the Beginning... to Seven Divisions
When the OHSAA created the football playoffs in 1972, there were three divisions (called Class A, AA and AAA) and only one playoff qualifier per region (12 total playoff qualifiers). Now in its 43rd year, the postseason includes seven divisions and 224 total playoff qualifiers. Expansion occurred in 1980 to five divisions and two qualifiers per region, and then again in 1985 to four qualifiers per region. In 1994, a sixth division was added, while in 1999, the number of qualifiers per region increased to eight.

Playoff Format and Schedule
In Division I, where there are only two regions, the regional playoffs last four weeks, culminating with the regional finals Thanksgiving weekend (Nov. 28-29). Those two Division I games also serve as the Division I state semifinals. The winner of Region 1 (northern half of the state) will face the winner of Region 2 (southern half of the state) in the Division I state championship game Dec. 6 (time TBA).

In Divisions II through VII, the regionals follow bracket format for three weeks, followed by state semifinal pairings selected by the OHSAA. Of the four divisions that play on their playoff games on Friday nights, one will be selected to play its state championship game on Thursday, Dec. 4.

Note on Neutral Sites
Neutral sites are selected by the OHSAA for the second, third and fourth rounds. There are many factors that go into determining neutral sites, such as quality of field surface, seating capacity, quality of stadium lighting, size of locker rooms, press box size, parking spaces available, and a separate locker room for officials. After all those factors are considered, the sites must be confirmed that the site is available and willing to host a playoff game on the date needed.

Setting Up the State Championships
In a new procedure started in 2013, the game time assignments for the state championship games will not be announced until after the state semifinals. This is due to one state championship game being played on Thursday night, Dec. 4. Of the divisions that play on Friday nights during the playoffs (II, III, IV and VI), one will be selected to play its state championship Dec. 4 at 7:30 p.m. The schedule for the state championship games is as follows:

Thursday, Dec. 4
7:30 p.m. – Either Div. II, III, IV or VI

Friday, Dec. 5
10 a.m. – Either Div. II, III, IV or VI
3 p.m. – Either Div. II, III, IV or VI
8 p.m. – Either Div. II, III, IV or VI

Saturday, Dec. 6
10 a.m. – Either Div. I, V or VII
3 p.m. – Either Div. I, V or VII
8 p.m. – Either Div. I, V or VII

State Championships Tickets and Ohio Stadium Policies
All-session ticket packages for the state championship games in Ohio Stadium went on sale last summer and are available from the Greater Columbus Sports Commission (www.ColumbusSports.org) and TicketMaster.com. A $105 all-session ticket package includes a ticket to all seven games in a chair-back seat and access to the Huntington Club in the stadium between games. An $84 all-session ticket is available without a chair back or access between games. Single-session tickets will go on sale November 30.

Ohio Stadium policies and information regarding RV parking passes and suite rentals is posted at:

Championship Games Return to Ohio Stadium
After hosting the OHSAA state championship games in Columbus throughout the 1980s, natural grass was installed in Ohio Stadium in Columbus in the spring of 1990 and the OHSAA was asked to move its football state championship games to another location. The OHSAA found a home in Stark County, with Canton Fawcett Stadium and Massillon Paul Brown Tiger Stadium sharing the state championship games for the last 24 years.

The current four-year contract for the OHSAA football state championship games includes two years at Ohio Stadium in 2014 and 2015. The first two years of the contract (2012 and 2013) had the games remain in Stark County (Canton and Massillon). Of note, the most recent bid by Columbus was the first that included all the games in Ohio Stadium. There is currently no contract in place for the football finals after 2015.

Noting the Div. II Through VII Regional Champions
Coldwater (Div. V) and Trotwood-Madison (Div. III) added to their successful history in the regional finals. Coldwater won its sixth-straight regional title, while Trotwood won its fifth in-a-row. Coldwater’s streak is the longest active streak in Ohio. The state record for consecutive regional titles is nine set by Newark Catholic (1980-88) and Cleveland St. Ignatius (1991-99). Only four other schools have ever won five straight regional titles, including Cincinnati Archbishop Moeller (5), Mogadore (6), Steubenville (5) and Versailles (5).

Speaking of Trotwood, the Rams won their regional title over Wapakoneta in four overtimes. Only four other OHSAA playoff games have ever gone to four overtimes. The record is a five overtime game in the 1997 Div. IV state championship game, which German-town Valley View won over Akron Manchester, 31-24.

Five schools won their school's first regional championship in football over the weekend, including Olentangy and LaSalle in Div. II, Athens in Div. III and Lucasville Valley and Defiance Tinora in Div. VI. In fact, LaSalle had not won a playoff game before this season.

In addition, Hudson (Div. I) is in the state semifinals for the first time.

