70th ANNIVERSARY
1942-2012

General Meeting ~ July 18\textsuperscript{th} ~ Work Bee ~ July 22\textsuperscript{nd} ~
Wow, can you believe it’s already July. Where does the time go? It seems like the children were just getting back to school from summer vacation. The summer means boating, and barbecues. Speaking of BBQ’s I hope you all got your tickets for the Beef Cookout on July 21.

We were sure busy around the club this month with the National Patrol Rifle Competition and car cruises. The Rendezvous and Chamber of Commerce Music event added to spotlight the club, you could barely find a place to park.

We will be having an ATV raffle, beginning this month. We are raffling off a Polaris Sportsman 500 HO. Tickets are only $10 each, and only 1,000 will be sold. In the past, this has been very successful for the club.

Our walleye outing was disappointing due to the weather. The wind just would not quit blowing so no, fish. I would like to get together a group later in the season, possibly for perch fishing, or maybe a salmon fishing trip on Lake Michigan.

Also this month Multi-Lakes will be hosting Detroit Bike Week the 26th through 29th. While we only rent the grounds for this event, it certainly should showcase our club and hopefully bring in new prospective members. It will be a fun time for all either way.

See you around the club,
~ Sam

I came across this article in the March 1975 Multi-Laker, and felt that it's just as relevant now, in our 70th year, as it was then. Multi-Lakes means different things to different people, and while I'm sure we all have the best interests of the club at heart, everyone has to pull together to make it work.

Ten Ways to Wreck an Organization:
1. Don’t come to the meetings.
2. If you do come, come late.
3. If the weather does not suit you, don’t think of coming.
4. If you attend a meeting, find fault with the officers and other members.
5. Never accept an office, as it is easier to criticize than do things.
6. Feel hurt if you are not appointed on a committee, but if you are, do not attend committee meetings.
7. If asked by the chair to give your opinion on some matter, tell him you have nothing to say. After the meeting, tell everyone how things should be done.
8. Do nothing more than is absolutely necessary, but when members roll up their sleeves and willingly and unselfishly use their ability to help the organization, say that the unit is run by a clique.
9. Hold back your dues as long as possible, or don’t pay them at all.
10. Don’t bother about getting new members let someone else do it.

Member #407
Board Member 2011-2013
May 9, 2012

Dear, Matt Philippart
Chairman of the Board
Multi-Lakes Conservation Assn.

I am notifying the Multi-Lakes Board of Directors and the Membership that as of May 9, 2012. I am resigning my position as a Multi-Lakes Board Member. Along with my resignation from this Board of Directors, I also will be stepping down from my current Chairmanships and Social events.

I would like to thank the Membership for the opportunity to serve them on this Board as well, for their support. The experience that I have encountered during my position on this Board has been very educating and challenging from a Management, Business, and Personal level.

The main reason for me to serve on this Board of Directors was to be part of creating and instituting positive change. This change was to create to mutual benefits and long term success for the Members and future Members of Multi-Lakes. However as we all know there has been change for the good during my time served and Thank You’ all! But issues and’ behaviors still persist amongst Multi-Lakes overall and’ continue to hinder its future success. The issues and behaviors that continue to be over looked and accepted are of concern and should be by all. This activity goes against my very reason to continue to serve as a Multi-Lakes Board Member.

The success for Multi-Lakes will be challenging without positive change and positive behavior. It is critical for the success of Multi-Lakes, that this Board of Directors, Officers, Management, and. Members promote positive behavior, except change and work as one Team.

My continued desire and support for Multi-Lakes to be 'successful overall will remain.

Sincerely,
Terry A. Smart

League’s half over; it’s so nice out in the woods, the smells of the pines, hoping to spot a deer or two. Bugs haven’t been bad at all. I think they are gathering up for a big feast. When we least expect it they will be in for the kill. Hope I’m not out there, yikes!

Well summer is starting out with a bang. The NPRC shoot was very cool to see and volunteer in. Lots of great competition and some cool toys. The Chamber of Commerce night was a busy weekend too with all the things going on at the club and 50 amp fuse wasn’t too bad either!

The Club is continuing to have a busy summer with a lot of events for members to volunteer at or to come out and have fun at. The beef cook out is always a good time. There is also the summer wine tasting & casino trip, and Detroit Bike Week coming up all in July.

So come out and have some fun Friday nights at the car cruise and fish fry and enjoy the summer.

Thanks, ~Doc

Hi All, it’s nice to see when I write an article it does some good. I wrote last month about the work we always seem to have that needs to be done. Well let’s see: Bobby Zavitz stepped-up and got the awning for the South porch finished. Dave Franklin came out and got the roof on the building out back done. Both these guys were out there on very HOT days to finish these projects. Thanks Guys.

