Grand Knight’s Message

Some call it “Freezin for a Reason”, but I can tell you that, in spite of the 37 degree ocean temperature, our team, the 4969 Chilly Knights, had a great time participating in the Seaside Heights Polar Bear Plunge on Saturday, Feb. 20. We were among the 6,000 participants who braved the elements to raise funds for the Special Olympics, and I am proud to tell you that these 17 individuals raised $2,390 for this worthy cause. Team Captain, Darren Fullerton, and his fiancé, Kim Spill, did an outstanding job organizing our group, and it can surely be said that these two really know how to get the job done. Many thanks to Darren and Kim, as well as to all of my fellow plungers. If you’ve never done it before, think seriously about joining the 4969 Chilly Knights next year!

The second annual “Blast from the Past” was, once again, a great hit on Saturday, Feb. 27, as the D-Cees helped bring back a lot of musical memories for the sell-out crowd. The catered Italian dinner was enjoyed by all and there were plenty of door prizes donated by businesses who have helped support the God’s Special People program. We also recognized Mr. Sal Guazzo, Manager of the Rt. 37 Shop Rite, who has been a great asset to us in support of the God’s Special People program, as well as the Christmas Food Basket program.

At our February 17 Social Meeting, we were honored to have the State Treasurer, Vincent Tavormina, speak to us about the many programs that the Knights of Columbus are involved with, and the role of all state officers in overseeing the various activities that occur. Our guest speaker at the March 16 Social Meeting will be Ms Suzan Fichtner, Executive Director of the Northern Ocean Habitat for Humanity program, and, as usual, all are invited.

On March 19, St. Joseph’s will be the host parish for the Jubilee Year of Mercy, run by the Trenton Diocese. Bishop David O’Connell will be in attendance, and a special procession with the Blessed Sacrament from the Donovan Catholic H.S. Gym to the church is scheduled for 2:00 p.m. A plenary indulgence is also anticipated and we are hoping for a strong representation by Brother Knights and their families that day.

GRAND KNIGHT’S MESSAGE CONTINUED FOR PAGE 1

Please note that “Shoulder to Shoulder” car magnets are available from PGK Joe Dobridge to show support for law enforcement personnel by the Knights of Columbus. The donation cost is $5.00 and the proceeds generated will benefit the Toms River Police Department.

Knight of the Month: For the month of March, Darren Fullerton is my choice for Knight of the Month for so many reasons. Not only did Darren serve as Captain of our 4969 Chilly Knights team at the Polar Bear Plunge, but he typically spearheads the annual Pig Roast in September and the Halloween Party in October each year. While Darren obviously works very hard on all of these projects, he always seems to have a great time as well and his enthusiasm for what he does is contagious because we all appreciate everything he does. We can always count on you Darren – thanks for everything!

As usual, I want to thank all of you who participate in the various activities that our Council runs, and I especially want to recognize our Council officers for their many contributions. A chain is only as strong as its weakest link and I appreciate the sharing of unity and fraternity that exists among us, for it is that that makes us strong! I am proud to serve as your Grand Knight. Please remember to pray for our sick and deceased members, as well as all of our military serving throughout the world.

Vivat Jesus!

Dear Brothers and Sisters in our Knights of Columbus Family,
In this time of Lent, as we continue our journey to Easter later this month, may you be aware that Christ is with you every step of the way. As we see each other on our way, consider this reflection that Monsignor Jim Turro shared with us on a pilgrimage to the Holy Land. Rembrandt had a very unique way of portraying Christ in his paintings. He sought to convey what Christ was like, not so much from the expression that he painted on the Face of Jesus, but rather the expressions he painted on the faces of the people surrounding Christ in the picture. So, in a Rembrandt canvas, by reading the faces of the people, one comes to understand the majesty of Christ, and His compassion for all He touched. It is they who declare the truth of Jesus Our lives are like a painting. My friends, our role, yours and mine, are to be like the figures surrounding Christ. Others can have an insight of Christ by observing our faces, our behavior and compassion, our life. In a small way, in our own way, we radiate Christ’s vast goodness and love. As we continue our journey, today, tomorrow, this Lent, this Easter, can the people we meet along our way see the vast majesty and goodness of Jesus as they see us in what we say and do. This is our challenge as Catholics and members of the Knights of Columbus family.

May the Peace of Christ be with you all, please pray for me and each other as I do for you.

Deacon Frank

Brothers and Sisters, Let us pray for Justice Antonin Scalia, who passed away in February. He was a man who brought his Catholic values and principles to the Supreme Court as he served this great nation and us. Let us pray also that all in public life serve us, the people, and our nation, with great moral awareness and fortitude. Let us also pray for each other. Amen

It is not too late to do something for Lent. There are 3 weeks left to make a difference in this Lenten season..... Visit the Adoration Chapel, attend an extra Mass, donate some food to the pantry, do an act of kindness...just do it.

**Shoulder to Shoulder Car Magnets**

The Knights of Columbus are committed to actively and conspicuously supporting the law-enforcement community. To demonstrate our solidarity, and support our brothers and sisters in law enforcement, the Shoulder to Shoulder campaign has been instituted. This is a State Council program, presently being administered by the Trenton Diocese Federation. At our last Business Meeting, we authorized the purchase of 60 magnets, at a cost of $3.50 each. They are available for purchase at $5.00 each from PGK Joe Dobridge, who stepped up and offered to coordinate the program. The proceeds generated can be applied toward an appropriate purpose in coordination with the Toms River Police Department.

Birthday Cards for the Troops

I am setting up a box at the Council for birthday cards for troops who receive packages from A.R.M.S. (American Recreational Military Services), thanks to the volunteers at the Toms River National Guard Armory. This would be a separate birthday package sent by A.R.M.S., with a birthday card in it, signed by a grateful citizen (you). All you have to do is sign your name on a birthday card, with an appropriate comment, such as “Happy Birthday and thank you for your service”. You do not address it to any particular service member, but whoever receives it would certainly be most appreciative. Let’s support our men and women serving in the military!

If you are anything like me, you end up accumulating a good amount of change in the course of a day and you don’t want to keep a lot of it in your pocket. If that is the case with you, I have a suggestion: keep it in a container and bring it in to me for the God’s Special People program.
Believe it or not, the loose change that I have been collecting from stores/diners in the area has added up to a substantial sum and “every little bit counts”. The God’s Special People collection cycle runs throughout the year, so why not help it along with your loose change!
Thanks.
