TO: All Prospective Students

FROM: Physical Therapist Assistant Program

SUBJECT: PTA PROGRAM APPLICATION FORM

THE PHYSICAL THERAPIST ASSISTANT PROGRAM

Thank you for your interest in Union County College’s Physical Therapist Assistant Program. Our two-year, full-time program is accredited by the Commission on Accreditation in Physical Therapy Education. It is designed to train individuals to perform basic physical therapy procedures under the on-site supervision and direction of a licensed physical therapist. Graduates are awarded an Associate of Applied Science Degree and are eligible for the state licensure examination.

Students who wish to become PHTA Majors and want to begin the Clinical Course work in January need to complete the attached entrance form.

When completed, the application form may be delivered to Union County College (to the address below) between September 1st and October 31st of the Fall semester along with a recommendation validating your volunteer hours or work-related experience (see attached form) as well as an unofficial copy of all college transcripts, including Union County College.

Send completed application package to:

Union County College
232 East 2nd Street
Plainfield, NJ 07060
ATTN: PTA Program

Enrollment consideration is as follows:

• First priority will be given to students who have completed all pre-requisite course work, with a GPA of at least 2.5, and submitted their application and verification of fifty (50) volunteer hours by October 31st.
• If there are still available seats, students who have submitted their application package by October 31st, but who are completing course work in the Fall semester, will be reviewed to determine their achievement of the entry qualifications.

All students need to complete a minimum of fifty (50) hours of volunteer work. The hours are to be completed in two different physical therapy facilities under a Physical Therapist. Twenty five hours in each facility. A recommendation form is to be completed by the individual supervising you during your volunteer or aide work. The grid at the back of the application packet must be completed and sent with the application to the program.

Program Enrollment:

There is a limit to the number of seats available in the clinical phase of the PTA Program. Admission into the program is a competitive process. If the number of qualified students who have completed the enrollment requirements and application by October 31st exceeds the available number of seats, the Program Coordinator and PTA Admissions Committee will make the final determination for admission to the program based upon the students’ GPA, and grades in BIO 105. Please refer to the attached rubric for information of how the PTA Program Admissions Committee evaluates applicants.
ALL AREAS of the application must be completed in full. Incomplete applications will not be evaluated by the PTA Admissions Committee.

If there are questions about applying to the College, selecting courses, transferring credits, or enrolling in the program, please call Ms. Janet Rocco, Coordinator of Student Services on the Plainfield Campus at 908-412-3580. After speaking with Ms. Rocco, students who are still unclear about the admission process should e-mail the program coordinator at Kellish@ucc.edu. Please note that the program coordinator does not have the authority to approve courses that are being transferred into the College, as this is done through the Admissions Office.

Please note: Students accepted into the clinical phase of the program are required to have health clearance, including drug testing, by their physician/provider in order to participate in clinical experiences. In addition, federal and state laws exist that preclude persons with certain criminal backgrounds from being in contact with children and patients. A criminal background check through the specified vendor is required. A felony conviction may affect a student’s placement in clinic and a graduate’s ability to sit for and / or attain state licensure.
