Welcome to TUSD! In the pages that follow, we are pleased to provide you with information about the TUSD Benefits package.

- **If you are a newly hired benefits eligible employee or an employee returning from a Governing Board approved Leave of Absence**, please review all information and complete your benefit enrollment in the TUSD Employee Self Service Portal. The portal will open 30 days prior to your Benefits Effective Date (your benefits effective date is the 1st of the month following 30 days of employment (or return from a Governing Board leave). If you do not complete your online enrollment by your deadline, you will be auto-enrolled in Basic Life and EAP only, and will have to wait until Open Enrollment unless you experience an IRS approved qualifying event.

- Remember that establishing and maintaining good overall health is the best medical plan of all. If you enroll in a TUSD medical plan, please register at [www.myuhc.com](http://www.myuhc.com) once you receive your medical plan ID card in the mail. You will find wellness programs and tools in the My Personal Health Suite area.

- Want a more personal experience? You can take advantage of free health coaching, access to Global Fit discount gym memberships, participate in the TUSD HealthStakes Million Dollar drawings, and other wellness activities from the Wellness Council of Arizona team for TUSD. You may also visit the TUSD Wellness website to learn more: [www.tusd1.org/wellness](http://www.tusd1.org/wellness).

TUSD also provides an Employee Assistance Program (EAP) at no cost to employees and their family members for confidential short-term counseling needs. EAP services are available any time of the day or night and same day appointments are often available. EAP services can be used for just about anything that affects an employee’s mental health including stress, depression, or financial and legal concerns.

Sincerely,

Janet Underwood

Third Party Services

United Healthcare is the third party administrator and is responsible for administering TUSD’s medical benefit claims, answering benefit inquiries, and handling other routine administrative functions.

What is A Third Party Administrator (TPA)?
A Third Party Administrator (TPA) applies benefits on claims according to the Plan Document.

What is the difference between an insurance carrier and a Third Party Administrator?
An insurance carrier provides a standard benefit program, charges a premium, and pays claims. Since TUSD’s medical plan is self-funded, a TPA is needed for claims processing.

Having a self-funded plan allows TUSD to tailor benefits to better meet the needs of employees and their dependents, keep plan designs more competitive and manage costs more effectively. In today’s environment of rising health care costs, larger companies find that self-funding gives them more control over benefits offered and costs less than traditional medical insurance products.

How does this affect me?
If you enroll in the medical plan, please be sure to watch for your ID card to be delivered to your home address, and present your new ID card to your doctors and pharmacists for services rendered after your benefits effective date.

United Healthcare’s Customer Care Center is available to answer your questions about the plan benefits or to provide information concerning the status of your claims Monday through Friday, 7:00am to 6:00pm Mountain or 8:00 AM to 5:00 PM Pacific. You can contact the Customer Care Center at 1-844-234-7917 or log onto the TUSD customized website at www.myuhc.com.

United Healthcare is dedicated to providing excellent customer service to all participants and providers.
New Employee -Technology Information (Login and Web Access)

- You will log on to a District computer the first time with your 6-digit employee ID as the username and the password will be the last 4 digits of your Social Security number with your 4-digit year of birth (i.e. 10101960). You will be prompted to change your password at this time. For security reasons, do not share your password with anyone else.
- Your email, Microsoft Outlook, will be available once you log on.
- You will have access to the TUSD intranet and the Internet for District information
  - The intranet is the District’s internal website and can only be accessed from a District computer.
    - Allows you to view and/or print paystubs
    - Update personal information (address, phone number, etc.)
  - The Internet has District information, including TUSD web email Employee Self-Service. They are accessible from home or any computer that has Internet access.

Access From Home
If you have Internet access from your computer at home, you can check your TUSD email using Outlook Web access and/or Employee Self-Service access.
Connect to the Internet through your Internet Service Provider (ISP) and then follow these directions to access your TUSD email and Employee Self-Service from your home computer.

- Open your Internet Browser
- In the Address or Location text box, type: [http://www.tusd1.org](http://www.tusd1.org)
- Click on the word, EMPLOYEES

- In the YOUR QUICK LINKS box, click on either the TUSD Email link or the Employee Self-Service link.

If you have questions or concerns, please call the Technology Services Help Desk at 225-6333.
Special Note regarding the Affordable Care Act (ACA): Active employees can enroll in the ACA Marketplaces, regardless of the availability of employer health coverage. While federal premium subsidies are available in all ACA Marketplaces, eligibility for those subsidies depends on several factors. First, the household income of the individual must be less than 400% of the federal poverty level. However, individuals eligible for employer coverage are only eligible for Marketplace subsidies if additional requirements are met. Active employees and their dependents are not eligible for Marketplace subsidies if they are eligible for an employer plan that satisfies both affordability (employee contribution for self-only coverage is less than 9.5% of household income) and minimum value (value of at least 60%).

- **Am I eligible for coverage?**
  
  You are a TUSD Benefits-Eligible employee if:
  
  - you work at least 30 hours per week (full-time)
  - you meet the ACA definition of having worked an average of 30 hours per week in your 12-month measurement period (if this applies to you, Benefits will contact you)

If you are eligible for TUSD benefits, you are also eligible to enroll your eligible dependents. If you acquire an eligible dependent after you have submitted your forms, you may be able to enroll them based on a permissible mid-year status change. The list of permissible status changes and eligible dependents is available in this handbook. Note that you have 30 days from the event date of a change such as marriage, divorce, child reaches maximum age, etc. to make changes.

- **Section 111 of the Medicare, Medicaid and SCHIP Extension Act of 2007 (MMSEA),**
  
  - This is a federal law that became effective January 1, 2009. It requires that group health insurers, claims processing third-party administrators, and certain employer self-funded/self-administered plans report specific information about Medicare beneficiaries who have other group coverage.

- **Are my insurance premiums taken on a pre-tax basis?**
  
  - Section 125 of the Internal Revenue Code allows employers to offer a cafeteria plan and deduct premiums before taxes are calculated. Deducting premiums with pre-tax dollars means that the cost of your premium is taken from the paycheck before federal, state and Social Security taxes are calculated. Not all coverage is available for pre-tax. At this time, pre-tax applies to medical, dental and vision coverage.
  
  - Payment of premiums on a pre-tax basis means that the employee has signed on for a salary reduction agreement in accordance with the Internal Revenue Service. As such, you are not permitted to make changes to your coverage elections outside of Open Enrollment, unless you experience a permissible mid-year status change.
Coverage Effective Dates

- **When does my insurance begin or end?**

**Begin Dates:**

- **New-hires** – insurance elections are effective the first of the month following 30 days of employment.
- **Open Enrollment** – insurance elections and changes are effective on the first day of the plan year.
- **Permissible Mid-Year Status Change** – effective on the 1st of the month following receipt of the completed TUSD Enrollment/Change form and all required and supporting documentation.

**End Date:**

- If you separate from the District (i.e. resignation, retirement, Governing Board leave of absence), your benefits will terminate at the end of the month in which the qualifying event occurs (and a refund of any overpayments will be issued to you) unless your separation date is in May, June, July or August:
  - If you separate from the District (i.e. resignation, retirement in May, June, July or August), your benefits will terminate at the end of the Benefits Plan Year on August 31st. NO refunds will be issued.
  - Be sure to complete and submit the TUSD Intent to Separate form to Human Resources. The form can be located at [http://www.tusd1.org/tusdforms/documents/HR1005IntentToSeparate.pdf](http://www.tusd1.org/tusdforms/documents/HR1005IntentToSeparate.pdf)

- **Alert!** You must turn in ALL company property (keys, ID badge, laptops, etc.) to School Safety/Key Control. See the Payroll section for information on how your last paycheck is handled.
Summer Coverage, Other Coverage, Making Changes, Leave of Absence

- **Will I have insurance coverage during the summer?**
  Yes. Since all premium payments are collected by the end of the school year, your benefits remain in effect for the summer even if you resign or retire in May, June, July or August.

- **If I already have medical insurance through another company, can I still elect TUSD medical?**
  If you elect medical insurance through TUSD, then this coverage will be your primary insurance. **Please be aware:** If you elect insurance with TUSD and have insurance through another company (e.g., with your spouse’s employer), Coordination of Benefits may apply.

- **I have Medicare or another health insurance plan. How will my medical benefits be affected if I enroll?**
  If you enroll in TUSD medical coverage, it will be considered “primary.” You should contact Medicare or the other health insurance company directly to determine how enrolling in the TUSD plan may affect your other coverage. You will have to determine if its beneficial to enroll in medical coverage with TUSD if you have Medicare or another health insurance plan.

- **What is a permissible mid-year status change?**
  A status change is a change to an employee’s family or employment status. A list of permissible mid-year status changes is included in this booklet.

The Internal Revenue Code Section 125 allows certain changes during the year and then only for certain reasons. Changes must be requested within 30 days of the permissible mid-year status change. For example, if you get married, you have 30 days from the date of marriage to request enrollment of your new spouse on this plan.

- **If I take a leave of absence from work, how do I pay my premiums while I am on leave?**
  For a Short-Term leave of absence and/or a Family Medical Leave of Absence: If you are enrolled in the medical plan, TUSD will continue to pay its portion while you are FMLA eligible. If you remain on Payroll using your accrued time, your premiums will continue to be deducted from your paychecks. **For any premiums not deducted via payroll, we may take the owed deductions when you return, or if necessary, bill you directly. In all cases, all missed premiums must be paid by the due date and before the end of the applicable benefit (plan) year. Contact the Benefits Office if you have questions.**

For a Governing Board leave of absence: Your benefits will be terminated at the end of the month in which your leave is approved. You will receive a COBRA notice (mailed to your home) and may elect to continue your medical, dental, vision and EAP coverage. If you elect, you must pay the COBRA Administrator monthly in order to continue your coverage while you are out on leave. For Life Insurance, you will receive a Conversion & Portability notice from the Life Insurance carrier, which allows you to continue your life insurance coverage on an individual basis, at non-group rates. You may also be eligible for Waiver Of Premium; the life insurance vendor can assist you in these matters.

