Business Intelligence Online Resources 2016

An Internet Annotated Link Dataset Compilation

By

Marcus P. Zillman, M.S., A.M.H.A.
Executive Director – Virtual Private Library
zillman@virtualprivatelibrary.com

This Internet Annotated Link Dataset Compilation is dedicated to the latest and most competent resources for business intelligence available over the Internet. With the constant addition of new and pertinent information coming online every second it is very easy to go into information overload. The true key then is to be able to find the important business intelligence resources and sites both in the visible and invisible world wide web. Each of the following selected business intelligence resources and sites have been described along with their current URL address to help you accomplish your business intelligence research goals! My complete link compilation of business intelligence resources is available online and is constantly updated at the following URL:

http://www.BIOnlineResources.info/

These resources are designed to aid you in your quest for knowledge discovery for business intelligence resources on the Internet. Suggestions and additional competent resources and sites are also welcomed and will be considered for inclusion in the future.
10k Wizard SEC Filings
http://www.10kwizard.com/
10K Wizard developed a proprietary software to search through the myriad of information available to the public via the SEC's EDGAR (Electronic Data Gathering, Analysis and Retrieval) system. The results? Real-time access and the unique ability to perform keyword searches on up-to-the-minute SEC filings. Hailed as one of the web's best financial sites by the likes of Money Magazine, Fortune Magazine and Business Week, www.10Kwizard.com serves as the flagship site of their company and a shining example of their unique technology.

Accurint
http://www.accurint.com/
Accurint® is a LexisNexis® service that brings data to life. Accurint provides information products that allow organizations to quickly and easily extract valuable knowledge from huge amounts of data. These innovative products are made possible by integrating powerful technology, tens of billions of data records on individuals and businesses, and proprietary data-linking methods.

Audit Bureau of Circulation (ABC) eCirc Application
eCirc is a quick, concise online source for ABC top-line circulation (based on the latest released FAS-FAX report) information. eCirc lets you sort and search summarized circulation data by Publication Title, State/Province, U.S. SRDS or Canadian CARD classifications.

Beige Book
http://www.federalreserve.gov/monetarypolicy/beigebook/default.htm
Each Federal Reserve Bank gathers anecdotal information on current economic conditions in its District through reports from Bank and Branch directors and interviews with key business contacts, economists, market experts, and other sources. The Beige Book, published eight times per year, summarizes this information by District and sector. An overall summary of the twelve district reports is prepared by a designated Federal Reserve Bank on a rotating basis.

Better Management - Business Intelligence
http://www.sas.com/knowledge-exchange/?FilterID=10
Business intelligence (BI) uses knowledge management, data warehouse, data mining and business analysis to identify, track and improve key processes and data, as well as identify and monitor trends in corporate, competitor and market performance.

BizMiner
http://www.bizminer.com/
The company pioneers online delivery of detailed industry analysis to small and large businesses and entrepreneurs through its local and national Marketing Plan Research Profiles, Financial Analysis Profiles, Area Sector Profiles, Target Market Area Scorecards Profiles, Franchise Profiles and Business Risk Index series. BizMiner’s proprietary research methodology tracks and analyzes the experience of over 18 million US business facilities, condensing millions of data points into the unique measures found in our profile series.

Biznar - Innovative Business Research Search Engine
http://biznar.com/biznar/
Biznar is a free, publicly available business research site that uses advanced technology to return high quality results. Using state-of-the-art federated search technology from Deep Web Technologies, Biznar accelerates your research by returning the most relevant results from across the World Wide Web, including blogs, wikis, mainstream searches and deep web sources to one, easily navigable page. Each search is done in real-time, searching the sources you select as if you were entering the search term on each individual website yourself.

BizShark - Internet Business Search Engine
http://www.bizshark.com/
BizShark uncovers your competitors’ marketing strategies, finances, news, and more. BizShark brings you the latest business profiles, news, financials, web analytics, social footprint, marketing strategies, and other business information by searching across 50+ Internet business databases. BizShark searches and converts raw business data into 13 standard metrics to enable quick and easy business comparison.

BNET - Business White Papers, Webcasts and Case Studies
http://www.cbsnews.com/moneywatch/
BNET offers an extensive collection of both classic and current business white papers, case studies, webcasts and other interactive content created and categorized for decision makers at the Fortune 500 and the world’s most successful small and medium-sized organizations.

