**204 American Sign Language 1.1**
Deaf Hearing Communication Center
Monday  1/25-4/11  (No class 2/15 & 3/28)
10 Sessions  6:30-8:30PM
SAHS A107   $140

Students at each level will be introduced to ASL vocabulary, as well as proper ASL grammar. Interaction with teachers, who are native ASL users, in a relaxed setting with peers, provides students with both structured and spontaneous dialogue practice. This gives students the opportunity to develop appropriate conversational strategies that are unique to American Deaf Culture. Due to the unique visual nature of American Sign Language (ASL), all lessons are presented without the use of voice. This effective teaching method is applied in most credit and non-credit ASL classes to enable students to develop strong receptive and expressive ASL skills. Students are encouraged to purchase a book ASL at Work for $75. No Gold Card.

It’s not too early to make Summer plans.

Our theme for this year at Camp will be- “Olympics: Past, Present and Future.” Campers will have many opportunities to learn about the Olympics, participate in sports and create fun, new competitions. Our nine-week program includes all snacks and lunch, weekly field trips, optional swimming time, arts and crafts, technology and lots of fun!

The Adventure Workshops engage students, focusing on subjects such as: art, music, drama, technology, games, cooking and more. Watch the SACE website in early Spring for details: sace.soudertonsd.org

Our SACE Summer Recreation Program includes extended day camp for elementary age children and enrichment workshops program for children in elementary and beyond.

SACE serves approximately 3500 different adult and children students each year. The Souderton Area School District is proud to have such a comprehensive, high quality enrichment program that provides a lifetime of learning for everyone in the community. Programs are open to those who reside in the Souderton School District as well as those who live in surrounding areas.
