This is a specimen label and may be inaccurate or out of date. It is intended as a guide in providing general information regarding use of this product. Always read and follow the EPA approved label on the product container.
For Effective Control of Commensal Mice and Rats

Kills warfarin-resistant Norway rats and house mice. Rodents may consume a lethal dose in one feeding with first dead rodents appearing four or five days after treatment begins.

ACTIVE INGREDIENT

Brodifacoum
3-[3-(4'-bromo-[1,1'-biphenyl]-4-yl)-1,2,3,4-tetrahydro-1-naphthalenyl]-4-hydroxy-2H-1-benzopyran-2-one

0.005%

INERT INGREDIENTS

99.995%

TOTAL

100.000%

EPA Reg. No. 10182-335
EPA Est. No. 2393 WI-1

This product is protected by US patent numbers 3957824 and 4035505, which are the property of Ward Blenkinsop and Company Limited.

Please read the entire label and follow all use directions and precautions.

NOTE TO PHYSICIAN OR VETERINARIAN:

This product may reduce the clotting ability of the blood and cause hemorrhaging. If poisoning occurs, intramuscular and oral administration of vitamin K1 are indicated, as in poisoning from overdose ofbishydroxycoumarin. For human cases, vitamin K1 is antidotal at doses of 10 to 20 mg (not mg/kg). For animal cases, vitamin K1 is antidotal at 2 to 5 mg/kg. Repeated doses may need to be given up to two weeks (based on monitoring of prothrombin times). In severe cases, a blood transfusion may be necessary.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and wildlife. This product can pose a secondary hazard to birds of prey and mammals. Keep out of any body of water.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Do not reuse empty container except for holding additional TALON Rodenticide.

STORAGE: Store in original container only in a dry place inaccessible to children and pets.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Dispose of bait container in a sanitary landfill or by incineration if allowed by State and local authorities. Wrap empty or used bait packs in newspapers and discard in trash.