The Rockin’ Under the Stars event went great. I would like to thank all our grounds people that got the place in shape. Boy did we look good. I did not do a very good job lining up help this year. Other than Russ Griggs and his parking crew, that did a great job. We did some scrambling to get enough help for the food and beer stand but people jumped right in. Rob Zgoda who came over to have couple beers spent the whole night cooking French fries. The guys that weren’t asked showed up and helped us get the fence in place. These people are what makes us the kind of place we are. My Thanks To All Of You, and Barry.

Have a safe and happy 4th of July.

Later, Dave;

~ Membership Secretary ~
I’ve said this before, but the activity around the club seems to be picking up. I was at the club on Sunday June 10th to try 3-D archery. It was a first for me and I really enjoyed the challenge of trying to hit the kill spot especially since this was the 3rd time I ever shot my bow. After archery my wife and I gave blood, I did a little membership paper work and then my nephew met me and we shot pistols. It was a very active fun day. There is always something to do here. I hope to get down to the dock one of these days and try some fishing.

Summer is really moving fast and we aren’t even into July yet. Don’t forget that Good Old Days is coming August 25th and your help in making this a success is needed. Please sign up to help one of the events. This is a chance to show the community what Multi-Lakes is about. You never know we may get a few new members to sign up again this year.

See you around the Club!
Don’t forget to sponsor at least one new member!

Good Old Days

The main event has been scheduled for August 25, 2012. As in the past, this fund-raiser, which is the biggest of the year at Multi-Lakes, depends on your participation.

In order for the Good Old Days committee to accommodate requests by the various committees, I have scheduled several meetings to organize these requests. They will be held in the main meeting room at 7pm on the following dates:

<table>
<thead>
<tr>
<th>Meetings:</th>
<th>Event:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Thursday, July 12</td>
<td>Friday, August 24, Set up</td>
</tr>
<tr>
<td>Thursday, July 26</td>
<td>Saturday, August 25, Main Event</td>
</tr>
<tr>
<td>Monday, August 13</td>
<td>Sunday, August 26, Tear down</td>
</tr>
</tbody>
</table>

In order to get your committee requests and facility organized, please attend as many meetings as you need to get your requests documented. I will have a rough map of the grounds including the general area where you have had your function in the past. In order to organize the set-up, I will need each of you to verify these plans.

Good Old Days has been a very smooth running function for many years, and I want to continue that tradition. It can’t be done without the cooperation and generous volunteer hours and labor that all of you have provided. As true Multi-Lakers, I am sure you will support this function and come through again.

Thank you, Charley Stevens, Good Old Days Chairman

**Chairpersons to Speak:**
**Pete Cesaro Sr. – Shotgun Sports:** Pete said they are working to clean up around the skeet and trap area and it’s looking pretty good. He said he would like to thank two guys that have been working nonstop for the past two weeks out there, they are Dave Behme and Larry Hutton. Pete said these two guys have been out here more than him the last couple of weeks. They have been cutting grass and trimming and cleaning everything up. Pete also said they are doing a lot of work on the berms and stock piling dirt and none of this would happen without the use of some heavy equipment, right now he said there is a dozer, front end loader and excavator out there. Pete said that the guys bring out the equipment and a tank full of fuel. Pete said all this is done through the generosity of Gary and Jason Baiocco of B&B concrete placement. Pete said they also donate a lot of the concrete work that has been done out here. Pete said the work on the front side of the outdoor range berms is done its about 8 feet higher Pete thanked Steve Hooker and Chad Meyers for all their work on the berm.

**Eric Manning – Outdoor Range:** Eric thanked Pete for all the work he had done on the range he said it looks great. Eric said the NPRC shoot was a great success they had 165 officers from all over the country that participated. Eric said there were too many people that helped out to name names and he would probably forget to mention someone so he thanked everyone that made the shoot the success it was.

**Charlie Stevens – Good Old Days, Traveling Trap League:** Charlie thanked all the shooters for coming out father’s day and shooting, we took second place again. The next shoot will be at Multi-Lakes and then one more at Birmingham and Western Wayne County. Charlie said the shoot is a lot of fun, its two rounds one at the 16 yard line and one at the 22 yard line. Charlie said Good Old Days is coming up he has a signup sheet for Volunteers. He’s going to need a lot of help and looking for people to fill in. Good Old Days is one of the club’s biggest fundraisers. Charlie thanked Kitty and Lucy for stepping up to do the silent auction again this year at Good Old Days.

**Glen Kruckenberg – Texas Hold-Erm:** Glen said he has used two of the four licenses and we’ve made a little over $5600 so far. The next event is in October and he is looking for help.
Jon Lash- Jon gave the report for Lynn, he said the flea market went well the next one was scheduled for July 8th. Call Lynn if you’d like a spot or come by and browse. NASCAR trip August 19th. If you’re interested give Lynn a call, she needs to get a count. Wine tasting trip has a couple of openings for July 13-15, it is $320. Lynn is doing the kids tent at Good Old Days and is looking for some help. She’d like people to work two hour shifts.

Jon said he is going to do a swap day at Good Old Days but make it strictly for outside people, and he will have a swap day for members on September 16th from 9-1, the tables will be $5.00 for members and $10 for non-members.

