GENERAL ELIGIBILITY AND ENROLLMENT INFORMATION

Enrollment and Eligibility

You are eligible to participate in the Flexible Benefits Program if:

• You are a full-time regular employee who works at least 30 hours a week and are expected to work for at least nine months. Employees who work in a sheltered workshop or work transition program, contingent employees, temporary employees, and student employees are not eligible.
• You are a public schoolteacher, working at least 17.5 hours, and employed in a professionally certified capacity, working half time or more and not considered a “temporary” or “emergency” employee.
• You are an employee of a local school system holding a non-certificated position. You must be eligible to participate in the Teacher’s Retirement System (TRS) or its local equivalent, and you must work a minimum of 20 hours a week (or 60% of the time necessary to carry out the duties of the position, if that’s more than 20 hours).
• You are an employee of a local school system working at least 15 hours (or 60% of the time necessary to carry out the duties of your position, if that’s more than 15 hours) and you are eligible to participate in the Public School Employees’ Retirement System (PSERS).
• You are an employee of a county or regional library and work at least 17.5 hours per week.
• You are deemed eligible by Federal or Georgia law.

If you aren’t sure whether you’re eligible, contact your Human Resources Payroll Office.

Dependents Eligible For Coverage

Eligible dependents include:
• Your legal spouse
• Your dependent child/ren who are under age 26.
• Your dependent child/ren who are age 26 or over, and who are incapable of self-sustaining employment by reason of mental incapacity or physical disability.
• Dependent child/ren are defined as you or your spouse’s natural or legally adopted child/ren. To verify eligibility of newly added dependents, you must provide supporting documentation (i.e., birth certificate, marriage certificate), if requested.

Benefit Salary

Your Benefit Basic Rate includes your base salary and salary supplements that are regular, non-temporary, and not more than the amount on which retirement contributions are calculated - is reflected on GaBreeze and remains constant for the entire plan year. It is calculated on your date of hire or the Benefit Calculation Date. Any adjustments to the Benefit Salary, with the exception of errors (as determined by the Plan Administrator), shall be reflected on the following Benefit Calculation Date, to be effective for the following Plan Year. Promotions, demotions, adjustments due to certifications are not deemed to be errors. Benefit Salary is the pay used to calculate your pay-based coverage for or pertaining to employee life, AD&D, and disability.

Benefits are a part of your Total Rewards. Please note the Benefits Base Rate as of October 1, may be different from your regular salary. The “Total Rewards” website accessed through the GaBreeze site, has been enhanced and is now updated on a
monthly basis. To check out the new site, go to: http://teamgeorgia.gov and click on MY BENEFITS then FLEXIBLE BENEFITS to access the GaBreeze site. Then look in the upper right hand corner for the link to “Your Total Rewards.”

Pre-Tax Premiums Help You Stretch Your Dollars

The Flexible Benefits Program allows you to save on taxes while you pay for your benefits. Pre-tax premiums reduce your taxable income...and your taxes. That’s because premiums for most of your insurance options, health benefit options, and spending account contributions are taken out of your paycheck before federal and state income taxes and Social Security (FICA) taxes are withheld.

This means your taxable income is lower and so are your taxes. It also means you have more in your paycheck - or more to spend on benefits than you would if you paid the same premiums with after-tax dollars.

Important Information

If you are a new employee look carefully at the Flexible Benefits with a one-time opportunity

• New Hire Electronic Enrollment
  You will receive an enrollment worksheet mailed to your home address to prepare you to enroll. You can select your benefits using the employee website, GaBreeze. ga.gov or by accessing the Team Georgia Connection (www.team.georgia.gov) by clicking Flexible Benefits under the My Benefits tab or calling the GaBreeze Benefits Center at 1-877-342-7339.

• Dental
  There is a 6 month waiting period for Major services under the Select Plan and a 6 month waiting period for Major and Ortho services under the Select Plus plan. The DHMO option does not have waiting periods or late enrollment penalties, but you must use a DHMO network provider. Go to www.cigna.com for a list of DHMO network providers.

• Spending Accounts
  Your paycheck reductions for the spending accounts will start the 15th of your first full calendar month of employment. For monthly payrolls, the full reduction will be taken once a month after your first full calendar month of employment. Your total contributions to each account are prorated by the number of months you participate in these options up to the maximum monthly amount allowed for each account. Once you enroll, you may submit claims for services incurred on or after the first of the month after you have completed one full calendar month of employment.

• Long-Term Care
  You have a one-time opportunity to sign up for long-term care insurance without providing medical underwriting.

• Employee Life, Spouse Life and Child Life
  You have a one-time opportunity to choose some levels of employee and spouse life insurance coverage without providing medical underwriting. Please see Employee, Spouse, and Child Life section for specific limits.

• Employee Specified Illness and Spousal Specified Illness
  You have a one-time opportunity to sign
up for the Specified Illness guaranteed levels up to $30,000 without providing medical underwriting. Coverage for children is included with the Employee Benefit.

