Bow Depth :: 33.5”
Bridge Clearance :: 96”
The 230 CC Adventure is designed to be the little brother of the Tidewater 250 CC and is available with most of the same features. The 8’ 10” beam and large carolina flair help make this big 23 footer a great offshore fishing machine.
A distinctive profile and large Carolina Flare help give the Tidewater 216 CC its smooth dry ride. Big fish features, dual livewells, large fish boxes, gunwale rod storage and large console with room for all your electronics help make the 216 CC a great fishing boat.
The 196 CC’s 8’ 2” beam gives it more room inside than our competition. The fuel efficient hull is designed to run with a Yamaha 115 HP 4 stroke. Hydraulic steering, dual livewells, large fish boxes, and XLT console with room for a marine head make it a great family fishing boat.
The 180CC is an 18 that feels much bigger, with its 7’9” beam and large Carolina flair. It produces a very dry ride. With an F90, the 180CC runs 40 mph. What a package!

*Yamaha powered by fuel efficient 4-stroke Yamaha outboards.*
This all new 170 CC Adventure is a 17 footer that’s got room to spare. With its 7’ 2” beam and large Carolina flair you’ll have a very dry ride... and of course, room for the family!

Centerline :: 17’
Beam :: 7’ 2”
Weight :: 1050 lbs.

Fuel Capacity :: 18 gal.
Max HP :: 70 HP
Rec. HP :: 70 HP

Deadrise at Transom :: 13°
Approx. Draft :: 10”
Capacity :: 5 per./750 lbs.

Cockpit Depth (Aft) :: 17.5”
Midship Depth :: 21”
The 196 DC has the same fuel efficient wide beam hull as the 196 CC. Dual livewells, large fish box, rod holders and gunwale rod storage along with an open cockpit give you plenty of room for family or fishing buddies. Add an optional ski tow bar and the 196 DC becomes a true all purpose boat.
The NEW 230 LXF is loaded with full, comfortable upholstery and stainless steel cup holders. A newly designed console includes a glove box, footrest, and catch-all trays. The large rear seat has a walk through transom door ... all of these are standard features. But, best of all, its family friendly bow seating makes the new 230 LXF a luxuriously refined boat.
The 210 LXF with comfortable full upholstery and stainless steel cup holders. Newly designed console with glove box and footrest includes catch-all trays in front and on top. Large rear seat with a new walk through transom door, all standard. Family friendly bow seating makes the new 210 LXF a luxurious refined boat.
The 2000 Carolina Bay has a larger casting deck and more bow flare than our competitors giving you a dryer more comfortable ride. It has dual livewells, pull up cleats, fold up jumpseats and lots of rod storage.

Centerline :: 20' 2”
Beam :: 102”
Weight :: 2100 lbs.

Fuel Capacity :: 56 gal.
Max HP :: 150 HP
Rec. HP :: 150 HP

Transom Height :: 25”
Deadrise at Transom :: 15°

Appox. Draft :: 9”
Cockpit Depth :: 18.5”
The new 2200 Carolina Bay has the same large casting deck and big bow flair as the 2000 and has cast net storage in the floor, fold up jump seats and 7 foot rod storage. The 2200 is an impressive riding bay boat that can handle big water.
