WHATEVER YOUR RUN, MAKE IT A GREAT ONE

EVENT GUIDE
SUNDAY 10 APRIL  |  10K & 5K
ACKNOWLEDGEMENTS
The organisers of the SPAR Great Ireland Run would like to thank all of the various individuals, organisations and companies who have helped to organise this event. Special thanks go to:

NON-VALID ENTRANTS
Only participants wearing an official SPAR Great Ireland Run number have paid to enter the run. Event officials will be making spot checks at the start assembly area and the finish line. Anyone found to have joined the run without an official number will be removed from the event and will not receive a finisher’s pack or bottle of water.

Remember that medals, t-shirts, finishers’ packs and water quantities have been based on official entry levels, so anyone who joins the run without a number will be taking items intended for paying customers. Please report any such runners to event marshals and help to make the day as enjoyable as possible for all official entrants.
YOUR RUN PACK INCLUDES:

1. SPAR GREAT IRELAND RUN OFFICIAL NUMBER
Please check your run number to ensure it is identical to the master number on the address label of your envelope.
If it is different please email info@greatrun.org.

Please make sure you fill in the personal details on the reverse of your number the night before in case you need medical attention on the day. The run number should be attached securely to the front of your running vest using four safety pins.

2. TIMING CHIP
The timing chip is included on the back of your run number and is NOT a separate item. DO NOT remove it or exchange it with any other participant, it is exclusive to you and you alone and provides the following two functions:

(A) Your personal time – from the point you cross the start line until you cross the finish.

(B) Your result – a special results supplement will be published in the Irish Mirror on Monday 11 April. Results will also be posted online on the day of the event at greatirelandrun.org.

3. BAGGAGE PACK
In your run pack you will also find a plastic bag especially for your personal belongings. Pack your bag the night before and, using a marker pen, write your name and run number on the plastic bag so that you’re ready to go on the morning of the run.

Please leave plenty of time to drop your bag off on the day as the baggage area may get busy on the morning of the event. More information on the baggage drop-off area can be found on page 5 of this guide.

TRAINING AND PREPARATION
You should ensure that you have trained for the challenge responsibly. You can access all your training requirements free of charge at greatruntraining.org by logging in with your Great Run ID. Runner’s welfare advice is available at greatrun.org/respectthechallenge.

CUSTOMER SERVICES
There will be a Customer Services point in a marquee located near the start/finish line, which will be open from 09:00 on Sunday 10 April.

Please note that any problems with your entry, number or timing chip must be resolved at least one hour before the run starts. If you do encounter a problem, please contact SPAR Great Ireland Run at info@greatrun.org before the day of the event.

There will be no late entries taken on the day.

TOILETS
Toilets are available on the main site near to the start and finish areas. We politely ask that, if possible, male participants make use of the urinal units to reduce the queues at the other toilets.

BAGGAGE DROP-OFF
Due to the large numbers attending the run, it is not possible to provide changing rooms. Please come changed and ready to run. You can leave your bag with a friend, or use the baggage drop area next to the start. If you cannot leave your bag with a friend please deposit as follows:

- The night before your run use a marker pen to write your details on the waterproof bag provided.

- Put your belongings in the bag and deposit according to your run number colour.

NB the baggage drop is an open air, external facility. Please do not leave any valuables in your baggage – event organisers cannot accept any responsibility for damage to or loss of these items.

COLLECTING YOUR BAG
- All participants will need to show their run number to gain access to the baggage drop area.
- On exiting, all bags will be checked to verify that baggage numbers match run numbers.

BAGGAGE AREA MAP

THE START
The start assembly area will be on Chesterfield Avenue near to the Phoenix Monument and will be clearly marked by the start gantry. Runners are asked to assemble in their coloured waves (see map below). You have been allocated a coloured number based on your predicted running time; this is the time that you nominated during the entry process.

This enables you to run with similar paced runners and improve your running experience. The coloured areas are clearly defined using signage corresponding to your coloured number.

Access to each coloured area is from the rear of each assembly zone – marshals will check your coloured number at the access gates. The assembly sections are as follows: Elite Athletes / AAI Championship (women will have blue and white striped numbers and men will have yellow and white striped numbers) / Orange numbers / White numbers / Green numbers / Pink numbers.

**ASSEMBLY MAP**

Your number shows you where you should stand at the start of the run.

WARM-UP
Lifestyle Sports will be on hand to get every runner ready for the SPAR Great Ireland 5k and 10k events. The warm-up for the 5k starts at 10.20 and the 10k warm-up begins at 13.15, so make sure you are in the start assembly areas in good time.

MEDICAL SUPPORT
Code Blue and The Irish Red Cross will be in attendance along the course and at the start/finish area providing full medical support.

KILOMETRE (KM) MARKERS
Look out for the km markers positioned at the side of the road.

STAY HYDRATED
There will be an Aqua Pura water station at approximately 4.5km on the 10k course. For 5k runners, your water will be waiting for you at the finish line. Please only take one bottle as there will probably be a lot of runners behind you who are just as thirsty. When you have finished, please throw your bottle to the side of the road when it is safe to do so.

RUN IN YOUR COUNTY COLOURS
Don’t forget that we will compile all of the results to identify the fittest county in Ireland. Results will be based on the average time of runners from each county. Full results will be published in the Irish Mirror newspaper on Monday 11 April and posted on the website at greatirelandrun.org on the day of the event.
AT THE FINISH

When you cross the finish line, don’t just stop. Keep moving and follow the instructions of the marshals who will direct you to the Finishers’ Packs. Your bottle of Aqua Pura water will be inside your pack along with your medal, event t-shirt and much more. The Finishers’ Packs are arranged by t-shirt size so please take the size you asked for on your entry form.

MEET FRIENDS AND FAMILY

With so many people taking part it is not possible for everyone to meet their friends and family as soon as they cross the finish line. Agree on a meeting place in advance and use the large meeting point banners on the main site. These banners are marked from A-Z so simply stand beside the banner that corresponds to the first letter of your surname.

MISSING PERSON’S POINT

The missing person’s point is located by the medical marquee adjacent to the finish line. If you do lose someone please report to the nearest steward and member of event staff and they will be happy to assist.

SPECTATORS

As you move around the course, please be aware that only those roads used for the event are closed to traffic, so stay on the footpath at all times and only cross the roads at designated crossing points.

REFRESHMENTS

Hot and cold drinks, soup and freshly prepared sandwiches and cakes are available from the Phoenix Park visitor centre in the gardens opposite the finish line (see map on page seven for details). There will be a number of catering stalls on-site where you can buy hot and cold drinks and food.

Please dispose of your rubbish in the litter bins provided.

RESULTS

Full results will be available within the special results supplement in the Irish Mirror newspaper on Monday 11 April. They will also be available online at greatirelandrun.org on the day of the event. Details of other Great Run events will be available at greatrun.org/events.
If you’re taking part in the Great Ireland 5k on Sunday 10 April the information in this guide is also relevant to you so please make sure you read everything to ensure you’re ready for your big day.

Two key differences are your course and your start time. Please see below for more detail on both of these points. If you have any questions before the day please contact our customer services team via email: info@greatrun.org.

We’ll see you on the start line!
