Paper 1: spelling

The following information explains how to administer the key stage 1 English grammar, punctuation and spelling sample test Paper 1: spelling. If you have any questions, you should check with your headteacher or key stage 1 test co-ordinator before you administer the test.

Please make sure you follow these instructions correctly to ensure that the test is properly administered.

| Format | This component consists of an answer booklet for pupils to complete and a test transcript to be read by the test administrator.  
| Pupils will have approximately 15 minutes to complete the test (not strictly timed), writing the 20 missing words in the answer booklet.  
| It is at your discretion to choose when or if pupil(s) require a break during the test or whether, if appropriate, to stop the test early. |
| Equipment | Pupils will need the equipment specified below:  
| a blue / black pen, or a dark pencil  
| a rubber (optional). If rubbers are not provided, you should tell pupils that they may cross out any answers they wish to change.  
| Pupils will not be allowed the equipment below:  
| dictionaries, electronic spell checkers or bilingual word lists. |
| Assistance | Pupils should not require any assistance during the administration of Paper 1: spelling. You must ensure that nothing you say or do during the test could be interpreted as giving pupils an advantage.  
You should take care not to overemphasise spelling when reading out the words that pupils need to spell. |
| Before the test begins | Review the list of pupils with any particular individual needs: e.g. pupils who may need a scribe or a transcript made at the end of the test.  
| Ensure that you know how to administer any access arrangements correctly.  
| Check that there are enough administrators to maintain supervision and support for the test. You should consider the possibility of at least 1 test administrator needing to leave the room with a pupil.  
| Ensure that you understand how to deal with issues during the tests. |
| How to deal with issues during the test | It is impossible to plan for every scenario. Whatever action you take, pupil safety must always be your first consideration.  
In the following circumstances, you will need to stop the test either for an individual pupil or for the whole cohort:  
| the print is illegible in the answer booklet  
| an incorrect test has been administered  
| a fire alarm goes off  
| a pupil is unwell  
| a pupil needs to leave the test room during the tests  
| a pupil is caught cheating. |
| **How to deal with issues during the test (continued)** | If you need to stop the test:  
• make a note of the time  
• make sure pupils are kept under test conditions and that they are supervised  
• if they have to leave the room, ensure they don't talk about the test  
• speak to your test co-ordinator or a senior member of staff for advice on what to do next.  
You should brief your headteacher on how the incident was dealt with, once the test is over. |
| | |
| **What to do at the start of the test** | Check that seating is appropriately spaced and that no pupil can see another pupil’s answer booklet.  
Ensure that each pupil has a copy of Paper 1: spelling. |
| **What to say at the start of the test** | It is important to brief pupils fully at the start of each test. You should use these instructions to introduce Paper 1: spelling.  
**The wording of these instructions can be adapted, provided the meaning is retained.**  
You should use words and phrases familiar to the pupils, and you may repeat them as many times as necessary to ensure that the pupils understand what to do.  
Explain to the pupils that this is the key stage 1 English grammar, punctuation and spelling test Paper 1: spelling. Explain that the test will take around 15 minutes but is not strictly timed.  
Tell the pupils that they should have Paper 1: spelling in front of them.  
Explain to the pupils that they will need a blue / black pen or dark pencil and rubber (optional) for this test.  
Tell the pupils to write their names on the front of their answer booklet.  
Explain to the pupils that, if they want to change an answer, they should rub it out or put a line through the response they don’t want to be marked.  
Tell the pupils that they should work on their own, meaning that they should think of their own answers and not discuss them with others.  
Explain to the pupils that you are going to read out some sentences. Ask them to look at the sentences in their booklet. Explain that they are the same but with some words missing. Explain that, when you come to a space, they should wait for you to tell them the word and they should then write it in the space.  
Ask the pupils to turn to page 2. Explain that there is a practice spelling question which you will do together.  
Tell the pupils to listen carefully. Explain that you will read out the word that they need to spell correctly. You will then read the whole sentence, followed by the word again. The pupils need to write the word into the blank space in the sentence.  
Here is the practice question.  
**Practice:** *The word is tree.*  
*There was a big tree in the garden.*  
*The word is tree.*  
Check that all pupils have understood that ‘tree’ should be written in the first blank space.  
Explain that you will now read the rest of the sentences and the missing words as per the script on the next page. |

> *Do you have any questions?*

Once the pupil’s questions have been answered, the twenty spellings should be read as follows:

2. **Say**: The word is…
3. Read the context sentence
4. Repeat: The word is…
