RCIA 2014

In celebrating this month of Our Lady of Fatima’s visit to St. Francis Xavier Cathedral, let us ask her motherly intercession to draw souls to the Sacred Heart of her Son. The Rite of Christian Initiation of Adults (RCIA) is a journey of conversion to God and what He intends for us. RCIA is the processes by which persons who were never baptized, or were baptized in another Christian tradition, become members of the Catholic Church, a people on pilgrimage to our Heavenly Father.

On Wednesday, August 20th at 7 pm, RCIA will offer the opportunity for you to inquire about the process of entering the Catholic Faith. Please note this will be a question and answer session; **you are not under any obligation to join.** No need to RSVP. Please come. We are anxious to meet you. We will be meeting in the Bishop Wycislo Hall. For information contact: Pat Westlund at 432-4348 or sfxa-vier@sbcglobal.net.

THROUGH ILLNESS & RECOVERY

When you, a family member or fellow parishioner (if they are agreeable) is admitted to Aurora Hospital, call the parish office. It is **not** the policy of this hospital to contact your home parish, even if they ask about your affiliation to a church. Please note; in the event of an emergency they will contact a priest. We know the importance of spiritual care especially when you are ill. Allow your parish family to “be there” for you. You may call Father and set up a time for him to anoint you if you know a procedure is forthcoming. While you are recovering in the hospital or your home we will bring the Eucharist to you. Our visit will be brief so as to respect your need to rest.

ROSARY IN THE GARDEN

Join us every Tuesday evening for a rosary in the garden behind the Cathedral Church.

We begin at 6:30 pm through October 14th.

STAFF DAY OF RETREAT

On July 16th, several staff members traveled to St. Nazianz with Fr. Brian Belongia for a day of retreat at the monastery. We started the day with a Byzantine Mass that was a new way of experiencing liturgy. There were some similarities to a Roman Catholic Mass, but there were many differences as well. Everything is chanted and there is no kneeling; only standing and sitting. The biggest difference is in how one receives Holy Communion. The bread, which is leavened, is dipped in the precious blood with a spoon and the Abbot drops it in your mouth. The liturgy is the Eastern Rite of the Catholic church that is in alignment with the Pope. We need to understand that even though the liturgy is different, it would fulfill a Sunday obligation because it is Catholic.

Following Mass we joined the monks for a vegetarian lunch. They observe fasting every Wednesday and Friday so all their meals those days are vegetarian. One of their monks, Fr. Moses, is a chef who prepares very delicious meals. He also offers retreats centered on food.

After lunch, Abbot Nicholas gave us a talk which was about the beginnings of Catholicism. After a short break with coffee and scones, we got in our cars and visited St. Gregory Church and the cemetery. Then we drove downtown to see the community’s museum which is housed in the old fire station. It was easy to see that this community takes great pride in their history. After the museum we drove a short distance out of town to visit the old seminary. We were able to go inside the church, which unfortunately has fallen into disrepair because no one is able to take it over and repair it. The rest of the buildings have been condemned. Toward the back of the grounds is a cemetery where previous priests of the Salvatorian Fathers of Faith are buried. There is also a mausoleum where Fr. Ambrose Oschwald, founder of St. Nazianz (named after St. Gregory Nazianz) is buried. On the hill above this area is a small quaint chapel that overlooks the beautiful countryside.

Upon our return to the retreat house, we had another short break with coffee and scones after which Abbot gave us talk about the East and West Catholic churches and then opened the floor to questions. We had many and could have spent much more time just asking him questions. What a wealth of information from this gifted teacher.

Then we went in for Ninth Hour, quiet meditation time to recite the Jesus Prayer to ourselves, and ended with Vespers. This was followed by a silent supper as we listened to Fr. Moses read scripture. After supper Abbot took us to an old historic log cabin that belonged to an undertaker. The cabin had been moved into town so the community could restore it and take care of it.

Finally it was time to return home. most, if not all of us, are thinking about returning to the monastery.

If you want to do a unique retreat, I highly recommend Holy Resurrection Monastery in St. Nazianz. The price is unbeatable, the food is incredible, and the learning experience is priceless! For more information, google Holy Resurrection Monastery.
