Air Bag Clocksprings
Relays power to steering wheel functions and air bag

525-028: Chevrolet Malibu 2012-08, Malibu 2005-04, Pontiac G6 2010-05, Saturn Aura 2009-07

- Restores the airbag system to its original performance
- Secure direct-fit connectors are pre-attached; no wire splicing necessary

Failure Mode:
- Failure results in wheel controls not functioning properly or illumination of the airbag light

ALSO AVAILABLE

- 525-019: GM Astro, Safari, Silverado, Sierra, Tahoe, Suburban, Express, Savana 2002-93
- 525-027: GM Bravada, Trailblazer, Envoy, Rainier, SSR 2004-02
- 525-140: Chrysler, Dodge, Plymouth Minivans 2000-98
- 525-401: Pontiac 2010-09; Toyota 2013-05
- 525-403: Toyota Camry 2006-02, Sienna 2010-04

Antenna Masts
Secures antenna in proper position

76840: Honda 2014-00; Subaru 2010-08

6 SKUs Available

ALSO AVAILABLE: BMW, Chrysler, Ford & Toyota applications

Cabin Air Filter Cover
Retains cabin air filter in place

45000: Pontiac Vibe 2008-03
Center Console Hinge Repair Kit
Repair kit for a broken or damaged center dash console
924-451: Toyota Corolla 2008-03, Matrix 2008-03

Center Console Latches
Secures console lid in closed position
- Replace just the failed latch, instead of the entire center console assembly
- Made to match the overall aesthetic design of the original latch

Console Lids
Replacement lid for a center console assembly
924-829: Volkswagen Beetle 2005-98
- Complete Kit - Includes all necessary hardware for a complete repair (where applicable)
- Reduce Repair Costs - Replace just the broken lid, instead of the entire console assembly

Dashboard Air Vents
Allows vehicle occupants to control air flow and direction
74337: Jeep Liberty 2007-02
- Necessary replacement item ensures interior ride comfort

Door Arm Rests
Replacement for frequently worn driver’s side door
924-838: Toyota Prius 2009-04
- Reduce Repair Costs - Replace just the failed arm rest, instead of the entire door panel
Doors Lock Actuator Motors
Electric motor located inside door housing used to control lock and unlock functions

931-318: GM Suburban, Tahoe, Yukon, Silverado, Sierra, Escalade 2007-00
  • Aftermarket leading application coverage for Integrated Door Lock Actuators
  • Engineered with high quality electric motor

931-310: Saturn Aura 2009-07; Chevrolet Malibu 2012-08
  • Failure results in lock becoming inoperable

Headrest Mechanism
Repair kit restores ability to adjust vehicles headrest to the desired level of comfort and safety

  • Includes necessary components for complete installation
  • Easy to install

FOR ADDITIONAL INFORMATION PLEASE VISIT US AT:
WWW.DORMANPRODUCTS.COM/IDLASOLUTIONS
**Fuel Filler Door Switch**  
*Remotely operates fuel door lock mechanism*  
**901-350:** Lincoln Mark VIII 1998-93  
- Restores the ability to release the fuel door with ease  
- Designed to match size, function and appearance of the original

**Interior Door Lights**  
*Interior reflector lamp that illuminates when vehicle door is open*  
**923-103:** GM C/K Series Trucks, Silverado, Sierra 2006-95  
- Replacement door lights available for the right and left side vehicle doors  
- Easy to install

**Keyless Remote Cases**  
*Replacement for broken keyless remote cases*  
**13666:** Subaru Baja 2006, Forester 2007-05, Impreza 2006-05  
- Each replacement case includes new outer shell and keypad  
- No special tools required

**Parking Brake Release Cables**  
**924-087:** Various Ford 2004-99  
- Repair solution for broken release cable

**Sunroof Switch Bezel**  
*Interior part that retains sunroof switch*  
**924-821:** Chevrolet Cobalt 2010-05, Pontiac G5 2010-07, Pursuit 2006-05  
- Direct fit replacement matches original design

**OE PROBLEM:**  
The Dealer offers no repair for worn or cracked key fobs, instead requiring expensive replacement and programming.

