**Introduction**

An Enrolled Agent is a person who has earned the privilege of representing taxpayers before the Internal Revenue Service by passing a three-part comprehensive IRS test. A person wishing to become an Enrolled Agent must pass the Special Enrollment Examination (SEE) as well as a suitability check. The information contained in this bulletin will help explain the steps needed to take the SEE and to become an Enrolled Agent. We wish you well in preparing for your examination.

Follow these steps if you are interested in becoming an Enrolled Agent.

**To become an Enrolled Agent**

1. Review this bulletin thoroughly.
2. Schedule an appointment online at www.prometric.com/see and pay to take the examination. (See Page 2)
3. Prepare for your examination. (See Page 5)
   The examination topics listed in this bulletin beginning on Page 11 are the basis for the examination.
4. Bring the required identification to the test center and take the scheduled examination. (See Page 3)
5. Upon successfully passing all three parts of the examination, complete the IRS Application for Enrollment to Practice Before the Internal Revenue Service (Form 23) available online at Pay.gov. Click on “Find an Agency” and then Treasury (UST): Internal Revenue Service (IRS).

**To get answers not provided in this bulletin**

Scheduling an examination appointment

First step is to obtain a PTIN
Applicants must have a Preparer Tax Identification Number (PTIN) issued by the Internal Revenue Service (IRS) in order to schedule an examination.

To get your PTIN online
The IRS Tax Professional PTIN System is available at www.irs.gov/ptin. Once online, you will need to:

- Create Your Account — Provide your name, email address, and security question information. The system will then email your temporary password, which you will change when you go back to enter your information in the PTIN application.
- Apply for Your PTIN — Complete the online application by providing personal information, information about your previous year’s tax return, professional credentials, and more.
- Pay Your Fee — Make your payment of $50.00 by credit card, direct debit, or eCheck.
- Get Your PTIN — After the bank confirms your payment, you will receive your PTIN.

It takes about 15 minutes to sign up online and receive your PTIN. If you opt to use the paper application, Form W-12 IRS Paid Preparer Tax Identification Number (PTIN) Application, it will take 4-6 weeks to process.

PTIN renewal
PTINs must be renewed annually by December 31 for the following year. Renewal Open Season usually begins each year in mid-October.

Scheduling an examination
You can schedule an examination appointment at any time online at www.prometric.com/see, by calling 800.306.3926 between 8 a.m. and 9 p.m. (ET), Monday through Friday, or by completing Form 2587. We have a new online registration process. It requires you to create a user profile before you schedule and pay for your exam. Refer to the job aid under “What’s New” on Prometric.com/see to create an account.

After your appointment has been scheduled, you will receive a number confirming your appointment. Keep this confirmation number for your records—you will need it to reschedule, cancel, or change your appointment.

You may take each part of the examination at your convenience and in any order. Examination parts do not have to be taken on the same day or on consecutive days. You may take each examination part up to four times during each test window. The current test window is May 1, 2016 to February 28, 2017. Testing is not available in the months of March and April each year while the examination is updated.
You will receive a confirmation email containing the date, time, and location of the exam. If any information on the confirmation email is incorrect, contact Prometric to correct the appointment information. If you have not received your confirmation email before your exam date, or if you lose your confirmation email, you can log in to your dashboard at www.prometric.com/see and request a duplicate confirmation email.

Identification required

You must present a valid, non-expired form of identification before you can test. That identification document must:

- Be government-issued (e.g., driver's license, passport, state-issued identification card or military identification card);
- Contain both a current photo and your signature (if it does not, you must present two government-issued identification cards: one with your photo and one with your signature);
- Closely resemble your appearance on the date of testing; and
- Have a first and last name that exactly matches the first and last name used to register for the examination.

Important

Failure to provide appropriate identification at the time of the examination is considered a missed appointment. As a result, you forfeit your examination fee.

If you cannot provide identification that meets the requirements listed above, contact Prometric before scheduling your appointment to arrange an alternative way to meet this requirement.

If you have an identification that is damaged, clipped, altered, or marked in any way, Prometric reserves the right to turn you away and you will forfeit your test fee.

Examination locations

Examinations are administered by computer at Prometric test centers. Test centers are located in most major metropolitan areas. A list of test centers, addresses and driving directions is located at www.prometric.com/see and select “Locate a test center.” Most locations are open on Saturdays and some locations are open on Sundays and evenings.

