GENERAL REQUIREMENTS

This program is available to pregnant women. To be eligible, you must be a Kansas resident. You also must be a US citizen or eligible non-citizen. If you are not an eligible non-citizen you may be eligible for a program called SOBRA. SOBRA may provide coverage of emergency services, including labor and delivery.

FAMILY SIZE

Your family size is usually determined by your income tax unit. Your unborn child is also included. Your family size may also include your parents if you are a minor or they claim you as a tax dependent.

ASSETS

We don’t count resources or assets for this program.

INCOME

The income of all individuals in your family size is counted. This includes wages from a job, self-employment, unemployment benefits, and Social Security (except SSI). This may also include your parents if you are a minor or if they claim you as a tax dependent.

INCOME STANDARDS

The monthly countable income of your family is compared to the monthly income standards listed below, which are based on family size. If the income is below the appropriate standard, you would qualify for medical coverage.