**FIX**  
Dorman’s case repair allows customers to easily replace just the case, saving cost and eliminating the need to program.
Tailgate Moldings
Protects top edge of vehicle tailgate
- Replaces original cracked moldings
- Easy to install, requires no special tools

Undercar Shields
Protects vehicle engine from road debris and severe weather conditions
924-048: Chrysler 300 2010-07, Dodge Charger 2010-07, Magnum 2008-07
- Includes all hardware needed for a complete repair (where applicable)

Wheel Caps
Replacement covers for steel wheels
910-104: Chevrolet Malibu 2008-04
- Designed to match original look and accept original center caps

Windshield Washer Nozzles
Controls and directs flow of washer fluid
47237: Universal
- Universal and direct replacement washer nozzles available (where applicable)

Windshield Wiper Arms
Maintains pressure and wiper blade contact with windshield
42713: Toyota Prius 2009-03
- Long-lasting enamel prevents flaking, peeling and fading

Windshield Wiper Linkages
Provides mechanical connection between the wiper motor and wiper arm
- Includes everything needed for a complete repair
ABS Control Modules
ABS system component that regulates brake pressure, to prevent sliding or skidding as a result of hard braking
599-775: GM Avalanche 1500, Silverado 1500, Suburban 1500, Tahoe, Sierra 1500, Yukon 1500 2013-09

- Completely remanufactured and vehicle simulator tested
- Plug and play - no programming required
- Available for both import and domestic vehicle applications (where applicable)

Brake Dust Shields
Prevents debris from entering the braking system

- Includes two plates in just one SKU, saving time and money (where applicable)
- Powder coated finish prevents rust and corrosion

Failure Mode:
- Rust and corrosion
- Failure results in rattling sound from brake area

Brake Hydraulic Lines – Stainless Steel Brake Lines
Direct fit pre-bent stainless steel brake lines carry pressurized fluid from the master cylinder to the brake caliper or cylinder at the wheel
919-102: Chevrolet Silverado 1500 2002-99, GMC Sierra 1500 2002-99

- Each kit includes multiple lines for a complete truck application repair
Body Mount Sets
Secures frame or subframe to vehicle body, isolating road noise and vibration
- All necessary bushings and hardware are included for a complete repair (where applicable)

Differential Dynamic Dampener
Reduces driveline vibration from differential
924-441: Honda CR-V 2006-02, Element 2010-03
- Helps reduce hard drivetrain vibrations that often lead to chassis failures
- Direct replacement constructed of durable steel and rubber components

Leaf Springs
Spring used to support vehicle suspension
- Replacement restores an even suspension load, resulting in a smoother ride
- Coated for added resistance to rust and corrosion

Leaf Spring Bumpers
Prevents damage to vehicle suspension during heavy impact, while driving over bumps or potholes
- Replacement eliminates knocking noise from leaf spring

Leaf Spring Hangers
Attaches leaf spring to the frame of the vehicle
722-093: Ford Explorer 2002-01, Explorer Sport Trac 2002-01
- Includes bracket and mounting hardware for a complete repair (where applicable)

Leaf Spring Shackles
Mounts leaf spring to frame
722-059: Dodge Durango 2003-98
- Includes all necessary hardware for a complete repair (where applicable)
Suspension Control Arm Bumpers
Prevents control arm from contacting vehicle frame
905-208: GM 2014-99; Silverado, Sierra, Tahoe, Suburban 2006-99; Express & Savana 2014-03

- Constructed of upgraded material for greater durability
- Weather and crack resistant design ensures longer service life

Over 90 SKUS Available

Suspension Subframe Bushings
Secures frame or subframe to vehicle body and isolates road noise and vibration
523-096: Chevrolet Equinox 2014-10, GMC Terrain 2014-10

- Complete Kit - Includes all necessary components for a complete repair

Over 10 SKUS Available

Suspension Trailing Arms
Attaches wheel to vehicle frame while allowing vertical and horizontal movement
523-094: GM Cutlass, Malibu, Alero, Grand Am, Classic 2003-97

- Bushings included for a complete installation, saving time and labor (where applicable)

Over 10 SKUS Available

Suspension Trailing Arm Bushings
Connects trailing arm to vehicle frame
523-069: Ford Escape 2012-01, Mercury Mariner 2011-05

- Complete Kit - Includes necessary components for a complete repair (where applicable)

Over 10 SKUS Available

Suspension Knuckle Bushings
Bushings used as the mounting point between the knuckle and suspension arms or links

- Replacement restores smooth ride, directional stability, and agile handling

Over 15 SKUS Available

OE PROBLEM:
Dealer does not offer bushing separately, forcing replacement of entire assembly.