Testing fee

The testing fee is $109 for each part of the examination. This fee is paid at the time you schedule your examination. Accepted forms of payment include MasterCard, Visa, American Express and Electronic checks. Money orders, paper checks and cash are not accepted.

Refunds

Testing fees are generally not refundable or transferable. In very limited situations such as death of the candidate or accidentally signing up for the examination twice for the same date and time, refunds will be considered. Please carefully review your appointment confirmation to ensure accuracy regarding exam part, exam location, and the date and time of the test appointment. You must notify Prometric immediately if there is an error in your scheduled test.
Examples where requests for refund or a free retest have been denied include:

- Candidate reported for exam appointment but mistakenly scheduled the wrong part.
- Candidate decides that they no longer want to take the test because they have passed the CPA exam, have retired or changed careers.

**Rescheduling an appointment**

If you need to reschedule an examination for another date, time, or location, you must contact Prometric. Rescheduling an examination must be done online at www.prometric.com/see or by calling 800.306.3926.

Rescheduling fees will apply as follows:

- **No fee** if you reschedule at least 30 calendar days prior to your appointment date.
- **$35 fee** if you reschedule 5 to 29 calendar days before your appointment date.
- You will be required to pay another full examination fee if you reschedule less than five calendar days before your appointment date.

**Note** If you are scheduling for the same examination part, you must wait 24 hours AFTER your originally scheduled exam date before you can schedule a new appointment.

**If absent or late for your appointment**

If you miss your appointment or arrive late by 30 minutes or more you will not be permitted to test. Your entire examination fee will be forfeited and you must pay another examination fee to schedule a new appointment.

**Emergency closings**

Severe weather or an emergency could require canceling scheduled examinations. If this occurs, Prometric will attempt to contact you by phone or e-mail; however, you may check for testing site closures at www.prometric.com/sitestatus. If the test center is closed, your examination will be rescheduled without a rescheduling fee.

If a test center is open and you choose not to appear for your appointment, your fee will be forfeited. You must then reschedule your examination and pay another full examination fee.

**Testing accommodations**

If you require testing accommodations such as for disabilities, please call Prometric prior to scheduling your appointment at 800.967.1139 between 8 a.m. and 6 p.m. (ET), Monday through Friday, to obtain an accommodation request form.
Preparing for your examination

**Study materials**
When studying for the examination, you may wish to refer to the Internal Revenue Code, Treasury Department Circular 230, IRS publications, and IRS tax forms and their accompanying instructions. Circular 230, current and prior year versions of IRS publications, forms and instructions are accessible online at www.irs.gov/Forms- &-Pubs. You may also wish to search the internet for commercially available materials and preparation courses in preparing to take the SEE. The IRS has a listing of continuing education providers at https://www.irs.gov/tax-professionals/continuing-education-for-tax-professionals, some of whom provide SEE test preparation courses. The IRS does not make recommendations as to any specific provider.

IRS Tax Map may also be useful when studying for the exam. Tax Map gathers IRS forms, instructions, publications, and web pages by topic and organizes links to these sources on a single topic page. IRS Tax Map is available at www.taxmap.ntis.gov. Content on Tax Map is tax year specific.

You can view copies of prior Special Enrollment Examination questions and answers for years 1999-2005 by going to: www.irs.gov/taxpros/agents. These prior examinations provide examples of the types of questions you may see on the current examination. Note that the current examination is based on the Internal Revenue Code as amended through December 31, 2015. Also, Part 4 of the prior examination contained true/false questions and the current examination is three parts and all questions are in multiple choice format.