You have a one-time opportunity to sign up for the Spousal Specified Illness guaranteed level up to $30,000 without providing medical underwriting.

• Disability
   During your new hire eligibility period there is a one-time opportunity to sign up for long-term disability coverage without providing medical underwriting. If you do not sign up within this 30-day new hire eligibility period, you will need to complete an Evidence of Insurability Form and long-term disability coverage will not become effective until your Evidence of Insurability is approved by Standard Insurance Company (The Standard).

   During your new hire eligibility period there is a one-time opportunity to sign up for short-term disability coverage without being subject to a late entrant waiting period (Late Enrollment Penalty). If you do not sign up within this 30-day new hire eligibility period, you will be subject to the Late Enrollment Penalty.

• Other Coverage
   There are no medical underwriting requirements at any time for legal insurance, AD&D, spending accounts, or vision benefits.

After You Enroll For Coverage

Be sure to consider your options carefully when you first enroll. If you decline or drop some of your State coverages and want to pick them up again another year, you may have to prove insurability through medical underwriting to be covered again, or have longer waiting periods to receive full benefits.

When Coverage Begins

If you are a new employee, your benefit selection(s) and any necessary forms must be completed no later than 30 days after your hire date. Your coverage will begin on the first day of the month after you have completed a full calendar month of continuous employment.

Coverage for new options selected during Annual Enrollment will begin on January 1st of the following year, as long as you have met all contractual and administrative requirements.

Your new spending account reductions begin on the 15th of the month; other premiums are taken at the end of the month (for semi-monthly pay periods). These dates may not apply if your department has a different pay schedule. Please check with your Human Resources Payroll Office for more information. See specific plan descriptions for information about when your coverage begins.

Confirming Your Choices

You are responsible for the benefit selections you choose
• By entering selections on the GaBreeze website
• By calling the GaBreeze Benefits Center and verbalizing your selections

It is very important that you confirm your selections prior to the end of the
enrollment period and ensure that you print your Confirmation Page. The choices confirmed at the end of the enrollment period are the valid choices for the entire Plan Year. The Confirmation Statement does not guarantee your coverage in some benefit coverages that require additional information. If you have not completed and submitted the required additional forms/information by your selected plan, the choices shown on your Confirmation Statement may not be valid.

Compare your paycheck statements with your Confirmation Statement. It is your responsibility to notify your Human Resources Payroll Office immediately if there is an error. Deductions should match the confirmed choices. Any changes to your benefit selections must be in accordance with IRS §125, Employee Benefits Plan Council rules, regulations and approved by plan administrators.

To Change Your Decisions at Annual Enrollment

Every Annual Enrollment you can change your benefit decisions based on benefits available and are right for you. Remember, this is an annual agreement to allow the State to purchase some benefits for you through pre-tax or post-tax premiums. You will not be able to change these benefit decisions until the next Annual Enrollment unless you have a qualifying change in status as described in the terms and conditions.

For new hires, if you have made your benefit decisions on the GABreeze website and wish to make a change within your 30 day window, you will need to contact the GABreeze Benefits Center at 1-877-342-7339.

To Change Your Decisions Outside Annual Enrollment

• Qualifying Change in Status Event
   In general, the Internal Revenue Service prohibits you from changing coverage elections, or enrolling in or canceling coverage under the Flexible Benefits Program outside of Annual Enrollment. However, the rules of the Internal Revenue Service and the Employee Benefits Plan Council do permit you to change coverage, enroll, or cancel coverage in certain limited circumstances, if the change corresponds to a qualifying change in status event.

   The Employee Benefits Plan Council has the responsibility to interpret these rules and make the final decision as to whether you may enroll or change coverage outside of the Annual Enrollment period.

   Your request for enrollment or a change in coverage under the Flexible Benefits Program must be entered on the GABreeze website or by calling the GABreeze Benefits Center within 30 days after the qualifying event. There will be no refund of premiums paid into the plan when a timely change is not made.

   For a list of possible change in status events that might permit you to change one or more coverages under the Flexible Benefits Program, please refer to the Terms and Conditions in this booklet.

   Generally, any changes will go into effect the first of the month following the request when the payroll deduction is changed to reflect your new choices. For some benefits, however, when you change coverage based on the acquisition of
dependents, the coverage effective date for the new coverage may be retroactive to the date of the acquisition of the dependent in some circumstances, or may be the first of the month following the request to change coverage.

Continuation of Benefits During Unpaid Leave, Retirement or End of Employment

• Unpaid Leave
  When you go on leave without pay, you will receive a bill to pay for coverage from GaBreeze. If you do not continue paying premiums for coverage, your benefits will be cancelled and you may be subject to penalties and waiting periods. You may be required to wait until the next Annual Enrollment period to re-enroll. Be sure to review each Plan Description for each option. Exceptions: Family Medical Leave (FML) and Military Leave.