Dorman’s Bushing only replacement saves shop time and money.
Diesel Emissions Fluid (DEF) Heater
Heats diesel exhaust fluid

- Complete Kit - Includes all necessary components for a complete DEF heater repair
- Quality tested to ensure trouble-free installation, performance and durability

Failure Mode:
- Original DEF heating element fails
- Failure results in drivability issues

Diesel Emissions Fluid (DEF) Pump
Supplies fluid to the SCR module

- Mounting hardware and syringe included for ease of installation
- Plug and play design, for easy installation

Diesel Glow Plug Wiring Harnesses
Provides power to vehicle glow plugs

- Direct replacement ensures a proper fit every time
- No special tools required during installation

Fuel Cooler
Cools and regulates diesel fuel temperatures

904-180: GM Silverado, Sierra 2500, 3500 2010-01

- Constructed of high quality aluminum for added reliability
- Easy to install direct replacement

Failure Mode:
- Fails due to corrosion and road debris

Fuel Cooler is located between the engine and fuel tank.
**Turbochargers**  
Restores vehicle power and engine efficiency  
917-152: Mazda 3 2013-07  
- Complete Kit - Includes O-rings for a complete repair  
- Individually balance tested, with results provided in product packaging

**Turbocharger Oil Lines**  
Feeds oil to turbocharger unit  
904-116: GM Silverado, Sierra 2500 HD, 3500 2004-01  
- Extensive quality testing performed to ensure this part conforms to product standards for durability and a long service life

**Turbocharger Oil Return Tubes**  
Carries oil away from turbocharger unit  
904-125: GM Silverado, Sierra, Express, Savana 2010-04  
- Includes all necessary components for a complete repair (where applicable)  
- Constructed of durable materials for corrosion-resistance

**Turbocharger Unison Ring**  
Controls vanes in turbo exhaust housing  
904-267: Ford F-Series Super Duty, E-Van Super Duty 20010-05  
- Replacement prevents damage to the turbocharger vanes and compressor wheel  
- Constructed of quality steel material for greater performance and increased durability

Auto Trans Kickdown Solenoids (ALSO KNOWN AS: Transmission Shift Solenoid)
Receives signal from vehicle's TCM to shift transmission through the gears

**609-040**: Grand Cherokee, Dakota, Liberty, Durango, Commander, Aspen, Wrangler, Ram Pickup 2011-99

- Fully remanufactured and tested for durability and quality assurance
- Ready-to-Install - plug and play design requires no programming

**Failure Mode:**
- Inability to shift in and out of gear
- Failure results in contamination and deterioration of solenoids and pressure switches

Auto Trans Shift Tube Lever Pin
Attaches shift lever to the column

**924-440**: Ford, Lincoln, Mercury Vehicles 2015-90

- Replacement prevents a loose or inoperable shift lever
- Constructed of steel material for durability and performance

Auto Trans Shifter Repair Kit
Helps vehicle shift into gear smoothly

**76848**: Honda Accord 2005-03

- Complete Kit - Includes necessary components for a complete repair

Auto Trans Valve Body Sealing Sleeves
Connects vehicle wiring harness to internal transmission electrical components

**917-029**: BMW 1, 3, 5 Series w/xDrive 2011-04

Differential Ring and Pinions
Transmits power from prop shaft to axle shafts

**697-130**: Dodge & GM Trucks w/11.5 In. Ring Gear Silverado, Sierra, Express, Savana, Ram Pickup 2013-01

Dorman’s Solenoids are remanufactured using higher quality components designed to withstand harsh transmission environment.
**Air Bag Impact Sensors**  
Alerts vehicle's onboard computer system in the event of a sudden or extreme deceleration  
590-231: GM Express & Savana Van 2014-08  
- Plug and play design for easy installation without the need to program

**Body Control Modules**  
Monitors and controls various electronic accessories in a vehicle  
502-017: Chevrolet Malibu 2010-08, Pontiac G6 2010-08, Saturn Aura 2009-08  
- Fully remanufactured and tested for durability and quality assurance