View Prometric’s website at www.prometric.com/see for additional examination prep resources including:

- Frequently Asked Questions
- SEE Tutorial
- Understanding Your Score Report
- Results Reported for the SEE
- Test Drive Your Examination
- “What to Expect on Test Day” Video
- Review Test Center Regulations

**Important** From May 1, 2016 — February 28, 2017, all references on the examination are to the Internal Revenue Code, Forms and Publications, as amended through December 31, 2015. Also, unless otherwise stated, all questions relate to the calendar year 2015. In answering questions, candidates should not take into account legislation or court decisions after December 31, 2015.
The examination contains three parts. Each part contains 100 multiple-choice questions. The length of each part is 3.5 hours (not including the pre-examination tutorial and post-examination survey). An on-screen timer is provided, showing the time remaining. The parts of the examination are:

**SEE1: Part 1 — Individuals**

**SEE2: Part 2 — Businesses**

**SEE3: Part 3 — Representation, Practices and Procedures**

To ensure that the Special Enrollment Examination covers appropriate topics, Prometric periodically conducts a review of the subjects tested which involves a survey of the enrolled agent community and IRS subject matter experts. Such a review was undertaken in 2016 and some changes will be effective for tests taken beginning May 1, 2016.

The revised test specifications and a comparison to the previous version are available at [www.prometric.com/see](http://www.prometric.com/see) under Step 3 as well as in this bulletin beginning on Page 11.

**Taking your examination**

**Test center procedures**

You do not need any computer experience or typing skills to take your examination. Before you start the examination, you will receive a personalized introduction to the testing system. You can also take a pre-examination tutorial if you wish. You should arrive at the test center at least 30 minutes before your scheduled examination appointment.

**Non-disclosure agreement**

In order to access the examination, candidates must read and agree to the terms of the non-disclosure agreement with IRS which reads:

This exam is confidential and proprietary. It is made available to you, the examinee, solely for the purpose of assessing your proficiency level in the skill area referenced in the title of this exam. You are expressly prohibited from disclosing, publishing, reproducing, or transmitting this exam, in whole or in part, in any form or by any means, verbal or written, electronic or mechanical, for any purpose, without the prior express written permission of the IRS.

**Reference materials**

The examinations are closed book. You are not allowed to access notes, books, reference materials, or electronic devices at any time during the test or during breaks. You will not be able to leave the testing room with any notes taken during the examination.

**Calculator usage**

You will be able to use an onscreen calculator during the examination. Prometric will furnish you with a handheld calculator that is silent, solar or battery-operated, and nonprogrammable (without paper tape-printing capabilities or alphabetic keypads) to use during the examination. You are not allowed to bring your own calculator to the test center.
Scratch paper
You will be provided with a packet of scratch paper and a pencil to use during the examination. You may not bring your own scratch paper or pencil. The test center administrator will collect all scratch paper (used and unused) upon completion of the examination. Removing scratch paper from the test center is considered an act of misconduct.

Test center climate
Test center temperatures may be cooler or warmer than your comfort level. Please consider wearing several layers of clothing. Any clothing removed must be stored in your locker. Hats and outerwear, such as coats, are not permitted in the testing room.

Test center regulations
To ensure that all candidates are tested under equally favorable conditions, the following regulations and procedures will be observed at each test center. Prometric reserves the right to audiotape and videotape any test session.

1. You may not use your own written notes, published materials, or other testing aids while at the testing center or during your test appointment. Any materials that you are allowed to use during the test will be provided to you by Prometric at the test site on the day of testing.

2. You will be continuously monitored by video, physical walk-throughs and the observation window during your test.

3. You must present valid (unexpired) and acceptable identification in order to take your test. (See “Identification required” in the above section.)

4. You are required to sign out on the test center roster each time you leave the test room. You must also sign back in and show your identification to the test center administrator in order to be re-admitted to the test room.

5. You are prohibited from communicating, publishing, reproducing, or transmitting any part of your test, in any form or by any means, verbal, written, or electronic, for any purpose.

6. You must not talk to other candidates or refer to their screens, testing materials, or written notes in the test room.

7. You are allowed to bring your own soft earplugs or use test center-supplied sound dampening headphones in the test room.

8. Any clothing or jewelry items allowed to be worn in the test room must remain on your person at all times. Removed clothing or jewelry items must be stored in your locker.

9. You must not bring any personal/unauthorized items into the test room. Such items include but are not limited to outerwear, hats, food, drinks, purses, briefcases, notebooks, pagers, watches, cellular telephones, recording devices, and photographic equipment. Weapons are not allowed at any Prometric Test center. You will be asked to empty and turn your pockets inside out prior to every entry into the test room to confirm that you have no prohibited items.

10. You will be scanned with a metal detector wand prior to every entry into the test room. If you refuse, you cannot test.