• Retirement
  It is the responsibility of the employee to contact the provider directly within the required timeframe to continue coverage for Employee/Spouse/Child Life, AD&D, Long-Term Care, Long-Term Disability, Employee/Spouse Specified Illness, or Legal Insurance. If you retire and are currently enrolled in dental, your coverage will continue automatically. If you wish to cancel your dental coverage, you will need to contact the GaBreeze Benefits Center. For Vision and Health Care Spending Account (HCSA), you may continue through COBRA.

• Ending Employment
  If you leave active State employment and then return during the same plan year and within a 30-day period, your previous choices will remain in effect unless you report a qualifying change in status event. If you leave active State employment and return in the same plan year outside a 30-day period, you will be treated as a new hire and must make new elections. If you retired and are a rehire returning to a benefits eligible position, you must re-elect dental in order to continue coverage.

Cigna Dental Care ® (DHMO) Plan

Cigna Dental Care® (DHMO) plan makes it easy and affordable for you to take care of your dental health.

- No deductibles to pay before you can use your plan
- No annual dollar maximums to limit benefits
- No claim forms to file
- No ID cards required to receive care
- No age limit on sealants to prevent cavities
- No referrals required to visit a network orthodontist or for children under 7 to visit a network pediatric dentist

The Cigna DHMO is available to employees in metropolitan Atlanta, Augusta, Cartersville, Lawrenceville, Macon, Savannah and Valdosta areas. With the Cigna DHMO, you’ll know exactly what you pay (“copays”) for covered services – even for specialty care with a referral approved for payment. Just choose a general dentist from the Cigna DHMO network at enrollment and visit that dentist for all your dental care needs. Network dentists aren’t allowed to charge you more than the co-pay amount for covered services. Most preventive services such as exams, x-rays and cleanings, are covered (frequency limits may apply). Dental treatments such as fillings, crowns and root canals are covered at reduced, fixed co-pays.

Keep in mind, there is no out-of-network coverage with a DHMO plan; but finding a network dentist near you is easy when you use the “Provider Directory” at www.cigna.com and click on “Find a Doctor” at the top of the screen. Then select “if your insurance plan is offered through work.” Next, click “Find a …Dentist.” Enter the geographic location you want to search - city, state or zip code. Click on “Select a Plan,” and select “Cigna Dental Care HMO” under the Dental Plans section. Then, press choose. Your covered family members can each choose their own general dentists. After you enroll, you can change your general dentist anytime - online or by phone.

- Cigna Dental Oral Health Integration Program®
  It’s a program that reimburses out-of-pocket costs for specific dental services used to treat or help prevent gum disease and tooth decay. The program is for people with certain medical conditions that may be impacted by dental care. The only requirement is that you’re currently being treated by a doctor for heart disease, stroke, diabetes, head and neck cancer radiation, maternity, chronic kidney disease or organ transplant.

Important Information for Select and Select Plus Options

If a current employee selects dental for the first time, they and any eligible dependents will be required to meet the six (6) Month Wait Period for Type III and Orthodontia services (for adults and children under the Select Plus Plan).

If an employee switches from the Select to the Select Plus option, they and any eligible dependents will be required to meet the six (6) Month Wait Period for Type III
and Orthodontia services (for adults and children under the Select Plus Plan).

Delta Dental Select and Delta Dental Select Plus

• Your Choices
  Select and Select Plus Options with Delta Dental

• You may go to any dentist

• If you visit a Delta Dental PPO network dentist, they accept reduced fees for covered services provided, so you’ll usually pay the least when you visit a PPO network dentist. This also ensures Delta Dental PPO dentists won’t balance bill you the difference between the contracted amount and their usual fee.

• If you visit a non-Delta Dental dentist, they can balance bill you the difference between the amount of benefits payable by Delta Dental and the dentist charge for that service.

• Note: Orthodontia services for adults and dependent children are available through the Select Plus Plan only.
Vision

Vision coverage is available through Blue Cross Blue Shield of Georgia with two plan options – Vision Select Plan and Vision Select Plus Plan. Both plans offer these features:

• covered exams and materials
• Statewide access to a network of panel providers
• No claims to file for “in-network” benefits
• Benefits for “out-of-network” providers

The Blue Cross Blue Shield or Georgia Vision Care participating provider network includes private practice ophthalmologist, ophthalmologists and retail chains. Many providers – including retail chains – are open evenings and weekends. Participating retail chain providers include LensCrafters, Target Optical, JCPenney Optical, Sears Optical, Walmart, Pearle Vision and 1-800-Contacts. To locate participating private providers:

Just go to www.bcbsga.com
• Click Find a Doctor
• Choose your state (GA)
• Scroll down to Vision and select Blue View Vision

Your Plan Options

• Vision Select Plan

The Vision Select Plan covers standard single vision and standard lined multifocal lenses for glasses. Cosmetic lens options such as tinting, UV coating, transitional lenses, etc., are not covered, but are provided to Blue Cross Blue Shield of Georgia Vision’s members at a savings below normal retail charges.

