The Dangers of Contemplative Prayer
Howard Peth. What could possibly be wrong with spending quiet time, emptying your mind, and listening for the voice of God? **The Greatest of All the Prophets**
Russell R. Standish & Colin D. Standish. A century has passed since God, through His messenger, Ellen G. White, first warned of the Omega of Apostasy. Now, ecumenism is substituted for the preaching of the Three Angels’ Messages. Sabbath desecration has replaced God’s holy day. The sanctuary message is denied or, at best, spurned. Obedience to God’s law is set forth as an impossibility. At every level of our beloved church, worldwide, the Omega of Apostasy is dominant. (411 pages) BKTGOATP $17.99

Various contributors including Samuel Koranteng-Pipim/editor. (809 pages) BKHWS $19.95

You will find many unique insights in this in-depth study. (80 pages)

**Jewelry In The Seventh-day Adventist Church, WHY?**

Charles E. Creech. Why is there so much jewelry wearing and outward adornment among Seventh-day Adventist church members today? Early in the church’s history, Adventists were known by their exemplary modesty. They were really God’s “peculiar people.” What has happened? This book traces the use of jewelry from man’s earliest existence to how it has become a problem in the Adventist Church. (54 pages)

G. Edward Reid. In almost every discussion of tithing, the question of where the tithe should be sent comes up. Elder Reid examines the Seventh-day Adventist Church policy, based on the Bible. The counsel from the Spirit of Prophecy, the second tithe, what to do with back tithe, why the church was organized, what about other “ministries,” what if there are problems in the ministry are all addressed. Ellen White’s example, and the duty of the conference are also discussed. (32 pages)

THE TRUTH ABOUT 666 & THE STORY OF THE GREAT APOSTASY

**Edwin de Kock.** Written for both scholars and lay people, this is a penetrating but pleasantly readable book, which ranges over the entire Christian era from Apostolic times until the Second Coming. It is the most extensive treatment of the Historicist prophetic interpretation of 666. With abundant new evidence, it shows that *Vicarius Filii Dei* is the best interpretation of Revelation 13:18. It also exposes the problems with Futurist, Preterist and Idealist interpretations. The book should be required reading for anyone studying the end-time prophecies of the Bible. (Two books in one. Includes Data CD, 874 pages)

**Vicarius Filii Dei, An Annotated Timeline**

*Jerry A. Stevens.* Many people say that the title Vicarius Filii Dei doesn’t exist thus making Adventism’s understanding of 666 void. But in this book, Jerry A. Stevens shares a weight of evidence affirming the historical interpretation of Revelation 13:18. (126 pages)

**Patience In the Midst of Trials & Afflictions**

**Prove All Things**

*Mercedes H. Dyer.* This convincing book shows that the Bible is not silent or neutral on the role of women in the church and points out the danger of departing from clear biblical teaching. This eye-opening book presents a biblical vindication of the Adventist pioneers’ long-standing position. (423 pages)

**The Use and Abuse of Prophecy**

*Edwin de Kock.* Two thousand years of prophetic interpretation take the reader on a remarkable journey through the Christian era. **The Truth About the Number 666**

*Stephen Bohr.* The number 666 has piqued the curiosity of thousands throughout the years. What is the meaning behind this cryptic code? There are many opinions but only one biblical answer. In his typically thorough style, Pastor Bohr examines the viability of Vicarius Filii Dei, a title meaning “vicar of the Son of God,” being the “number of a man” in Revelation 13:18. He considers the characteristics applied to the man who bears the number and compares it to papal activities, habits, and admissions through the centuries. This study points directly to the head of the papacy as being the man with the number. (32 pages)

Then the author uncovers and reveals the best kept secret of the Dark Ages that Rome had thought she had buried forever. This book is a treasure house of original historical documentation. AD 1798 1843 Source Book
Heidi Heiks. The events of the year 1798 and what followed immediately afterward are of great interest to students of history and prophecy. In this collection of primary and secondary documents compiled shortly thereafter, Heiks has filled out the events surrounding the captivity of Pope Pius VI and the setting up of the Roman Republic through the eyes of those who participated in those events at the time. One can follow this course of events in intimate detail through the witness of those who favored such a change and those who did not. (188 pages)