11. You must return all materials issued to you by the test center administrator at the end of your test.

12. You are not allowed to use any electronic devices or phones during breaks.
Your test has **no scheduled breaks**. Unscheduled breaks are only permitted in order to access the bathroom or lockers. The test timer will continue to count down during an unscheduled break. Candidates are not permitted to leave the test center during the test and doing so will result in the test being terminated.

Repeated or lengthy departures from the test room for unscheduled breaks will be reported by the test center administrator.

If you need access to an item stored in the test center locker during a break such as food, water or medicine, you must inform the test center administrator **before** you retrieve the item. **During the test you are not allowed to access notes, books, reference materials or electronic devices.**

You must conduct yourself in a civil manner at all times when on the premises of the test center. Exhibiting abusive behavior towards the test center administrator, or any other staff member of the test center, is considered misconduct and will be reported to the IRS.

To protect the privacy of all testers, the test center administrator can neither confirm nor deny if any particular individual is present or scheduled at the test center.

Persons not scheduled to take a test are not permitted to wait in the test center.

**If questions arise.** Test center administrators are not allowed to answer any questions pertaining to the examination content. If you do not understand a question on the examination, you should answer the question to the best of your ability.

**Failure to follow any of these security procedures may result in the disqualification of your examination.** The IRS takes candidate misconduct, including cheating, very seriously. If the IRS determines that a candidate is culpable of misconduct or has cheated, the candidate will be subject to a variety of penalties including, but not limited to, invalidation of test scores, disqualification from subsequent test administrations, and civil and criminal penalties. In cases where candidate misconduct or cheating is discovered after a candidate has obtained an Enrolled Agent card, the IRS may rescind the card.

**Feedback**

Our goal is to provide a quality exam and a pleasant testing experience for every candidate. We provide a voluntary customer satisfaction survey at the end of the examination. If you would like to submit a comment about a specific test question or provide feedback on your testing experience, the best way to share your feedback is at the end of the survey. You may also thank the team or register a complaint by visiting [www.prometric.com/contactus](http://www.prometric.com/contactus).

---

**Question types**

The questions on your examination are multiple choice. Each question provides four options from which you choose your answer. Candidates should select the single best answer. An example of where this can occur could be a question about the Form 1040 filing deadline where the answer should be April 16 (because the normal filing deadline fell on a holiday). If the answer April 16 does not appear as an option but April 15 does appear as an answer, April 15 would be the single best answer, because that is generally the filing deadline.

**Question formats.** Three different multiple-choice formats are used. Each format is shown in the following examples.
Which of the following entities are required to file Form 709, United States Gift Tax Return?
A. An individual
B. An estate or trust
C. A corporation
D. All of the above

Supplemental wages are compensation paid in addition to an employee’s regular wages. They do not include payments for:
A. Accumulated sick leave
B. Nondeductible moving expenses
C. Vacation pay
D. Travel reimbursements paid at the Federal Government per diem rate

There are five tests which must be met for you to claim an exemption for a dependent. Which of the following is not a requirement?
A. Citizen or Resident Test
B. Member of Household or Relationship Test
C. Disability Test
D. Joint Return Test

Experimental questions. Your examination may include some experimental questions that will not be scored. If present, they are distributed throughout the examination and will not be identified as such. These are used to gather statistical information on the questions before they are added to the examination as scored items. These experimental questions will not be counted for or against you in your final examination score.

Candidates taking an examination between May 1, 2016 and August 13, 2016 will not receive a test score immediately upon completion of the examination. During this period data will be collected and analyzed to establish the passing score. For tests taken during this period a printed score report will be mailed to the test candidate within 90 days of the examination appointment. Starting August 14, 2016, candidates taking the examination on that date or thereafter will be provided a printed score report prior to leaving the testing center.

Test scores are confidential and will be revealed only to you and the IRS.

Scaled Scores. Scaled scores are determined by calculating the number of questions answered correctly from the total number of questions in the examination and converting to a scale that ranges from 40 to 130. The IRS has set the scaled passing score at 105, which corresponds to a minimum level of knowledge deemed acceptable by those persons who will be practicing before the IRS as an Enrolled Agent.