**DVD Player Remote Controls**  
Replaces lost or broken remote for vehicle DVD player  
57002: Lexus GX470 2006-03, Toyota Sequoia 2006-03, Tundra 2006-04  
- This replacement brings back the convenience of watching movies in your vehicle, and restores peace and quiet on long road trips

**High Intensity Discharge (HID) Headlight Control Modules**  
Regulates voltage to xenon headlamps, restoring proper operation of vehicle headlights  
601-061: Escalade 2006-03, Challenger, Charger 2013-08; Flex, Taurus, Explorer, Edge, Mustang, MKS, MKT, F-150 2013-10  
- Re-engineered design consolidates several parts into just one SKU to save inventory space

**Information Display Module**  
Overhead display module, providing fuel level, temperature and compass readings  
- Completely remanufactured and tested  
- Upgraded resistor prevents failure mode found in the original design from reoccurring  
- Plug and play design and requires no additional programming during installation
**Instrument Cluster Repair Kit**

*Restores proper function to instrument cluster gauges and instrument lighting for optimal performance*

**10-0200F:** GM Impala, Monte Carlo, Aztec, Trailblazer, Envoy, Silverado, Sierra, Tahoe, Yukon, Escalade, Avalanche 2006-00

- Kit includes six upgraded stepper motors and ten replacement bulbs for a complete repair
- Replacement bulbs feature longer and thicket filaments for an extended and more reliable service life

**Transmission Control Modules (ALSO KNOWN AS: TEHCM)**

*Combines the valve body solenoids, pressure and temperature switches into one complete unit*

**609-000:** GM Vehicles Acadia, Aura, Enclave, Equinox, G6, Malibu, Outlook, Torrent, Traverse, Vue 2009-07

- Completely remanufactured and vehicle simulator tested for durability assurance
- 100% replacement of gaskets, grommets and seals
- Free priority shipping included with each order received before 5:00PM EST

**Failure Mode:**
- Debris contaminates unit, deteriorating switches and solenoids
- Failure results in delayed shifting and/or the inability to shift gears

**ALSO AVAILABLE TRANSMISSION CONTROL MODULE**

**609-030:** Ford Fiesta 2014-11, Focus 2014-12

**TEHCM TRAINING MODULE AVAILABLE AT:**

www.dormanuniversity.com
**Engine Intake Manifolds**

Directs airflow into the cylinder head and intake passages

**615-376**: Ford E-150 2013-10, E-250 2013-10, F-150 2010-09

- Re-engineered with heat-resistant molding to reduce the warping and coolant leaks associated with original design
- Consolidated design combines multiple OE manifolds into just one Dorman SKU to save inventory space

**Engine Oil Filter Covers**

Retains Oil Filter

- Constructed of quality material for a longer service life
- Torque values listed on parts (where applicable)

**Engine Oil Dipsticks**

Measures vehicle oil level

**917-442**: Mercedes-Benz E430, CLK320, SL500, CLK430, E320, ML320, CL500, S500, S430 2005-98

- Application specific direct replacement for a proper fit every time

**Engine Oil Filler Tubes**

Provides pathway for oil to flow into the engine block

**917-414**: GM Various FWD Cars 2009-95

- Prevents oil leaks and debris from entering engine

**Engine Valve Covers**

Protects cylinder head components and seals oil flow

**264-988**: Ford Explorer, Ranger, Explorer Sport Trac, Mountaineer 2008-04

- Direct replacement
- Provides a tight, lasting seal against oil leaks
- High quality plastic, steel and aluminum construction resists warping and cracking (where applicable)

**Exhaust Manifold Hardware Kits**

Direct replacement hardware vital in servicing Exhaust Manifolds

**03218**: Dakota, Durango, Ram 1500, Grand Cherokee, Commander, Aspen 2007-05

- Save time by having the right hardware on hand when you need it
Engine Variable Timing Solenoids  
*Actuates variable valve timing by controlling oil flow and pressure*

**917-291:** Chrysler, Dodge, Jeep Cirrus, Sebring, Compass, Patriot, Avenger, Journey, 200 2014-07

- 100% Tested - All Engine Variable Timing Solenoids have undergone vehicle simulator testing and laboratory testing for quality assurance
- Complete Kit - Includes all gaskets needed for a complete repair (where applicable)
- Plug and Play - Easily plugs into the electrical harness
- Extensive coverage for both domestic and import applications