Upon returning to work from a Board Approved leave, **you MUST re-enroll within your enrollment window (the window is available 30 days prior to your benefits effective date).** You will do this on the TUSD Employee Self Service portal.
Eligible Dependents

- **Eligible dependents can include:**
  - Spouse or Domestic Partner
    - **Spouse** means a person to whom the employee is legally married. A marriage certificate may be required.
    - **Domestic Partner** means an individual with whom the employee meets the criteria defined in the **Affidavit of Domestic Partnership**. The Affidavit must be signed, notarized and submitted to TUSD Benefits Office before your Domestic Partner can be added. Imputed income for the Domestic Partner will apply (post-tax for medical/dental/vision).
      - The Affidavit of Domestic Partnership is available on the benefits website: [http://intranet/hr/ben_forms.asp](http://intranet/hr/ben_forms.asp).
  - Children (to age 26)
    - Natural Children
    - Stepchildren
    - Children of a Domestic Partner (if you enroll your Domestic Partner)
    - *Adopted Children
    - *Foster Children
    - *Guardianship of Children i.e. grandchildren
    - *Court documentation required
  - Disabled Child - Unmarried child who is 26 years of age or older and is mentally or physically disabled (as that term is defined in this Plan); the child is incapable of self-sustaining employment as a result of that disability; and that disability existed before the attainment of this Plan’s age limit. This Plan may require initial and periodic proof of disability.
    - A Dependent Child who is not covered under the Plan but becomes disabled after reaching the Plan’s Dependent age limit is not eligible to enroll as a Dependent under this Plan.
  - A dependent child also includes a child for whom health care coverage is required through a “Qualified Medical Child Support Order” or other court or administrative order, even if the child does not reside within the service area.

*Please note:* in accordance with Internal Revenue Code, once an employee has added or dropped his/her dependents from the insurance coverage (medical, dental and/or vision) no further changes are allowed until a Special Enrollment or Permissible Mid-Year Status Change occurs or until next year’s Open Enrollment period.

**You are not permitted to provide dependent coverage for a spouse, domestic partner or child if they also work for Tucson Unified School District in a benefit-eligible position. During periodic audits, if your enrollment includes an ineligible dependent, we will remove the dependent. No premium refunds will be processed to you.**
Medical Coverage – Differences in Plans

- **What are the differences between the Choice Plus Plan (PPO) and the High Deductible Health Plan (HDHP)?**

**Choice Plus Plan (PPO)** - Members can access health care through providers that are on the plan’s network, as well as those not considered in-network. However, the out-of-pocket expenses will be higher if out-of-network providers are used. Members pay a deductible (separate deductibles for in-network versus out-of-network) before most benefits become payable under the plan, as well as a fixed co-pay after the deductible is met using in-network providers, or a percentage of covered health care costs (called co-insurance) when using non-network providers.

**High Deductible Health Plan (HDHP)** – This is a high deductible PPO plan that allows contributions to a Health Savings Account (HSA). A Health Savings Account (HSA) is a tax-advantaged, personal savings account that works in conjunction with an HSA-compatible health plan. The Optum Bank HSA offers an interest-bearing, FDIC-insured deposit account and the option to invest in mutual funds once the deposit account reaches a minimum balance as defined by Optum Bank. You can use your HSA to pay for qualified medical expenses now or later in life—all tax-free. **NOTE: You may not be eligible for the HSA contribution if you have other coverage that is not also an HSA-compatible plan.**

One great advantage of the HSA is that the money stays with you even if you changes jobs, retire or change insurance plans. There is no ‘use-it-or-lose-it’ provision, as with a Flexible Spending Account. Any unused deposits rollover year after year and can accumulate interest and investment earnings.

An employee can contribute additional pre-tax money to this HSA up to the limit allowed by the Internal Revenue Service. The HSA is only available to employees who elect the HDHP.

The HSA is a Federal program and covered by the Family Protection Act. **This Act does not recognize domestic partnerships even if the state of residency does.** You may enroll your qualified domestic partner in the HDHP, however, you are not allowed, per IRS code, to make deposits to an HSA for your domestic partner or use your HSA funds for expenses incurred by a domestic partner.
**Prescription Coverage, Network, Copay & Co-Insurance**

- **Prescription Coverage is managed by Optum Rx, a United Healthcare company.**
  If you enroll in the PPO Plan, you will pay a fixed co-pay for your medication(s) but this is NOT the case in the HDHP. The prescription may be subject to generic and/or step-therapy restrictions. Medications categories and information is as follows:

<table>
<thead>
<tr>
<th>PPO Plan</th>
<th>High Deductible Health Plan</th>
</tr>
</thead>
<tbody>
<tr>
<td>Generic</td>
<td>$10 co-pay (tier one)</td>
</tr>
<tr>
<td>Preferred Brand</td>
<td>$40 co-pay (tier two)</td>
</tr>
<tr>
<td>Non-Preferred Brand</td>
<td>$80 co-pay (tier three)</td>
</tr>
<tr>
<td>Specialty Medications</td>
<td>$80 co-pay (tier three)</td>
</tr>
<tr>
<td>You pay the FULL cost of the medication until you reach your Deductible. After the Deductible, you pay co-insurance until you reach the Out-of-Pocket Maximum.</td>
<td></td>
</tr>
</tbody>
</table>

**Note:** in both plans, we have established a Zero Copay program for certain generic maintenance medications.

**Mail Order** is also available. Be sure to check prices at different pharmacies – they do not all charge the same amounts. You can also register at the pharmacy carrier website to learn more effective 9/1/2015 at www.optumrx.com.

**Please note:** The member’s total responsibility for out-of-network services can include the deductible (if applicable), co-insurance and the difference between the billed charges and the allowed amount.

- **What is the difference between a co-payment and a co-insurance amount?**
  - A **co-payment** is a cost sharing arrangement in which a member pays a specified charge for a specific service.
  - Co-**insurance** is the portion paid by the member that is a percentage of the service provider’s cost. Co-insurance applies in both the PPO plan and the HDHP.

- **What is an Out-of-Pocket Maximum?**

These are co-insurance costs paid by the member and include the deductibles and medical co-payments. These items are never part of the Out-of-Pockets Maximum: Failure to obtain or follow pre-certification, mental illness and substance abuse, infertility and charges in excess of eligible expenses.

Choice Plus Plan Example: An employee enrolled in employee only coverage will pay all charges for in-network services for hospital-inpatient stay until the $500 deductible has been met, plus 10% of costs after that. Once the out-of-pocket maximum has been met, e.g., $1,000 for an individual, the member does not pay any more (not even medical co-payments). The out of pocket maximum amounts are different based on whether you are enrolled as an individual or with dependents. Beginning 9/01/2014, the deductible and any medical co-pays or co-insurance will apply toward the out of pocket maximum. Beginning 9/01/2015, prescription co-pays will also apply toward the out of pocket maximum.
Bariatric Surgery

BARIATRIC SURGERY AND OTHER INVASIVE TREATMENTS FOR OBESITY MEDICAL COVERAGE

Program is Subject to Change as Needed due to New Medical Breakthroughs, etc.

Coverage for services, procedures, medical devices and drugs are dependent upon benefit eligibility as outlined in the Preferred Provider Organization (PPO) and High-Deductible Health Plan (HDHP) Benefit Options Medical Plan Document/Summary Plan Description.

The Medical Coverage Guideline must be read in its entirety to determine coverage eligibility, if any. The full guidelines are posted at www.tusd1.org.

***THIS IS ONLY A PORTION OF THE GUIDELINES***

Criteria
This section defines criteria set forth by the TUSD Plan to determine whether a service, procedure, medical device or drug is considered medically necessary or experimental or investigational. Bariatric surgery (as listed in paragraph A. 1.) is limited to one procedure in an individual’s lifetime unless determined medically necessary for revision.

Bariatric Surgery:
Bariatric surgery for the treatment of morbid obesity in adults is considered medically necessary with documentation of ALL of the following:

- The surgical procedure is ONE of the following eligible procedures:
  - Adjustable gastric banding (Lap-Band®; Realize™ Band)
  - Gastric Bypass (Roux-en-Y)
  - Biliopancreatic Diversion with Duodenal Switch
  - Sleeve gastrectomy as a sole procedure or in combination with another medically necessary bariatric procedure
- Individual is morbidly obese as defined by ONE of the following:
  - Body Mass Index (BMI)** of 40 or greater
  - Body Mass Index (BMI)** of 50 or greater for biliopancreatic diversion with duodenal switch procedure
- Body Mass Index (BMI)** of 35 or greater with ANY of the following comorbid conditions that are generally expected to be ameliorated (improved), reversed, or limited by this surgical treatment, for any eligible procedure:
  - Cardiovascular disease
  - Coronary artery disease
  - Degenerative joint disease of weight bearing joints
  - Diabetes mellitus
  - Documented sleep apnea
  - Pseudotumor cerebri
  - Gastroesophageal reflux disease (GERD) not responsive to other treatment

** Refer to the BMI Index Table in the guideline

Bariatric surgery is considered medically necessary with documentation of ALL of the following:
1. Diagnosis of morbid obesity for the past consecutive 5 years

2. Individual must provide written documentation of participation in a weight loss program for 8 weeks or longer within 12 months preceding weight loss surgery. Weight loss programs include:
   • recognized commercial weight loss programs, (i.e. Weight watchers, Jenny Craig etc.)
   • nutritional counseling or hospital based weight loss programs.

3. Patient is receiving treatment in multidisciplinary program experienced in obesity surgery that can provide ALL of the following:
   • Surgeons experienced with procedure
   • Preoperative medical consultation and approval
   • Preoperative psychiatric consultation and approval
   • Nutritional counseling
   • Exercise counseling
   • Psychological counseling
   • Support group meetings

4. Individual is 18 years of age or older

5. Individual has no treatable condition that may be responsible for the morbid obesity, e.g., endocrine, metabolic, etc.

Bariatric surgery for the treatment of gastroesophageal reflux disease (GERD) in an individual who has not responded to alternative treatments (e.g., medication, Nissen or other fundoplication, hiatal hernia repair, weight loss) is considered medically necessary if current TUSD guidelines for bariatric surgery are met.
Emergency Room, Urgent Care, Walk-in Clinic, Pre-Existing Conditions, Pre-Certification, Exclusions

- **What is the difference between Emergency Services, Urgent Care and Walk-In Clinics?**
  
  Emergency services are those services required because of unforeseen injuries or acute illness for which a delay in treatment would result in permanent physical impairment or loss of life.

  Urgent care is defined as those services required because of unforeseen injuries or acute illness that require immediate attention. A list of Urgent Care facilities can be located on the UHC website: [www.uhc.com](http://www.uhc.com).

  Walk-In Clinics are available at select CVS and Walgreens locations to provide convenient health care. These clinics offer professional health care providers who can treat common conditions such as strep throat, pink eye, rashes or respiratory illnesses. Most clinics are open seven days a week with extended evening and weekend hours.

- **Are there any pre-existing condition exclusions in the TUSD medical plans?**
  
  No, there are no pre-existing condition exclusions in the Medical Plans. **However, TUSD plans do have a list of services that need to be pre-certified prior to utilization.** Examples of services that need to be pre-certified are MRI’s, CT Scans, and In-Patient surgery. For specific details, please contact United Healthcare or review the TUSD Medical Plan Document at [www.tusd1.org/benefits](http://www.tusd1.org/benefits) under the Medical link.

