directory of services for young refugees and migrants

This directory is to assist practitioners and carers in identifying organisations and projects that can offer support, advice and other assistance to refugee, asylum-seeking and migrant children and young people in England and Wales. It does not include a list of law firms or centres – for information on how to find a solicitor or caseworker please see: www.childrenslegalcentre.com/index.php?page=resources:_legal_representation

The directory will be updated regularly – if you know of an organisation or project that should be added, do please let us know by emailing mcp@essex.ac.uk.

If you would like further information or advice about working with refugee and migrant children and young people, and their rights and entitlements, contact the Migrant Children’s Project advice line on 020 7636 8505 or take a look at our website: www.childrenslegalcentre.com
