**Statements of understanding:**

- I understand I must successfully complete the following to be considered for clinical placement:
  - Achieve all competencies in the classroom portion of my training within the past 3 months
  - Prerequisite: Health Career Success completed (CRN or date taken: ____________).
  - Attach a professional resume

- I have attached ALL required documentation for consideration.

- I have read & understand the rules & regulations of the college this program abides by & these are terms of my continuation in the program.

- Information given is factual. Falsification of required documentation results in application rejection.

- I understand I must pay for the externship clinical experience upon application approval & the additional fee of liability insurance assessed at registration.

- I will submit to Group One for a background check, at my expense. The results will be reported directly to the College.

- I will submit to ArcPoint for a drug screening, at my expense. The results will be reported directly to the College. Once I am admitted into the Externship, I may be subject to future drug screens in the event that “for cause” behavior (suspicious in nature) is demonstrated in the classroom or clinical areas or per agency/clinical requirement. I further realize that a positive test result may deem me ineligible for progression in the Externship. This can be cause for withdrawal from the program with a “No-Pass” grade and referral to a substance abuse program.

- I have read & understand the terms related, & release Collin College & its employees from any liability.

- I understand completion of the application does not guarantee me a position at a clinical site. Applications are screened by the Clinical Coordinator, & if selected for participation, I will be notified. Recommendations from my instructors will be a contributing factor.

   a. If the NP is due to poor behavior & I would like an opportunity to earn a Pass-Competency (PC) for the externship, I will be required to repeat Health Career Success, then repeat the externship. Repeats of all classes will require new registration & payment in full.
   b. If the NP is due to poor performance on skills & I would like an opportunity to earn a Pass-Competency (PC) for the externship, I will be required to repeat the full course or a remediation course, then repeat the externship.
