The French were the first white people to sight the land which is now St. Croix County. In 1687 Daniel Greysolon du Luth, a French explorer and adventurer, used the Brule-St. Croix waterway as a short route from Lake Superior to the Mississippi River. A year later, Father Louis Hennepin, a priest of the Order of St. Francis, was brought into the St. Croix territory as a prisoner of the Sioux Indians. It was not however, until 1689 that Nicolas Perrot took possession of the lands of the present Upper Mississippi, St. Croix and St. Peter Valleys in the name of France. French rule ended in the Upper Mississippi Valley with the Treaty of Paris of 1763, and by the Peace of Paris of 1783 the land east of the Mississippi became part of the United States.

Although Laurient Barth, Jacques Porlier, and Charles Reaume established a fur-trading station in 1793 on the St. Croix River bordering the land which is now St. Croix County, it was not until peace was fully established with the Indians that this region could be fully settled. By a treaty signed at Washington in 1837 the Dakota or Sioux Indians ceded to the United States Government all their lands east of the Mississippi River. In the same year a treaty was made at Fort Snelling with the Chippewa or Ojibway Indians whereby they ceded to the United States all their lands east of the Mississippi to near the headwaters of the St. Croix and Chippewa Rivers.

The first settlement was made at the mouth of the Willow River in 1840 by Louis Massey and Peter J. Bouchea. In the spring of 1839 the steamer Palmyra opened the St. Croix River to trade and travel. The pine forests between the St. Croix River and Minnesota attracted interest in lumbering, and many lumber mills were built in this vicinity in the 1840's. By 1847 frame houses began to appear, and in 1849 a boarding house was opened at what is now the City of Hudson by Moses Perrin. With the establishment of the United States Land Office at Hudson in 1849, great advances were made in population. As a result the population of St. Croix County, 624 in 1850, had increased to 2,040 by 1855 and 5,388 in 1860.

In 1840 the Legislature of Wisconsin created the county of St. Croix, carrying the same name as the bordering river which derived its name from a Monsieur St. Croix, an explorer who was drowned at the mouth of the river late in the seventeenth century.

Another account said Father Hennepin gave this region the French name St. Croix (originally Ste Croix) which means Holy Cross. The rich, rolling prairie lands of St. Croix County were conducive to farming, and by 1881, wheat had become the main farm crop. Oats, corn, potatoes, barley, rye and hay were also raised until dairying commenced. Today St. Croix County is well known for its dairy products with milk the most important source of income for its farmers.

The boundaries of St. Croix County have remained constant since 1853. St. Croix County is 30 miles wide in the northern part, increasing to 33 miles in width in the central part, and then tapering down to 30 miles again at its southern extremity. It is 20 miles long and has an area of 729.45 square miles.

St. Croix County has a total of 21 towns, ten villages (including one ward in the Village of Spring Valley), three fourth-class cities, and four wards of River Falls located in St. Croix County. The population of St. Croix County in the 1980 census by the Bureau of the Census at Washington was 43,867; in 1990 the Census showed a population of 50,261 (a 16% increase); in 2000 the Census showed a population of 63,155 (a 20% increase);
and in 2010 the Census showed a population of 84,345. St. Croix County was the fastest-growing county in the State of Wisconsin, up by more than 33% since 2000.

There are four county owned parks in St. Croix County. Troy Park, located approximately 5 miles south of Hudson on the beautiful St. Croix River, offers swimming and picnic areas. Glen Hills Park located 5 miles south of Glenwood City offers swimming, boating, picnic area, fishing, a golf course, camp sites, snowmobile trails, and cross country skiing. Pine Lake Park located 4 miles north of Baldwin offers a scenic park, fishing, boating, picnic area and recreation. Homestead Park on Perch Lake is located 3 miles northwest of Burkhardt off of County Road E or County Road I and opened May 2003. St. Croix County is also proud to have Willow River State Park located within our boundaries about 5 miles east of Hudson, which offers beautiful scenery, camping, picnic grounds, water cascades, nature trails, and winter cross country ski trails. There are approximately 100 miles of designated snowmobile trails located in St. Croix County.