- **What is not covered under the health plan?**
  
  TUSD will **not** pay benefits for any of the services, treatments, items or supplies described in the section titled “Medical Benefit Exclusions” in the TUSD Plan Documents even if of the following is true:

  - It is recommended or prescribed by a physician.
  - It is the only available treatment for your condition

- **Where can I locate the TUSD Plan Document and Summary of Benefit Coverage (SBC)?**
  
  The TUSD Plan Document can be located at: [www.tusd1.org/benefits](http://www.tusd1.org/benefits), and click on Plan Documents/SBCs.
Early Learning Center

High quality affordable childcare and expert instruction in early learning are now available to Tucson families through TUSD's new Infant & Early Learning Centers (ELC). Tucson families are invited to enroll children ages two to five. Currently, infant care and care for toddlers up through 24 months is available only to TUSD employees.

Our Infant & Early Learning Centers foster positive relationships among children and adults. We provide multiple approaches to serve all learning styles. Our curriculum promotes social, emotional, physical, language, and cognitive development. At our centers, learning takes place in a safe and healthy environment.

The TUSD Infant & Early Learning Centers provide excellent care for our community's young children. The centers were developed to provide quality care to the children of TUSD employees, and now that same opportunity is being provided to all families of the Tucson area. While infant care and care for toddlers up through 24 months is available only to TUSD employees, community members are invited to enroll children ages two to five.

Our east and westside centers provide excellent care for young children.

To register, complete the registration packet and return it to TUSD's School Community Services, at 1010 E. Tenth St., Building B. School Community Services is for family-friendly hours, 7:45 a.m. - 7:00 p.m., Monday through Friday, and 8:00 a.m. to 12:00 noon on Saturdays.

If you have questions about the TUSD Infant & Early Learning Centers, please call the Elementary Leadership Office at 225-6415 or email earlylearning@tusd1.org.

Comparison Chart of Medical Plans (3 pages)

The medical plan comparison charts that follow contain a partial listing of the benefits offered to employees and eligible dependents. Benefits are subject to plan limitations and exclusions. Network providers are those hospitals and physicians contracted with United Healthcare.

While every effort has been made to ensure the accuracy of this chart, in the event of any discrepancy, the legal documents, policies, or certificates of coverage pertaining to the various benefits will prevail.

This summary is not intended to be a complete benefit description.

****Rates subject to rounding in the TUSD system.*****

*HSA Contributions are subject to IRS Annual Calendar Limits.

Examples:
You are an existing employee and are already enrolled in medical.

1. Your cost will be based on using all 12 months of the plan year (September through August).
   For Emp + Spouse, take the monthly Cost above and multiply by 12. ($567.32 x 12 = $6807.84)
   Now take $6807.84 and divide by 20: = Your per pay cost for 20 deductions is $340.92

2. You are a new hire on 10/15/2015. Your benefits are effective 12/01/2015. That means there will be 9 months remaining in the Plan Year. You will take the cost above and multiply by 9. There will be approximately 12 payroll deductions remaining. Emp + Spouse $567.32 x 9 / 12 = $425.49 per pay.
NowClinic® Online Care

Introducing NowClinic Online Care with UnitedHealthcare. With NowClinic online care, you can receive care during your lunch hour or at home when they need it – not just when you can get an appointment. And, because NowClinic is available around the clock, you don’t have to resort to expensive urgent care or emergency room visits. You can use NowClinic online care for acute conditions like bronchitis or a sinus infection; for conditions like allergies, fever or a urinary tract infection; or for common viral maladies, including coughs, colds and the flu. Most conversations take just 10 minutes – and they don’t require a time-consuming drive across town.

How it works

1. Go online to myNowClinic.com
2. Click on the Register/Create Account button
3. Log in and create an account
4. Choose a doctor, then converse like you would in an exam room via webcam, phone or secure online chat
5. Pay online using a credit or debit card when the conversation is complete

A NowClinic virtual visit typically costs about $45 – significantly less than an emergency room or urgent care visit. You will pay for your virtual visits at the time of service.

NowClinic is replacing TeleDoc effective 9/1/2015.

**BEFORE USE OF SERVICES**

You are enrolled in a Delta Dental PPO plus Premier plan. You and your family members may visit any licensed dentist. There are three levels to choose from:

- **PPO Dentist** – Payment is based on the PPO dentist's allowable fee or the actual fee charged, whichever is less.
- **Premier Dentist** – Payment is based on the Premier Maximum Reimbursable Amount (MRA), billed fee, or the fee actually charged, whichever is less.
- **Non-Paying Dentist** – Payment is based on the non-participating dentist Table of Allowance. Members are responsible for the difference between the non-participating dentist Table of Allowance and the full fee charged by the dentist.

**Vision Plan – Avēsis**

**Avēsis Incorporated** is the provider for vision examinations, including the prescription of corrective eyewear where indicated.

**What is the difference between the two Avēsis plans?**

**The Advantage Plus plan**

This plan allows for co-payments when services are obtained from network participating providers. Reimbursement up to certain dollar amounts is allowed for out-of-network benefits.

**The Advantage Discount plan**

Allows you to access services only through a network provider and you pay the discounted fees.

**Limitations**

This plan is designed to cover routine eye examinations and corrective eyewear. It is also designed to cover visual needs rather than cosmetic options. Should the member select options that are not covered under the plan, as shown in the schedule of benefits, the member will pay a discounted fee to the Avēsis participating provider. Benefits are payable only for expenses incurred while the group and the individual member’s coverage are in force.

**Exclusions**

There are no benefits under the plan for professional services or materials connected with or arising from:

1) Orthoptics or vision training
2) Subnormal vision aids and any supplemental testing
3) Plano (non-prescription) lenses or non-prescription sunglasses
4) Two pairs of glasses in lieu of bifocals
5) Any medical or surgical treatment of the eye(s)
6) Replacement of lost or broken lenses, contact lenses or frames, except when the member is normally eligible for services
7) Any eye examination or corrective eyewear required by an employer as a condition of employment
8) Services or materials provided as a result of any Worker’s Compensation Law or similar legislation, required by any governmental agency whether Federal, State, or subdivisions thereof.

**Avesis Plus Plan Benefits**

The following services are available to members who choose to receive services from an Avēsis participating provider:

Avesis Plus Plan (cont’d)

There is a $15 optical materials co-pay (frames and spectacle lenses).

In-Network Benefit
Frame Benefit
The member may choose from a wide variety of frames at the participating provider’s office. The member has the choice of staying within the plan frame allowance* with no additional out of pocket expense.

If the member chooses a frame that is not covered in full by the plan’s frame allowance, then the member would pay a designated co-insurance amount. The co-insurance amount is based on Avesis Preferred Pricing contract with participating providers, and varies by frame.

(*The Avesis plan frame allowance is $50 towards the wholesale cost. This equates to an approximate retail value of $100 - $150 for a covered frame. As with most products, retail prices may vary.)

In-Network Benefit
Spectacle Lenses Benefit
Covered spectacle lenses include a choice of plastic or glass lenses (standard single vision, bifocal or trifocal). If the member chooses to upgrade to specialty lenses (i.e. high index, progressive, etc.) the member would pay a discounted fee to the participating provider.

In-Network Benefit
Contact Lens Benefit

Elective - In addition to the routine eye exam benefit, Avesis provides a $130 allowance applied toward contact lenses and associated professional fees (fitting fees).

Medically Necessary Contacts - Covered in full
Contact lenses would be considered medically necessary for: a) post-cataract surgery; b) keratoconus; c) certain conditions of anisometropia; and d) to correct extreme visual conditions that cannot be corrected with spectacle lenses.

Determination of medical necessity will be approved by Avesis.

In-Network Benefit
LASIK Benefit
Avesis membership provides access to the Avesis preferred pricing through an Avesis participating LASIK surgery center only. On a one-time/lifetime basis, Avesis will apply a $150 allowance toward the cost of LASIK surgery for one or both eyes. This will take the place of all other benefits for that plan period. The remaining charges are the responsibility of the member.

Refractive surgery is an elective procedure and may involve potential risks to patients. Avesis is not responsible for the outcome of any refractive surgery.

Additional Options
Members receive up to 20% savings from Avesis providers on fees for options such as scratch coating, anti-reflective coating, etc.) that are not covered under the Avesis Advantage Vision Care Plan.

Additional Eyewear
After members have received their covered eyewear, additional eyewear savings may still be obtained at the Avesis participating provider offices at already discounted fees. The members would be responsible for payment of the discounted fees directly to the providers.

*The contact lens benefit takes the place of exam, spectacle lenses and a frame for that plan period.

If an Avesis member chooses to receive services from a non-participating provider, the member would pay the provider and submit an itemized statement to Avesis for reimbursement according to the Out-of-Network Reimbursement Schedule.

The member must submit the claim within 3 months from the date of service. When filling a claim, the member must provide the following information: member’s identification number; member’s name; patient’s name; patient’s date of birth; member’s mailing address and the group number. Out-of-network benefits are subject to the same eligibility, availability, frequency of benefits and limitation and exclusion provisions of the plan and are in place of services provided by Avesis participating providers.

**How to use your vision benefits**

When you need to see an eye care professional, simply visit www.avesis.com or call Avesis, Monday through Friday, 7AM to 6PM (EST) at 1-800-828-9341. Avesis' Customer Service Representatives and its website have the most current listing of participating providers. You may also verify eligibility or print ID cards online at www.avesis.com. To use your benefit, simply 1) Select a participating provider. 2) Call up and identify yourself as an Avesis member. 3) Schedule an appointment. 4) Pay the discounted fees.

LASIK - Avesis has contracted with participating providers to offer discounts for LASIK surgery. You may call 1-800-828-9341 for additional information or help in locating a participating provider in your area.

*Note: Refractive Surgery is an elective procedure and may involve potential risks to patients. Avesis is not responsible for the outcome of any refractive surgery.*
Life Insurance and Accidental Death & Dismemberment

Minnesota Life Insurance Company is the provider for Basic Life Insurance/Accidental Death & Dismemberment (AD&D) (District paid) and Supplemental Life Insurance (Employee paid). Both are term life insurance policies. A Minnesota Life Insurance brochure will be available at Open Enrollment meetings or from the TUSD Benefits office. For further information, contact Minnesota Life at (866) 293-6047, or online at www.LifeBenefits.com

What is the purpose of life insurance?
The purpose of life insurance is to provide a cash benefit to the member’s beneficiary after his/her death. Determine the amount of insurance needed by evaluating the beneficiary’s financial obligations and loss of income created by the death.