Bots, Blogs and News Aggregators
http://www.BotsBlogs.com/
A comprehensive site covering the resources for bots, blogs and news aggregators on the Internet including white papers and a video presentation. These areas are considered by some to be the future methods of information retrieval and information dissemination on the world wide web.
Brint.com Business Technology Knowledge Portal
http://www.brint.com/
Developing leading edge thinking and practice on contemporary business, information, technology and knowledge management issues to facilitate organizational and individual performance, success, and fulfillment.

Business Filings Databases -- Updated
http://www.llrx.com/columns/roundup29.htm
All 50 states make some level of corporate and business filings available online. In a few instances only limited information (such as name availability) is retrievable. The majority of the states, however, use their Web presence to disseminate a range of public business records -- and most of them offer access at no charge. This update reflects changes that have been made in the previously listed databases.

Business Information on the Internet
http://www.rba.co.uk/sources/index.htm
These links will take you to a selection of key business information sites on the Internet and this resource has been created by Karen Blakeman. Details of changes to the listings are announced in Karen Blakeman's blog.

BusinessIntelligence.com – The Resource For Business Intelligence
http://www.BusinessIntelligence.com/
This site is part of the IT Network 365 that offers articles, news, media, research, papers, extracts, events, books, and exhibition business intelligence resources.

Business Intelligence for Dummies Cheat Sheet
http://www.dummies.com/how-to/content/business-intelligence-for-dummies-cheat-sheet.html

Business Intelligence Network
http://www.b-eye-network.com/
The Business Intelligence Network™ and Resource Library delivers industry-based content hosted by domain experts and industry leaders. The Business Intelligence Network includes horizontal technology coverage from the most respected thought leaders in Business Intelligence, Business Performance Management, Data Warehousing and Data Quality. The Business Intelligence Network serves these communities with unparalleled industry coverage and resources.

Business Intelligence Resources Subject Tracer™
http://www.BIResources.info/
Business Intelligence Resources is a Subject Tracer™ White Paper Dataset Link Compilation created and authored by the Virtual Private Library and is constantly updated.
updated with Subject Tracer Bots (STB) monitoring the web and deep web for the latest information on business intelligence.

**Business Intelligence: White Papers, Webcasts and Product Information**
http://www.bitpipe.com/tlist/Business-Intelligence.html
A site offering white papers, webcasts and product information concerning all aspects of business intelligence.

**Business Wire**
http://home.businesswire.com/portal/site/home/
Business Wire is the leading source for full-text breaking news releases, multimedia and regulatory filings for companies and groups throughout the world.

**CAROL Company Annual Reports Online**
http://www.carol.co.uk/
CAROL is an on-line service offering direct links to the financial pages of listed companies in Europe and the USA. CAROL provides direct access to companies’ balance sheets, profit & loss statements, financial highlights etc.

**CEO Express**
http://www.ceoexpress.com/default.asp
CEOExpress.com is designed to be the executive’s interface to the Internet. The site’s peer editor recognizes that executives have precious little time to obtain all the information they require to conduct business. At the same time, much of the information that executives need is available on the Internet. CEOExpress takes all that information, and by employing expert human editors and "mind ergonomics," pares it down to the 20% that is most critical and useful. That information is delivered to the user's desktop in a clear, easy-to-use format.

**ChangeTracker - Tracking Change In Washington**
http://www.propublica.org/article/changetracker
ChangeTracker, an experimental new tool that watches pages on a) whitehouse.gov, b) recovery.gov and c) financialstability.gov so you don’t have to. When the White House adds or deletes anything— say a blog post, or executive order ... ChangeTracker will let you know. The latest changes are on their page or sign up to get alerts sent to you. Each change links to a page that shows the different versions side-by-side. Text highlighted in red means it was removed, green means it was added.

**Company Information Guide - Company Research on the Web**
http://virtualchase.justia.com/research-resources/business-research
A comprehensive guide created by the Genie Tyburski of the Virtual Chase offering
resources and sites for conducting research on both public and private companies on the Internet.