Certain standard contact lenses, including daily wear, and up to 4 boxes of standard single vision disposable contacts are covered in full for your co-payments. Under the Vision Select Plan, if you purchase contacts that are not among Blue Cross Blue Shield of Georgia Vision’s “covered in full” selection, you will receive an annual $105 allowance toward the purchase of contact lenses, and professional fees (i.e., fit and follow-up).

To receive the full $105 allowance under the Vision Select Plan, you must receive your exam, fitting and evaluation at a single visit to the same network provider. The allowance will only apply to one purchase per plan year. You must submit all receipts at the same time. Any balance remaining and not used during the plan year when the purchase occurred will be forfeited.

• Important Information for the Vision Select Plan

Benefits are provided every Calendar Year for exams, lenses and/or contacts and for frames measured from the last date of service. The out of network allowance for contact lenses will be $105.

Note: Benefit service limitations are calculated on a calendar year. Example: if you receive exam services in March, you will be eligible to receive another exam in January of the following year.

If you chose covered Non-Elective Contact Lenses or Elective Contact Lenses, no benefits will be available for covered eyeglass lenses in that period.

Employee, Spouse, Child Life Insurance, and Accidental Death & Dismemberment

Important Information If You Are A New Employee

• Employee Life, Spouse Life and Child Life
  You have a one-time opportunity to choose some levels of employee and spouse life insurance coverage without providing medical underwriting. Please see Employee, Spouse, and Child Life section for specific limits.

Please be advised
No paper Statement of Health form will be mailed for the employee and/or the spouse to complete. An online pre-registration process will need to be completed for a spouse requiring medical underwriting before the Statement of Health form will be available online.

• Employee, Spouse, Child Life, and Accidental Death & Dismemberment
  The State of Georgia’s Life insurance options are offered by MetLife. MetLife has the expertise to help you understand your life insurance needs and the financial strength that you can count on.

Your 2016 Annual Enrollment

• Employee Life Coverage – you may elect up to ten times your pay to a maximum benefit of $2,000,000
  • Premium Waiver – provides continuation of Employee Life without further premium payment if you become disabled

• Will Preparation Service – allows you to consult in person or via phone with a participating Hyatt Legal plan attorney who will complete a will, living will or power of attorney for you and your legal spouse

• Estate Resolution Services - gives your beneficiaries the support of a Hyatt Legal plan attorney, in-person or via telephone, to discuss matters related to probating your estate

• Employee Life Insurance with MetLife
  If you want life insurance protection or you want to supplement the protection you already have, you may choose group term life coverage under the Flexible Benefits Program. The life insurance amount you choose is paid to your beneficiaries if you die while this coverage is in effect. Your beneficiaries are the persons you name to receive your life insurance benefits.

Available Coverage Amounts

• one times your pay
• two times your pay
• three times your pay
• four times your pay
• five times your pay
• six times your pay
• seven times your pay
• eight times your pay
• nine times your pay
• ten times your pay

If you are a newly eligible employee, you may elect Employee Life Insurance at one (1) times through Ten (10) times your Benefit Salary, up to a maximum of $2,000,000. If you apply for an amount of insurance in excess of (1) times your pay or $200,000, you will be subject to medical underwriting (Evidence of Insurability).
If you are an eligible active employee, you may elect to increase your current coverage amount, however you will also be subject to medical underwriting (Evidence of Insurability). If you are age 65 or older, the amount of your life coverage is reduced.

**Spouse Life Insurance with MetLife**
If you choose employee life insurance for yourself, you may also choose spouse life insurance coverage for your spouse. Spouse life insurance premiums are based on the coverage level and employee’s age. Premiums for spouse coverage are after-tax. However, if you are age 65 or older, the amount of your spouse life coverage is reduced.

Spouse Life coverage cannot exceed 100% of your amount of Employee Life coverage.

You are the beneficiary of spouse life insurance coverage and will receive the insurance benefit in the event of your spouse’s death.

If you are a newly eligible employee, you may elect $30,000 or less of spouse life coverage without medical underwriting. If you have spouse life coverage and elect to increase the amount, your spouse will be subject to medical underwriting (Evidence of Insurability).

**Child Life Insurance with MetLife**
If you choose life insurance for yourself, you may also choose child life insurance coverage for your child(ren). Child life insurance premiums are after-tax.

Your children are eligible for coverage if they are under age 26.

Child life coverage can be elected without medical underwriting.

Important Notes about Child Life:
The child coverage begins at live birth. Coverage from live birth to 6 months is the lesser of the elected amount or $6,000. From 6 months of age to age 26, the full amount elected applies.

- Child Life coverage cannot exceed 100% of your amount of Employee Life coverage.
- You are the beneficiary of child life insurance coverage and will receive the insurance benefit in the event of the child's death.