What is the Basic Life Insurance benefit?
TUSD will provide Basic Life Insurance and Accidental Death and Dismemberment (AD&D) coverage underwritten from Minnesota Life. Employees shall be provided with a term life certificate of insurance:

- Full-Time - equal to the employee’s annual base salary as of the beginning of the benefit year, but not less than $10,000 and subject to a maximum of $200,000.

Basic AD&D insurance pays an additional death benefit in the event of a covered accidental death or a dismemberment benefit for a covered accidental loss of a hand, foot, hearing, speech or sight. Quadriplegia, hemiplegia and paraplegia are also covered.

Is Supplemental Life Insurance available?
Yes. You may elect supplemental life insurance for yourself and your covered dependents (see next sections). The employee must have Supplemental Life Insurance for her/himself in order to elect supplemental life insurance for a dependent child. While Dependents Life Insurance is in effect, each newly enrolled child becomes insured immediately. More than one employee may not insure the same child under the TUSD plan.

Do I have to submit a health application?
A Personal Health Application (PHA) is not required when electing coverage within the “Guaranteed Issue” range. New-hire employees must complete a PHA only if their requested Supplemental Employee Life insurance exceeds the Guaranteed Issue of the lesser of $250,000 or three times their annual salary.

Should you wish to elect coverage above the Guaranteed Issue, the form is available in your new hire packet or on the Benefits Intranet site. You may elect Supplemental Life coverage in units of $10,000, with a minimum of $20,000 and a maximum of $1,000,000; but not to exceed 6 times your benefits base salary, rounded to the next higher multiple of $10,000, if not already a multiple of $10,000.

Accidental Death and Dismemberment
Supplemental AD&D coverage is included in the cost of the Supplemental Employee, Spouse/Domestic Partner and Child Life Insurance. The amount of Supplemental AD&D Insurance will equal the amount of Employee, Spouse/Domestic Partner and Child Life coverage.

Spouse/Domestic Partner Life Insurance
Spouse/Domestic Partner Additional Life Insurance is available in units of $5,000 to a maximum of $200,000, but not to exceed 100% of the employee’s Additional Life Insurance coverage. Upon hire, employees may elect $25,000 of “Guaranteed Issue” for the spouse/domestic partner. Employees must have elected Supplemental Life Insurance for themselves in an amount equal to or greater than the amount elected for their spouses/domestic partners.
A Personal Health Application MUST be completed by the spouse of any employee electing coverage for the first time for their spouse that exceeds the Guaranteed Issue amount, or requesting an increase in coverage for their spouse in a subsequent year.

**NOTE**: An employee cannot have dual life insurance coverage: i.e., covered as a dependent (spouse/domestic partner or child) of another TUSD employee while also employed at TUSD

**Child Life Insurance**
Employees may elect $1,000, $5,000 or $10,000 of Dependent Life Insurance for eligible children. The amount will apply to all eligible children.

**Cost of Life Insurance**
To determine the per pay period cost of insurance, please refer to the Premium Rate chart in this booklet.

**An active work requirement.** This means that for employees who are incapable of active work because of sickness, injury or pregnancy on the day before the scheduled effective date of insurance (including Dependents Life Insurance) or an increase in insurance, their insurance or increase, will not become effective until the day after one full day of active work as an eligible employee is completed.

**Effective Dates**
- Basic Life and Supplemental Life within the Guaranteed Issue range will go into effect on the first day of the month following 30 days of employment.
- Supplemental Life over the Guaranteed Issue amount will go into effect the 1st day of the month following notice from Minnesota Life to TUSD of their approval.
- Child Life Insurance goes into effect immediately once Employee Supplemental Life Insurance is approved.

**What happens to my Life Insurance coverage if I leave TUSD or go on a Board Approved Leave of Absence?**
You may have the ability to port or convert your coverage, depending on your situation. If you are applying for Long Term Disability, you may qualify for a Waiver of Premium. Contact the Benefits Office at (520) 225-6144 for additional information.

**LifeSuite Services**
- **Travel Assistance Services** – Global Rescue provides 24-hour travel assistance, emergency medical and security transport services, and pre-travel resources to employees and retirees covered under the group life insurance plan. The spouses and dependent children of those covered under the group life plan may also access the services. Global Rescue’s services are available when traveling for business or pleasure 100 or more miles away from home. Contact Global Rescue at 1-855-516-5433 (toll free U.S. and Canada), +1-617-426-6603 (international), or visit LifeBenefits.com/travel.
- **Beneficiary Financial Counseling** – Beneficiaries who receive at least $25,000 in policy benefits will be invited to use independent beneficiary counseling services from PricewaterhouseCoopers LLP.
- **Legacy Planning Services** – Employees and dependents can access resources designed to help individuals and families work through end-of-life issues when dealing with the loss of a loved one or planning for their own passing. These resources are available at LegacyPlanningServices.com.
- **Legal Services** – Ceridian provides employees and their dependents telephone access to a national network of 22,000+ accredited attorneys for consultation on simple wills, estate planning documents and other legal issues. Discounts are available for participating attorneys. Contact Ceridian at 1-877-849-6034 or visit LifeWorks.com (user name: will ) (password: preparation).

Services provided by Ceridian, Global Rescue LLC, and PricewaterhouseCoopers LLP are their sole responsibility. The services are not affiliated with Minnesota Life or its group contracts and may be discontinued at any time. Certain terms, conditions and restrictions may apply when utilizing the services. To learn more, visit the appropriate website.
Employee Assistance Program (EAP)

**What is EAP?**
EAP is an Employee Assistance Program that assists employees, dependents and any household members to live healthier, happier lives.

**Jorgensen Brooks Group EAP Services** provides counseling and referrals to help employees, dependents and household members reduce their stress and resolve problems. **What is the cost?**
EAP is a confidential benefit provided by TUSD for benefit eligible employees and their eligible dependents and household members at **no cost**.

**What kinds of issues can I get help with through my EAP?**
Employees and eligible family members can discuss anything that affects their well-being with a Jorgensen Brooks Group Counselor, Legal and/or Financial Advisor. This includes issues such as:

- Depression or Anxiety
- Relationship Conflict
- Workplace Conflicts
- Grief; Death and Dying
- Alcohol Abuse/Drug Abuse
- Stress Management
- Caring for an Elderly Parent
- Domestic Violence
- Financial Difficulties
- Legal Difficulties

**Will anyone find out that I used EAP services?**
No, EAP visits are completely confidential. Meetings with a Jorgensen Brooks Group EAP counselor remain private unless you sign a consent form for a release of information.

**How do I make an appointment?**
Call Jorgensen Brooks Group at (520) 575-8623 Tucson Metro area or (888) 520-5400 outside the Tucson area Monday – Friday 8:00 a.m. to 5:00 p.m. If you are in crisis, Jorgensen Brooks Group counselors are available 24 hours a day, 7 days a week.

To make an appointment for **legal** or **financial** services, please call the Tucson Metro office at (520) 575-8623.

EAP participants may see a Jorgensen Brooks Group provider by appointment regardless of where the employee or dependent.
Short Term Disability (STD) / Leave of Absence

This section is a general enrollment guide/summary of the STD benefits. Refer to the Summary of Coverage on the TUSD benefits website: www.tusd1.org/benefits, and click on Short Term Disability.

**ALERT!** If you are off work more than 10 consecutive work days for a medical or personal reason, you must submit a TUSD Leave of Absence request. You can also apply for Short Term Disability if your absence is due to sickness or injury. You must return ALL company property to the School Safety department if you go on Leave of Absence and Payroll will hold your paycheck until you do so.

- **Who is the provider of the Short-Term Disability insurance?**
  MetLife underwrites the Short Term Disability income protection insurance. Customer Service is (800) 858-6506.

New Employees – as a new employee, you have this initial opportunity to enroll without having to submit a health application (Evidence of Insurability). Should you choose not to enroll at this time, and wish to enroll at a future Open Enrollment period, you will have to submit a health application in order to be considered.

- **What is Short-Term Disability insurance?**
  Short-Term Disability (STD) insurance provides a weekly benefit if the eligible employee cannot work and meets the Definition of Disability. The weekly benefit is equal to 66 2/3% of the employee’s weekly earnings, to a maximum of $2,500 per week. Benefits may be payable for up to 26 weeks, subject to continuing medical certification as requested by the carrier.

  Remember to consider the amount of sick, personal and/or vacation time you currently have when selecting a Short Term Disability Plan. If you have enough paid time off to get you through a couple of weeks or longer, you may wish to elect a less expensive disability plan.

- **Am I eligible to enroll?**
  You are eligible if you meet the Eligibility on page 8, and have a minimum of $6500 annual salary.

Three types of Short Term Disability (STD) plans are available.

**What are the differences between the STD Plan Options?**
All plans have a weekly benefit equal to 66 2/3% of the employee’s weekly earnings, to a maximum of $2,500 per week for up to 26 weeks. The difference between the plans is the length of the waiting period before benefits begin.

- The 0/3 plan – this is a “Grandfathered” plan that is no longer available for new enrollment.
- The 7/14 plan has waiting periods of 7 days for injury and 14 days for illness. Because of the longer waiting period, the premium is lower than the 0/3 plan premium.
- The 14/21 plan has waiting periods of 14 days for injury and 21 days for illness. Because of the longer waiting period, the premium is lower than both the 0/3 and 7/14 plan premiums. NOTE: under the new carrier, you may use your accrued sick leave and also be paid the 66 2/3 benefit at the same time.

**Services to Help You Get Back to Work Can Include:**

*Nurse Consultant or Case Manager Services:*
Specialists who personally contact you, your physician and your employer to coordinate an early return-to-work plan when appropriate.

*Vocational Analysis:* Help with identifying job requirements and determining how your skills can be applied to a new or modified job with your employer.

*Job Modifications/Accommodations:* Adjustments (e.g., redesign of work station tools) that enable you to return to your previous job or a similar one.

*Retraining:* Development programs to help you return to your previous job or educate you for a new one.
Financial Incentives: Allow employees to receive Disability benefits or partial benefits while attempting to return to work.

The Services of Social Security Specialists:

Once you are approved for Disability benefits, MetLife can help you obtain Social Security Disability benefits. Our specialists can guide you through the initial application and appeals processes and may also help you access assistance from attorneys or vendors to pursue Social Security benefits.

Answers to Some Important Questions…

Q. Are there any exclusions for pre-existing conditions?

A. Yes. Your plan may not cover a sickness or accidental injury that arose in the 12 months prior to your participation in the plan (unless you were already enrolled under the prior TUSD carrier). A complete description of the pre-existing condition exclusion is included in the Certificate of Insurance/Summary Plan Description provided by your Employer.