**Company Research Pathfinder from Rutgers University Libraries**
http://libguides.rutgers.edu/companies
This Research Guide provides assistance in doing research in a variety of business and management topics, with descriptions of databases and hundreds of reference books in the collections of the Rutgers University Libraries. Links to more than 3,000 selected business and management-related Internet resources are included.**Competia Express** –

**Competitive Intelligence Resources**
http://www.competia.com/
They have compiled lists of sites that they have found to be of the most value in your industry. These lists are far from exhaustive, but they should give you a superb head start.

**Competitive Intelligence - A Selective Resource Guide** -
http://www.llrx.com/features/ciguide.htm
Sabrina I. Pacifici's completely revised and updated pathfinder focuses on leveraging selected reliable, focused, free and low cost sites and sources to effectively profile and monitor companies, markets, countries, people, and issues. This guide is a "best of list" of web, database and email alert products, services and tools, as well links to content specific sources produced by governments, academia, NGOs, the media and various publishers.

**Competitive Intelligence Resources**
http://CompetitiveIntelligenceResources.BlogSpot.com/
A comprehensive Internet MiniGuide link compilation of significant competitive intelligence resources and sites on the Internet authored and edited by the author of the annotated white paper.

**Current Awareness Monitors, Alerts and Information Traps**
http://www.eCurrentAwareness.com/
A report listing the current awareness resources available on the Internet that will allow one to stay current in their profession, business and or special interest. With information overload the buzz it is now more important that ever before to create automated current awareness resources and this report list the very best available now on the Internet. This business intelligence report is authored by the author of this annotated white paper.

**DataMonitor Business Intelligence**
http://www.datamonitor.com/
Datamonitor plc is a premium business information company specializing in industry analysis. They help our clients, 5000 of the world's leading companies, to address
complex strategic issues. Through our proprietary databases and wealth of expertise, we provide clients with unbiased expert analysis and in-depth forecasts for seven industry sectors: Automotive, Consumer Markets, Energy, Financial Services, Pharmaceuticals and Healthcare, Retail, Technology, Transport and Logistics.

**Deep Web Research and Discovery Resources 2016**
http://DeepWeb.us/
An article outlining the various resources available for finding information in the deep and invisible World Wide Web authored by the author of this annotated white paper.

**Forbes People Tracker**
http://www.forbes.com/peopletracker/
Track over 120,000 executives and members of the Forbes rich and celebrity lists. Customize free email alerts: receive updates on an individual's title or compensation change, options exercised, or breaking news. Research public companies and executives with our in-depth, up-to-date people and company tear sheets. Get the latest news on people and companies in your tracker, including stories from Forbes.com and Forbes magazines.

**FreshPatents**
http://www.freshpatents.com/
The latest published US patent applications each week BEFORE the USPTO decision to grant/deny. Freely available innovative services like keyword monitoring, RSS feeds and browse by location. Learn about new ideas. New applications are published Monday. Dates listed are for the previous Thursday's official USPTO publication date.

**globalEDGE™ - Your Source For Global Business Knowledge**
http://globaledge.msu.edu/
Created by the International Business Center at Michigan State University (IBC), globalEDGE™ is a knowledge web-portal that connects international business professionals worldwide to a wealth of information, insights, and learning resources on global business activities. Partially funded by a U.S. Department of Education Title VI B grant, globalEDGE™ is your source for global business knowledge.

**Harvard Business School Baker Library Business Research Guides**
http://www.library.hbs.edu/guides/
Baker Library produces guides to help in the use of resources at Baker and beyond for business and career research. The list includes guides to general business topics, information on specific industries and specific course support projects that may be helpful in other contexts.
HitWise - Competitive and Search Intelligence for Online Advertising and Search
http://www.experian.com/hitwise/
Each day, Hitwise provides insights on how 10 million US Internet users interact with more than 1 million websites, across 165+ industries. Learn how to apply the Industry's most timely and robust competitive insights to your online branding, search marketing, content strategies and online partnerships. Features include: a) Optimize your Search Campaigns with Paid & Organic data; b) Uncover New and Returning visitors to competitors' websites; and c) Subscribing to their newsletter.

Hometown Locator
http://www.hometownlocator.com/
Community Profiles for 42,500 US cities, towns and ZIP code with census, demographic and income data, parks, schools, libraries, hospitals, airports, environmental conditions, local newspapers, media outlets, employment, maps, coordinates and aerial photos.

