  - VI. Case studies -- Solutions
    - A. Classification of receipts and expenditures
    - B. Accounting income -- Simple Form 1041
### Learning objectives

#### I. Trusts

**A. Trust basics**
1. Definitions
2. Personal and real property income represented by trusts
3. Simple versus complex trusts
4. Fluctuating trusts
5. Failure to distribute income

**B. Grantor trusts: revocable and irrevocable**
1. In general
2. Grantor trust reporting requirements
3. Grantor trust alternative reporting requirements to filing Form 1041
4. Grantor trust -- Death of grantor

**C. Revocable living trusts**
1. Definitions
2. Revocable trusts -- Benefits
3. Revocable trusts -- Tax disadvantages after death of grantor
4. Merging the revocable trust into the estate
5. New reporting procedure for 2013
6. Making the §645 election

#### II. Pooled income fund

**A. In general**
1. Defined
2. Statutory requirements

**B. Specific provisions**
1. Remainder interest
2. Income interest
3. Commingling of property
4. Prohibition against tax-exempt securities
5. Maintenance of the fund
6. Prohibition against donor or beneficiary serving as trustee
7. Rate of return
8. Allocation of income
9. Taxable year

**C. Income taxation of the pooled income fund**
1. Complex trust
2. Income tax

**D. Planning considerations**
1. Advantages
2. Disadvantages

**E. Filings**
1. Funds
2. Donor

#### III. Sample engagement letter

#### IV. Case study

**A. Simple versus complex trust**
**B. Simple trust check figures**
**C. Simple versus complex trust -- Solution**
**D. Simple trust check figures -- Solution**
Income Taxation of Estates and Trusts

Learning objectives 1
I. Introduction to Subchapter J -- The overall view 1
   A. Background 1
      1. Purpose 1
      2. Entity 1
      3. Distribution deduction 1
      4. Undistributed taxable income 2
   B. Form 1041 complexity 2
      1. Level of difficulty 2
      2. Tax-preparation software 2
      3. IRS audits of Form 1041 3
      4. Trusts -- Domestic or foreign? 3
II. Filing requirements 4
   A. In general 4
      1. When Form 1041 must be filed for trusts and estates 4
      2. Nonresident alien withholding 4
      3. Form 1040NR 4
      4. Filing location 4
      5. Estate and trust income-tax rates 5
      6. Form 1041-V 6
   B. Time of filing 7
      1. Tax year and due dates 7
      2. Extensions of time to file for estates and trusts 8
   C. Miscellaneous 8
      1. Obtaining a taxpayer identification number (TIN) 8
      2. IRS notification of fiduciary relationship 9
      3. E-filing 9
   D. General aspects of Form 1041 10
      1. Year of form 10
      2. Exemptions -- Form 1041, Line 20 10
      3. Standard deduction 10
      4. Accounting method 10
      5. Transactions between related taxpayers 11
   E. Separate returns for each trust 11
      1. In general 11
      2. Aggregation of trusts 11
      3. Nonaggregation of trusts 12
   F. Estimated income-tax payments 12
      1. Form 1041-ES 12
      2. Allocating estimated tax payments to beneficiaries 14
      3. Form 1041, pages 1 and 2 -- General information 17
   G. Taxes and credits 19
      1. In general 19
      2. Net investment income tax (NIIT) 20
      3. Alternative minimum tax 20
      4. Domestic employee employment taxes (“nanny tax”) 25
      5. Credits 25
   H. Miscellaneous 26
      1. Request for prompt assessment 26
      2. Interest and penalties 26
III. Case study 40
   A. Complex trust example 40
   B. Complex trust solution 41
Income of Estates and Trusts

Learning objectives

I. Portfolio income
   A. Interest and dividend income -- Lines 1 and 2a, and 2b Form 1041
      1. In general
      2. Income in the year of death not reported on the final Form 1040
      3. Tax-exempt interest
      4. Allocation of administrative expenses
      5. Nominee
      6. Incorrect information returns
   B. Capital gain or (loss) -- Line 4, Form 1041
      1. New capital gain or loss reporting of an estate or trust
      2. Tax rates on capital gains -- Estates and trusts
      3. Net investment income tax
      4. Capital-gain treatment
      5. Capital-loss treatment

II. Miscellaneous income
   A. Other portfolio income: Rents, royalties, partnerships, S corporations, other estates and trusts, etc. -- Line 5, Form 1041
      1. In general
      2. Nonbusiness income
      3. Rental and royalty income
      4. Real estate professionals
      5. Passive activities
      6. Reporting passive-activity information to a beneficiary
      7. Pass-through income from other estates and trusts
      8. Partnership or S corporation interests -- Fiscal years
      9. Partnership self-employment income
     10. Partnership inside-basis adjustment (§§754 and 732(d))
     11. Partnership interests -- Stub period to date of death
     12. Decedent’s S corporation interest -- Calendar year
     13. Pass-through income without equal cash distribution
     14. S corporation recent developments specifically involving estates and trusts
     15. Fiduciary accounting income and “phantom” taxable income
     16. QSST -- Qualified Subchapter S trusts
   B. Other income -- Line 8, Form 1041
      1. In general
      2. Examples
      3. Income in respect of a decedent (IRD) basics

