Medicare Advantage Plans

- Medicare Advantage Plans, sometimes called Part C or MA Plans are offered by private companies approved by Medicare. If you join a Medicare Advantage Plan, you still have Medicare and will pay your Part B premium. However, you will get your Medicare Part A and Part B coverage from the Medicare Advantage Plan, not Original Medicare.

- Medicare Advantage plans cover all Medicare services and may provide extra coverage for vision and dental etc.

- State of Tennessee retirees 65 and older will elect Original Medicare or a Medicare Advantage plan.
