RN-BS: Non-Nursing Required Courses
Transfer Credit Equivalents, FAQs, and Program Information can be found here.

Composition
1) ENG 100 (College Writing and Reading I, Global Emphasis)
2) ENG 200 (College Writing and Reading II, Global Emphasis)
   • Or the equivalent course requirements.

Lifetime Wellness
1) PED 101 (Physical Activity and Wellness)
   • UNCW’s PED 101 includes both Physical Activity and Wellness components that your course may not have contained.
   • This course can potentially be waived if you are over 55 years of age, or if you have military service that included Basic Training.

Mathematics and Statistics
1) STT 210 (Intro to Statistics: Health Science Application), OR one of the following: STT 215, QMM 280

Foreign Language (Proficiency at 201 level or higher. You may have previous foreign language courses and/or high school courses, but UNCW requires that you get to a certain proficiency level - not just a certain number of courses)
1) SPN 120 (Fundamentals of Spanish)
2) SPN 201 (Intermediate Spanish I)
3) Or the equivalent course requirements.

Aesthetic, Interpretive, and Literary Perspectives
1) ENG 110 (Introduction to Literature)
2) THR 121 (Introduction to Theatre)
3) Or the equivalent course requirements.

Historical and Philosophical Approaches
1) HST 105 (American History: United States), OR the equivalent course requirements.
2) PAR 215 (Bioethics), OR PAR 101, 115, 205, 211

Scientific Approaches to the Natural World
1) BIO 201 (Principles of Biology: Cells)
2) CHM 101 (General Chemistry)

Understanding Human Institutions and Behaviors
1) PSY 105 (Introductory Psychology)
2) ECN 125 (Survey of Economics), OR ECN 221, OR SOC 105

Writing Intensive and Information Literacy Competencies (3 hours each, in addition to the nursing curriculum)
• RN-BS students must have completed a satisfactory Writing Intensive course, or will need to take ENG 110. This is the same course that is listed in the “Aesthetic, Interpretive, and Literary Perspectives” section.
• RN-BS students must have completed a satisfactory Information Literacy course, or will need to take ENG 200. This is the same course that is listed in the “Composition” section.
• Writing Intensive and Information Literacy courses must meet certain criteria to be approved.

RN-BS Biology Requirement
1) BIO 240 (Human Anatomy and Physiology I)
2) BIO 241 (Human Anatomy and Physiology II)
3) BIO 246 (Microbiology)

RN-BS Lifespan Development Requirement
1) PSY 223 (Lifespan Development)

Revised: 11/2015