III. Active income
   A. Business and farm income -- Lines 3 and 6, Form 1041
      1. In general
      2. Sole proprietorship
      3. Computing net income
      4. Where reported
      5. Self-employment tax
      6. Operation of business by a trust
      7. Net operating losses
   B. Ordinary gain or (loss) -- Line 7, Form 1041
      1. Form 4797
      2. Interest in a pass-through entity
Deductions of Estates and Trusts

Learning objectives 1

I. In general 1
   A. Estate and trust deductions -- Introduction 1
      1. General principles 1
      2. Expenses 2
      3. Apportioned deductions and credits 2
      4. Deductions in respect of a decedent (DRD) (§691(b)) 3
   B. Estate election to claim administrative expenses as fiduciary income-tax deductions 4
      1. In general 4
      2. Election 5
      3. Excess deductions on termination 5

II. Specific line items 7
   A. Interest -- Line 10 7
      1. In general 7
      2. Investment-interest expense 7
      3. Qualified residence interest 8
      4. Interest on deferred estate-tax payments [Revenue Ruling 92-10] 8
      5. Personal interest expense -- Nondeductible 8
   B. Taxes -- Line 11 9
      1. In general 9
      2. Taxes deductible for estate-tax or income-tax purposes 9
      3. Taxes accrued at death 9
      4. Taxes not deductible for income-tax purposes 10
   C. Fiduciary fees -- Line 12 10
      1. In general 10
      2. Fiduciary fees and self-employment tax 10
   D. Charitable deductions -- Line 13 12
      1. In general 12
      2. Deductions allowed 12
      3. Charitable deduction “pull-back” election 13
      4. Trust accumulation of charitable amounts -- Form 1041-A 13
      5. Compliance 14
      6. Substantiation 14
   E. Attorney, accountant, and return-preparer fees -- Line 14 14
   F. Other deductions not subject to the two-percent floor -- Line 15a 15
      1. In general 15
      2. Nonadministrative expenses 15
      3. Deductible administrative expenses 15
      4. Selling expenses as administrative expenses 16
      5. Nonbusiness casualty and theft losses 17
      6. Other casualty and theft losses 17
      7. Depreciation, depletion, and amortization deduction not claimed elsewhere 18
   G. New reporting for 2013 -- Net operating loss deduction -- Line 15b 18
      1. In general 18
   H. Miscellaneous itemized deductions subject to the two-percent floor -- Line 15c 19
      1. In general 19
      2. Reduction for tax-exempt income allocation 19
      3. Miscellaneous itemized deductions 19
      4. Which expenses are miscellaneous itemized deductions? 19
      5. Proposed regulations 22
      6. Supreme Court decision 23
      7. Bundled investment management and advisory costs 25
      8. Adjusted gross income 26
   I. Income-distribution deduction -- Line 18 29
   J. Estate-tax deduction -- Line 19 29
      1. In general 29
2. Amount of deduction  
3. Timing  
K. Expenses related to tax-exempt income  
1. In general  
2. Permissible allocation method  
L. Depreciation, depletion, and amortization  
1. Decedent’s depreciation, depletion, and amortization in the year of death  
2. Depreciation -- Qualified joint interest property by surviving spouse  
3. Depreciation apportionment between estate or trust and beneficiaries  
4. Depreciation methods  
5. Section 179 expense election  
6. Depreciation recapture  
7. MACRS deduction in short tax year  
8. MACRS deduction for a short year  
III. Case study
Distributable Net Income (DNI) and Income-Distribution Deduction

Learning objectives

I. Distributable net income (DNI)
   A. Basics of DNI
      1. Purposes served by DNI
      2. Calculating DNI -- Code approach
   B. Basics of income-distribution deduction and DNI relationship
      1. Income-distribution deduction
      2. Distributable net income
      3. Relation between distribution and DNI
      4. Exceptions
      5. Taxation of beneficiaries
      6. Timing of inclusion of DNI by beneficiary
      7. Allocation of DNI between entity and beneficiaries
      8. Character of included DNI
   C. Calculating DNI
      1. DNI worksheet (short-cut) approach
      2. Forms approach
   D. DNI and entity losses
      1. In general
      2. Retained losses
   E. Capital transactions and DNI
      1. Capital gains and DNI
      2. Taxing capital gains to beneficiaries
      3. Service’s position
      4. Capital losses and DNI
   F. Advanced trustee “power to adjust” issues
      1. Power to adjust/unitrust definitions of income
   G. Marital claims
      1. Spousal allowances
      2. Alimony
      3. Marital trusts
   H. Net investment income tax (NIIT)
      1. Application to estates and trusts
      2. Non-application to certain trusts
      3. Computation