King of the North — An Exposition of Daniel 11:40-12:1
Heidi Heiks. There are two schools of thought on the interpretation of Daniel 11, especially the closing verses which are seen as still to be fulfilled in the future. The first may be called the literal historical view in which the kings of the north and south are seen as literal geo-political entities in the present day Middle East. Adventist interpreters favored this view until the end of World War I when the British and the Turks fought a battle at Megiddo (Armageddon), but Christ did not come after it. This failure led to the development of the second view, which may be called the spiritual or symbolic interpretation. By the end of World War II most Adventist interpreters had adopted this view. Heiks stands squarely within the parameters of the symbolic approach and he has given careful and detailed consideration to the possibilities that need to be examined in carrying out his search for the correct application of these symbols. (115 pages)

AD 538 Source Book
Heidi Heiks. The year A.D. 538 was a landmark year for the beginning of the fulfillment of an important time prophecy that spans the Middle Ages. It is essential, therefore, that those who follow the historicist method of interpreting prophecy establish this fixed point as firmly as possible. Heiks has done precisely that with this present study of the important events that occurred that year. (323 pages)
BKHH538 ............... $21.95

The “Daily” Source Book
Heidi Heiks. Within the pages of this book, you will obtain knowledge about the sanctuary, the work of the priest on earth, and the work in heaven that Jesus, our High Priest, is fulfilling. The “daily” activities which were followed once a year by the ‘yearly’ or ‘annual’ ministration in the Most Holy Place, were a typological model of what is taking place in the real heavenly sanctuary. Worship at Satan’s Throne
Stephen Bohr. A great tragedy is facing the remnant church as the protectors of God’s end-time truth have begun to waiver on the teachings that brought them a new, powerful understanding of the Bible and prophecy. Pastor Stephen Bohr uncovers the dangers lurking within the Sabbath-keeping church that seek to divide and conquer God’s people, crippling their ability to faithfully share the last-day message with the world and driving them onward toward compromise and apostasy. Also available in Spanish. (144 pages)

Heidi Heiks, former International Christian Editor and Speaker, Bible instructor at senior academic levels and Speaker for The People of the Book radio program.
Stephen Bohr. Why didn’t God give Adam and Eve a direct command to keep the Sabbath in Genesis? Why doesn’t Genesis mention an evening and a morning of the seventh day? Pastor Bohr reexamines the Sabbath day in a brand new light, bringing a fresh, exhilarating, and biblical perspective that will reignite your passion for God’s holy day. This book is also a powerful sharing tool that connects the Sabbath with Christ’s work of redemption and to the creation of the new heavens and new earth, drawing other believers in a way that will fascinate and convict them of this vital Bible truth. Stephan Bohr: “The correct understanding of the ministration in the heavenly sanctuary is the foundation of our faith” (Evangelism, p. 221). Why is this so? What makes the doctrine of the sanctuary so important? In this series, Pastor Bohr explains how the many doctrines of the Bible, such as the divine/human nature of Christ, the salvation of sinful man, the Sabbath, the Ten Commandments, the state of the dead, the judgment, tithing, healthful living, the work of angels, and even end-time events, are explained in the sanctuary service. With simplicity and clarity he shows how the sanctuary is the great magnet which draws together all the doctrines of the Bible into a unified system of truth.

When speaking of the great deceptions in the last days, Jesus warned they would be so convincing that they would, if possible, deceive even the very elect (Matthew 24:24). What does it take to be wise, or one of the very elect? Join Pastor Bohr as he guides you through a detailed study into the key behind understanding the prophecies of Daniel and Revelation—their literary structure.

Covering everything from the king of the north to the close of probation, this series provides crystal clear explanations of some of the Bible’s most complex prophecies regarding these last days. Witness the Bible come to life, and personally experience God’s guarantee that “the wise shall understand!”

