TILLING WIDTH
An extra-wide 24 in. tilling width covers more ground per pass and an ample 6” tiling depth will leave your garden ripe for planting.

PLANT PROTECTION DISCS
Garden with peace of mind knowing that your hard work is protected from the tiller tines when cultivating.

13” DUAL-DIRECTION, SELF-SHARPENING TINES
Provide fine cultivating and seedbed preparation, plus superior ground breaking in hard-packed soil. You can turn the hardest earth into fertile soil.

SINGLE HAND OPERATION
Our unique handle designs allow you to walk beside the tilling path for the ultimate in maneuverability and a ready-to-plant seedbed.