Pass. If you pass, the score report will show a passing designation. It will not show a score. All score values above passing indicate that a candidate is qualified — not how qualified. You will also receive diagnostic information which will indicate areas where you may wish to consider professional development. When you pass all three parts of the examination, you may apply for enrollment. (See Page 11.)
Fail. If you fail, your score report will show a scaled score between 40 and 104. You will also receive diagnostic information to assist you with future examination preparation. Diagnostic information will show an indicator of 1, 2, or 3 meaning:

1. Weak. Additional study is necessary. It is important for you to focus on this area as you prepare to take the test again. You may want to consider taking a course or participating actively in a study group on this topic.

2. Marginal. You may need additional study in this area.

3. Strong. You clearly demonstrated an understanding of this subject area.

Important You must reschedule and pass any parts of the examination you failed prior to applying for enrollment.

Rescheduling failed examination parts
You may take each part of the examination at your convenience and in any order. Examination parts do not have to be taken on the same day or on consecutive days. You may take examination parts up to four times each during each test window.

If you fail any part of the examination, you must allow a 24 hour waiting period before scheduling a retest. You must re-schedule with Prometric online at www.prometric.com/see or by calling 800.306.3926.

If you do not pass a part of the examination after four attempts during the May 1 to February 28 test window, you must wait until the next test window before attempting to retake any failed part of the examination again.

Carryover policy
Carryover of scores. Candidates who pass a part of the examination can carry over passing scores up to two years from the date the candidate passed the examination. For example, assume a candidate passed Part 1 on November 15, 2014. Subsequently the candidate passed Part 2 on February 15, 2015. That individual has until November 14, 2016 to pass the remaining part. Otherwise, the candidate loses credit for Part 1. On February 14, 2017, if that individual still has not passed all other parts of the examination, the candidate loses credit for Part 2.

During the period May 1, 2016 to August 13, 2016 in which there is no immediate scoring, the two year carry over period will be extended for candidates who take an exam during this time frame. Candidates who take the examination during this period will have the two year window extended by 105 days.

For example, assume a candidate passed Part 1 on November 15, 2014. Subsequently, the candidate took Part 2 on May 13, 2016. Normally that candidate would have until November 14, 2016 to pass Parts 2 and 3 or otherwise lose credit for Part 1. However, because the candidate took Part 2 during the period between May 1, 2016 and August 13, 2016, the candidate would have 105 days after November 14, 2016 to pass all parts of the examination without losing credit for Part 2.

To further illustrate with a second example, assume a candidate took Part 1 of the examination for the first time on May 20, 2016 and passed. Normally, that candidate would have until May 19, 2018 to pass the remaining Parts without losing credit for Part 1. However, because the candidate took the test during the period May 1, 2016 to August 13, 2016, the candidate would have until 105 days after May 19, 2018 to pass the remaining parts of the examination or else lose credit for Part 1.
Applying for enrollment

After passing all three parts of the examination, you must apply for enrollment via Form 23, Application for Enrollment to Practice Before the Internal Revenue Service, within one year of the date you passed the third examination part. You may electronically file Form 23 and pay the application fee at Pay.gov. Copies of the score report do not need to be submitted to the IRS when submitting your application for enrollment (Form 23).

As part of the evaluation of your enrollment application, the Internal Revenue Service will conduct a suitability check that will include a review of your personal tax compliance. More information about the Enrollment Agent program can be found at www.irs.gov.

Examination content outlines

The following is a list of topics for each part of the examination. Not every topic on the list will necessarily appear on the examination and the list should not be viewed as all-inclusive. Some topics may appear in more than one examination part. This list is also available at www.prometric.com/see. There are 85 questions that are scored and 15 questions that are experimental and not scored.

Important test day checklist

You may print this checklist to assist with preparing for test day.

☐ Review your appointment confirmation email to confirm your appointment time. Arrive at the testing center at least 30 minutes prior to your appointment.

☐ Review driving directions. Allow sufficient time for travel, parking, locating the test center, and checking in. Depending on the location of the testing facility, note that additional parking fees may apply. Prometric does not have the ability to validate parking.

☐ Bring a valid, non-expired government-issued ID with a current photo and signature.

☐ Consider wearing layers of clothing, which can be removed due to variability in temperature in the test area.

☐ If bringing bottled water and necessary prescriptions, please note that these items must be kept in your test center locker for access if needed.

☐ Consider bringing your own soft ear plugs or use the test center-provided sound dampening ear phones to decrease distractions during the test.