Q. Are there any exclusions to my coverage?

A. Yes. Your plan does not cover any Disability, which results from or is caused or contributed to by:

• Elective treatment or procedures, such as cosmetic surgery, sex-change surgery, reversal of sterilization, liposuction, visual correction surgery, in-vitro fertilization, embryo transfer procedure, artificial insemination or other specific procedures. However, pregnancies and complications from any of these procedures will be treated as a sickness.
• War, whether declared or undeclared, or act of war, insurrection, rebellion or terrorist act;
• Active participation in a riot;
• Intentionally self-inflicted injury or attempted suicide;
• Commission of or attempt to commit a felony.

Additionally, no payment will be made for a Disability caused or contributed to by any injury or sickness for which you are entitled to benefits under Workers’ Compensation or a similar law.
ASRS Long Term Disability Information

- **What is Long Term Disability Income Program?**
  Long Term Disability (LTD) is a mandatory disability program through the Arizona State Retirement System and provides you with a monthly benefit designed to partially replace lost income lost during periods of total disability resulting from a covered injury, sickness or pregnancy. This plan has a six-month waiting period which means you must be off work due to a medical condition for at least six (6) months.

It is provided to you as a benefit through the Arizona State Retirement System (ASRS). The ASRS has contracted with Sedgwick Claim Management Services for administration of the LTD plan. Sedgwick makes all initial decisions regarding claims submitted under the LTD plan.

- **Who is eligible for Long Term Disability?**
  All benefits eligible employees who meet ASRS membership criteria are automatically enrolled in Long Term Disability provided through the Arizona State Retirement System.

- **What are the Long Term Disability benefits?**
  After being off work for six months due to disability, eligible employees whose claim is approved will receive benefits under ASRS’ Long Term disability Income Plan equal to 66 2/3% of their monthly earnings. LTD is partially funded by TUSD, 50% of any benefits that are received are subject to taxes.

- **Who Pays for Long Term Disability?**
  All benefits eligible employees are automatically enrolled in Long Term Disability provided by the Arizona State Retirement System. This is not a voluntary or optional plan – active members contributing to ASRS are also part of the ASRS Long Term Disability Income Program. Employees contribute a set percentage of their earnings for the ASRS LTD and TUSD matches these contributions.

- **How do I file a Long Term Disability claim?**
  To obtain the application packet necessary to file an LTD claim, you need to contact Human Resources at (520) 225-6144. You should submit an application if you have been out for three months and you believe you will be out of work for at least six months due to a disability.
  If you have questions:
  - Contact TUSD Human Resources, Benefits at (520) 225-6144
  - Contact Sedgwick CMS by phone at (818) 591-9444
  - Visit their website at [www.sedgwickcms.com/calabasas](http://www.sedgwickcms.com/calabasas)
  - Visit the ASRS website for LTD information and brochure at [www.azasrs.gov](http://www.azasrs.gov)
Retirement Savings Plans FAQs

The Arizona State Retirement System (ASRS) is the mandatory retirement plan for all benefit eligible employees. Employees and TUSD contribute a set percentage of their earnings to the ASRS. For more information on this benefit, please contact ASRS at (520) 239-3100 or visit www.azasrs.gov.

- **What other deferred income plans are available?**

  TUSD also offers employees the ability to set aside money through payroll deductions on a tax-deferred basis under Internal Revenue Code options: **403(b)**, Roth **403(b)** and **457**. The Internal Revenue Code limits the amount employees can contribute annually to the 403(b) and 457 plans.

  Both plans allow employees to set aside money from their paycheck on a pre-tax basis to save for retirement, subject to annual calendar year limits set by the IRS. These limits are not coordinated so you can contribute up to the maximum in both plans in the same year.

  Taxes are paid on the savings when a distribution is taken from the plan. IRS rules **restrict** plan distributions of the Plan if you are still currently employed. For detailed information on taxation rules, please go to www.tsacg.com and click on the online video presentation.

  To view the limits for the current calendar year, please visit the TUSD Benefits website at www.tusd1.org/benefits

- **TUSD has contracted with TSA Consulting Group to manage all elective 403(b) and 457 transactions including enrollment, stopping enrollment, loans, distributions and rollovers. Only TSA can sign off on all forms.**

  **To enroll in a 403(b) or 457 plan please follow these steps:**
  1. Review the list of TUSD approved vendors. The list is located at www.tusd1.org/benefits, Retirement Savings Plans
  2. Contact that vendor to establish your account
  3. Locate and complete the TSA CG Salary Reduction Agreement form and fax it to TSA CG. This form is available on the website: www.tusd1.org/benefits, Retirement Savings Plans
  4. Loans, Distributions and Rollovers. To submit a transaction, please visit www.tusd1.org/benefits, Retirement Savings Plans, and then Transaction Routing Request. TSA will review transaction paperwork to ensure that the transaction complies with IRS regulations, TSACG will forward approved paperwork to your authorized provider who will complete the transaction by disbursing funds directly to you or directly to an account specified by you.

  Contact your provider directly if you have questions about account fees.

  **NOTE! If you wish to close your account or move to a new 403b or 457 provider, do NOT do so until after you have notified TSA CG by submitting another Salary Reduction Agreement form to “stop” or “change.”**

  **If you do not notify TSA CG of your intent we will not know to stop or change the deductions from your paycheck. This results in lost time of your money as the vendor will send a check back to TUSD; we then must refund it to you as taxable income, or redirect to your new vendor.**
Payroll Information

Mandatory Notice to All Employees - Notice of Coverage Options ("Exchange Notice")

The Benefits office is pleased to provide you with important information regarding the Health Insurance Marketplace. Please read this notice and the attachment carefully.

Why am I receiving this Notice?
• Employers have been directed by the Department of Labor to provide this Notice to ALL employees—full-time, part-time, temporary, etc. (whether or not eligible for benefits at work).
• The Notice is not required for dependents, retirees, former employees or COBRA.

What do I have to do?
• If you are not covered by an insurance plan, you must obtain coverage by January 1, 2014 as described by the Individual Mandate rule of the Affordable Care Act.
• If you are enrolled in a TUSD medical plan, you can still review the Marketplace information but you are not required to enroll in an Exchange plan.

If I wish to enroll in an Exchange plan, and need assistance, what should I do?
• Visit LocalHelp.HealthCare.gov to find help in your area.
• TUSD cannot advise you on how to choose a plan.

Sincerely,

[Signature]

REQUIRED NOTICE: Medicare Part D Notice

Important Notice from Tucson Unified School District (TUSD) about Prescription Drug Coverage for People with Medicare

This notice is for people with Medicare. Please read this notice carefully and keep it where you can find it.

This Notice has information about your current prescription drug coverage with Tucson Unified School District (TUSD) and the prescription drug coverage available for people with Medicare. It also explains the options you have under Medicare’s prescription drug coverage and can help you decide whether or not you want to enroll in that Medicare prescription drug coverage. At the end of this notice is information on where you can get help to make a decision about Medicare’s prescription drug coverage.

- If you and/or your family members are not now eligible for Medicare, and will not be eligible during the next 12 months, you may disregard this Notice.
- If, however, you and/or your family members are now eligible for Medicare or may become eligible for Medicare in the next 12 months, you should read this Notice very carefully.

This announcement is required by law whether the group health plan’s coverage is primary or secondary to Medicare. Because it is not possible for our Plan to always know when a Plan participant or their eligible spouse or children have Medicare coverage or will soon become eligible for Medicare we have decided to provide this Notice to all plan participants.

Prescription drug coverage for Medicare-eligible people is available through Medicare prescription drug plans (PDPs) and Medicare Advantage Plans (like an HMO or PPO) that offer prescription drug coverage. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more drug coverage for a higher monthly premium.

TUSD has determined that the prescription drug coverage under the following prescription drug plan options are “creditable”: PPO Plan is “creditable”.

“Creditable” means that the value of this Plan’s prescription drug benefit is, on average for all plan participants, expected to pay out as much as or more than the standard Medicare prescription drug coverage will pay.

Because the plan option noted above are, on average, at least as good as the standard Medicare prescription drug coverage, you can elect or keep prescription drug coverage under the PPO medical plan noted above and you will not pay extra if you later decide to enroll in Medicare prescription drug coverage. You may enroll in Medicare prescription drug coverage at a later time, and because you maintain creditable coverage, you will not have to pay a higher premium (a late enrollment fee penalty).

REMEMBER TO KEEP THIS NOTICE

If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).
WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

Medicare-eligible people can enroll in a Medicare prescription drug plan at one of the following 3 times:
- when they first become eligible for Medicare; or
- during Medicare’s annual election period or
- for beneficiaries leaving employer/union coverage, you may be eligible for a two month Special Enrollment Period (SEP) in which to sign up for a Medicare prescription drug plan.

When you make your decision whether to enroll in a Medicare prescription drug plan, you should also compare your current prescription drug coverage, (including which drugs are covered and at what cost) with the coverage and cost of the plans offering Medicare prescription drug coverage in your area.

YOUR RIGHT TO RECEIVE A NOTICE

You will receive this notice at least every 12 months and at other times in the future such as if the creditable/non-creditable status of the prescription drug coverage through this plan changes. You may also request a copy of a Notice at any time.

WHY CREDITABLE COVERAGE IS IMPORTANT (When you will pay a higher premium (penalty) to join a Medicare drug plan)

If you do not have creditable prescription drug coverage when you are first eligible to enroll in a Medicare prescription drug plan and you elect or continue prescription drug coverage under a non-creditable prescription drug plan, then at a later date when you decide to elect Medicare prescription drug coverage you may pay a higher premium (a penalty) for that Medicare prescription drug coverage for as long as you have that Medicare coverage.

Maintaining creditable prescription drug coverage will help you avoid Medicare’s late enrollment penalty. This late enrollment penalty is described below:

If you go 63 continuous days or longer without creditable prescription drug coverage (meaning drug coverage that is at least as good as Medicare’s prescription drug coverage), your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have either Medicare prescription drug coverage or coverage under a creditable prescription drug plan. You may have to pay this higher premium (the penalty) as long as you have Medicare prescription drug coverage.

