Filing Instructions

Businesses must complete and file Form OS-114, Connecticut Sales and Use Tax Return, to report all sales activity in Connecticut, even if no sales were made or no tax is due. Both taxable and nontaxable sales must be reported in accordance with your monthly, quarterly, or annual filing frequency assigned by the Department of Revenue Services (DRS). Quarterly and monthly filers must file this return and make payment electronically through the Taxpayer Service Center (TSC) website at www.ct.gov/TSC.

Timely returns may be filed by phone using the Connecticut Business Telefile System toll-free at 855-665-9471 or 860-449-1011 (from Groton area). Late filed returns must be filed through the TSC or on paper Form OS-114.

Only annual filers, or those granted an electronic filing and payment waiver, may file paper returns and make payment by check. Complete the return in blue or black ink only. Do not use grayed out fields. To request a one-year waiver from the electronic filing requirement, visit www.ct.gov/drs/TSCfiling and complete Form DRS-EWVR, Electronic Filing and Payment Waiver Request.

Any business that purchases taxable goods or services for use in Connecticut and does not pay Connecticut Sales Tax must pay the Connecticut Use Tax. The use tax rates are identical to the sales tax rates. See Informational Publication 2015(16), Q & A on the Connecticut Use Tax for Businesses and Professions.

Due Date

Form OS-114 is due on or before the last day of the month following the end of the filing period.

If the return is mailed, the return must be postmarked on or before the due date.

Taxpayer Information

Enter the complete name and address of your business. Verify that the correct Tax Registration Number, Federal Employer Identification Number, and period end date appear on the return.

If this is an amended return, check the Amended Return box and provide the correct figures and information for the reporting period. If you made any payment of tax with the original return, enter the tax amount on Line 11 (Do not include any penalty or interest amount).

If you wish to close your Sales and Use Tax account, check the Final Return box and enter your last day of business. Make address, trade name, or ownership changes on the appropriate lines.

Alternative Method

Use this alternative method to determine amounts for Lines 1, 2, and 3 if you do not account for sales tax separately from gross receipts.

Step 2: Column 1 - For receipts subject to the 6.35% tax rate, multiply the remaining balance by 94%.
Column 2 - For receipts subject to the 7.75% tax rate, multiply the remaining balance by 92.8%.
Column 3 - For receipts subject to the 9.35% tax rate, multiply the remaining balance by 91.5%.

Step 3: Add back the amount subtracted for exempt sales.