It was not until 1851 that the County Board of Supervisors appointed Ammah Andrews to erect county buildings. This order was rescinded at a subsequent meeting, but an appropriation of $350 was made for the construction of a county jail. No further progress was made until 1856 when a contract was again made with Ammah Andrews to build a courthouse for $14,300. The total cost of the buildings, completed in 1856, was $20,045. These buildings were used with minor repairs until 1900 when a new courthouse, jail and sheriff's residence were constructed at a cost of $50,000.

As demands for more space became apparent, a new jail was erected in 1963 at a cost of $325,000. Upon completion, the previous jail and sheriff's residence were dismantled and construction commenced on that location for a new county courthouse. Erection of the 1965 courthouse was completed in 1966 at a cost of $725,000.00.

In November of 1991 the County Board Supervisors voted to approve construction of a new Government Center and bonding for $11,500,000. The new Center is located on the Boody property along County Trunk UU and Carmichael Road.

June 14, 1993 was the day of occupation of our new Government Center. An Open House was held prior to the jail being occupied with over 1200 participating. The Dedication Ceremony was August 17, 1993. The jail was occupied in August, 1993. The Emergency Communications Center moved to the Government Center in April, 1995. The 1900 Courthouse was sold to David Tank who renovated it into condominium apartments.

In December of 1994 the 1965 Courthouse was sold for $400,000 to the City of Hudson for use as a Library and other offices.

In 1998 the Ag Center was constructed in Baldwin and houses the UW-Extension, Land and Water Conservation, Farm Service Agency and NRCS offices.

Construction of the 80-bed Huber Facility began in 2003 and was completed in April 2004.

In November 2008, a referendum passed to reduce the County Board membership from 31 members to 19 passed. This was in effect for the Spring Election in April 2010.

On February 23, 2013, St. Croix County sold 552 acres of former county farm land in New Richmond. The sale was conducted by Hager Auction Services with the land selling in six parcels. In January, the St. Croix County Board of Supervisors voted 10-8 to sell the land, which the county has owned for more than a century, to raise money for capital
improvement projects. The land brought a total sale price of about $3.5 million, which includes an auctioneer's 4.5 percent fee.

In August 2013 the St. Croix County Board of Supervisors adopted a resolution authorizing the purchase of the former County Market Building located at 1752 Dorsett Lane in the City of New Richmond for $1,280,000. The County Board committed to vacating the Health and Human Services Building (October 26, 2010—Resolution 35(2010)) and authorized the County Administrator to relocate Health and Human Services employees (January 8, 2013—Resolution 7(2013)). Interior construction of the building, now known as St. Croix County Services Center, began in January 2014. St. Croix County Services Center will house Health and Human Services, Aging and Disability Center and Veterans Service Office.

On May 5, 2015, the St. Croix County Board of Supervisors adopted a resolution authorizing the borrowing of not to exceed $20,000,000 for design and construction/renovation costs associated with the St. Croix County Health Center Project (Project) in New Richmond. The Project consists of the construction of a 50-bed skilled nursing facility and a 10-bed dementia crisis stabilization unit and the renovation of the existing nursing home building into a 40-bed Community Based Residential Facility (CBRF). The target completion date is November 2016.
THE CABINET

The tradition of the Cabinet dates back to the beginnings of the Presidency itself. Established in Article II, Section 2, of the Constitution, the Cabinet’s role is to advise the President on any subject he may require relating to the duties of each member's respective office.

Duties: As faculty of the University of Wisconsin Extension-Cooperative Extension Service, Extension Agents link county citizens to the University knowledge base relating to the four program areas. In this way, the programs conducted through UW-Extension benefit youth, adults, families and communities by empowering people with new knowledge, attitudes, skills and aspirations. We are committed to change, openness, diversity and accessibility.

Agriculture & Agri-Business: Purpose - to develop and conduct educational programs for farmers and agri-business people. These programs are designed to increase agricultural profitability and develop leadership in the agricultural community. The general topics of these programs include dairy and livestock production, crop production, farm business management, pest control, agricultural marketing and policy and other topics supported by research from the land grant university system.