Building on History
See pages 10-16 in this release for the playoff histories of all teams remaining in the playoffs, including state semifinal appearances.

Additional State Semifinal Notes Coming Monday
Check the OHSAA’s football playoff coverage page at www.OHSAA.org on Monday afternoon for additional notes and match-up information for the 14 state semifinal games.
State Semifinal Appearances
With wins over the weekend, Cincinnati Archbishop Moeller (Div. I) and Steubenville (Div. IV) are now both in the Top 5 all-time for state semifinal appearances. Newark Catholic owns the record with 24, while Youngstown Cardinal Mooney has 17. Moeller is now tied with Mogadore with 16 each and Steubenville has 15. Please see pages 10-16 for all 28 teams' state semifinal history.

State Semifinal Match-Ups by Seed, Rank and Record
The 28 state semifinalists had the following seeds when the playoffs began: No. 1 (12), No. 2 (6), No. 3 (5), No. 4 (3), No. 5 (1, Huber Heights Wayne), No. 6 (Cincinnati Archbishop Moeller). Of note, Wayne and Moeller play each other on Saturday.

There are two state semifinal games that pit two teams that were both No. 1 seeds in their region. They include Lewis Center Olentangy vs. Cincinnati LaSalle in Div. II and Canton Central Catholic vs. Columbus Bishop Hartley in Div. V.

Eleven of the 14 games in the state semifinals include two teams that were both ranked in the Top 10 of the final Associated Press poll. Two games include a pair of Top 5 teams, including No. 2 Lewis Center Olentangy vs. No. 3 Cin. LaSalle in Div. II and No. 2 Glouster Trimble vs. No. 5 Norwalk St. Paul in Div. VII.

MAC Builds on Success
The highly successful Midwest Athletic Conference has three league members in the state semifinals, including Coldwater in Div. V, Minster in Div. VI and Maria Stein Marion Local in Div. VII. With three victories last weekend, the MAC is now 47-13 against non-MAC schools in OHSAA regional championship games. The MAC went 5-1 in the first round of the playoffs and is now 56-2 in first round playoff games against non-MAC schools since the playoffs expanded to eight qualifiers per region in 1999. (The two losses include a Versailles loss to Lima Central Catholic in 2005 and a Delphos St. John’s loss to Arlington in 2014.) The MAC currently owns 107 various OHSAA state championships.

Playoff Streaks
Coldwater owns the longest active streak of qualifying for the playoffs at 18-straight years. In fact, the Cavaliers have been to the state championship game the last five years. Newark Catholic owns the record with eight straight title game appearances (1980-87) followed by Cleveland St. Ignatius with six in a row (1991-96). The second-longest active streak is held by Mogadore at 16-straight playoff years. The all-time longest streak of consecutive years making the playoffs is 22 years by Cleveland St. Ignatius. That streak started in 1988 and was broken in 2010 when the Wildcats did not qualify for the playoffs. St. Ignatius returned to the playoffs in 2011 and won the Division I state title.

Defending State Champions
Six of the seven defending state champions were back in the playoffs this year and five have advanced to the state semifinals. They include Cincinnati Archbishop Moeller (Div. I), Akron St. Vincent-St. Mary (Div. III), Coldwater (Div. V), Kirtland (Div. VI) and Maria Stein Marion Local (Div. VII).

Proving the Pollsters
All 70 teams that appeared in the Top 10 of the final Associated Press state poll qualified to the playoffs. In fact, all of them except five earned a home playoff game in the first round, with the five road teams being Youngstown Cardinal Mooney and Johnstown-Monroe in Division IV and McDonald, Spencerville and Jeromesville Hillsdale in Division VI.

Last year, 12 of the 14 of the state finalists were ranked in the final AP Top 10 regular-season poll (all but Youngstown Cardinal Mooney in Div. IV and Trotwood-Madison in Div. II). Last year, three schools that won the final regular-season poll title won state championships, including Akron St. Vincent-St. Mary (Div. III), Kirtland (Div. VI) and Maria Stein Marion Local (Div. VII).

First Round Success
Two schools have an amazing success rate in the first round of the playoffs. St. Henry is 15-0 all-time in first-round playoff games, while Cincinnati Colerain is 17-0, although one of its first-round games (1995) was later forfeited. In addition, three schools won their first nine first-round playoff games before losing, including Germantown Valley View, Mogadore and Newark Licking Valley.

First Round Hosts Go 88-24
In the first round of the playoffs the host schools (higher seeds) went 88-24. In Divisions II through VII, the No. 1 seed 24-0, the No. 2 seed 17-7, the No. 3 seed went 18-6 and the No. 4 seed went 19-5.