**Accidental Death and Dismemberment Insurance with MetLife**
The Flexible Benefits Program offers accidental death and dismemberment (AD&D) insurance to be paid to you or your beneficiary if your injury or death is the result of a covered accident. In case of the permanent and total disability benefit under AD&D, you are eligible for the benefit if your injury prevents you from working at any job for which you are qualified by education, training, or experience.

Available Coverage Amounts
- one times your pay
- two times your pay
- three times your pay
- four times your pay
- five times your pay
- six times your pay
- seven times your pay
- eight times your pay
- nine times your pay
- ten times your pay

The coverage maximum is $2,000,000. If you are age 75 or older, the value of your coverage is reduced.
• **Important Notes about Employee, Spouse, Child Life and AD&D Insurance**

The life and AD&D insurance amounts you choose will be based on your Benefit Salary as of October 1. This amount is rounded up to the next higher $1,000, after you multiply your coverage and adjust for age reductions.

If your coverage selection requires medical underwriting, you will need to complete the online MetLife Evidence of Insurability Form along with any other required information. An approval by MetLife must be made before coverage can be in effect.

Be sure to designate your beneficiaries by accessing the GaBreeze web site or calling the GaBreeze Benefits Center. Also, you can change and update your beneficiaries at any time.

Please be advised

No paper Statement of Health form will be mailed for the employee and/or the spouse to complete. An online pre-registration process will need to be completed for a spouse requiring medical underwriting before the Statement of Health form will be available online.

Short and Long-Term Disability

To help provide income protection against the unexpected, the Flexible Benefits Program allows you to choose:
• Short-Term Disability insurance and/or
• Long-Term Disability insurance.

Short-Term Disability with The Standard
If you choose short-term disability (STD) coverage, this plan will work in coordination with other income benefits to replace 60% of your Benefit Salary (in effect during the Plan Year the disability began) up to $1000 per week. If you receive other benefits (including but not limited to workers’ compensation, other disability plans and/or programs including the State retirement systems, earnings from work you perform while disabled) that total 60% or more of your Benefit Salary, the short-term disability plan will not pay a benefit for this disability.

Your Options
• Seven (7) Day Benefit Waiting Period
• Thirty (30) Day Benefit Waiting Period

How STD Works In general:
A late enrollment penalty will apply for late entrants to the STD plan (employees who do not elect STD within 30 days of employment).
Your STD benefits are calculated on the Benefit Salary that is in effect during the Plan Year your disability began, less other income benefits. For example, if your first day of disability is December 3, 2015, your disability benefit will be calculated from the 2015 Benefit Salary, not your 2016 Benefit Salary. The 2015 Benefit Salary is based on your weekly rate of earnings in effect on October 1, 2015, or your hire date, if after this date.

Your STD benefits can continue until you recover, cease to be disabled, or are disabled for a maximum of 150 calendar days or a maximum of 173 calendar days (depending on the coverage level you have chosen).

What Is A Late Enrollment Penalty For Late Entrants?
An employee choosing coverage for the first time more than 30 days after beginning employment is considered a late entrant. For STD late entrants who become disabled due to physical disease, pregnancy, or mental disorder during the 12-month period after the date your STD insurance becomes effective, benefits will not begin until after you have been continuously disabled for 60 days, unless you have been insured for at least 12 consecutive months. For STD late entrants whose disabilities begin after this 12 month period, benefits will start after the benefit waiting period (7 or 30 continuous calendar days, as applicable) is satisfied.

When changing from the 30-day Benefit Waiting Period to the 7-day Benefit Waiting Period, your Benefit Waiting Period for a disability resulting from physical disease, pregnancy, or mental disorder will be extended to 30 days, until you have been insured under the 7-day Benefit Waiting Period for at least 12 consecutive months. This does not apply to accidental injuries.
• **Enrolling For Short-Term Disability Coverage**
  Your premiums will be based on your age, coverage level and Benefit Salary. This premium is an after-tax deduction. You won’t pay taxes on the benefits you receive.

  **NOTE:** You should check with your agency, Human Resources Division, and/or manager concerning leave usage policies when disabled. Agency policy may impact your eligibility to receive Short-Term Disability benefits.

• **Long-Term Disability with The Standard**
  The Flexible Benefits Program’s Long-Term Disability (LTD) coverage works with other benefits you are eligible to receive, including but not limited to Social Security, Workers’ Compensation, other disability plans benefit and programs, including the State retirement systems. The plan assures that your combined disability benefits and income from other sources will equal 60% of your Benefit Salary up to $5,000 per month. There is a minimum benefit of $100.00.

• **How Long LTD Benefits May Be Payable?**
  If you qualify for benefits, they will begin after you have been disabled for 180 calendar days. LTD benefits end when you are no longer disabled or you reach your Social Security Normal Retirement Age. Benefits for disabilities caused by mental disorders, substance abuse and other limited conditions will not be paid for more than two years. If you become disabled after reaching age 61, an age-graded maximum benefit period will apply.

