14. TRACK AND FIELD (OUTDOOR) — BOYS AND GIRLS

A. GENERAL REGULATIONS

1) Interscholastic Participation

1.1) Each student participant is limited to participation in a maximum of one contest per day.

1.2) Participation limitations:

   Grades 9-12 — Maximum of four track and field events per contest. The four events may be any combination of track and field events, including relays, or may be four track events or four field events. This regulation applies to all competitions, single and multi-day, and both regular season and OHSAA tournaments. PARTICIPATION LIMITATION PENALTY—An athlete who exceeds the participation limitation becomes an ineligible athlete. The forfeiture bylaws apply as written in Bylaw 10.

   Participation in non-varsity and varsity events on the same day is permissible provided the individual participation limit is not exceeded and occurs within the same contest.

   Grades 7 & 8 — Maximum of three events per contest.

1.3) The javelin is not an approved event in interscholastic competition.

1.4) A school squad may be divided so that the school is represented at two different contests on the same day. However, each contest counts in the maximum of 16 permitted for that school team.

1.5) Grades 7 & 8: 10 days of practice required prior to first interscholastic competition.

2) Out-of-State Travel

   A track and field team may travel out of state to compete in contests in states or provinces in Canada that are contiguous to Ohio regardless of distance to travel. The states include Indiana, Kentucky, Michigan, Pennsylvania and West Virginia. The province includes Ontario. Additionally, a track and field team may travel out of state one time per interscholastic season to compete in states or provinces in Canada that are not contiguous to Ohio provided there is no loss of school time.

   “School time” is defined as any time during any day during which the school is in session as stipulated in its Board-adopted school calendar exclusive of contingency days. Penalty for Violation: The school shall be ineligible for the OHSAA postseason tournament in the sport in which the out-of-state travel was involved and could be subject to additional penalties as referenced in Bylaw 11.

   EXCEPTION: If, because of missed school days due to calamity situations, an otherwise non-school day(s) becomes a school day(s) in order to make up for the missed school day, the school may compete in a contest(s) outside the state of Ohio provided:

   1) The school had contracted for/committed to said trip/contest(s) at least three months prior to the contest(s) in question and;

   2) The school receives written permission from the Commissioner’s office at least one week in advance of the scheduled event.

   A track and field team may not travel out of state only to practice.

3) Ejection for Unsporting Conduct

   See Ejection Policies for Players and Coaches under Sections 13 and 14 of the General Sports Regulations.

4) Transfer Bylaw

   Due to the many questions regarding this bylaw and its application to students desiring to participate in track and field, please go to the OHSAA website (www.ohsaa.org), click on
the “Eligibility” link, then click on the “Transfer Bylaw Resource Center” to assist in the understanding of this bylaw. Note that students who transfer and do not meet an exception to this bylaw are ineligible for all contests until regular season contest number nine (9) in track and field.

5) **Non-Interscholastic Participation**

5.1) A member of an interscholastic track and field squad (any student who has participated in a regular season or tournament contest) sponsored by the Board of Education **shall not participate in a non-interscholastic contest** as an individual or a member of a team in the sport of track and field **during the school’s season** (Sports Regulation 7.2.2).

5.2) Individual Non-Interscholastic Competition Dates:

A track and field athlete who has not participated for the school in track and field that season must cease non-interscholastic track and field competition six weeks (42 days) prior to the Monday of the week of the State Tournament in track and field in order to be eligible for OHSAA Tournament competition.

In addition, an athlete who has participated for the school in track and field who violates this non-interscholastic competition date by participating in a non-interscholastic contest in track and field shall be ineligible for OHSAA tournament competition in track and field in addition to any other penalties that may be prescribed.

Date: April 18, 2016.

5.3) Road racing is interpreted as a different sport than track and field. If the entire race is run on a road, participation is not a violation of the non-interscholastic competition bylaw.

6) **Instructional Programs**

See **Regulations for Instructional Programs** under Section 8 of the General Sports Regulations.

7) **Penalties**

7.1) The maximum penalty for violation of Sports Regulation 7.2 (participation with a non-interscholastic track and field squad or in non-interscholastic competition while a member of the school’s interscholastic track and field squad) or any OHSAA regulations for any member of the school squad **EXCEPT** a senior is ineligibility for the remainder of the interscholastic track and field season or the ensuing track and field season.
