Chevron Recreation Website
Retiree Discounts

Many CRA Members have inquired about the availability of discounts on cell phone services that are offered by Verizon, AT&T and Sprint. Good news, Chevron has agreed to extend these discounts to retirees. A discount is in place for Sprint, and Chevron expects to have the Verizon discount available starting in May. Chevron and AT&T are actively working to offer discounts to all eligible retirees. Currently, AT&T continues to provide discounts to individuals who were previously enrolled in their discount program. To access the Sprint cell phone discount and shortly the Verizon discount you should visit the Home Page of the Chevron Recreation website, http://chevrec.mybigcommerce.com, and click on Corporate Purchase Programs (copy of the Home Page is enclosed).

If you’re looking for other savings opportunities you should explore the Chevron Recreation website. The website provides access to discounts through Chevron’s Corporate Purchase Program, PerkSpot and other offers that Chevron makes available to employees and retirees. These discounts apply to major purchases as well as savings opportunities on everyday items. Just visit the website and start exploring the possibilities that exist. For help with navigating the Chevron Recreation website and the PerkSpot website please refer to the enclosed document which is titled Chevron Recreation Website, Site Navigational Aid.

Some of the types of discounts that are available include vehicle purchase programs, travel packages, electronics equipment, plus many other items. One of our members saved $1,000 when he purchased a Ford Escape. In addition to the many existing discounts, Chevron is always looking for additional savings opportunities. Retirees enjoy most of the discounts that are available to employees. In some instances the discounts are restricted to employees, e.g. admission fee to the Oakland Museum.

To avail yourself of certain discounts, like a cell phone discount, it will be necessary for you to produce evidence that you are a Chevron Retiree who is eligible for Chevron Medical Plan coverage. The vendors have agreed to accept a copy of the Confirmation of Elections letter that was sent to you confirming your Medical Plan election for the next calendar year. The Confirmation would have been sent by the Chevron HR Service Center.

If you have any questions about the Chevron Recreation website please contact me or Vicki Werner, Chevron Recreation Coordinator. My contact information is shown below; and Vicki’s phone number is (925) 680-3795 and her email address is vawe@chevron.com.