  **NOTE:** For claims initiated prior to January 1, 2014, benefits will end when you are no longer disabled or reach age 65.

• **Enrolling For Long-Term Disability Coverage**
  Your cost for long-term disability coverage is based on your age, your FICA Status, Benefit Salary, and whether or not you are eligible for disability coverage through any State of Georgia retirement plan, and/or through Social Security.

  LTD premiums are paid with after-tax dollars. Any benefits you receive are not considered taxable income.

  Note that other exclusions and limitations apply to these coverages. Refer to the Certificates of Insurance for more information.

  If you have any questions about eligibility or how the short-term and long-term disability insurance plans work, call The Standard at 1-888-641-7186.
Long Term Care

Long-Term Care with Unum
Long-Term Care refers to a wide range of personal care, health and social services for people of all ages who suffer a chronic disease or long-lasting disability. These services can be provided in a nursing facility, an adult day care center or at home, and can involve some nursing care. The cost for this kind of care is very high. Home care can be as much as $20,000 per year, and nursing home care can range in cost from $20,000 to $60,000 annually. Generally, you pay these expenses out of your own pocket, because medical insurance and Medicare do not cover long-term care.

• Your Long-Term Care Options
You can choose from one of three daily benefit levels and the corresponding monthly premium that is right for your needs and budget. The amount of the benefit depends on two factors: where the long-term care is provided - either in a nursing facility, or home/day/assisted living facility - and the daily dollar level of the coverage you have selected. With any of these daily benefit options, benefits are paid on a monthly basis. The monthly benefit is equal to 100% of your elected daily benefit amount for care provided in a state-licensed nursing home facility, and 60% of your elected daily benefit amount for care provided in an assisted living facility or at home. If you wish, you can add on a reduced paid-up option and/or an inflation protection option.

• Who Can Be Covered
This plan is offered to you, your spouse, your parents or your parents-in-law. “Parents” are biological (natural), adoptive, or step-parents of eligible employees or spouses. Your spouse, parents and parents-in-law will have to complete a medical underwriting process and be approved to be accepted for LTC coverage. Your family members’ premiums will be billed directly by the insurance company. Your payroll deduction will be for your individual coverage only. You can elect spouse or family coverage even if you do not enroll.

• When Benefits Are Paid
Benefits begin after a 90-day elimination period in which you or a covered family member has an eligible physical or cognitive disability. You qualify for benefits if the disability creates a need for you to receive continual help from another person to carry out any three of the six activities of daily living. The activities of daily living are: bathing, dressing, toileting, transferring, continence and eating. Benefits from long-term care insurance are not taxed when you receive them.

• Please note: A pre-existing condition limitation will apply to coverage purchased on a guaranteed issue basis. It will not apply to coverage that is medically underwritten. If a pre-existing condition limitation applies, and loss is caused by, contributed to or results from a pre-existing condition present six months prior to the effective date of the coverage, and occurs during the first six months after coverage begins, no benefit will be payable until both the six-month period and the waiting period have been fulfilled.
• **About Your Premiums and Enrolling**
  You pay for your LTC coverage through the convenience of payroll deduction with after-tax dollars. Premium costs are based on your age as of the Benefit Calculation Date (October 1) or your hire date, whichever is later. Your family members’ premiums are based on their age as of the date they apply for coverage. Their premiums will be sent directly to Unum, not deducted from your payroll. The younger you are when you purchase this coverage, the lower your premiums.

If you are a new employee and enroll in LTC insurance during your initial enrollment period, you may select LTC with no medical underwriting requirements. If you are a current employee enrolling in LTC for the first time or an employee who is currently enrolled and want to increase your benefit level, add options, or are re-enrolling after discontinuing coverage, medical underwriting will be required. Coverage for your spouse and other eligible family members will be medically underwritten. For more information about long-term care coverage, learn more at http://unuminfo.com/sog or call Unum at 1-888-SOG-FLEX (1- 888-764-3539).

- You cannot carry over expenses that you have incurred in one plan year into the next plan year for reimbursement.
- Claims should only be submitted after services have been provided.
- You may submit claims at any time for any amount, but payment will not be made until your claims total $25 or more. Reimbursement may be by check or by direct deposit to your bank account.
- You receive a bi-monthly statement showing how much you have in each account.
- You cannot transfer money from one account to another.

- Reimbursements are issued on a daily basis.
- Spending account claims for the 2015 Plan Year (January 1 - December 31, 2015) must be faxed or mailed with correct documentation and postmarked on or before April 30, 2016.

Important Note: Please be aware there is a significant change to the FSA plans. If you have a current contribution elected for the plan, it will not automatically rollover into the new plan year. You must make an election if you want to contribute to the FSA plans for the 2016 Plan Year.