For example, if 19 months pass where you do not have creditable prescription drug coverage, when you decide to join Medicare’s drug coverage your monthly premium will always be at least 19% higher than the Medicare base beneficiary premium. Additionally, if you go 63 days or longer without prescription drug coverage you may also have to wait until the next Medicare open enrollment period in order to enroll for Medicare prescription drug coverage.
**WHAT ARE MY CHOICES?**

You can choose any one of the following options:

<table>
<thead>
<tr>
<th>Your Choices</th>
<th>What you can do:</th>
<th>What this option means to you:</th>
</tr>
</thead>
</table>
| **Option 1** | You can select or keep your current medical and prescription drug coverage with the PPO medical plan offered by TUSD and **you do not have to enroll in a Medicare prescription drug plan.** | You will continue to be able to use your prescription drug benefits through the PPO medical plan offered by TUSD.  
- You may, in the future, enroll in a Medicare prescription drug plan during Medicare’s annual enrollment period.  
- As long as you are enrolled in creditable drug coverage you will not have to pay a higher premium (a late enrollment fee) to Medicare when you do choose, at a later date, to sign up for a Medicare prescription drug plan. |
| **Option 2** | You can select or keep your current medical and prescription drug coverage with the PPO or HDHP medical plan(s) offered by TUSD and **also enroll in a Medicare prescription drug plan.**  
If you enroll in a Medicare prescription drug plan you will need to pay the Medicare Part D premium out of your own pocket. | Your current coverage pays for other health expenses in addition to prescription drugs. If you enroll in a Medicare prescription drug plan, you and your eligible dependents will still be eligible to receive all of your current health and prescription drug benefits.  
Having dual prescription drug coverage under this Plan and Medicare means that you will still be able to receive all your current health coverage and this Plan will coordinate its drug payments with Medicare, as follows:  
- for Medicare eligible Retirees and their Medicare eligible Dependents, Medicare Part D coverage pays primary and this group health plan pays secondary.  
- for Medicare eligible Active Employees and their Medicare eligible Dependents, this group health plan pays primary and Medicare Part D coverage pays secondary.  
Note that you may not drop just the prescription drug coverage under the PPO or HDHP medical plan(s) offered by TUSD. That is because prescription drug coverage is part of the entire medical plan. Generally, you may only drop medical plan coverage at this Plan’s next Open Enrollment period.  
Note that each Medicare prescription drug plan (PDP) may differ. Compare coverage, such as:  
- PDPs may have different premium amounts;  
- PDPs cover different brand name drugs at different costs to you;  
- PDPs may have different prescription drug deductibles and different drug copayments;  
- PDPs may have different networks for retail pharmacies and mail order services. |

**IMPORTANT NOTE:** If you are enrolled in the High Deductible Health Plan (HDHP) with the Health Savings Account (HSA) you may not continue to make contributions to your HSA once you are enrolled in Medicare including being enrolled in a Medicare Part D drug plan.
FOR MORE INFORMATION ABOUT YOUR OPTIONS UNDER MEDICARE'S PRESCRIPTION DRUG COVERAGE

More detailed information about Medicare plans that offer prescription drug coverage is available in the "Medicare & You" handbook. A person enrolled in Medicare (a "beneficiary") will get a copy of this handbook in the mail each year from Medicare. A Medicare beneficiary may also be contacted directly by Medicare-approved prescription drug plans.

REQUIRED NOTICE: Mid-Year Changes To Your Medical Plan Elections

IMPORTANT: After this open enrollment period is completed, generally you will not be allowed to change your benefit elections or add/delete dependents until next year’s open enrollment, unless you have a Special Enrollment event or a Mid-year Change in Status as outlined below:

- **Special Enrollment:**

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependent’s other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

You and your dependents may also enroll in this plan if you (or your dependents):
- Have coverage through **Medicaid or a State Children’s Health Insurance Program (CHIP)** and you (or your dependents) lose eligibility for that coverage. However, you must request enrollment within **60 days** after the Medicaid or CHIP coverage ends.

- Become eligible for a premium assistance program through **Medicaid or CHIP**. However, you must request enrollment within **60 days** after you (or your dependents) is determined to be eligible for such assistance.

  To request special enrollment or to obtain more information, contact the TUSD Benefits Office at (520) 225-6144.

- **Mid-Year Changes / Status Event Changes:**

  The following events **may** allow certain changes in benefits mid-year, if permitted by the Internal Revenue Service (IRS):

  - Change in legal marital status (e.g. marriage, divorce/legal separation, death).
  - Change in number or status of dependents (e.g. birth, adoption, death).
  - Change in employee/spouse/dependent's employment status, work schedule, or residence that affects their eligibility for benefits.
  - Coverage of a child due to a QMCSO.
  - Entitlement or loss of entitlement to Medicare or Medicaid.
  - Certain changes in the cost of coverage, composition of coverage or curtailment of coverage of the employee or spouse’s plan.
  - Changes consistent with Special Enrollment rights and FMLA leaves.

  **You must notify the plan in writing within 30 days of the mid-year change in status event and submit required documentation and forms.**

  The Plan will determine if your change request is permitted and if so, changes become effective prospectively, on the first day of the month, following the approved change in status event (except for newborn and adopted children, who are covered back to the date of birth, adoption, or placement for adoption).
Medicare Secondary Payer Rules

Section 111 of the Medicare, Medicaid and SCHIP Extension Act of 2007 (MMSEA), a new federal law that became effective January 1, 2009, requires that group health insurers, claims processing third-party administrators, and certain employer self-funded/self-administered plans report specific information about Medicare beneficiaries who have other group coverage. This reporting is to assist CMS and other health insurance plans to properly coordinate payment of benefits among plans so that your claims are paid promptly and correctly.

If you are unable or unwilling to provide a social security number for your dependents who want to enroll in the health plan, then you must complete a CMS form available from the TUSD Benefits Office or on the benefits website.

COBRA Coverage

In compliance with the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) this plan offers its eligible employees and their covered dependents (known as qualified beneficiaries) the opportunity to elect temporary continuation of their group health coverage, referred to as COBRA Continuation Coverage, when that coverage would otherwise end because of certain events (called qualifying events).

Qualified beneficiaries are entitled to elect COBRA when qualifying events occur, and, as a result of the qualifying event, coverage of that qualified beneficiary ends. Qualified beneficiaries who elect COBRA Continuation Coverage must pay for it at their own expense.

Qualifying events include termination of employment, reduction in hours of work making the employee ineligible for coverage, death of the employee, divorce/legal separation, or a child ceasing to be an eligible dependent child. The maximum period of COBRA coverage is generally either 18 months or 36 months, depending on which qualifying event occurred.

In order to have the chance to elect COBRA coverage after a divorce/legal separation or a child ceasing to be a dependent child under the plan, you and/or a family member must inform the plan in writing of that event no later than 60 days after that event occurs. That notice should be sent to the Benefits Office via first class mail and is to include the employee’s name, the qualifying event, the date of the event, and the appropriate documentation in support of the qualifying event (such as divorce documents). If you have questions about COBRA contact the Benefits Office.
REQUIRED NOTICE: Annual Notice: Women’s Health and Cancer Rights Act (WHCRA)

Your group health plan, as required by the Women’s Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema). For more information, call United Healthcare. This coverage is subject to any plan co-payments, referral requirements, annual deductibles and coinsurance provisions that may be applicable, consistent with those established for other benefits under the plan. If you have any questions about whether your plan covers mastectomies or reconstructive surgery, please contact United Healthcare.

Permissible Mid-Year Status Changes

Government regulations generally require that your Plan coverage remain in effect throughout the Plan Year (from September 1 through August 31), but you may be able to make some changes during the year if you have a permissible mid-year status change affecting your benefit needs. Any permissible mid-year status change in elections must be on account of and corresponding with the IRC approved status change. Election changes must be submitted with appropriate documentation on a TUSD enrollment form to the TUSD Benefits Office within 30 days of the change event.

Under IRS rules, changes associated with these permissible mid-year change in status change on a prospective basis except for birth/adoption.

This Notice describes how medical information about you may be used and disclosed and how you may get access to this information.

Please review this information carefully.

The Tucson Unified School District's self-funded group health plan that includes the medical plan options and the outpatient retail prescription drug program (hereafter referred to as the "Plan"), is required by law to take reasonable steps to maintain the privacy of your personally identifiable health information (called Protected Health Information or PHI) and to inform you about:

1. The Plan's uses and disclosures of PHI,
2. Your rights to privacy with respect to your PHI,
3. The Plan's duties with respect to your PHI,
4. Your right to file a complaint with the Plan and with the Secretary of the U.S. Department of Health and Human Services (HHS),
5. A breach in your PHI; and
6. The person or office you should contact for further information about the Plan's privacy practices.

PHI use and disclosure by the Plan is regulated by the federal law, Health Insurance Portability and Accountability Act, commonly called HIPAA, and the Health Information Technology for Economic and Clinical Health (HITECH) Act. You may find these rules in 45 Code of Federal Regulations Parts 160 and 164. This Notice attempts to summarize key points in the regulations. The regulations will supersede this Notice if there is any discrepancy between the information in this Notice and the regulations. The Plan will abide by the terms of the Notice currently in effect. The Plan reserves the right to change the terms of this Notice and to make the new Notice provisions effective for all PHI it maintains.

You may also receive a Privacy Notice from insurance companies who offer Plan participants insured health care services, such as the dental and vision plan benefits. Each of these notices will describe your rights as it pertains to that plan and in compliance with the federal regulation, HIPAA. This Privacy Notice however, pertains to your protected health information held by the TUSD benefit plan (the "Plan") and outside companies contracted with TUSD to help administer Plan benefits, also called “business associates”.

Effective Date
The effective date of this Notice is June 26, 2014 and this notice replaces the notice(s) previously distributed to you.

Privacy Officer
The Plan has designated a Privacy Officer to oversee the administration of privacy by the Plan and to receive complaints. The Privacy Officer may be contacted at:

TUSD Privacy Officer

Your Protected Health Information
The term "Protected Health Information" (PHI) includes all information related to your past, present or future health condition(s) that individually identifies you or could reasonably be used to identify you and is transferred to another entity or maintained by the Plan in oral, written, electronic or any other form.

PHI does not include health information contained in employment records held by your employer in its role as an employer, including but not limited to health information on disability, work-related illness/injury, sick leave, Family or Medical leave (FMLA), life insurance, drug testing, etc.

This Notice does not apply to information that has been de-identified. De-identified information is information that does not identify you, and with respect to which there is no reasonable basis to believe that the information can be used to identify you, is not individually identifiable health information.
When the Plan May Disclose Your PHI
Under the law, the Plan may disclose your PHI without your written authorization in the following cases:

- **At your request.** If you request it, the Plan is required to give you access to your PHI in order to inspect it and copy it.
- **As required by an agency of the government.** The Secretary of the Department of Health and Human Services may require the disclosure of your PHI to investigate or determine the Plan’s compliance with the privacy regulations.
- **For treatment, payment or health care operations.** The Plan and its business associates will use your PHI (except psychotherapy notes in certain instances as described below) without your consent, authorization or opportunity to agree or object in order to carry out treatment, payment, or health care operations.

The Plan does not need your consent or authorization to release your PHI when you request it, a government agency requires it, or the Plan uses it for treatment, payment, or health care operations.