II. Income-distribution deduction
   A. Schedule B -- Income-distribution deduction
   B. Two-tier distribution structure -- Estates and complex trusts
1. Required periodic payments 28
2. Relation to fiduciary accounting income 28
3. First-tier distributions 28
4. First-tier distributions in excess of DNI 28
5. First-tier distributions not in excess of DNI 28
6. Complex trusts and estates 29
7. Charitable contributions 29
8. Allocation of DNI to classes of income 29
9. Other deductions 30
C. Schedule J 30
   1. Reporting 30
   2. Calculation 30
IV. Case study 31
   A. DNI (three methods), the income-distribution deduction, and taxable income 31
      1. Calculate DNI, TAI, and Adjusted Total Income using the "Worksheet Method" 31
      2. Calculate DNI, income-distribution deduction, and taxable income using the
         "Forms Approach" 32
      3. Calculate DNI using the "Code Approach" 32
   B. DNI (three methods), the income-distribution deduction, and taxable income --
      Solutions 33
      1. Calculate DNI, TAI, and Adjusted Total Income using the "Worksheet Method" 33
      2. Calculate DNI, income-distribution deduction, and taxable income using the
         "Forms Approach" 34
      3. Calculate DNI using the "Code Approach" 35
Taxation of Beneficiaries

Learning objectives 1
I. Termination of estates and trusts 1
   A. Termination of an estate or trust 1
      1. Trust termination 1
      2. Estate termination 1
      3. IRS position 1
      4. Planning for termination 2
      5. Taxation of estate or trust 2
   II. Special rules 2
      A. Election of the 65-day rule (§663(b)) 2
         1. In general 2
         2. Limitations 2
         3. Simple trusts 2
      B. Separate-shares rule 3
         1. In general 3
         2. Language of the will or trust 3
         3. Physical segregation of assets 4
   III. Allocations to beneficiaries 7
      A. Allocation of deductions to classes of income -- Going from page 1 of Form 1041 to Schedule K-1 7
         1. In general 7
         2. Direct expenses 7
         3. Losses 7
      B. Gains or losses on transfers of property to beneficiaries 10
         1. In general 10
         2. Recognition of gain/loss on property distributions -- Mandatory 10
         3. Recognition of gain on property distributions -- Elective §643(e)(3) 10
         4. Nonrecognition of loss 11
      C. Allocation of net income to beneficiaries 12
         1. Allocation of classes among beneficiaries 12
         2. Amounts within each class 12
         3. DNI limitation 12
   IV. Reporting and tax compliance 13
      A. Schedule K-1 (Form 1041) -- Beneficiary's share of income, deductions, credits, etc. 13
         1. In general 13
      B. Schedule K-1 -- Line-by-line explanation 13
         1. Lines 1, 2a, and 2b -- Taxable interest and dividends 13
         2. Lines 3, 4a, 4b, 4c, 12C, and 12D -- Net long-term capital gain 13
         3. Line 5 -- Annuities, royalties, and other nonpassive income 14
         4. Line 6, 7, and 8 -- Trade or business, rental real estate, and other rental income 14
         5. Lines 9A, 9B, and 9C -- Depreciation, depletion, and amortization 14
         6. Line 10 -- Estate-tax deduction 15
         7. Lines 11A, 11B, 11C, 11D, and 11E -- Deductions in the final year of a trust or decedent's estate 15
         8. Lines 12A, 12B, 12C, 12D, 12E, and 12F -- Adjustments for minimum tax 17
         9. Lines 12G, 12H, 12I, and 12J -- Adjustments and tax-preference items 17
         10. Lines 13A through 13P -- Credits 17
         11. Line 13U -- Recapture of credits 18
         12. Lines 14A through 14H -- Other information 18
Comprehensive Trust and Estate Case Studies with Filled-In Forms

Learning objectives 1
I. Comprehensive trust case study 1
   A. Edison Watson Trust: Trust Transactions Worksheet 1
      1. Case study facts and instructions 1
      2. Completed worksheet 4
      3. Form 1041 -- Selected filled-in forms 5
II. Comprehensive final Form 1040 and estate Form 1041 case study 10
   A. John R. Smith: Final Form 1040 versus Form 1041 Worksheet 10
   B. Case study facts 12
      1. Completed worksheet 15
      2. Final Form 1040 -- Filled-in forms 16
      3. Estate Form 1041 -- Filled-in forms 22
