These participating national facilities may not show in your search results, either because they operate from a single location serving the entire country, or because their locations are in our system under a central address that is outside the geographic area you are searching. You should have access to these ancillary facility organizations if your ID card displays one of the logos shown below and meets the conditions listed below the logo. Before scheduling your appointment or receiving services from these or any providers, check with the provider to confirm their participation in the network at the desired location and for your specific health plan. (Note: SV = PHCS Savility; WC = Workers’ Comp; AM = Auto Medical).