**Failure Mode:**
- Oil sludge builds up on screens and electrical failure
- Failure results in rough idle, loss of power or illumination of the check engine light

**ALSO AVAILABLE**

**917-281:** Acura CL 1999-98; Honda Accord 2002-98, Odyssey 1998

**917-290:** Chrysler, Dodge, Jeep Cirrus, Sebring, Compass, Patriot, Avenger, Journey, 200 2014-07

**917-293:** Toyota 4Runner, Land Cruiser, Sequoia, Tundra 2009-98; Lexus GS430, GX470, LX470, SC430 2009-98

**917-298:** GM Terraza, Monte Carlo, Relay, Uplander, Malibu, G6, Impala, Montana, Aura, Vue, Lucerne 2011-06

**918-005:** Buick Encore 2013, Chevrolet Cruze 2013-11, Sonic 2013-12, Volt 2013-11

*FOR ADDITIONAL INFORMATION PLEASE VISIT US AT:*
WWW.DORMANPRODUCTS.COM/VVTSOLUTIONS
Fuel Filter Caps
Covers the secondary fuel filter

**904-244**: Ford F-250/350/450/550 Super Duty 2012-11

- Redesigned with a hex for easier removal and installation

Fuel Injection Harnesses
Provides power to vehicle injector

**904-138**: GM Silverado, Sierra 2500 HD, 3500 2005-04; Workhorse LF72 2005

- Repairs worn harness

Fuel Management Wiring Harness
(ALSO KNOWN AS: Fuel Injector Harness)
Sends power to the fuel injectors

**911-089**: Chrysler & Dodge Minivans 2003-01

- Design includes a wire loom and heat wrap to protect harness wires

Secondary Air Injection Check Valves
Emissions control device that directs air into the exhaust manifold to burn off exhaust gases

**911-643**: Toyota Tundra 2015-07, Land Cruiser 2015-08, Sequoia 2015-08; Lexus LX570 2015-08

- Re-engineered with stainless steel internal plunger to help reduce corrosion (where applicable)

Vapor Canisters
Stores excess fuel vapor from the gas tank until ready to be released into the combustion chamber

**911-641**: Toyota RAV4 2000-96

- Redesigned with an extra hose to consolidate two OE numbers into just one Dorman part (where applicable)
- Extensive durability, functionality and emissions tested

**Failure Mode:**
- Physical damage, valve failure and over filling of fuel tank
- Failure results in illumination of the check engine light
A/C Service Valve Cap
Seals service port in A/C system, preventing leaks

902-025: GM Cars & Trucks 2015-93

• New repair solution for a leaking A/C port, now available in the Aftermarket for a wide range of GM and Saab applications
• Reduce repair costs by sealing the leaking A/C port, instead of evacuating AC system, saving time, money and labor

Coolant Water Outlet
Transfers coolant

902-964: Volkswagen Beetle 2010-98, Beetle Cabrio 2010

• Redesigned to withstand extreme changes in temperature that frequently cause original housing to become brittle, crack and leak

Engine Coolant Recovery Tanks
Provides coolant to the engine

• Redesigned with a more durable plastic construction for a longer service life (where applicable)
• Includes caps, drain tube and sensor (where applicable)
HVAC Control Modules
Controls a variety of cabin temperature options

**599-210:** GM Silverado, Sierra, Tahoe, Yukon, Trailblazer and Envoy 2009-02

- 100% new, not remanufactured
- Ready to install - Plug and play design requires no programming
- Includes backlight replacement LED bulbs and O-rings, (where applicable)

**Failure Mode:**
- Bulbs burn out or fan and temperature control failure
- Failure results in dark display and inability to change modes, temperature and fan speeds

**Also Available**

**599-193:**
Chevrolet 2002-99, GMC 2002-99

**599-260:**
Chevrolet Tahoe 2002-00, GMC Yukon 2002-00

**HVAC Heater Blend Door Actuators**
Electronic motor controlling the blend door used in interior temperature modes

**604-917:** Lexus GS300, RX300, GS430, IS300, SC430 2010-98

- Re-engineered with upgraded motor and internal materials for improved durability and performance (where applicable)

