PREAMBLE - The objective of this paper is to create awareness among the students about co-operation and rural development. India is a land of villages, which has more than 5.50 lakh villages. So Indian economy is predominantly a rural economy. Therefore, the students should be provided with the knowledge of rural economy. Cooperative is the third amongst important sectors in economy after the private and public sectors. Cooperation is golden mean between the capitalistic and Socialistic economy. Cooperative movement is related to the weaker sections of the society which fulfills the collective needs of the society. Cooperation creates social responsibilities and commitments for the overall development. This paper consists of introduction to cooperation and rural development, Cooperative structure, Cooperative farming and cooperative credit structure in India.

Unit-1: Introduction – Cooperation and rural development  [15 – Periods]
A) Cooperation and rural development meaning- Scope and significance
B) Role of Cooperation in rural development
C) Importance of rural development in Economic development through cooperatives.
D) Rural development and Women's Cooperatives.

Unit-2: Cooperative Structure And Policy  [15- Period]

Paper –V & VII
ADVANCED STATISTICS

Time : 3 Hours               Total Marks : 80 Marks

Instructions:

• Question No. 1 and 2 are compulsory
• Attempt any 3 questions from question no. 3 to 6
• All question carry equal marks
• Use of nonprogrammable calculator is allowed

Question No. 1 (A) : Multiple Choice question          8 marks

(B) : Fill in the blanks                                  4 marks

(C) : True or False                                     4 marks

Question No 2 : Short answer type question ( Any Two out of Three)  16 marks

Question No 3 : Long question                             16 marks

Question No 4 : Long question                             16 marks

Question No 5 : Long question                             16 marks

Question No 6 : Write Short Note ( Any Two out of Three)   16 marks
Objective: To acquaint with knowledge of management control system and techniques there under.

Unit I: Management Control System:
   b) Management Information System (MIS) - Meaning & Characteristics
   c) Reporting to Management.

Unit II: Marginal Costing:
   Meaning and application of marginal costing, Difference between Absorption Costing and Marginal Costing, Break even analysis, Cost Volume - Profit analysis, Decision making by using marginal costing - Make or buy decisions, Shut down or continue decisions, Alternative course of action etc.

Unit III: Budgetary Control:
   Meaning of Budget & Budgetary Control, Objectives, Advantages & limitations, Types of Budgets - Production, Sales, Cash, Master Budget, Fixed & Flexible budget, Capital Expenditure Budgeting, Performance Budgeting, Responsibility Accounting.

Unit IV: Standard Costing and Variance Analysis:
   b) Variance Analysis - Material, Labour and Overheads variances.
   c) Difference between Budgetary Control & Standard Costing.

Guidelines for Regular Students

1) Distribution of Marks
   A) Project Work & Viva-Voce  -------- 50 Marks
   B) Project Work & Viva-Voce  -------- 50 Marks
   Total  - 100 Marks

2) Theory Examination of Research Methodology will be conducted by the University at the end of the academic year.
   Duration of this Paper will be two hours.

3) The Division of 50 Marks of Project Work will be as follows;
   - Project report writing  ------ 60 Marks
   - Project Viva Voce  ------ 40 Marks

4) Viva-Voce will be conducted at the end of the academic year but before the commencement of theory examination. It will be conducted by the Internal & External Examiners appointed by the University.

5) 100 Marks of Project Work will be given collectivity by Internal & External Examiners and the average of these marks will be taken as final marks by External examiner after Viva-Voce submitted to university conducted.

6) Project Work will be done by the student individually.

7) The Project report shall consist at least typed 50 Pages.

8) Two Copies of typed Project Reports should be submitted through the concerned college up to 1st March of the year concerned.

9) Students are required to prepare the Project Report based on the field work and studying the current trends in commerce & Management under the guidance of the Project Guide. Project Report should not be based on only secondary data.
10) The Project Report contents at least following aspects.
   
   A) Objectives of the Project
   
   B) Tools used for collection of Data
   
   C) Observations, findings, & conclusions
   
   D) Suggestions.

11) All recognised P.G. Teachers under commerce faculty are eligible to work as Project Guide.

12) The Responsibility of the Project Work will be shared by all P.G. Teachers in Proportion.

**Guidelines for External Students**

1) External students will have to appear only for theory paper of Research Methodology for 50 Marks.

2) The marks obtained by the students out of 50 in this paper will be converted into 100 marks.

**Equivalence**