The Plan Sponsor has amended its Plan documents to protect your PHI as required by federal law. The Plan may disclose PHI to the Plan Sponsor for purposes of treatment, payment, and health care operations in accordance with the Plan amendment. The Plan may disclose PHI to the Plan Sponsor for review of your appeal of a benefit or for other reasons related to the administration of the Plan.

When the Disclosure of Your PHI Requires Your Written Authorization
Generally, the Plan will require that you sign a valid authorization form in order to use or disclose your PHI other than:

- When you request your own PHI
- A government agency requires it, or
- The Plan uses it for treatment, payment, or health care operation.

Although the Plan does not routinely obtain psychotherapy notes, generally, an authorization will be required by the Plan before the Plan will use or disclose psychotherapy notes about you. Psychotherapy notes are separately filed notes about your conversations with your mental health professional during a counseling session. They do not include summary information about your mental health treatment. However, the Plan may use and disclose such notes when needed by the Plan to defend itself against litigation filed by you. The Plan generally will require an authorization form for uses and disclosure of your PHI for marketing purposes.

Use or Disclosure of Your PHI Where You Will Be Given an Opportunity to Agree or Disagree Before the Use or Release
Disclosure of your PHI to family members, other relatives and your close personal friends is allowed if:

- The information is directly relevant to the family or friend’s involvement with your care or payment for that care, and
- You have either agreed to the disclosure or have been given an opportunity to object and have not objected.

[Under this Plan your PHI will automatically be disclosed to internal employer departments as outlined below, in order to facilitate processing of appropriate paperwork. If you disagree with this automatic disclosure by the Plan you may contact the Privacy Officer to request that such automatic disclosure not occur without your written authorization:

- In the event of your death while you are covered by this Plan, when the Plan is notified it will automatically communicate this information to the following internal departments: Human Resources, Payroll and Benefits.
- In the event the Plan is notified of a work-related illness or injury, the Plan may communicate this information to the Worker’s Compensation/Risk Management department.
- In the event the Plan is notified of a condition that may initiate a short-term disability benefit, the Plan will automatically communicate this information to the Plan’s Disability Coordinator and STD insurance company.
- In the event the Plan is notified of a situation where it may be possible to initiate a medical leave under the Family and Medical Leave Act (FMLA) benefit, the Plan will automatically communicate this information to the TUSD FMLA Coordinator.

Note that PHI obtained by the Plan Sponsor’s employees through Plan administration activities will NOT be used for employment related decisions.

Use or Disclosure of Your PHI Where Consent, Authorization or Opportunity to Object Is Not Required

In general, the Plan does not need your written authorization to release your PHI if required by law or for public health and safety purposes. The Plan and its business associates are allowed to use and disclose your PHI without your written authorization (in compliance with section 164.512) under the following circumstances:

1. When required by law.
2. When permitted for purposes of public health activities. This includes reporting product defects, permitting product recalls and conducting post-marketing surveillance. PHI may also be used or disclosed if you have been exposed to a communicable disease or are at risk of spreading a disease or condition, if authorized by law.
3. When authorized by law to report information about abuse, neglect or domestic violence to public authorities if a reasonable belief exists that you may be a victim of abuse, neglect or domestic violence. In such case, the Plan will promptly inform you that such a disclosure has been or will be made unless that notice would cause a risk of serious harm. For the purpose of reporting child abuse or neglect, it is not necessary to inform the minor that such a disclosure has been or will be made. Disclosure may generally be made to the minor’s parents or other representatives, although there may be circumstances under federal or state law when the parents or other representatives may not be given access to the minor’s PHI.
4. To a public health oversight agency for oversight activities authorized by law. These activities include civil, administrative or criminal investigations, inspections, licensure or disciplinary actions (for example, to investigate complaints against providers) and other activities necessary for appropriate oversight of government benefit programs (for example, to investigate Medicare or Medicaid fraud).
5. When required for judicial or administrative proceedings. For example, your PHI may be disclosed in response to a subpoena or discovery request, provided certain conditions are met, including that:
   - the requesting party must give the Plan satisfactory assurances that a good faith attempt has been made to provide you with a written Notice, and
   - the Notice provided sufficient information about the proceeding to permit you to raise an objection, and
   - no objections were raised or were resolved in favor of disclosure by the court or tribunal.
6. When required for law enforcement health purposes (for example, to report certain types of wounds).
7. For law enforcement purposes if the law enforcement official represents that the information is not intended to be used against the individual, the immediate law enforcement activity would be materially and adversely affected by waiting to obtain the individual’s agreement and the Plan, in its best judgment, determines that disclosure is in the best interest of the individual. Law enforcement purposes include:
   - identifying or locating a suspect, fugitive, material witness or missing person, and
   - disclosing information about an individual who is or is suspected to be a victim of a crime.
8. When required to be given to a coroner or medical examiner to identify a deceased person, determine a cause of death or other authorized duties. When required to be given to funeral directors to carry out their duties with respect to the decedent; for use and disclosures for cadaveric organ, eye or tissue donation purposes.
9. For research, subject to certain conditions.
10. When, consistent with applicable law and standards of ethical conduct, the Plan in good faith believes the use or disclosure is necessary to prevent or lessen a serious and imminent threat to the health or safety of a person or
the public and the disclosure is to a person reasonably able to prevent or lessen the threat, including the target of the threat.

11. When authorized by and to the extent necessary to comply with workers’ compensation or other similar programs established by law.

12. When required, for specialized government functions, to military authorities under certain circumstances, or to authorized federal officials for lawful intelligence, counter intelligence and other national security activities.

Except as otherwise indicated in this Notice, uses and disclosures will be made only with your written authorization subject to your right to revoke your authorization and information used and disclosed will be made in compliance with the minimum necessary standards of the regulation.

Your Individual Privacy Rights

A. You May Request Restrictions on PHI Uses and Disclosures
You may request the Plan to restrict the uses and disclosures of your PHI:
- To carry out treatment, payment or health care operations, or
- To family members, relatives, friends or other persons identified by you who are involved in your care.
The Plan, however, is not required to agree to your request if the Plan Administrator or Privacy Officer determines it to be unreasonable, for example, if it would interfere with the Plan’s ability to pay a claim.

The Plan will accommodate an individual’s reasonable request to receive communications of PHI by alternative means or at alternative locations where the request includes a statement that disclosure could endanger the individual. You or your personal representative will be required to complete a form to request restrictions on the uses and disclosures of your PHI. To make such a request contact the Privacy Officer at their address listed on the first page of this Notice.

B. You May Inspect and Copy Your PHI
You have the right to inspect and obtain a copy of your PHI (except psychotherapy notes and information compiled in reasonable contemplation of an administrative action or proceeding) contained in a “designated record set,” for as long as the Plan maintains the PHI.

A Designated Record Set includes your medical records and billing records that are maintained by or for a covered health care provider. Records include enrollment, payment, billing, claims adjudication and case or medical management record systems maintained by or for a health plan or other information used in whole or in part by or for the covered entity to make decisions about you. Information used for quality control or peer review analyses and not used to make decisions about you is not included in the designated record set.

The Plan must provide the requested information within 30 days of its receipt of the request, if the information is maintained onsite or within 60 days if the information is maintained offsite. A single 30-day extension is allowed if the Plan is unable to comply with the deadline and notifies you in writing in advance of the reasons for the delay and the date by which the Plan will provide the requested information.

You or your personal representative will be required to complete a form to request access to the PHI in your Designated Record Set. Requests for access to your PHI should be made to the Plan’s Privacy Officer at their address listed on the first page of this Notice.

If access is denied, you or your personal representative will be provided with a written denial describing the basis for the denial, a description of how you may exercise those review rights and a description of how you may complain to the Plan’s Privacy Officer or the Secretary of the U.S. Department of Health and Human Services.

C. You Have the Right to Amend Your PHI
You or your Personal Representative have the right to request that the Plan amend your PHI or a record about you in a designated record set for as long as the PHI is maintained in the designated record set. The Plan has 60 days after receiving your request to act on it. The Plan is allowed a single 30-day extension if the Plan is unable to comply with the 60-day deadline (provided that the Plan notifies you in writing in advance of the reasons for the delay and the date by which the Plan will provide the requested information).

If the Plan denied your request in whole or part, the Plan must provide you with a written denial that explains the basis for the decision. You or your personal representative may then submit a written statement disagreeing with the
denial and have that statement included with any future disclosures of your PHI. You should make your request to amend PHI to the Privacy Officer at their address listed on the first page of this Notice.

You or your personal representative may be required to complete a form to request amendment of your PHI. Forms are available from the Privacy Officer at their address listed on the first page of this Notice.

D. You Have the Right to Receive an Accounting of the Plan’s PHI Disclosures

At your request, the Plan will also provide you with an accounting of disclosures by the Plan of your PHI during the six years (or shorter period if requested) before the date of your request. The Plan will not provide you with an accounting of disclosures related to treatment, payment, or health care operations, or disclosures made to you or authorized by you in writing.

The Plan has 60 days after its receipt of your request to provide the accounting. The Plan is allowed an additional 30 days if the Plan gives you a written statement of the reasons for the delay and the date by which the accounting will be provided. If you request more than one accounting within a 12-month period, the Plan may charge a reasonable, cost-based fee for each subsequent accounting.

E. You have the Right to Request that PHI be Transmitted to You Confidentially

The Plan will permit and accommodate your reasonable request to have PHI sent to you by alternative means or to an alternative location (such as mailing PHI to a different address or allowing you to personally pick up the PHI that would otherwise be mailed), if you provide a written request to the Plan that the disclosure of PHI to your usual location could endanger you. If you believe you have this situation, you should contact the Plan’s Privacy Officer to discuss your request for confidential PHI transmission.

F. You Have the Right to Receive a Paper or Electronic Copy of This Notice Upon Request

To obtain a paper or electronic copy of this Notice, contact the Plan’s Privacy Officer at their address listed on the first page of this Notice or go to the website: www.tusd1.org/benefits.

Your Personal Representative

You may exercise your rights to your PHI by designating a personal representative. Your personal representative will be required to produce evidence of the authority to act on your behalf before the personal representative will be given access to your PHI or be allowed to take any action for you. Under this Plan, proof of such authority will include (1) a completed, signed and approved form to Appoint a Personal Representative; (2) a notarized power of attorney for health care purposes; (3) or a court-appointed conservator or guardian. You may obtain this form by contacting the Privacy Officer at their address listed on the first page of this Notice.

The Plan retains discretion to deny access to your PHI to a personal representative to provide protection to those vulnerable people who depend on others to exercise their rights under these rules and who may be subject to abuse or neglect.

Because this law gives adults certain rights (and generally children age 18 and older are adults), if you have dependent children age 18 and older (e.g. students) covered under the Plan, and the child wants you, as the parent(s), to be able to access their protected health information, that child will need to complete a Personal Representative form to designate you and/or your spouse as their personal representative.