**HVAC Heater Control Knobs**
Adjusts heating temperature options inside the vehicle

**76835:** Jeep Grand Cherokee 1995-93

- Direct replacement for commonly broken, lost, or worn control knob
- Available in a variety of assortments that contains a range of styles and sizes
- Easy to install
HVAC Heater Hose Assemblies
Preserves proper coolant circulation

626-314HP: Chrysler Town & Country 2010, Dodge Grand Caravan 2010

- Include clamps and/or fittings for a complete installation (where applicable)
- Replace just the failed hoses, not the entire heater hose assembly, saving time and money
- Durable construction resists corrosion and coolant leaks
- Direct replacements available for both import and domestic applications

Failure Mode:
- Original metal tube corrodes and plastic Y-connector cracks and leaks
- Failure results in coolant leaks

626-307HP: Chrysler Town & Country 2009-08, Dodge Grand Caravan 2009-08, Volkswagen Routan 2010-09

ALSO AVAILABLE

Hybrid Drive Batteries
587-007: Toyota Prius 2013-09, Prius V 2013-12; Lexus CT200H 2013-11

- Ready-to-install direct replacements
- Includes modules (such as ECU) — no need to reuse from the old battery
- No programming required
- Completely remanufactured and tested
- Each unit and individual cell is tested to confirm optimal battery pack performance

ALSO AVAILABLE

587-015: Toyota Prius C Hatchback 2013-12

587-004: Honda Civic 2011-06

SUSPENSION ASSORTMENTS

Wheel Hub Bolt
Direct replacement tech tray containing wheel hub bolts of various styles and sizes
030-008: Universal

- Save time by having the right hardware on hand when needed

Wheel Hub Seal Kit
Seals 4WD hub components

- New 4WD front hub seal kit, now available in the Aftermarket for a variety of Ford applications
- This kit includes all wheel hub seals, O-rings and wheel hub retainers needed for a complete front hub repair
**Electronic Throttle Body**
Maintains the correct volume of air flow into the vehicle engine

**977-025**: Chrysler 2013-11, Dodge 2013-07, Jeep 2013-07

- Aluminum casting construction for an exact fit, performance match and corrosion-resistance
- Direct replacement for bolt-on and plug-in installation

**Failure Mode:**
- Internal electrical failure, motor burnout and wear

**Suspension Air Compressors**
Inflates and regulates active air suspension shock absorbers

**949-002**: GM Bravada, Trailblazer, Envoy, Rainier, 9-7X 2009-02

- 100% new, not remanufactured
- Includes additional components that are often not available separately, such as mounting bracket, motor, dryer, heat shield and air tubing (where applicable)
- Direct-fit plug for an easier and more secure connection

**Failure Mode:**
- Environmental contamination, water intrusion and motor burnout
- Failure results in sagging suspension and dash trouble codes displayed

** OE PROBLEM:**
Original unit often requires replacement due to sensor failure and excessive wear and tear.

**OE FIX:**
Completely redesigned circuit board eliminates carbon track wear associated with original unit.

**ADDITIONAL COMPRESSORS AVAILABLE – EACH INCLUDING VALUE-ADDED COMPONENTS**

- **949-200**: Crown Victoria, Town Car, Grand Marquis 2011-03
- **949-202**: Ford Expedition 2013-07, Lincoln Navigator 2013-07
- **949-902**: Volkswagen Touareg 2010-04
- **949-911**: Mercedes-Benz ML500, ML350, GL320, ML320, ML63 AMG, GL450, ML550, GL550, ML450, GL550 2012-06
Drive Shafts
Couples the transmission to the differential

- Dorman Drive Shafts are 100% new, not remanufactured
- Dorman Engineered with serviceable U-joints (where applicable)
- Direct Fit Replacement - No special tools or welding required

Failure Mode:
- U-joint failure or center support degrades
- Failure results in clunking or vibration

Over 175 SKUs Available

936-803: Ford F-150 2008-04

NEXT DAY AVAILABLE FOR STOCKING OR NEXT DAY DELIVERY

936-875: Volvo XC90 2005-03
938-320: Infiniti 2012-03
936-200: Kia Sorento 2006-03

ALSO AVAILABLE

Drive Shaft Center Support Bearings
Supports mounting point for drive shaft

934-610: Cadillac CTS 2007-03, Cadillac STS 2011-05

- Complete Kit - Includes mounting bracket for a complete repair

Over 25 SKUs Available