Dependent (Child) Care Spending Account (DCSA)

Also, expenses for dependents of any age who are unable to care for themselves because of a physical or mental handicap are eligible. A person qualifying for this type of care must spend at least eight hours a day in your home. Elderly dependent care may include your cost to send a dependent parent to an elderly daycare facility or to have someone to care for them in your home. If you are married, both you and your spouse must be working or a full-time student during the time the care is received. Your income tax return (long and short forms) will require you to include your dependent care provider’s name and tax number or Social Security number.

- If either you or your spouse earns less than $5,000 a year, you can deposit as much as the smaller of your two incomes.
- If your spouse is either a full-time student or incapable of self-care, you may deposit up to $3,000 for one dependent, or $4,992 for two or more dependents.
- If you are married but file a separate federal income tax return, you may deposit a maximum of $2,500 to your dependent (child) care spending account.

Health Care Spending Account (HCSA)
The Health Care Spending Account (HCSA) helps you save tax dollars on the health-related treatment received by you and your family.

Debit Card
When you enroll in a Health Care Spending Account, you'll receive a VISA® Spending Account Card for purchases of eligible healthcare expenses. You will automatically receive a card, along with information about the card and how it can be used. You may request up to 4 additional cards with your spouse or dependent’s name on it, for a fee of $5.00 per card. If your card is lost or stolen, you may request another card for a fee of $15.00. For additional cards, call ADP at 1-800-893-0763.

Keeping Receipts
Remember, you must keep your receipts since some transactions may require validation by SHPS GaBreeze.

Grace Period of 2½ Months
Employees have an additional 2½ months to spend the money in their Health Care Spending Account. This means qualified expenses may be reimbursed for services provided through March 15th. Employees will have until April 30th to send their claims to ADP for reimbursement. Remember, if a claim is mailed, the envelope must be postmarked by April 30th. The fastest way to get claims to ADP is to fax them at 1-866-643-2219.

To best take advantage of this grace period, plan only for expenses you expect to have for the 12 month period. If you do not use all of the money you contributed, you can then use it in the grace period.

Important note: The IRS does not allow participation in Health Care Spending Accounts and Health Savings Accounts.

TERMS & CONDITIONS

The Flexible Benefits Program is offered by the Employee Benefits Plan Council and participating departments and authorities. The Flexible Benefits Program is governed by the Internal Revenue Code, section 125, and rules issued by the Employee Benefits Plan Council. The Flexible Benefits Program provides you with a method to have your employer purchase benefits with money that would have been paid to you. You do not receive the premium amounts and contributions for the pre-tax options you select as taxable income (and therefore do not pay taxes on that amount); you do receive the benefits as an employer paid benefit. The election is a binding salary agreement. Failure to comply with all contractual and administrative requirements will result in any excess salary reductions being retained by the Plan. The following statements apply to the benefit options listed on the Annual Enrollment web site.

1) Your participation in the Flexible Benefits Program is voluntary. You are not required to choose any of the options. If you do not wish to participate in these benefits, select ‘no coverage’ in each benefit category.

2) Some coverage levels available to you and the premium amount for each coverage level may be calculated using your retirement salary, your age, your eligibility for disability retirement benefits, and FICA status on your date of hire or the Benefit Calculation Date, whichever is deemed appropriate by the Plan Administrator. Any adjustments to the Benefit Salary, with the exception of errors (as determined by the Plan Administrator shall be reflected on the following Benefit Calculation Date, to be effective for the following Plan Year.) Promotions, demotions, adjustments due to certifications are not deemed to be errors. Any errors in these items should be reported to your personnel or payroll office immediately.

3) The calculation of tax savings does not take into consideration any other income earned by employee or family members, income reduction program such as Deferred Compensation or Tax Sheltered Annuities, or any changes you may make in coverages for the upcoming year.

4) By selecting coverages and indicating contributions to Spending Accounts, you are agreeing that your agency may reduce your taxable income by the amount necessary to purchase those coverages and make those contributions. Except in certain circumstances, the amount of income reduction may not be changed until the next enrollment period.

5) For dependent and/spousal coverage, it is your responsibility to notify the GaBreeze Benefit Center if the person ceases to be eligible to participate in the Plan. There will be no refund of premiums paid into the Plan, when a timely change is not made.