How To Conduct A Background Check by Genie Tyburski, Web Manager, The Virtual Chase
http://archive.virtualchase.justia.com/articles/archive/background_checks.html
Originally published in Law Office Computing (October/November 2004) under the title, "Background Checks Online." Revised to reflect resources and strategies current as of the date appearing at the end of the page.

How to Learn About an Industry Or a Specific Company
http://www.virtualpet.com/industry/howto/search.htm
This site is a major portal for those researching companies and industries. An organized procedure to learn about an industry OR a specific company is provided. Following the entire process will allow you to gain an in-depth understanding of the industry or firm, far beyond that gained by focusing purely on financial data. Specific parts of the process can be used to rapidly investigate certain aspects of the industry or company.

Intelligent Enterprise Magazine
http://www.informationweek.com/software/info_centers/bi/
The Business Intelligence channel of Intelligent Enterprise Magazine covering new articles, analysis, business intelligence, events, resources and white papers.

Internet Intelligence Index™ - Fuld & Company
http://www.fuld.com/
The Internet Intelligence Index™ is designed to help you gather information from a wide variety of public services, in support of your competitive intelligence efforts. It contains links to over 600 intelligence-related Internet sites, covering everything from macro-economic data to individual patent and stock quote information.
Investigative Reporters and Editors (IRE)
http://www.ire.org/
Investigative Reporters and Editors (IRE) located at the Missouri School of Journalism provides educational services to reporters, editors and others interested in investigative journalism and works to maintain high professional standards.

Investigator's Toolbox - Online Resources for Researchers
http://www.virtuallibrarian.com/it/
A very comprehensive site offering resources in the following areas for the researcher: books, companies, credit agencies, education, databases, identifying Numbers, mailing lists, map sources, medications, miscellaneous, news sources, offenders, patents and IP, phones and email, professionals, states, vital statistics, and weather data.

ITtoolbox Business Intelligence
http://businessintelligence.ittoolbox.com/
The ITtoolbox offers business intelligence resources in the following content type categories: blogs, code exchange, faqs, groups, jobs, news, peer publishing, pr, research, and white papers.

KnowledgeStorm
http://www.KnowledgeStorm.com/
KnowledgeStorm is the Internet's most highly trafficked business technology search site. KnowledgeStorm shortens and streamlines the IT buy cycle by providing software, service, reseller and hardware information on thousands of IT solutions, alongside white papers, webinars and case studies.

Market Intelligence Resources
http://www.MarketIntelligenceResources.com/
This 193 page Professional Internet MiniGuide brings you the latest links and sources for market intelligence. WikiPedia defines Market Intelligence as: "Market Intelligence (MI) – information relevant to a company’s markets, gathered and analyzed specifically for the purpose of accurate and confident decision making in determining market opportunity, market penetration strategy, and new market development metrics.” The Market Intelligence Resources Professional Internet MiniGuide has all its links and sources listed alphabetically and broken down into categories that address the many facets of market intelligence for today's business owner and/or entrepreneur.

Mergers and Acquisitions Business Research
http://www.masourceexpress.com/mergers-and-acquisitions
Mergers and Acquisitions Business Research offers the resources necessary for business intelligence required using their extensive listings of M&A research resources offering through independent sites on the Internet. The author of this annotated white paper is
proud that they have used a number of his Subject Tracers as well as the Virtual Private Library in their resource collection.

**Mint Portal - Business Intelligence and Business Information**  
A taste of Mint lets you search for companies operating in a specific country and/or activity - and a basic list is free. Fill in just the fields you require for your search. Alternatively, you can enter a company name (or number) to verify its existence.

**NASD BrokerCheck: Check the Background of Your Investment Professional**  
[http://brokercheck.finra.org/](http://brokercheck.finra.org/)  
NASD BrokerCheck should be your first resource tool to learn about the professional background, registration/license statuses and conduct of NASD registered firms and their registered brokers. NASD BrokerCheck was designed to be simple and efficient in its delivery of information. NASD makes information on securities professionals and firms available online and, in most cases, detailed report information is returned to you by e-mail within minutes of your request.

**New Economy Analytics, Resources and Alerts**  
New Economy Analytics, Resources and Alerts is a Subject Tracer™ Information Blog designed to give the latest information available from the Internet for New Economy Analytics, Resources and Alerts which include analytics from the New Economy transparent databases, link resources and RSS feeds; resources from the appropriate databases of information that have been created for the transparency of the New Economy economic activities and conditions, and alerts to the latest economic information coming from various global resources on the Internet.

