2016 Forest Ridge Invitational
We are very excited for this year’s Invitational and continue to try and make it bigger and better with each year. As most of you know there has been a date change. The Invitational will now be held on June 24th-26th. Be sure to grab your partner and sign-up now.

Itinerary:
Friday- Horserace at 4:00, “Big Break” activities, putting contest, drink specials and live entertainment.
Saturday- Lunch at 11:00, Shotgun at 1:00 and Dinner at 6:00 and entertainment from “Playing from the Blues”.
Sunday- Shotgun at 8:00, Lunch and Awards at 1:00 following play.

Need New Grips?
With the weather heating up, now may be a good time to replace your old grips for new ones. Grips can harden up and get slick when the weather warms up so now is the perfect time to replace them. We carry a few options in the shop but if we do not have the ones you’re looking for we can order them and they will be in the next day. So stop by the shop today and we would love to assist you.

Featured Dessert
Tiramisu

Forest Ridge WGA
By Linda Hancock
The Forest Ridge WGA have played golf in between rain showers. Our regular play days have been fun but this month’s May tournament was rained out.
We did get to go to Bartlesville for Green Country InterClub. Forest Ridge did very well winning all their matches vs. Indian Springs.

The next day we hosted Tulsa District WGA here, at Forest Ridge. We had a nice showing with Suzy Creamer winning Flight B 1st low gross.

We will be continuing our season with more fun play days on Monday and Thursday’s. Come join us here at Forest Ridge Golf Club!

Begins at Dusk.
Covenant Corner
By Doug Shrout

The Forest Ridge Home Owners Association held their belated General Membership Meeting on Tuesday, May 3, 2016 after the threat of weather postponed the meeting one week. We had a great turnout with 95 homes being represented plus the vacant lots owned by Mr. Joe Robson which gave us an easy 10% quorum of the 1,250 lots in Forest Ridge.

Among other business of the HOA, which included passing the 2016 – 2017 with no dues increases, Joe explained how the “New” association will work! Actually, it’s not New and it’s not changing all that much. The sole biggest change will be that by the end of 2016, the members of the HOA, through their Representatives, will elect the Board of Directors rather than Mr. Robson appointing them. The Management of the HOA will continue to be done by The Robson Companies unless the new Board of Directors votes to make a change. As the managers of the HOA, Robson will continue to attend Board Meetings, send out Dues Notices, prepare budgets, oversee the landscape maintenance work performed by LandCare (formerly TruGreen) and Powers Landscape (in The Cottages), schedule tree work, irrigation repairs on common areas and all of the other duties we have been performing for the HOA over the years.

We will be getting together with the various Neighborhood Groupings to explain how this will all work. This will probably be done via email and/or the Forest Ridge website, so stay tuned.

Speaking of our website, as many of you know, you have had problems accessing the “Resident Only” side of our site (www. forestridge.com) during our conversion to another new website-hosting company. If you have problems with this, contact Mr. Steve Surles, s.surles@forestridge.com and he will walk you through the login process.

You may be contacted by a member of Boy Scout Troup 26. They gave a presentation at the GMM for a Flag Display promotion. They will provide a holder-sleeve in your yard by the mailbox, and five holidays each year, they will come out and install and pick up an American Flag. Their promotion was approved by the Forest Ridge Board of Directors and is in compliance with Broken Arrow’s Itinerant Merchant Ordinance, which Forest Ridge signed up for making it illegal for door-to-door salesmen in Forest Ridge. Non-Profits like Girl Scout Cookies sales and Boy Scouts are exempt.

For those of you who walk the trails around Meadow Lake, you may have noticed we once again have water flowing over the rock water-falls on the east end of the trail!! Scott Morgan oversaw the project when it was determined we needed to purchase a new pump. We bought a new pump and basket assembly, discharge hose, power cleaned the platform and painted, built a new housing assembly for the pump and have it painted. The new pump is now operating as the old one did years ago, with plenty of water flowing over the rocks and down the stream.

The guidelines in the CC&R’s are for the betterment of the entire Forest Ridge family. We all need to be aware of the provisions in them and try to abide by them.

Forest Ridge Bobber Bash 2016

Forest Ridge Garage Sale June 4th

The Robson Companies will not advertise this event other than exterior banners on the property. Should you wish to host a sale it is your responsibility to conclude your sale by 5:00 pm and pick up any directional signs you display.

Dear Forest Ridge Residents,

I am deeply thankful for your recent donation for my Eagle Scout Project benefitting Youth Services of Tulsa. In part because of your help, I was successfully able to greatly surpass my goal of collecting 3,000 critically needed items! In early April, my family and I delivered 4,396 items to the Youth Services office in downtown Tulsa!

Youth Services of Tulsa plans to use all donated items for their Homeless Shelter for Youth and their Transitional Living Program. The organization was extremely grateful as they were in desperate need of all donated items.

Thank you again for assisting me on my journey to earning the rank of Eagle Scout, but, more importantly, on helping me impact my community!

Sincerely,
Christopher Oven
