**UPDATE ON THE NEW BLUEGRASS TELEVISION SHOW AND GREAT AMERICAN GOSPEL**

As of now, Great American Gospel is on Blue Highways TV on the Dish Network, Channel 73. It will be aired on Sundays at 9:00 A.M. EST. It is on Dish and Verizon and reaching 40 million households in America. Currently, Great American Gospel is not airing on Daystar, but may return if a slot opens up. Great American Bluegrass will debut on a date and time-slot to be confirmed late February. This show will be available to every Dish customer. We found out that on February 1st, Verizon drops RFD and picks up Blue Highway. That is 22 million more homes. This is very exciting news for us since we are hosting the show. Isn’t it amazing how God opens doors to get His Word out?

**A BIG THANK YOU**

If any of you have ever visited our Hominy Valley Singing, you have probably met our dear friends, Jack and Margie Daugherty at our product table. Their sweet smiles and kind words are some of the first to greet you as you cross the bridge onto the Singing Ground. They have been behind the “record table” for more years than I can count now, not just selling CD’s, but also making sure the bathrooms are clean and well stocked for all of us. Jack and Margie have also printed our t-shirts, caps and jackets for many years and manned the table at many other singings around the country as well. In November, Jack spent several days in the hospital and since then has had to begin dialysis 3 days a week. They had already decided to slow down their jobs at Hominy Valley, and this new “job”(dialysis) they have undertaken will make it more difficult for them to be with us there, and they will be missed for sure! Jack is doing well and Margie is such a wonderful nurse and caregiver, right by his side always. We wanted to say a big “Thank you” to the Daughertys for the many years of service to the Primitive Quartet. Without folks like them, it would be much harder for us to do what we do...and so many of you fall into that same category….OUR THANKS TO YOU TOO! Kenneth and Brenda Whited from Fyffe, Alabama have jumped right in to help out at our product table and we are so grateful to them for their willingness to “stand in the gap”. If you would like to send Jack and Margie a card, here is their address: 260 Warren Creek Road, Candler, NC 28715. I know they would love to hear from you!

**NEW CD COMING SOON**

In 2013, I published a songbook, MELODIES FROM THE HEART OF REAGAN RIDDLE, that had all the songs that I had written at that time. We are releasing a double CD that will include 46 of my most requested songs that the Primitive Quartet has recorded through the years and are in that songbook. The name of this project is MELODIES FROM THE HEART OF REAGAN RIDDLE (as sung by the Primitive Quartet). The CD is $25 or you can purchase the book and the CD for $40. You will find the CD and Songbook combo on the order form of this newsletter.