**NewsIsFree**  
NewsIsFree is a web site designed to let you access thousands of news sources with a powerful and flexible portal for browsing, indexing and publishing news headlines. NewsIsFree currently features 20679 news channels, ranging from high profile news sources, to very specific topic sites, to weblogs. Sources are gathered either from their syndication feed or by analysing the actual web pages. Sources are updated as often as every fifteen minutes, although actual update rate depends on how often each source changes. Each source is updated at least once a day.

**NewsNow**  
[http://www.newsnow.co.uk/h/](http://www.newsnow.co.uk/h/)  
Automatically searching 19931 news sources every 5 minutes as of this authoring. Today NewsNow monitors breaking news in 15+ languages from thousands of the Internet's...
most important online publications, including international, national and regional titles, newswires, magazines, press releases and exclusively online news sources. Their corporate services include online press cuttings, market intelligence, competitor tracking and web site and intranet content.

**Omgili - Find Out What People Are Saying**
http://www.omgili.com/
Omgili is the best way in the known universe to find out what people are saying about anything and everything! Omgili is your way to find "subjective information". As opposed to traditional search engines, which search for sites and pages, Omgili finds consumer opinions, debates, discussions, personal experiences, answers and solutions. Most of the questions have already been answered - find the answers through Omgili.

**OneSource Online Business Information**
http://www.onesource.com/
OneSource integrates business content from over 2,500 leading sources worldwide, optimizing it to meet the unique needs of sales, financial services, and professional services teams. OneSource is a division of infoUSA.

**Productscan Online**
http://www.productscan.com/
Better understand product launch trends
Productscan Online helps transform information into intelligence. Over 20 searchable data fields per report help you track launches by brand and product name • manufacturer • product category • health claim • flavor • ingredient and more. Mixing and matching these characteristics creates infinite search possibilities. Over 200,000 detail-rich reports on over half a million new packaged goods skus launched worldwide from 1980 to today.

**PSFK Collaborative Trend Spotting Site**
http://www.psfk.com/
PSFK is a community of trend spotters, futurists, forward-thinking-individuals and cool hunters in Fashion, Design, Advertising, IT, Government, Art, You-Name-It around the world. Sightings of trends are fed to a group of main site editors who then may or may not publish them on the site.

**Public Records Online Directory**
http://publicrecords.netronline.com/
The Public Records Online Directory is a Portal to official state web sites, and those Tax Assessors' and Recorders' offices that have developed web sites for the retrieval of available public records over the internet.
Search Systems Free Public Records Directory
http://publicrecords.searchsystems.net/
One of the largest directory of links to free public record databases on the Internet. Find business information, corporate filings, property records, unclaimed property, professional licenses, offenders, inmates, criminal and civil court filings, and much more. As of this authoring there are over 27,480 free searchable public record databases.

SmartDig™ - Business For Sale Search Engine
http://www.smartdig.com/
SmartDig™ is an aggregator of businesses for sale on the Internet and a source for finding the right business - locally and around the world. SmartDig™ indexes business for sale listings from business brokers, business owners, business for sale forums, as well as corporate and community sites.

State Business Filings Databases
http://www.llrx.com/columns/roundup29.htm
All 50 states make some level of corporate and business filings available online. In a few instances only limited information (such as name availability) is retrievable. The majority of the states, however, use their Web presence to disseminate a range of public business records -- and most of them offer access at no charge.

The Center for Business Intelligence
http://www.cbinet.com/
Founded in 1994 in Boston, CBI Research, Inc. is dedicated to developing market-driven, unbiased conferences in pharmaceuticals/biotech, risk and insurance and managed care markets. CBI Research, Inc. offers conferences and summits that serve senior executives and government officials by providing a unique platform for highly focused content and presentation.

TheDeal
http://www.thedeal.com/
The Deal is a diversified media company dedicated to providing must-read financial news, commentary, data and services to corporate and financial dealmakers, their advisers and investors worldwide. They serve the global deal community by providing timely, accurate and useful information. They cut through the clutter by combining a sophisticated editorial voice with essential need-to-know insights characteristic of industry trade publications.
