Introduction
Caring for hospitalized patients requires an integrative knowledge of various specialty fields of medicine. A working knowledge of recent advances in the most common diagnoses is essential to effectively and efficiently manage hospitalized patients.

Need
As the hospitalist industry grows, it is imperative that the leaders of this booming industry continue to educate the frontline doctors in the field. This meeting allows great dialogue between hospital leaders in our region and the doctors who are providing care to the patients as Hospitalist. This atmosphere encourages questions and in depth conversation as participants attempt to close the practice gap that exist between mature programs and newer ones that need some basic tools to grow their hospital based practice.

Purpose
The purpose of this meeting is to identify common issues pertinent to hospital based medicine, including clinical, administrative, and quality challenges currently in the forefront of hospital medicine.

Educational Objectives
By the end of this conference, the participant should be able to:
1. Network with similar hospitalists allowing best practices to be shared
2. Value your services and sell them to your CEO as a valuable service line
3. Understand importance of patient satisfaction and medicine reconciliation as part of a hospitalist scorecard
4. See, evaluate, and treat anemic patients
5. Efficiently manage the COPD patient as it pertains to Antibiotics, steroids, inhaled care, and transition to the outpatient care.
6. Evaluate new markets for growth within your hospital, making the program more valuable to your system
7. Understand how to identify and treat the delirious patient
8. Understand the importance of the special needs HIV patients may have in the acute care setting.
9. Recognize and treat C. Difficile colitis, especially in the elderly
10. Build relationships with your hospital leaders, CMO, and ER group

Accreditation Statement
The Ochsner Clinic Foundation is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement
The Ochsner Clinic Foundation designates this educational activity for a maximum of 11 AMA PRA Category 1 Credits™. Physicians should claim credit commensurate with the extent of their participation in the activity. A certificate of attendance will be mailed within two weeks after the course.

Hotel Accommodations
Grand Hotel Marriott Resort, Golf Club, & Spa
17855 Scenic Highway 98
Fairhope, AL 36532
Reservations: (800) 544-9933
