FABRIC AND WORKMANSHIP
We combine traditional handcrafted expertise with advanced technology. Top trending fabrics along with proven winners are tested for quality and durability. Tailoring is skilful and precise on innovative designs with above industry standard warranties.

ENVIRONMENTAL GREEN SOYA FOAM
ALL of our styles incorporate luxurious eco-friendly foam and are manufactured without CFCs (chlorofluorocarbons), using highly resilient 1.8 lb to 2.5 lb. density. Decor-Rest foam consist of natural soya oils, fresh, abundant, domestically grown and sustainable, for a smaller environmental footprint.

ZIPPERS
Zippers are on all toss cushions, inside backs and seats. Seat cushions have a home pocket for all zipper tags.

WEBBING
Reinforced webbing suspension on outside arm and outside back. Great value to you!

SINUOUS SPRINGS BACK
All backs are also sprung with 12 gauge No-Sag sinuous springs construction!

INSIDE BACK
All our upholstery has unique channelled backs and are filled with siliconized fiber which prevents flattening or shifting.

SINUOUS SPRINGS SEATING
All seating is sprung with 8 gauge No-Sag sinuous spring construction. 5 springs per seat, plus an unique SLING SPRING on all sofa/loveseats provide extra support. Springs are attached to the North American hard wood with polyresin spring clips to prevent metal on metal squeaking.

WEBBING
Reinforced webbing suspension on outside arm and outside back. Great value to you!

HARDWOOD FRAMES
Designed and engineered from select, air dried North American maple or birch hardwood. Corners are double-doweled, corner blocked, glued and secured with screws. Extra centre leg (where necessary).

STABILIZER BARS
Warp free stability. Extra support for front and back rails. Exceptional durability!

ARMS
Arms are padded for ultra comfort.

TOSS CUSHIONS
Blown dacron fiber or water fowl feather encased in a 100% cotton twill are used in all our zippered toss cushions. All of our 24” water fowl feather toss cushions has unique channelled backs which prevents flattening or shifting.

DECKS
Full covered decks with the body fabric. Our decks are padded demonstrating our attention to detail.

WEBBING
Reinforced webbing suspension on outside arm and outside back. Great value to you!

SINUOUS SPRINGS BACK
All backs are also sprung with 12 gauge No-Sag sinuous springs construction!