We Know Not The Hour
Stephen Bohr. Many Christians are oblivious to the vital truth of the close of probation. Pastor Bohr discusses the story of the flood, Matthew 24, the three angels’ messages, and the King of the North attacking Michael and His people, as models which illustrate the sequence of end time events. We are to be prepared at every moment for the close of probation, either because of death or because we do not know the hour when Jesus will finish His priestly mediatorial work in the heavenly sanctuary.

Secrets Unsealed es una organización sin fines de lucro legalmente incorporada que se ocupa en preservar, proclamar y proferar el mensaje de la verdad presente que Dios le ha concedido a la Iglesia Adventista. Siempre conscientes del carácter sagrado de la verdad de Dios, mantenemos en alto y sin disculpas todas las veredas fundamentales de la Biblia al igual que todas las doctrinas distintivas de la Iglesia Adventista del Séptimo Día. Secrets Unsealed se sostiene economicamente por medio de ventas de materiales y donativos de aquellos que creen en nuestra misión. Agradecemos mucho sus oraciones pues estamos conscientes que el secreto del éxito no es con espada ni con ejército sino con el Espíritu de Dios.
El Pastor Esteban Bohr se crio en Colombia y Venezuela a donde sus padres sirvieron como misioneros. Por más de treinta años se ha desempeñado como pastor de iglesia, consejero de jóvenes, profesor de teología y evangelista. En el presente es pastor de la Iglesia Adventista Central en la ciudad de Fresno, California y también es Presidente y orador de Secrets Unsealed, una entidad sin fines de lucro que se ocupa en producir material audiovisual sobre las grandes enseñanzas de la Biblia.

La Música Y sus Efectos
William Gómez. No podemos negar que hoy más que nunca la música está afectando nuestra moderna sociedad. Lamentablemente los adelantos tecnológicos y digitales han enfocado sus fuerzas en contra de la familia, la sociedad y hasta los estratos políticos de nuestros países. Creo que llegó el momento para descubrir los daños que este moderno sistema nos está haciendo. (271 páginas)

Detonando el Engaño Acerca de Israel
Steve Wöhlberg. Hoy, literalmente millones de personas que estudian las profecías bíblicas tienen sus ojos puestos en Jerusalén. ¿Enfoca el libro de Apocalipsis realmente al Medio Oriente? Este libro es como dejar caer una bomba atómica sobre las ideas proféticas de la mayoría de los cristianos del mundo. ¡Sin embargo, este mensaje todavía puede salvar tu vida! (125 páginas)

Diez Talentos
¡Un extraordinario libro de culinaria vegetariana! Contiene más de mil recetas veganas y vegetarianas que le ayudarán a conservar la salud y a llevar una vida feliz y balanceada. También contiene más de mil trescientas ilustraciones a todo color al igual que instrucciones sobre cómo enseñar la reforma pro salud. Este clásico enfatiza la dieta original que Dios le concedió al hombre originalmente en Génesis 1:29. También expone los ocho remedios naturales y provee instrucciones sencillas sobre la correcta nutrición. Un libro de valor para el principiante al igual que para el experto. Disponible en Inglés. (673 páginas)

Enigmas Descifrados: Conozca los Fascinantes Misterios de Daniel Capítulos 11 y 12
Humberto R. Treiyer B. Entre otras cosas, el libro explica con claridad el rey del norte, el rey del sur, la tierra gloriosa, las nuevas del oriente y del norte, la abominación asoladora, el continuo y los 1290 y 1335 días. Esté es el único libro sobre Daniel 11 que haya sido escrito por un erudito Adventista en español. (257 páginas)

www.SecretsUnsealed.org
Oliver Coronado. La música posee un poder sorprendente tanto para el bien como para el mal. Diversos estilos musicales contemporáneos han penetrado de una u otra forma al culto de adoración en la iglesia y Satanás, el padre de toda mentira, los ha disfrazado usando “letra santa”. En forma sencilla, clara y con impresionante claridad, el Pastor Bohr presenta de una forma clara y sencilla ocho de las grandes doctrinas de la Biblia.
