COURSE DESCRIPTION
Hospital care models are transforming, and NPs and PAs play vital roles in the care delivery of hospitalized patients. Inpatient Medicine for NPs & PAs: From Admission to Discharge fills your CME needs. This conference emphasizes clinical management of hospitalized patients in an interactive, case-based format with evidence-based lectures by experts in treatment pathways from admission to discharge.

LEARNING OBJECTIVES
Upon conclusion of this program, participants should be able to:

- Describe a rational approach to assessment and management of the high-acuity hospitalized patient.
- Describe how to provide high-level care to all patients based on the most recent practice guidelines, medical evidence and standards of care.
- Describe the early signs and symptoms consistent with sepsis syndrome, leading to more rapid initiation of goal direction therapy and antibiotic administration.
- Describe the most recent treatment guidelines from the Surviving Sepsis Campaign and identify patients requiring higher levels of care.
- Describe appropriate diagnosis of patients with acute exacerbations of heart failure and initiate appropriate treatment for hospitalized patients.
- Identify ways to improve mortality rates and decrease recurrent exacerbations for patients with chronic heart failure.
- Participation in this course should lead to early identification of stroke symptoms and improved compliance with the most recent treatment guidelines for rt-PA.

Attendance at this Mayo Clinic course does not indicate nor guarantee competence or proficiency in the performance of any procedures which may be discussed or taught in this course.

INTENDED AUDIENCE
This conference is applicable to internists, hospitalists, NPs, PAs, physicians, advanced practice nurses, registered nurses and allied health from novice to experienced.

CREDIT
Mayo Clinic College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Mayo Clinic College of Medicine designates this live activity for a maximum of 23.0 AMA PRA Category 1 Credits™ (20.0 general session and 3.0 Pharmacology workshop). Physicians should claim only the credit commensurate with the extent of their participation in the activity.