In Division I, three double-digit seeds won in the first round, with the biggest upset coming when No. 16 seed West Chester Lakota West toppled No. 1 seed Centerville. No. 12 Canton GlenOak and No. 10 Cincinnati Colerain also won.

Last year in the first round of the playoffs, the home teams went 80-32. Three No. 8 seeds won at the No. 1 seed, 24-0, the No. 2 seed 17-7, the No. 3 seed went 18-6 and the No. 4 seed went 19-5.

Joining the AP Top 10 regular-season poll (all but Youngstown Cardinal Mooney in Div. IV and Trotwood-Madison in Div. II). VII).

Thank You Stark County!
When natural grass was planted in Ohio Stadium in the spring of 1990, the OHSAA football state championships were asked to find a new home. For the last 24 years, that home was in Stark County, where the finals were hosted at Massillon Paul Brown Tiger Stadium and Canton Fawcett Stadium. Both stadiums were ranked in the Top 10 in a 2009 ESPN national feature of the best high school football stadiums in the country.

Making History
Entering the 2014 season, 88 OHSAA member schools had never made the football playoffs. Ten of those schools became first-time playoff qualifiers this year and three of them advanced to the second round before bowing out of the playoffs, including Jamestown Greeneview (Div. V), Van Buren (Div. VI) and Fort Recovery (Div. VII). Other playoff newcomers this year that lost in the first round were Grove City Central Crossing in Division I, LaGrange Keystone, Port Clinton and Cleves Taylor in Division IV, Cincinnati Shroder in Division III, Cleveland Benedictine in Division II, and Piqua - Darke County and Midpark in Division VI.

First-Time Qualifiers in First Playoff Game Since 1999
Since 1999 when the number of regional qualifiers was expanded to 32 teams per division and the first-round game has been played at the higher seed, 209 schools have made their school’s first playoff appearance. In those games, the playoff newcomers went 26-23 (.531) when playing at home, 19-128 (.129) when playing on the road and 3-10 (.231) when playing at a neutral site.

Welcome Back
Three schools qualified to the playoffs this season after taking a long hiatus. They included Bay Village Bay, which made its last playoff appearance in 1993, and Lorain, which last tasted in the playoffs in 1984 when there were two Lorain city high schools (Admiral King and Southview) and Admiral King made the playoff that year. In addition, recently consolidated Berea-Midpark was in the playoffs for the first time, building playoff appearances by Berea (last in 1992) and Midpark (last in 2000).

Last year, Norwalk was back in the playoffs for the first time since winning a state championship in 1974, which marked the longest gap between playoff appearances of 2013 postseason participants.

Week 10 Movers
While many teams entered Week 10 of the regular season needing to win to stay in the playoff field, there are 19 schools that were outside the playoff field last week but moved into the postseason when the final computer ratings came out Sunday. The teams in bold have advanced to the third round.

Playoff Games on TV
SportsTime Ohio (STO) and Time Warner Cable (TWC) are the official television partners of the OHSAA and will televise several playoff games every weekend. STO and TWC will announce their playoff selections by around noon on Mondays during the playoffs. Their coverage of those games is exclusive and some games will be shown live. STO will televise the state championship games live.

Statewide Regular-Season Offensive Stat Leaders
The OHSAA will once again compile a list of statewide regular-season offensive stat leaders. Media are asked to email their local area stat leaders to tstried@ohsaa.org.

Before the Playoffs...
Historians have found that most years since 1895, the media or a specific organization named an Ohio high school football state champion. The Associated Press began its polls in 1947 and the OHSAA created the playoffs in 1972. The research of mythical state champions dating back to 1895 has been compiled at: http://www.ohsaa.org/sports/ft/boys/OhioHighSchool-StateChampions1895-1946.pdf

Football State Championships Returning to Columbus
After 24 years in Stark County, the OHSAA football state championship games will return to Ohio Stadium on the campus of The Ohio State University in 2014. The championship games were hosted in Ohio Stadium throughout the 1980s but needed to find a new home in 1990 when natural grass was installed in the stadium. The championship games will be in Ohio Stadium in 2014 and 2015, with the location for the games beyond 2015 to be determined.

More on why the finals are returning to Columbus:

OHSAA Radio Network Set for Football Championships
The OHSAA Radio Network will broadcast all seven football state championship games. The broadcasts are free for stations to carry and can result in reduced or waived broadcast fees for local stations throughout the playoffs. Program logs are created for each game so local stations can insert their own inventory if they desire. Contact Tim Stried or visit www.ohsaa.org/news/Radio/radiohome.asp.

Broadcast Crews: Play-by-play announcers include Paul Keels, David Wilson and Scott Leo. Color analysts include Jim Lachey, Justin Zwick, Matt D’Orazio and Chris Vail.