Horticulture: Purpose - to provide research based education on sound environmental practices for fruit, vegetable, and home grounds care. Our programs provide information on weed control, pest control, landscape maintenance, commercial fruit and vegetable production, and commercial fruit and vegetable business management. Through a partnership with Pierce County, UW-Extension also provides training for the St. Croix Valley Master Gardener Volunteers.

Family Living Education: Purpose- to provide leadership and programs in family development, financial management, housing, parenting and leadership. Clientele served include families, youth, parents, HCE members, professionals, and community organizations and coalitions. A key role is collaborating with various community groups to design programs and infrastructure which improves the lives of children and families.

Community Resource Development (CRD): Purpose - to strengthen the ability of citizens, community leaders and local officials to identify and resolve critical community needs and issues in three broad, interdependent areas: Communities (community revitalization, local government education, demographic information, community management); Natural Resources (land use, waste management, water quality, resource management); Economic Development (small business, recreation & tourism, and community economic analysis).

4-H Youth Development: Purpose - to involve adults in assisting youth to acquire
characteristics and skills which prepare them to function effectively in a high tech and global society. This includes characteristics of responsibility, judgment, wisdom, maturity and healthy self-esteem. It includes life skills such as communication, decision making, problem solving, and leadership. Program designs prepare adults involved in roles such as parents, volunteers, teachers and significant others to youth, to work with youth in ways that facilitate their acquisition of these characteristics and skills.

**Wisconsin Nutrition Education Program (WNEP):** UW-Extension Cooperative Extension conducts WNEP in counties across Wisconsin. This federally funded program helps families with limited resources plan, purchase and prepare their food economically, safely and healthfully.

The mission of the Community Justice Collaborating Council (CJCC) is to enhance public safety in St. Croix County through community collaboration by ensuring offender accountability, providing rehabilitative programming, and supporting the rights and needs of victims. In addition, the CJCC is committed to providing the coordinated leadership necessary to establish and foster innovative, research-based corrections programs for adult and juvenile offenders, and improve efficiencies and outcomes in the criminal/juvenile justice system. Finally, the CJCC is committed to promoting and enhancing communication between all elements of the criminal/juvenile justice system.

a. CJCC – Executive Committee is composed of the CJCC Chair, Vice-Chair, County Board Chair, and County Administrator. All other subcommittee members are appointed by the Executive Committee.

b. Members: 17 voting members; Presiding Judge for St. Croix County, County Administrator, County Board Chair, Sheriff, Chief of Police Association Representative, District Attorney, Clerk of Circuit Court, Local State Public Defender Supervisor, Division of Community Corrections Supervisor for St. Croix County, Department of Health and Human Services Director, Member of Public Protection and Judiciary Committee, Bar Association Representative, Corporation Counsel, Representative from Faith Based Community, Representative from Medical Community and two citizen members. Ten advisory members consisting of Victim/Witness Coordinator, Treatment Court Coordinator(s), Restorative Justice Coordinator, Medical Examiner, Jail Captain, Emergency Support Services Director, Local State Public Defender Supervisor, Diversion Program Coordinator, Court Commissioner, and CJCC Coordinator. All St. Croix County circuit court judges are members and, except for the Presiding Judge, are non-voting.

c. Term: CJCC members may designate another person from that department/agency to represent them, with full authority, and vote at CJCC meetings. Any CJCC member,
excluding the two citizen members, wishing to appoint a designee, is to identify the designee to the Chair of the CJCC in writing prior to the meeting. No more than three consecutive meetings shall be allowed for a member's designee to attend CJCC meetings. Citizen members shall be elected to serve two-year terms commencing at the first meeting of 2014, with citizen member elections continuing at the first meeting in even-numbered years thereafter. Initially, one citizen member will serve for a full two-year term and one citizen member will serve a one-year term. Consecutive terms shall alternate every two years. Any citizen member may resign by submitting notice of resignation to the CJCC Chair. In the event of a vacancy of a citizen member, the CJCC may elect a new citizen member to serve the remaining term. In the event of a vacancy of a CJCC member, excluding citizen members, the out-going CJCC member of his or her organization may designate a representative from his or her organization to act until such time as the position is filled.
