APPLICATION FOR THE
CERTIFICATE OF CLINICAL COMPETENCE IN
SPEECH-LANGUAGE PATHOLOGY (CCC-SLP)
2014 STANDARDS

Instructions

- Submit a complete application for the CCC-SLP, which includes:
  - Four-page application form: Pages 1–3 must be completed and signed by the applicant. All four pages must be from this 2014 standards application and submitted together; submission of partial applications and applications containing pages for standards other than 2014 will delay processing.
  - Disclosure questions/affidavits: Answer all three disclosure questions and include explanations for any questions to which you answered “yes,” then sign and date the affidavit section. By checking yes, you understand that you will be required to submit certified documentation that has been certified no later than 6 months from the date all application materials are received by the National Office. After the receipt of all application materials, you will receive a request for certified documentation. ASHA must receive this required certification documentation within 60 days of the date of the request. asha.org/Certification/Certification-Standards-for-SLP--Certification-Application-Disclosure/
  - Verification by program director: Verification, on page 4, must be completed and signed/dated by the program director and must include the date that course work and clinical practicum requirements for ASHA certification were completed.
  - Official graduate transcript or letter from the registrar: Your institution’s registrar must verify the degree awarded and date awarded or a transcript may be submitted. The transcript must be original, but does not need to arrive directly from the institution.
  - Full payment for initial application fee: Use the charge authorization on page 5 (Visa, MasterCard, or Discover are accepted) or submit a personal check made payable to ASHA.

- Submit additional required documents:
  - Passing score from the Praxis exam in Speech-Language Pathology received by ASHA directly from the Educational Testing Service (ETS). ASHA must be designated as a score recipient. The exam must be passed and reported to ASHA no later than 2 years after the date the application is received at the ASHA National Office.
  - Speech-Language Pathology Clinical Fellowship Report and Rating Form (SLPCF) following the completion of a Clinical Fellowship (CF) experience, which can be sent with your application or separately after your application has been submitted. Applications are accepted before starting the CF, during the CF, or after completion of the CF.

- Make and retain copies of all documents prior to submitting them to the ASHA National Office. Copies of documents are not available once certification has been awarded.
- Carefully review the application and required documents prior to submission to be certain that all sections have been completed. Incomplete applications will require additional time for review.
- Mail this application, along with full payment and accompanying documents, to:

  American Speech-Language-Hearing Association

  Rockville, MD 20849

Please allow approximately 6 weeks for the initial review once your application materials and payment have been received at the ASHA National Office. Each time that you submit additional documents after the initial review (due to corrections or incomplete or missing documents), additional review time will be required. Certification will be awarded only after ASHA’s Certification Department has verified that all requirements of the standards have been met.