6) After this enrollment period you may become a participant or make changes in some coverages only under limited conditions in accordance with the rules of the IRS code, the Employee Benefits Plan Council. The Employee Benefits Plan Council has the responsibility to interpret these rules and make the final decision as to whether you may enroll or change any coverage outside of the enrollment period. Your request for enrollment or a change outside of the enrollment period will only be considered if you submit the proper documentation within the timeframe allotted. Your request for enrollment or a change in coverage under the Flexible Benefits Program must be done by calling the GaBreeze Benefit Center or on the website within 30 days. A list of events that might permit you to enroll or change one or more coverages under the Flexible Benefits Program:

   a) You gain or lose a spouse; or
   b) You gain (no time limit if due to judgment, decree or order) or lose an eligible dependent; or
   c) Your spouse or dependent becomes eligible for or loses coverage under another employer’s plan, COBRA or a governmental plan; or
   d) An event causes your dependent to gain or lose eligibility for coverage under your employer’s plan; or
   e) Your change of residence causes you or your spouse or dependents to gain or lose eligibility for coverage under your plan or another employer’s plan; or
   f) The cost of your dependent care increases or decreases significantly and your dependent provider is not related to you, your spouse, or your dependent; or
   g) Your spouse’s employer increases, decreases or ceases coverage, or conducts open enrollment; or
   h) Your spouse’s employer terminates, changes or ceases coverage, or conducts open enrollment; or

7) This salary agreement will be terminated if you change the agreement during the next enrollment period. If you do not change the agreement, your benefit choices will rollover in the next Plan year or default to a specified coverage with the exception of the Flexible Spending Accounts.

8) If you are eligible to participate in the Plan, you terminate and are rehired within 30 days during the same Plan Year, you must maintain the same options.

9) Options and coverage under the Flexible Spending Accounts are set forth in the Flexible Benefit Plan Document. For all other benefits under the Flexible Benefits Program, the options and coverage levels offered conform to policies provided by the insurance company making the offer. By selecting an option and coverage level you agree to abide by the terms and conditions of that policy.
10) Contributions to Spending Accounts are voluntary. You should not participate in Spending Accounts until you thoroughly read the sections of the Enrollment Booklet related to Spending Accounts. By choosing to contribute money to one or more Spending Accounts you are agreeing to abide by the Rules of the Employee Benefits Plan Council related to Spending Accounts. In particular, you are agreeing to the following provisions:

a) Money contributed to the Health Care Spending Account cannot be used to pay claims for the Dependent Care expenses. Money contributed to the Dependent Care Spending Account cannot be used to pay claims for the Health Care expenses.

b) In general, the amount contributed for a Dependent Care Account cannot be greater than the earned salary of you or your spouse, whichever is less.

c) If you are married filing separately, the amount contributed for a Dependent Care Account cannot be greater than $2,500.

d) The validity of a claim against a Spending Account is determined in accordance with the Plan, Internal Revenue Code, and IRS regulations as interpreted by the Administrator subject to the appeal provisions of the Plan.

e) Any money not reimbursable to you will be forfeited to the Flexible Benefits Program. Forfeited money will not be returned or paid to the employee but will be used to reduce the costs associated with providing this benefit.

f) For the Spending Accounts, eligible expenses will be reimbursed in accordance with the Rules of the Employee Benefits Plan Council and the IRS code.

g) For the Dependent Care Spending Account, you will not be reimbursed for more than the Plan has received from your department on your behalf.

h) If you decide to activate and use the Spending Account debit card, you agree to abide by all requirements as indicated in the cardholder’s agreement received with the card.

11) By selecting the Specified Illness Benefit, you are agreeing to the following:

a) I am asserting that to the best of my knowledge and belief, the answers to the questions on the application are true and complete. They are offered to Continental American Insurance Company as the basis for any insurance issued. It is understood and agreed that coverage will not become effective unless I am actively at work on the date of enrollment and the effective date of coverage.

b) I understand and agree that no benefits are payable for loss starting or occurring within 12 months of the effective date of coverage which is caused by, contributed to by, due to or resulting from a Pre-existing condition, unless I have gone 12 months without medical care, treatment or supplies for the Pre-existing condition.

c) I realize that any false statement or misrepresentation may result in loss of coverage under the certificate. I understand that no insurance will be in effect until approved by Continental American Insurance Company and the necessary premium is paid. Any person who, with intent to defraud or knowing that he is facilitating fraud against an insurer, submits an application or files a claim containing a false or deceptive statement may be guilty of insurance fraud.

d) I authorize my employer to deduct the appropriate amount from my earnings and to deduct and pay Continental American Insurance Company the premium required thereafter each month for my insurance.

12) Other terms and conditions:

a) If you choose not to participate or choose not to continue coverages, your ability to enroll at a later date will be subject to contractual provisions, which may include medical proof of insurability or limited coverages.

b) If you failed to enroll in options requiring medical underwriting when first eligible and you choose new or increased levels of coverage, you must complete the medical underwriting process and be approved.

c) If you choose coverage under the Life Insurance options and the Accidental Death and Dismemberment options, the same Beneficiary election information will be used. If a beneficiary is not named, the beneficiary will follow the order stated in the policy.

d) If you select more than $50,000 under the Life Insurance option, you may choose to pay the premium with after-tax dollars to avoid having to pay imputed income; this will eliminate any tax savings on the life insurance premium.

13) In the event of an administrative error with respect to the Flexible Benefits Program, decisions will be made in accordance with the Internal Revenue Code, and the Rules of the Employee Benefit Plan Council for the Flexible Benefits Program.