The Plan will consider a parent, guardian, or other person acting in loco parentis as the personal representative of an unemancipated minor (a child generally under age 18) unless the applicable law requires otherwise. In loco parentis may be further defined by state law, but in general it refers to a person who has been treated as a parent by the child and who has formed a meaningful parental relationship with the child for a substantial period of time.

Spouses and unemancipated minors may, however, request that the Plan restrict PHI that goes to family members as described above under the section titled “Your Individual Privacy Rights.”
The Plan’s Duties
The Plan is required by law to maintain the privacy of your PHI and to provide you and your eligible dependents with Notice of its legal duties and privacy practices. The Plan is required to comply with the terms of this Notice. However, the Plan reserves the right to change its privacy practices and the terms of this Notice and to apply the changes to any PHI maintained by the Plan.

Notice Distribution: The Notice will be provided to each person when they initially enroll for benefits in the Plan (the Notice is provided in the Plan’s New Employee packets). The Notice is also available on the Plan’s website at: www.tusd1.org/benefits. The Notice will also be provided upon request. Once every three years the Plan will notify the individuals then covered by the Plan where to obtain a copy of the Notice. This Plan will satisfy the requirements of the HIPAA regulation by providing the Notice to the named insured (covered employee) of the Plan; however, employees are encouraged to share this Notice with other family members covered under the Plan.

Notice Revisions: If a privacy practice of this Plan is changed affecting this Notice, a revised version of this Notice will be provided to you and all participants covered by the Plan at the time of the change. Any revised version of the Notice will be distributed within 60 days of the effective date of a material change to the uses and disclosures of PHI, your individual rights, the duties of the Plan or other privacy practices stated in this Notice.

Disclosing Only the Minimum Necessary Protected Health Information
When using or disclosing PHI or when requesting PHI from another covered entity, the Plan will make reasonable efforts not to use, disclose or request more than the minimum amount of PHI necessary to accomplish the intended purpose of the use, disclosure or request, taking into consideration practical and technological limitations. However, the minimum necessary standard will not apply in the following situations:

- Disclosures to or requests by a health care provider for treatment,
- Uses or disclosures made to you,
- Disclosures made to the Secretary of the U.S. Department of Health and Human Services in accordance with their enforcement activities under HIPAA,
- Uses of disclosures required by law, and
- Uses of disclosures required for the Plan’s compliance with the HIPAA privacy regulations.

This Notice does not apply to information that has been de-identified. **De-identified information** is information that does not identify you and there is no reasonable basis to believe that the information can be used to identify you.

In addition, the Plan may use or disclose “summary health information” to the Plan Sponsor for obtaining premium bids or modifying, amending or terminating the group health Plan. **Summary health information** means information that summarizes claims history, claims expenses or type of claims experienced by individuals for whom the Plan Sponsor has provided health benefits under a group health plan. Identifying information will be deleted from summary health information, in accordance with HIPAA.

Your Right to File a Complaint
If you believe that your privacy rights have been violated, you may file a complaint with the Plan in care of the Plan’s Privacy Officer, at the address listed on the first page of this Notice. Neither your employer nor the Plan will retaliate against you for filing a complaint.

You may also file a complaint (within 180 days of the date you know or should have known about an act or omission) with the Secretary of the U.S. Department of Health and Human Services by contacting the Office for Civil Rights, U.S. Department of Health & Human Services 90 Seventh St., Suite 4-100 San Francisco, CA 94103 phone: (415) 437-8310 or (415) 437-8311 (TDD) or fax: (415) 437-8329 or, contact the Plan’s Privacy Officer for more information about how to file a complaint.

If You Need More Information
If you have any questions regarding this Notice or the subjects addressed in it, you may contact the Plan’s Privacy Officer at the address listed on the first page of this Notice.
Supplemental Life Insurance

Minnesota Life Insurance Company is the provider for Basic Life Insurance and AD&D (District paid) and the Additional Life and AD&D Insurance (employee paid). Both are term life insurance policies. A Minnesota Life Insurance brochure will be available at the Open Enrollment Benefit meetings or the TUSD Benefits intranet site. A full summary plan description of the benefits is available on the TUSD Benefits intranet site. For further information, contact Minnesota Life at 1-800-293-6047 or online at www.LifeBenefits.com.

Accidental Death and Dismemberment
Additional AD&D coverage is included in the cost of the Additional Employee, Spouse/Domestic Partner and Child Life Insurance. The amount of Additional AD&D Insurance will equal the amount of Employee, Spouse/Domestic Partner and Child Additional Life coverage.

Spouse/Domestic Partner Life Insurance
Spouse/Domestic Partner Supplemental Life Insurance is available in units of $5,000 to a maximum of $250,000, but not to exceed 100% of the employee’s Supplemental Insurance coverage. Employees must have elected Supplemental Life Insurance for themselves in an amount equal to or greater than the amount elected for their spouse/domestic partner.

Employees must have elected Supplemental Life Insurance for themselves in order to enroll in Child Life.

NOTE: A benefit eligible employee cannot also be covered as a dependent of another TUSD employee.

When will my life insurance go into effect?
Please refer to the Minnesota Life Supplemental Life Employee Brochure available during the Open Enrollment meetings or on the TUSD Benefits intranet site for more information regarding the following requirements that must be satisfied for the life insurance to become effective.

A Personal Health Application (PHA) New hire employees must complete a Personal Health Application (Evidence of Insurability) if requesting Supplemental Employee Life insurance that exceeds the guaranteed issue of the lesser of $250,000 or three times their annual salary and if requesting Supplemental Spouse Life insurance that exceeds the guarantee issue of $25,000. If you previously waived coverage or are looking to increase coverage, you must complete the Personal Health Application. Coverage that requires a Personal Health Application will not become effective until the later of or the 1st of the following month following the date Minnesota Life approves the application.

If a Personal Health Application is required, the Benefits staff will notify Minnesota Life, who will then contact you.

An active work requirement. This means that for employees who are incapable of active work because of sickness, injury or pregnancy on the day before the scheduled effective date of insurance (including Dependents Life Insurance) or an increase in insurance, their insurance or increase, will not become effective until the day after one full day of active work as an eligible employee is completed.

What happens to my Life Insurance coverage when I leave TUSD or go on a Board Approved Leave of Absence? You may have the ability to port or convert your coverage within 31 days of your coverage terminating, depending on your situation. If you are applying for Long Term Disability, you may qualify for a Waiver of Premium. Contact the Benefits Office at (520) 225-6144 or benefits@tusd1.org for detailed information.
Critical Illness Insurance

Critical Illness Insurance complements your medical and disability income coverage and can ease the financial impact of a critical illness by providing a lump-sum benefit to help you pay some of your additional expenses. Thanks to advancements in modern medicine, chances of recovery from a critical illness like a heart attack, cancer, or stroke have greatly improved.

Living with a critical illness may affect your financial security and that of your family. Despite having good medical insurance, there are still expenses associated with a critical illness that many medical plans are not designed to pay. Think about such expenses as co-pays, deductibles, out-of-pocket network treatments, prescription drug co-pays, childcare, mortgage, and utility payments. Also, if you are out of work on disability, your income will be less than you make when you are at work. MetLife Critical Illness Insurance can help keep your finances on track if your experience a covered condition.

➢ What is MetLife Critical Illness Insurance?
MetLife Critical Illness Insurance provides you with a lump-sum benefit payment of $10,000 in the event a covered family member experiences one of the medical conditions (as they are defined by the group Certificate) in three distinct categories and meet the Policy and Certificate Requirements:

- Category 1 incorporates certain cancer-related conditions:
  - Full Benefit Cancer
  - Partial Benefit Cancer
  - Bone Marrow Transplant
- Category 2 incorporates certain heart-related conditions:
  - Heart Attack
  - Heart Transplant
  - Stroke
  - Coronary Artery Bypass Graft
- Category 3 incorporates certain other covered conditions:
  - Major Organ Transplant (other than bone marrow and heart)
  - Kidney Failure

➢ 5 year age banded rates:

➢ Critical Illness Insurance Features
Enhanced coverage to traditional medical plans, consumer-driven health plans, and disability income coverage
A lump-sum benefit payment to use as you see fit

- Dependent coverage for your spouse/domestic partner and children
- No obligation to submit expense receipts
- Coverage that can go with you if you leave your employer under certain circumstances

➢ **Use lump-sum payment as you see fit**

MetLife’s Critical Illness Insurance pays a lump-sum benefit payment you can use to help bridge the financial gap between what your existing medical insurance covers and the additional expense associated with certain critical illnesses. The payment can be used at the discretion of the insured to help pay for such things as:

- Medical co-pays and deductibles
- Prescription drug co-pays
- Mortgage and rent payments
- Utility payments and other household bills
- Out-of-network treatments
- Childcare bills
- Car payments
- Travel to treatment centers

➢ **Can you explain how the Category Benefit Payments work?**

You enroll for a Category Benefit Amount of $10,000. If you are diagnosed with a Covered Condition in any of the three categories (cancer, heart and other), and meet the policy and certificate requirements, you will receive a lump-sum benefit payment. The lump-sum benefit payment you will receive works like this:

1) For Coronary Artery Bypass Graft and Partial Benefit Cancer, you will receive 25% of the Category Benefit Amount. The remaining 75% will be available should you experience another Covered Condition within the same category.

2) For all Covered Conditions, other than Coronary Artery Bypass Graft and Partial Benefit Cancer, you will receive 100% of the Category Benefit Amount (unless you have already received a partial benefit payment for a Covered Condition in the same category, in which case you would receive the remaining 75% of the Category Benefit Amount).

3) After 100% of a Category Benefit Amount has been paid, that category will close and you will not receive any additional payments within that category.

➢ MetLife Critical Illness Insurance does not replace your current medical insurance; rather it provides a lump-sum benefit payment if you experience certain covered conditions.

If you would like to know more about Group Critical Illness Insurance or have specific questions about your coverage and options, please contact 1 800 GET-MET 8 (1-800-438-6388). * Coverage for domestic partners, civil union partners and reciprocal beneficiaries varies by state. Please contact MetLife for more information.

MetLife Critical Illness Insurance (CII) is a limited group policy. Like most group accident and health insurance policies, MetLife’s CII policies contain certain exclusions, limitations and terms for keeping them in force. Product features and availability vary by state. In most states, there is a 30 to 90 day waiting period after the effective date of coverage and preexisting condition exclusion. In some states there is a benefit suspension period between covered conditions in different categories or a limit on the total benefit payments per calendar year. A more detailed description of the benefits, limitations, and exclusions applicable to you can be found in the Disclosure Statement or Outline of Coverage/Disclosure Document available at the time of enrollment. Please contact MetLife for more information.