Cal Kittinger – Special Raffles and FNRA. The 1st weekend of June the MI-FNRA State Fund Committee held a meeting in Clare MI to review and vote on Michigan Grants. The committee held $225,000.00 to be awarded. 79 grants were submitted asking for $363,231.19. Of those submitted, 7 were turned down. MLCA submitted 4 grants asking for a total of $14,775.00. MLCA committee’s submitting grants were: Jr. Shotgun, Jr. Rifle / Hunters Ed., Women On Target® and Jr. Archery, they were awarded $11,019.50 in total. We funded 72 grants for a total payout of $215,585.78. We have held 5 "Special" raffles yielding a profit to the club of just over $87,000.00 that amount does not include the $500.00 that we donated to the Food Bank out of Raffle profits. I would like to personally thank all that participated. At this time I think it would benefit all the players and workers if we took a small break and regrouped, or get the summer over with, focusing our energy toward all of the club events about to take place between now and fall.

EVENT RAFFLE (Benefitting the FNRA) will feature a signed CHARLIE DANIELS FIDDLE w/letter of authenticity, signed CD and signed photo. Only 9 in the state, these were picked up in Kentucky last October, I picked up ours in Lansing last January. Only 100 tickets printed. $20.00 per ticket. Drawing to be held Sept. 20, 2012. Steel & Heel's: Starting in September we will be offering an all Women's pistol get together that will meet on the 2nd Tuesday of each month September-June. We have re-purposed the room from the CPL/PPH format. See upcoming Multi-Laker for more details.

Adam Rott – 3D Archery. Adam said they had the June shoot, and it was a great turn out. The next shoot will be July 8th and then another one two weeks after that. If you would like to help or shoot give him a call or just show up. Adam Thanked Dave Mercier for helping him with the shoots.

Rich Carlson – Memorial. Rich announced a benefit for Fallen and Wounded Warriors fund June 30th. Rich said that they had raised a little over $23,000 for the construction of the memorial and construction would start soon. He said Gary Baiocco had donated the concrete for the foundation. Rich also announced that after July 1st the price of the bricks would increase $50.00 across the board. Rich also thanked the membership for all their support. Rich said that Dave Behme had lost his wedding ring while out cutting grass at the club so be on the look out for it during work bees, Dave said it was somewhere between the scout pavilion and the boat dock area.

Mike Wilczynski – Blood drive. Mike said the Blood Drive was a success, they hit their blood quota.

Kitty Lewan – Silent Auctions. Kitty said they are looking for stuff for the silent auctions for Good Old Days. If you have anything give her a call, they don’t want any clothes though. She is also looking for help from either a girls group or scouts to help clean up the women’s restroom during Good Old Days, just to make sure the trash is emptied and the floors are picked up.

John Erickson, Chris Peltier – Bingo is looking for help and also someone, or a couple of people, to start trying to take over. Both Chris and John have started new jobs that don’t allow them to continue as chairman.

Mike Borst, Bob Ray – Jr. Shotgun. Mike said the juniors had a busy June. They shoot the 1st, 2nd and 4th Wednesdays of the month, usually the 4th Wednesday they shoot sporting clays. On June 8th the kids had a scrimmage against St Mary’s, and on June 15th, 6 kids were invited to shoot in the Lt. Governors Charity shoot to benefit the MUCC kid’s camp. The kids took 2nd overall out of 33 teams and there was only one other Jr. shooting team so the kids beat all the adult teams too. Great Job JR’S! Mike Introduced the other two coaches Mr. Bob Ray the head coach and Rich Kovach. Mr. Ray asked the kids to come up on stage and said that the kids had competed at the SCTP shoot at Detroit Gun Club. These kids were some of the best that Mr. Ray said he had coached in his 25+ years of coaching. He said he was very proud of the kids and they had come home with 2 gold medals and one bronze. The bronze metal was a shoot off that went 91/100 to win. Mr. Ray told the membership to check the display case up near the entrance to see all the awards the kids have won over the last 4 years. Bob said the kids are looking for help doing some fund raising. Bob and Mike thanked Greg Matheson for bringing out the Hospitality tent for the kids at the SCTP shoot. If you want to see what the kids are doing, look them up on facebook ‘Multi-Lakes Jr Clays’.

Dave Sturtz and Terry Broemer from the Safari Club came up he said the Safari Club sponsored the Lt Governors shoot and didn’t have a team to soot in it so they asked the Multi-Lakes Jr’s to shoot. The kids did a great job. Terry said the Kids are building future quality shooting, and the kids had represented them very well. Terry said our coaches are doing a great job with the kids. Terry said the Safari Club supports hunting, wildlife and education and supports all types of grants for wildlife studies around the state. They had noticed that when the kids were shooting, they lacked youth model guns for the kids to use. The Safari Club presented two Remington 1187 youth model shotguns for the Jr. Shot gunners.
