Food cupboards help meet emergency food needs. Each cupboard operates as a neighborhood volunteer unit covering a specific area and receives support from its local churches and funders.

Each has a well defined set of rules for eligibility, with referrals generally made through the local clergy or social agencies. Most agencies do not serve individuals who are alone.

Those needing assistance should call during the times stated for specific instructions.

Those who wish to DONATE food or money can do so by calling the nearest community food cupboard.
